*Preliminary Informational Baseline School Grade

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at https://www.floridaCIMS.org.

Table of Contents

| Purpose and Outline of the SIP | 4 |
|--|----|
| Differentiated Accountability | 5 |
| Current School Status | 8 |
| 8-Step Planning and Problem Solving Implementation | 19 |
| Goals Summary | 19 |
| Goals Detail | 19 |
| Action Plan for Improvement | 21 |
| Appendix 1: Implementation Timeline | 23 |
| Appendix 2: Professional Development and Technical Assistance Outlines | 24 |
| Professional Development Opportunities | 25 |
| Technical Assistance Items | 27 |
| Appendix 3: Budget to Support Goals | 0 |

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- · Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only currently A, B or C with at least one F in the prior three years
- Focus currently D
 - Planning two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority currently F
 - Planning declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F currently A-C with at least one F in the prior three years; SIP is monitored by FDOE
- Planning Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

2015-16 DA Category and Statuses

| DA Category | Region | RED |
|-------------|--------|-------------------|
| Focus | 5 | Gayle Sitter |
| Former F | | Turnaround Status |
| No | | |

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

The mission of Robert Russa Moton Elementary School is to increase student achievement, improve teacher practice and positively impact school culture through arts integrated learning. We are committed to working together to provide a stimulating learning environment where all students are engaged through creative lesson design using research-based strategies to enhance learning through inquiry, divergent thinking and creativity.

Provide the school's vision statement

Robert Russa Moton Elementary School is a learning community committed to high academic standards enhanced by a focus on arts integration where all students are engaged through a holistic approach

designed to promote the development of their hearts and minds.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Robert Russa Elementary School provides opportunity to explore and celebrate cultures through school-wide participation in Hispanic Heritage and African-American History activities. Opportunities within the curriculum allows students to write and discuss a variety of cultures. Relationships between teachers and students are established by a management and motivation plan that was created by the teacher. The plan capitalizes on positive interactions, expectations, rewards, consequences, and communication. The school has established a mentor program "Champions" inspired by Rita Pierson. The goal of the mentorship is to promote academics, attendance and positive behavior.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Robert Russa Moton Elementary School strives to create a safe and respectful climate in all interactions each day. Before school, security monitors and identified personnel are positioned in high traffic areas. Procedures and routines for morning line-up are established and understood by staff, faculty and students. Once teachers have received all students, multiple entrances are secured to minimize entry points to the school-site. A security monitored is positioned at the main entrance to direct visitors throughout the instructional day. Afterschool, areas in the school are designated based on the mode of transportation. At each location and throughout the hallways, personnel can be found helping students exit the building safely and quickly.

The School Counselor has implemented a bully box in the main office. The bully box is an anonymous method of reporting bullying behavior. The box is monitored by the school counselor and issues are addressed in a timely manner. It is our belief that students are dignified and strengthened by adult respect. Respect is demonstrated through cultivating positive beliefs. Faculty teaches students how to grow academically and personally. Teachers are encouraged to choose their words carefully. Corrective feedback is provided to foster student efforts. Programs such as PBS Rewards System, Student of the Month, and Do the Right Thing promote continuous positive interactions.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

At Robert Russa Moton our primary responsibility is to provide an environment that is positive, safe and conducive to maximizing student academic achievement. By implementing the M-DCPS Code of Student Conduct, which affords students the opportunity to correct behaviors that are barriers to success, we are able to offer such an environment to all students. R. R. Moton's School Wide Discipline Plan has been developed to help students and their parents understand the Code of Student Conduct, the consequences for the most common violations, and to minimize the need for outdoor suspension.

The system will:

- Increases the likelihood that desired behaviors will be repeated
- · Focuses staff and student attention on desired behaviors
- · Fosters a positive climate
- · Reduces the need for engaging in time consuming disciplinary measures
- Supports efforts of school-wide system

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Students' ability to learn depends not just on the quality of their textbooks and teachers, but also on the comfort and safety they feel at school and the strength of their relationships with adults and peers. As a staff, we ensure some programs are in place in order to ensure the social-emotional needs of all students are being met.

- Conflict Resolution counseling
- Individual Counseling
- Group Counseling
- Parent meetings/conferences
- Teacher-student conferences
- Mentoring program for girls in 3rd-5th grade-SPARK
- 5000 Role Models
- Classroom Guidance sessions
- Career Day
- Pedestrian Safety Lessons
- School-wide Values Matter Assemblies
- Outside agency referrals
- Positive Behavior Support System Jaguar Dollars, Jaguar Store, PBS Parties
- DO the Right Thing Program
- Student of the Month

As an extension of the Values Matter character development, the school also implements the NED Program. The school-wide character program promotes focus, persistence, kindness, shared learning, diligence and excellence.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

RR Moton Elementary School has adopted a five-step Early Warning System process to aid in the identification and monitoring of students who are at risk.

1. EWS Team meets monthly

2. Reviews and Interprets Data (Attendance Rates, Discipline Referrals, Academic Grades, Current Test Scores)

- 3. Assigns Interventions
- 4. Monitors Interventions
- 5. Evaluates & Refines Interventions as needed

The steps help guide the team in making informed decisions on how to best support our at-risk students, as well as on how to continue to monitor their progress. Additionally, the EWS process, through the support and leadership of a Success Coach, will allow the team to examine the success of the interventions used, and to identify and analyze other possible systemic barriers, such as school culture or climate, that may relate to negative trends in attendance, behavior, or academic achievement.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

| Indicator | Grade Level | | | | | | Total |
|---------------------------------|-------------|---|---|---|----|----|-------|
| Indicator | К | 1 | 2 | 3 | 4 | 5 | Total |
| Attendance below 90 percent | 4 | 7 | 7 | 1 | 5 | 18 | 42 |
| One or more suspensions | 2 | 0 | 3 | 2 | 3 | 3 | 13 |
| Course failure in ELA or Math | 3 | 5 | 6 | 2 | 3 | 4 | 23 |
| Level 1 on statewide assessment | 4 | 9 | 9 | 2 | 10 | 23 | 57 |
| | 0 | 0 | 0 | 0 | 0 | 0 | |

The number of students identified by the system as exhibiting two or more early warning indicators:

| Indicator | | Grade Level | | | | | |
|--|---|-------------|----|---|----|----|-------|
| | | 1 | 2 | 3 | 4 | 5 | Total |
| Students exhibiting two or more indicators | 4 | 9 | 10 | 2 | 10 | 23 | 58 |

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

- Attendance Review Committee interventions
- Counseling/mentoring through the Alternative to Suspension Classroom
- Personalizing the learning environment and instructional process through differentiated instruction
- Parent/Teacher Conferences
- Reading Intervention/Enrichment
- Supplemental Technology Programs
- Saturday Tutoring opportunities for grades 3-5 beginning in February 2016
- · Extended Day Schedule which provides additional time for learning

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <u>https://www.floridacims.org/documents/193190</u>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Robert Russa Moton Elementary School works towards creating a welcoming environment for families by the utilization of a school-site parent resource center, curriculum nights and timely communication regarding student progress. The community involvement specialist will host several workshop opportunities for the parents in collaboration with community resources and the district's parent academy to promote the success of students and family.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership:

| Name | Title |
|--------------------|---------------------|
| Wright, Eric | Principal |
| Valenzuela, Sandra | Instructional Coach |
| Evans, Monica | Instructional Coach |
| Bermudez, Ana | Teacher, K-12 |
| Searles, Shonie | Teacher, K-12 |
| Bernard, Mona | Teacher, K-12 |
| Rappaport, Maria | Instructional Media |
| Asberry, Tamatha | Teacher, K-12 |
| Kaplan, Rae | Teacher, K-12 |
| Albuck, Jodie | Teacher, K-12 |
| Ventura, Mayra | Assistant Principal |

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

Eric Wright, Principal: Facilitator Mayra Ventura, Assistant Principal: Facilitator Ana Alberdi, School Counselor: Provide Progress/Status on Students in Tier II and Tier III Behavior/ Academic and attendance information Monica Evans, Reading Coach: Provide Current Reading Data and Report Information on Effectiveness of Strategies in Reading and Writing, reading interventions and related reading technology Sandra Valenzuela, Math Coach: Provide Current Mathematics Data and Information on the Effectives of Strategies in Mathematics and related mathematics technology Maria Rappaport, Media Specialist: Discuss and provide information on student progress on Accelerated Reader and media center circulation

Rae Kaplan, Primary Classroom Teacher: Provide input to the process and decisions made based on their experience, current assignment and parental/community interest

Mona Bernard, EESAC Chairperson/ Intermediate Classroom Teacher: Provide input to the process and decisions made based on their experience, current assignment and parental/community interest Mercy Herold, SPED Teacher: Provide SPED Students' academic progress in reading. mathematics, writing and science through data and discuss accommodations which yield greatest academic success

Rosa Ansoleaga, Lead Magnet Teacher: Provide documentation regarding the impact or direct correlation to arts integration to students identified as Tier II and Tier III.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The MTSS Team implements the SIP by ensuring that evidence is produced from the strategies and monitoring the effectiveness of strategies through data. The MTSS Team and SIP structures address the effectiveness of core instruction through the utilization of using district pacing guides, the core series, adherence to instructional blocks and differentiated instruction based on the grade level standards within the curriculum. Resources of allocation are managed through the administration in the form of hourly teachers, interventionist, security personnel, incentives tied to attendance and behavior, teacher materials and instructional resources to support needs in the area of academics and behavior. Teacher support systems are established through mentoring, common planning, professional learning communities, professional development opportunities, fully released instructional coaches and student services personnel. Small group and individual student needs are met through differentiated instruction, intervention and enrichment structure, supplemental technology programs, Functional Assessment of Behavior (FAB) Plans, and Behavior Intervention Plans (BIP). This process is monitored as outlined by the MTSS/Rtl Team due to the structure of the roles and responsibilities and administrative fidelity checks.

Title I, Part A

Services are provided to learners who need additional assistance through in-school and after school programs. The school ensures that teachers are provided opportunities to attend professional development on a school and district level. Curriculum coaches will continue to develop, lead, and evaluate school core content standards/programs. They will also continue to identify patterns of need while working with personnel to identify appropriate, evidence-based intervention strategies, assist with whole school screening that provide early intervention to learners who are "at-risk", assist in the design and implementation of progress monitoring, data collection, & data analysis, participate in the creation and delivery of professional development and provide support for assessment and implementation monitoring. The school-based, Title I funded Community Involvement Specialist (CIS) will serve as the bridge between the home and school through home visits, telephone calls, school-site and community parenting activities.

Title II

The District uses supplemental funds for improving basic education as follows:

• training to certify qualified mentors for the New Teacher (MINT) Program

• training for add-on endorsement programs, such as Reading, Gifted, ESOL

• training and substitute release time for Professional Development Liaisons (PDL) at each school focusing on Professional Learning Community (PLC) development and facilitation, as well as Lesson Study Group implementation and protocols. Title III Title III funds are used to supplement and enhance the programs for English Language Learners (ELL) and immigrant learners by providing funds to implement reading and supplementary education materials.

Title X- Homeless

The Homeless Assistance Program seeks to ensure a successful educational experience for homeless children by collaborating with parents and the community. The school is eligible to receive services and will do so upon identification and classification of a student as homeless. The Homeless Liaison will provide training for the school registrar on the procedures for enrolling homeless students and for school counselors on the McKinney Vento Homeless Assistance Act-ensuring homeless children and youth are not stigmatized or separated, segregated, or isolated on their status as homeless and are provided with all entitlements. The District Homeless Student Liaison continues to participate in community organization meetings and task forces as it relates to homeless children and youth. The school has a school based homeless coordinator trained on the McKinney-Vento Law ensuring appropriate services are provided to the homeless students.

Supplemental Academic Instruction (SAI)

Robert Russa Moton will receive funding from Supplemental Academic Instruction (SAI) as part of its Florida Education Finance Program (FEFP) allocation.

Violence Prevention Programs

Robert Russa Moton Elementary School implements a character education program, an anonymous bullying reporting box, and fosters an environment that advocates making decisions that have a positive outcome.

Nutrition Programs

1) Robert Russa Moton Elementary School adheres to and implements the nutrition requirements stated in the District's Wellness Policy.

2) Nutrition education, as per state statute, is taught through physical education.

3) The School Food Service Program, school breakfast, school lunch, and after care snacks, follows the Healthy Food and Beverage Guidelines as adopted in the District's Wellness Policy.

4) Robert Russa Moton Elementary School will initiate the Fresh Fruits and Vegetables Program to provide a variety of fresh fruits and/or vegetables to its learners on a weekly basis.

5) Robert Russa Moton has been awarded a grant from the Alliance for a Healthier Generation to promote exercise and healthy eating for its learners and staff.

Career and Technical Education

Robert Russa Moton Elementary School's students participate in a Career Day event annually that exposes students to a variety of career fields. Project-based assignments are assigned to students to help them explore careers.

Other

Health Connect in Our Schools (HCiOS) offers a coordinated level of school-based healthcare which integrates education, medical and/or social and human services on school grounds. HCiOS offers a trained health team that is qualified to perform the assigned duties related to a quality school health care program.

Robert Russa Moton is a recipient of the HeARTS and Minds federal grant. This grant will enhance learning by infusing the arts across the curriculum and provide professional development to both teachers and administrators. The project's goal is to enhance, document, evaluate and disseminate an effective and replicable standards-based, arts integration program that enhances instructional practice and improves student achievement. Robert Russa Moton Elementary School is the proud recipient of the 21st Century Community Learning Centers Grant. The grant supports students in meeting state standards in core academic subjects, such as reading and math; offers students a broad array of enrichment activities that can complement their regular academic program; and offers literacy and other educational services to the families of participating children.

School Advisory Council (SAC)

Membership:

| Name | Stakeholder Group |
|-------------------|----------------------------|
| Eric Wright | Principal |
| Maria Rappaport | Education Support Employee |
| Rae Kaplan | Teacher |
| Jodie Albuck | Teacher |
| Mona Bernard | Teacher |
| Rajshree Morley | Business/Community |
| Linda Obermeier | Teacher |
| Norma Selva | Parent |
| Rosa Ansoleaga | Teacher |
| Sandra Valenzuela | Teacher |
| Janet Williams | Parent |
| Ashmita Persaud | Student |
| Mercy Herold | Teacher |

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The School Advisory Council had multiple opportunities to review the school improvement plan, address concerns and recommend suggestions. Throughout the school year the School Improvement Plan served as an agenda item. Updates were provided each meeting regarding student progress from respective instructional coaches. Formative assessment results were reported as they became available.

Development of this school improvement plan

The Educational Excellence School Advisory Council (EESAC) Committee will review the School Improvement Plan and provide input to promote student achievement during regularly scheduled EESAC meetings. The grade level representation will disseminate the information to increase school-wide collaboration and implementation.

Preparation of the school's annual budget and plan

The preparation of the annual budget and plan will be guided through the school improvement plan. Monies allocated to instructional resources and student incentives. The EESAC will work with the school treasurer to meet the guidelines of Internal Funds.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

The EESAC is currently projecting the school improvement funds for library books in the amount of \$552.12 as a carry over from the 2012-2013 school year. Remaining funds will support the strategies outlined in the school improvement plan and teacher supplies.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC No

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

In an effort to create a council that has an appropriate balanced number of teachers, education support employees, students, parents, and other business and community citizens efforts will be made to recruit through the school's website and other marketing tools.

Literacy Leadership Team (LLT)

Membership:

| Title |
|---------------------|
| Principal |
| Instructional Coach |
| Instructional Coach |
| Teacher, K-12 |
| Teacher, K-12 |
| Teacher, K-12 |
| Teacher, K-12 |
| Instructional Media |
| Teacher, PreK |
| Teacher, K-12 |
| Assistant Principal |
| |

Duties

Describe how the LLT promotes literacy within the school

To participate in a professional learning committee to address school wide literacy To promote wide reading through the use of the school-wide reading program-Accelerated Reader To conduct school-wide literacy activities/events to promote literacy throughout the year

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

At Robert Russa Moton Elementary School the teachers are organized by grade level and meet twice a week with instructional coaches to plan for both whole group instruction and differentiated instruction. Data is disaggregated and analyzed to present tiered lessons to students in both reading and mathematics. Teachers are offered professional development opportunities through workshops, professional learning communities, and peer observation. Teachers take ownership for student learning. Teachers are afforded the opportunity to participate in shared decision making during Leadership Meetings, EESAC, common planning and a variety of school-site forums. Instructional personnel (Lead teacher and instructional coaches) have a voice in hiring and selecting leadership roles at the school-site by participating in interviews when possible.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

The administration has partnered with local colleges/universities to receive prospective teachers to complete pre-service hours with highly qualified classroom teachers. The administration supports teachers through providing guidance in educational shifts and collaborative structures. Teachers are provided common planning to participate in preparing for the delivery of effective instruction, professional collaboration and collegial support. Administrators provide information regarding opportunities for professional development through training, grant opportunities and/or availability of educational resources. The staff is equipped with a MINT certified teacher that serves as a resource to new and beginning teachers.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Support is provided to the teacher by the mint certified teacher, the grade level chairperson and instructional coaches .

The mint certified teacher teacher has a commitment to professional learning evidenced by frequent participation in PD and application. The mentoring teacher will engage in modeling best practices support in classroom procedures and planning with the mentee.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

Robert Russa Moton Elementary School utilizes resources that are research-based and approved by the district. Common planning sessions are designed to unwrap the Florida Standards(MAFS/LAFS) and NGSS (Science) in conjunction with the Item Specifications for Reading, Mathematics and Science. Teachers also provide opportunities for students to practice acceptable response mechanisms to promote understanding.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Robert Russa Moton Elementary School disaggregates formative assessments to identify strengths, challenges and trends in student learning. From the data analysis lessons are designed, implemented and evaluated. Lessons and strategies are monitored to determine the impact of the strategies on student learning. The school has adopted the gradual release model across all subject areas and instructional frameworks that employ whole group instruction paired with differentiated instruction. Differentiation appears in various formats, such as teacher led centers, supplemental technology programs and intervention/enrichment groups. For example, following the topic assessment in mathematics, the teacher will engage students in bellringers and small group instruction to remediate math skills and reteach mathematical concepts.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 10,800

Extended School Day provides an extra hour in each day. The extra hour is allocated to lengthen interventions or enrichment in reading and the mathematics block. Teachers meet weekly to collaborate and plan for strategic instructional delivery.

Strategy Rationale

By providing extra time during reading intervention or enrichment, students will receive lessons designed to promote student growth. In addition, teacher collaboration will produce cohesive effective lessons that target the standards.

Strategy Purpose(s)

- Core Academic Instruction
- Teacher collaboration, planning and professional development

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Effectiveness of the extended school day are monitored through data trends in pre-post tests, Lexile scores, FAIR, Interim Assessments, Student School Grades, in-program formative assessments and the Spring Administration of the Florida Standards Assessment. Effectiveness of the strategy will be determined by ongoing student data results.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Title I Administration assists the school by providing supplemental funds. Funds are used to provide extended support through a full time highly qualified teacher and paraprofessional. This will assist with providing young children with a variety of meaningful learning experiences, in environments that give them opportunities to create knowledge through initiatives shared with supportive adults. Robert Russa Moton Elementary School will establish or expand the "Welcome to Kindergarten" program to build partnerships with local early education programs, including the in-school pre-kindergarten program. Through this joint venture, parents and children will gain familiarity with kindergarten as well as receive information relative to the matriculation of learners at the school. The liaison also coordinates a visitation day for Pre-K students in surrounding establishments come to the school and take a tour. Neighborhood and school site PK teachers will come together with kindergarten teachers in the Fall and Summer for a facilitated discussion focusing on learner performance, effective instructional methods, and developmental expectations.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

N/A

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

N/A

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

N/A

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, as required by section 1008.37(4), Florida Statutes

After reviewing the High School Feedback Report (2012) of the feeder pattern that services Robert Russa Moton Elementary School, the data revealed that 67.5% are performing at proficiency levels in reading. Mathematics data revealed a higher proficiency rate of 89.2%. Efforts at Robert Russa Moton Elementary will be designed to strengthen reading skills of the students that feed into the feeder pattern high school.

Needs Assessment

Problem Identification

Data to Support Problem Identification

Portfolio Selection

Portfolio selection is not required by the Florida Department of Education but is offered as a tool for needs assessment.

Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key B = G = Goal

Barrier

S = Strategy

1 = Problem Solving Step S123456 = Quick Key

Strategic Goals Summary

To increase student achievement by improving core instruction in all content areas. G1.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

G1. To increase student achievement by improving core instruction in all content areas. 1a

| Targets Supported 1b | ~ G073993 |
|------------------------------|------------------|
| Indicator | Annual Target |
| ELA/Reading Lowest 25% Gains | 60.0 |
| Math Lowest 25% Gains | 50.0 |

Resources Available to Support the Goal 2

- Instructional materials including Technological Tools (i.e. Promethean Boards, Tablets, Web-Based Intervention Programs) and WiFi Access
- Additional Time for Common Planning and Extended Instructional Day
- Professional Development opportunities offered through ETO and District Offices
- Human Resources (Instructional Coaches, School Administration, and other Support Personnel)
- Thinkgate Data (GD2) Reports
- Common Planning Framework
- · Daily Learning Targets, Pacing Guides, Item Specifications
- Core Curriculum Programs (i.e. McGraw Hill Wonders, Go Math, Scott Foresman Science)

Targeted Barriers to Achieving the Goal

• There has been an emphasis on planning and instructional routines, however, there is limited evidence of effective and explicit instructional delivery.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G = Goal $\begin{array}{c} \mathbf{B} = \\ Barrier \end{array}$ **S** = Strategy

1 = Problem Solving Step 🥄 S123456 = Quick Key

G1. To increase student achievement by improving core instruction in all content areas.

G1.B1 There has been an emphasis on planning and instructional routines, however, there is limited evidence of effective and explicit instructional delivery.

G1.B1.S1 Plan for and deliver lessons in all content areas through systematic, explicit and rigorous activities that actively engage all learners.

Strategy Rationale

Increasing the opportunities for instructional growth.

Action Step 1 5

Provide professional development on the implementation of an effective lesson in all content areas.

Person Responsible Eric Wright Schedule On 9/16/2015 Evidence of Completion

Faculty Meeting Agenda, Sign-in Sheets, P.D. Handouts

🔍 G073993

🔍 B193224

🔍 S204730

Action Step 2 5

Facilitate common planning, in all content areas, that aligns to the expectations set during the professional development. Provide opportunties for teachers to practice/model effective lesson delivery during common planning.

Person Responsible

Eric Wright

Schedule

Weekly, from 9/8/2015 to 9/25/2015

Evidence of Completion

Common Planning Agendas, Sign In Sheets

Action Step 3 5

Monitor the implementation of effective lesson delivery in all reading classrooms.

Person Responsible

Eric Wright

Schedule

Weekly, from 10/2/2015 to 6/8/2016

Evidence of Completion

Walkthrough Logs, Observation Forms

Action Step 4 5

Conduct coaching cycles, and model different components of the instructional framework, based on teacher need.

Person Responsible

Eric Wright

Schedule

On 1/22/2016

Evidence of Completion

Coaching Logs, Coaching Reflections

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

The school Administrative Team will participate in common planning sessions, and lead faculty meetings, where dissemination of best practices will be expected.

Person Responsible

Eric Wright

Schedule

Weekly, from 9/28/2015 to 6/8/2016

Evidence of Completion

Common Planning Agendas, Sign In Sheets

Plan to Monitor Effectiveness of Implementation of G1.B1.S1 🔽

The Administrative Team will conduct classroom walk-throughs.

Person Responsible

Appendix 2: Professional Development and Technical Assistance Outlines

Professional development opportunities and technical assistance items identified in the SIP as action steps to achieve the school's goals.

Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. To increase student achievement by improving core instruction in all content areas.

G1.B1 There has been an emphasis on planning and instructional routines, however, there is limited evidence of effective and explicit instructional delivery.

G1.B1.S1 Plan for and deliver lessons in all content areas through systematic, explicit and rigorous activities that actively engage all learners.

PD Opportunity 1

Provide professional development on the implementation of an effective lesson in all content areas.

Facilitator

Ms. Monica Evans, Ms. Sarah Rosenfield, Ms. Sandra Valenzuela, Ms. Ivette Kaige

Participants

All Content Teachers

Schedule

On 9/16/2015

PD Opportunity 2

Facilitate common planning, in all content areas, that aligns to the expectations set during the professional development. Provide opportunties for teachers to practice/model effective lesson delivery during common planning.

Facilitator

Ms. Monica Evans, Ms. Sandra Valenzuela, Dr. Mayra Ventura

Participants

All Content Teachers

Schedule

Weekly, from 9/8/2015 to 9/25/2015

PD Opportunity 3

Conduct coaching cycles, and model different components of the instructional framework, based on teacher need.

Facilitator

Ms. Monica Evans, Ms. Sandra Valenzuela

Participants

Specific Content Teachers

Schedule

On 1/22/2016

Technical Assistance Items

Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.
