Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Seminole County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A, B or C with at least one F in the prior three years
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-C with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

The mission of Carillon Elementary School is to ensure that all students acquire the knowledge, skills, and attitudes to be productive citizens in our great country and in the global economy.

Provide the school's vision statement

Carillon Elementary School will be one of the highest performing elementary schools in SCPS, and will be recognized for high achievement levels and academic standards, and will offer enriching educational opportunities for all students. Carillon will support the SCPS vision that every student will graduate from high school prepared for the future as a lifelong learner and a responsible citizen in a democratic society.

*All students will perform at the highest levels.

*There will be equitable facilities and opportunities for all students.

*The school's personnel will be highly qualified, diverse, innovative, enthusiastic, energetic, and dedicated to the mission.

Carillon Elementary will build a community of life-long learners who will seek educational excellence to become caring productive citizens.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Carillon Elementary works together with its students and families to learn about, and embrace each others' differences and similarities. We have several community events throughout the year including Book Fairs, parent curriculum nights, and various PTA sponsored events such as Muffins for Moms, Donuts for Dads and Spirit Night events. Parents of varying cultural backgrounds meet with teachers to share their experiences during two ESOL Parent Leadership Council meetings. All students are provided Mandarin Chinese instruction during the Specials rotation. Enrichment classes are provided weekly for all students during the school wide enrichment program, "SPACE Teams".

Describe how the school creates an environment where students feel safe and respected before, during and after school

"Be Safe, Be Respectful, Be Responsible and Be Recognized" is the foundation of our behavior management program and fundamental in building a positive, safe environment at Carillon Elementary. These school wide expectations form the basis for our Positive Behavior Support program, and are evident throughout the day in all settings. Our PBS team, has created a program based on positive behavior, incentives, and focused on the success of our students, rather than negative consequences. Bully Prevention assemblies, sponsored by the Carillon PTA, were provided to all grades, Pre-K to 5 in October and November.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

All Carillon staff is trained on our Positive Behavior Support expectations. The PBS model emphasizes student safety, responsibility, respect and recognition. The PBS expectations focus on the “ABC”s of Academics, Behavior, and Citizenship throughout the day, and supports and recognizes students efforts and accomplishments through the use of positive incentives. The school wide expectations are posted and communicated to students during grade level assemblies, incentives are earned and recognition is provided via the school wide news. When disciplinary action is called for, the Student Code of Conduct is followed and adhered to.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Carillon Elementary has established various counseling opportunities to help meet the needs of our students. Classroom Guidance lessons focused on specific life skills and small group counseling is offered on topics such as anger management, social skills, grief, and divorce. A Guidance Counselor is available for one on one counseling if needed. Grades 2 and 3 participate in ongoing life skills lessons as part of their Specials rotation, and students in grade 5 participate in the FOCUS program.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

No

PIP Link

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

Description

Carillon Elementary has invited parents to access the Skyward information system to access student data and grades on a regular basis. The Skyward and School Connects systems are also used to communicate messages to parents/families via email messaging. Parents access school wide information via the Carillon Elementary website, Facebook page and Twitter, as those are updated on a continual basis. We have numerous school wide events including Book Fairs, Open House, Curriculum Nights, Galactic Galleries, Night of the Arts and various PTA/SAC sponsored events such as Muffins for Moms, Donuts for Dads, Game Night, Bike Rodeo, and Spirit Night events.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Carillon Elementary has established strong community relationships through various community events, school events and Business Partnerships. Some examples include Boy Scouts, Girl Scouts, Pop Warner Cheerleading, Space Teams (our school wide enrichment program), UCF partnerships, PTA events and Teach In.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership:

Name	Title
Jones, Analynn	Principal
King, Jeanne	Assistant Principal
Bailey, Pam	Guidance Counselor
Flora, Jennifer	Guidance Counselor
Cabrera, Natalie	Instructional Coach
Dennen, Susan	Other

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The Assistant Principal, Guidance Counselors, and Instructional Coach collaborate to oversee the MTSS process. The Assistant Principal creates a schedule for MTSS Team meetings, participates in weekly meetings, coordinates and approves all designated intervention and tutorial programs. The Instructional Coach coordinates and supervises the actual interventions and intervention personnel. She also administers assessments, collects and analyzes data, and participates in all student MTSS meetings. When a student is identified as performing below proficiency, the Instructional Coach meets with the teacher to discuss intervention, differentiation, and the possible need to initiate MTSS. Guidance coordinates Tier 3 data review meetings and facilitates the Student Study referral process. The Gifted teacher helps to plan additional enrichment opportunities for students. The SLD teacher monitors students through her Support Facilitation in class, and provides consultation regarding the Tier 3 interventions and programs. Speech and Language provides consultation for Language interventions. Additional team members include the Psychologist, Social Worker, and related services such as PT and OT. These team members also provide support to ensure students' academic, emotional, behavioral and social success.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The school has a core Multi-Tiered System of Supports (MTSS) problem solving team, comprised of members with expertise in academic and behavioral domains. The MTSS team utilizes the continuous problem solving process to identify students who are at-risk in academics and/or behavior and determines why the problem is occurring. The MTSS team designs and implements research-based interventions and regularly monitors student progress and response to interventions. The school utilizes the online MTSS module to document all interventions, meetings, and parent involvement in the process.

Carillon Elementary School will coordinate Supplemental Academic Instruction and Exceptional Student Education funds to provide additional academic tutorial and/or intervention time for students in need of remediation. These funding sources are coordinated to maximize the number of students and the amount of services available for academic interventions. In addition, the school district coordinates IDEA funds to provide our school additional paraprofessionals that facilitate small group instruction during the school day. The coordination and integration of these funds and services ensure students are provided the time and support needed to master the standards and improve academic achievement.

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The Carillon Elementary SAC met September 8, 2015. The School Improvement plan was discussed, and it was shared that the data points for evaluating the plan were not yet available. The FSA results were recently deemed valid, per the FLDOE validity study, and parents would be informed of assessment results as soon as they are made available. The district and school based initiatives were discussed, and the district wide goal for each student is to make one year's growth in one year's time.

Development of this school improvement plan

District and school based initiatives and needs were highlighted and discussed at the first SAC meeting on September 8, 2015. Through this sharing of initiatives the SAC committee was able to provide input to Dr. Jones, which in turn assists with the problem solving process. Areas of concern include maintaining or increasing levels of proficiency in all academic areas, to achieve a year's growth for each student. This includes increasing levels of Learning Gains for all students in all subject areas. Natalie Cabrera and Pam Bailey (Leadership Team members) participated in the problem-solving process. The draft plan is scheduled to be reviewed during the October 2015 meeting. The SAC committee will help to progress monitor student achievement through the review of school wide data, following assessment periods. The SAC committee will review and approve the proposed plan.

Preparation of the school's annual budget and plan

The SAC met on September 8, 2015 to discuss and pass the SIP budget. The SAC determined that the funds (\$4490.77) were to be allocated for Technology and/or Professional Development needs that directly correlate to the instructional goal and actions of the 2015-2016 SIP.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

The School Improvement funds have been designated for technology and/or to help fund Professional Development opportunities for teachers, related to the SIP objectives/goals and Action Plan. There have been no expenditures to date.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership:

Name	Title
Jones, Analynn	Principal
King, Jeanne	Assistant Principal
Bailey, Pam	Guidance Counselor
Dennen, Susan	Teacher, K-12
Flora, Jennifer	Guidance Counselor
Rollins, Zenaida	Instructional Media
Cabrera, Natalie	Instructional Coach

Duties

Describe how the LLT promotes literacy within the school

Two major initiatives for 2015-2016 are the differentiation of instruction, including the clustering of Gifted and talented students to meet their enrichment needs, and to guide the implementation of the Florida Standards. Additional initiatives include:

- To provide motivation and the love of reading for ALL students, parents and staff.
- To communicate the school initiatives and help to resolve concerns in relation to reading and writing
- To update the staff about the best practices and updates in literacy education.
- To plan and implement Family Literacy Events - in collaboration with Book Fairs - 2X year
- To participate in the Oviedo Cluster training, providing supplemental information to parents
- To promote participation in Florida Literacy Week events

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Carillon Elementary has implemented Professional Learning Communities (PLCs) to support collaborative planning and discussion of best practices in instruction, which are aligned to the SCPS instructional plans and Florida Standards. Grade levels have been provided with a common planning time and PLC time daily as well as designated Wednesday afternoons for additional collaborative planning and unpacking of the Florida Standards. Additionally, are provided an extended PLC schedule to provide two extended (70 minute) PLC meetings monthly.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Seminole County Public Schools is always looking for highly qualified, certified teachers to teach our students. The method of recruitment is defined based on the need. Seminole County Public Schools reputation of being an "A" school district brings to us thousands of highly qualified applicants. One of our recruitment strategies is our partnership with State and private colleges and universities. We welcome university and college interns and field study students to our district not only from the State of Florida university system but also out of State. Annually our district participates in many university job fairs and minority and veteran job fairs. This year we have gone out of the United States and are bringing on board a few teachers from Spain to teach the dual language classes.

The district supports all teachers but especially new teachers with mentoring programs. We also provide in-services and workshops. New teachers with zero years of experience are assigned a one on one mentor. This support is provided beyond the first year.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Our school has a school-wide mentor who works with administration to coordinate all mentoring activities on our campus. This school-wide mentor was trained by our county's new teacher facilitator and given materials and agendas to support the new teachers during this calendar year. Before school began, our new teachers spent a day with our school-wide mentor and were given a campus tour and oriented to important procedures and policies that will affect them as they begin the school year. Once school begins, these new teachers meet regularly with the mentor(s) who best fits their needs and follow an agenda of recommended topics that are appropriate for each teacher's given situation. Whether the new teacher is working with a school-wide mentor, peer teacher, or alternative certification mentor, he or she is working with an individual who has been trained by our county to support the teacher's various needs. Each of these mentor roles are fine-tuned each year based on the feedback from our new teachers the year before.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

The core curricula of Seminole County Public Schools are comprehensive systems employing research-based best-practices, rigorous content, and instructional materials organized in comprehensive instructional plans. Delivery modes and methods require explicit differentiated instruction to the depth of the Florida Standards.

Carillon Elementary follows the SCPS Elementary Instructional Plans for Reading, Writing, Math, Science and Social Studies. The SCPS Instructional Plans are aligned to the Florida Standards and specific to each grade level.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Carillon Elementary uses multiple data to guide and differentiate instruction to meet the diverse needs of students. Assessments are used as baseline, progress monitors, and as diagnostic tools to help track student growth over time, and determine specific needs. Based on the data and student growth, differentiation is determined, including enrichment and extension as well as remediation and

acceleration. Assessments included are FSA, Standard based assessments, SRI, DAR, PASI, PSI, SIPPS, Go-Math, & Reading Street.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Before School Program

Minutes added to school year: 9,000

Supplemental Academic Instruction funds will be used to provide "Before School" tutorial. One hundred sixteen sessions of 1 hour each, will be provided for students receiving Tier 2 and/or Tier 3 interventions in Reading and/or Math in grades 2-5. Additional opportunities will be provided to support students in grades 3-5 with an in-school model, providing intensive small group instruction for twenty weeks, three times a week, for 3 hours. The Teen Trendsetters program is a reading support and motivational program provided to students in grades 2 & 3 for a minimum of 24 hours student contact hours.

A school-wide enrichment program, "Advanced Academic Program" (AAP) is being implemented weekly, to provide enriching experiences to all students, based in Science, Technology, Engineering, Arts, and Math (STEAM) standards All students participate in this enrichment initiative.

Strategy Rationale

We will focus on the academic needs of our students who comprise the lowest quartile and exhibit deficiencies in ELA and Math. This targeted support will support our proficiency levels as well as the learning gains for our lowest quartile.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

King, Jeanne, jeanne_king@scps.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Data such as SRI Lexile, Standards based assessments, GoMath and PSI is collected, analyzed and monitored to measure student need and growth. These programs also serve to progress monitor the students and ensure effectiveness of the tutorial instruction.

A "Galactic Gallery" showcase will be held, for students to share and demonstrate their new skills with parents and visitors from the community.

Strategy: Summer Program

Minutes added to school year: 4,950

Summer Learning Camp

Strategy Rationale

Students in grade 3 who score below proficiency (Level 1 or Level 2) will be provided intensive intervention services in an effort to achieve Good Cause Exemption.

Minutes added to school year: 3,000

Carillon Elementary will offer before school computer lab time for students receiving ESE, and/or ESOL services and/or Tier 2/Tier 3 interventions in Reading and/or Math in grades 2-5.

Strategy Rationale

We will focus on the academic needs of our students who comprise the lowest quartile and exhibit deficiencies in ELA and Math. This targeted support will support our proficiency levels as well as the learning gains for our lowest quartile.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Students in the Voluntary Pre-K (VPK) Program visit the kindergarten classrooms at the end of the school year to learn about what to expect in kindergarten. During the summer, students entering kindergarten in selected Title I Schools can attend Kinder Camp to help prepare them for success in kindergarten. Schools offer an Open House before school starts and kindergarten teachers are available for individual conferences.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying “why” or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. G1.B8.S1 Provide extended education for all students through interventions, tutorial, enrichment and gifted clusters. 4

 S205888

Strategy Rationale

Providing extended learning opportunities will enhance the levels of differentiation for each student.

Action Step 1 5

Continue to develop a school wide enrichment program, "AAP" (Advance Academic Program) and develop a "Maker Space" to provide a range of STE(A)M experiences to all students

Person Responsible

Zenaida Rollins

Schedule

Weekly, from 9/1/2015 to 5/6/2016

Evidence of Completion

Teacher activity proposals, student sign up sheets

Action Step 2 5

Continue to provide Tutorial for students identified as needing Tier 2, Tier 3 or ESE support.

Person Responsible

Jeanne King

Schedule

Weekly, from 10/1/2015 to 5/6/2016

Evidence of Completion

Tutorial schedule and student attendance rosters

Plan to Monitor Fidelity of Implementation of G1.B8.S1 6

Tutorial planning sheets, schedule, invitations, rosters and attendance sheets
AAP activity menus, schedule, participation/attendance sheets

Person Responsible

Jeanne King

Schedule

Monthly, from 10/1/2015 to 5/1/2016

Evidence of Completion

Attendance sheets for Tutorial and AAP. Student data such as SRI, Discovery Ed, Reading Street, Go Math

Plan to Monitor Effectiveness of Implementation of G1.B8.S1 7

Monitor student growth over time, using benchmark assessment data

Person Responsible

Jeanne King

Schedule

Monthly, from 10/1/2015 to 5/1/2016

Evidence of Completion

Student data reports - SRI, Standards based assessments, Reading Street, Go math assessments

G1.B10 Lack of active student engagement, 2

 B194342

G1.B10.S1 Provide time for collaborative, purposeful PLC's for teachers to plan and revise instruction, and provide opportunities to observe Cooperative Learning strategies via peer observations. 4

 S205889

Strategy Rationale

Planning and observing model lessons and classrooms will provide teachers greater insight into effective teaching strategies.

Action Step 1 5

Schedule and provide opportunities for expert teachers to model Cooperative Learning strategies in the classroom.

Person Responsible

Jeanne King

Schedule

Every 2 Months, from 9/1/2015 to 5/6/2016

Evidence of Completion

Schedule & Lesson Plan

Action Step 2 5

Schedule and implement extended PLC times for teams to plan standards aligned lessons, observe and reflect on effective engagement and instructional practices

Person Responsible

Jeanne King

Schedule

Quarterly, from 10/1/2015 to 4/1/2016

Evidence of Completion

Schedule, & Lesson Plan

Plan to Monitor Fidelity of Implementation of G1.B10.S1 6

Provide opportunities for peer observations, and reflection

Person Responsible

Jeanne King

Schedule

Quarterly, from 10/1/2015 to 4/1/2016

Evidence of Completion

Observation notes, data collection during observations, reflection notes

Plan to Monitor Effectiveness of Implementation of G1.B10.S1 7

Review student assessment data & classroom walk-throughs

Person Responsible

Jeanne King

Schedule

Quarterly, from 10/1/2015 to 4/1/2016

Evidence of Completion

Assessment data & iObservation reports
