**Note:** The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

### School Board Approval

This plan is pending approval by the Polk County School Board.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

### DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A, B or C with at least one F in the prior three years
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-C with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

### Supportive Environment

#### School Mission and Vision

##### **Provide the school's mission statement**

The vision of Highlands Grove elementary is to promote academic excellence by providing our students with a total quality learning experience while enhancing knowledge and character.

##### **Provide the school's vision statement**

Our mission at Highlands Grove is to create an academically challenging and emotionally secure environment that encourages students to take risks, to solve problems, and make meaningful contributions to society

#### School Environment

##### **Describe the process by which the school learns about students' cultures and builds relationships between teachers and students**

Teachers at Highlands Grove are either already certified or are becoming certified on strategies for teaching students who have English as a second language. These classes provide insights into the various cultures and traditions of our students so the teachers are aware and sensitive to the cultural differences. An alternate activity is provided for students who may not be able to participate in school wide programs due to religious or cultural beliefs.

##### **Describe how the school creates an environment where students feel safe and respected before, during and after school**

Security is of the utmost importance at Highlands Grove. The campus is completely fenced. Gates are only open at arrival and dismissal times and they are monitored by school staff. Only students may enter the gates. Parents and other visitors have to check in to the office, have their licenses scanned and receive a visitors pass. Students receive a backpack tag to indicated how they get home, car rider, bus rider, kid care and staff monitor to be sure that students get on the correct bus. Car riders are not permitted to enter a car unless the parent had the proper car tag to pick them up. Car ramp and bus ramp are monitored in an orderly manner by school staff. Highlands Grove's school wide expectations are that students are responsible, respectful, really safe and ready to learn.

##### **Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced**

Highlands Grove uses Positive Behavior Support as our school wide plan for behavior. The schools expectations are that students are respectful, responsible, really safe and ready to learn. The teachers are provided lesson plans and teach the students lessons on how these expectations are to be met in the classroom, on the sidewalk, cafeteria, bus ramp, etc. Students are rewarded with hero bucks for following the expectations. The school sponsors rewards for the students who meet them. The teachers are given a discipline flow chart that indicates strategies for dealing with minor or major infractions. The school has a PBS team that meets monthly to examine discipline data and offer assistance and training to staff. Parents receive information about the PBS plan at the beginning of each year.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services**

Highlands Grove has a Problem Solving team that meets weekly to address students academic, social, emotional or behavior concerns. The team consists of ESE teachers, school counselor, school psychologist, school administration and teachers. Interventions are implemented and monitored. ESE teachers and the counselor offer social skills counseling. The school psychologist, counselor and social worker counsel individually with students and offer assistance to parents with community agency referrals. The school social worker will make home visits as needed to help with families who may need assistance. We also, have a mentoring program called Helping Heroes where students who need more support are matched with a staff member and use the check in check out system.

**Early Warning Systems**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

**Describe the school's early warning system and provide a list of the early warning indicators used in the system**

There are several interventions that in place at Highlands Grove Elementary: Child Study Team, PBS team, and attendance committee. The child study team/attendance committee reviews all attendance with a focus on students who have habitual attendance problems. The AP, guidance counselor and the social work in collaboration to determine next steps with students that are experiencing difficulty coming to school. The PBS team looks at both academic and behavior data to determine areas of concern school wide. The team looks at grade and school wide trends. Interventions are discussed and implemented for those students where it is required.

**Provide the following data related to the school's early warning system**

*The number of students by grade level that exhibit each early warning indicator:*

Indicator	Grade Level	Total
Attendance below 90 percent		
One or more suspensions		
Course failure in ELA or Math		
Level 1 on statewide assessment		

*The number of students identified by the system as exhibiting two or more early warning indicators:*

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Students exhibiting two or more indicators	4	1	1	1	5	22	34

**Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system**

- \* Increase communication regarding student absences.
- \* Support from School Social Worker with home visits for students with excessive absences.
- \* School messenger attendance messages
- \*Monthly PBS Team Meetings.

## Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress**

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

### Will the school use its PIP to satisfy this question?

No

#### **PIP Link**

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

#### **Description**

Our school utilizes our PTO, weekly news video, teacher conferences and our School messenger. The parent portal is promoted for parents to keep informed of their child's progress between interim and report card dates. Parent nights and orientation day are planned for parents to become acquainted with their child's teacher and classroom. Evening student performances for parents encourage a positive relationship with families.

**Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

The School Advisory Committee is a conduit that provides information for the community and the school that supports student achievement.

## Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

### School Leadership Team

#### Membership:

Name	Title
Henry, Ben	Principal
Uria, Erin	Assistant Principal
Athans, Courtney	Teacher, K-12
Brackman, Gina	Teacher, K-12
Franklin, Meagan	Teacher, K-12
Richey, Maryl	Teacher, K-12

#### Duties

**Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making**

The team members meet weekly and as needed to solve school issues and collaborate to review progress monitoring data. They review grade level and classroom level data to identify students who are meeting/exceeding benchmarks, or who are at moderate or high risk for not meeting benchmarks. They identify professional development and resources to facilitate instructional strategies to support learning.

**Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact**

The leadership team works collaboratively to identify and align resources. A team approach is often used in hiring new staff members, working together to identify potential applicants and participate in team interviews. The team collaborates regularly to problem solve, share effective practices, evaluate implementation, make decisions, and practice new processes and skills. Resources are inventoried by grade level or in a central area by the assistant principal. The team collaborates to identify the best use of resources.

### School Advisory Council (SAC)

Erin Uria	Principal
	Student

#### Duties

**Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes**

*Evaluation of last year's school improvement plan*

The SAC evaluates the effectiveness of last year's school improvement plan and makes suggestions for the current year plan.

*Development of this school improvement plan*

The SAC makes suggestions for the school improvement plan after reviewing school academic status.

*Preparation of the school's annual budget and plan*

The SAC reviews the budget, makes suggestions, and votes on the use of lottery funds.

**Describe the use of school improvement funds allocated last year, including the amount budgeted for each project**

Lottery funds were provided at the end of last year. The SAC voted to allocate the funds to the AR program and/or the after-school tutoring program.

**Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC**

Yes

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

**Literacy Leadership Team (LLT)**

**Membership:**

Name	Title
Athans, Courtney	Teacher, K-12
Bennett, Mary	Teacher, K-12
Brackman, Gina	Teacher, K-12
Franklin, Meagan	Teacher, K-12
Henry, Ben	Assistant Principal
Northrop, Laura	Teacher, K-12
Uria, Erin	Principal

**Duties**

**Describe how the LLT promotes literacy within the school**

The LLT promotes literacy by analyzing data and providing professional development and resources for teachers. They met before teachers reported in August to analyze our school grade information and plan professional development for teacher preplanning days. They surveyed the staff for professional development and resource needs and plan monthly professional development accordingly.

**Public and Collaborative Teaching**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

**Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction**

One way that Highlands Grove encourage positive working relationships with teachers is participation in Grade-Level Team Meetings. The master schedule has been designed to provide consistent time for teachers to meet by grade level. Research-based protocols are utilized to focus the meetings on

students' academic needs and how students might be assessed. Student improvement is monitored and instruction is modified as needed based on decisions made through collaboration.

**Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school**

Highlands Grove works with local colleges to place many high quality interns with our teachers, both in final internships and in field studies internships. We have hired and retained many interns who are very high quality. The administrators have gone on recruiting trips out of state to seek highly qualified candidates. New staff members work with their grade level teams in collaborative groups to ensure that they have the support needed to be successful.

**Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities**

New teachers are placed with veteran teachers who help support them through their first few years. Teachers are hired with the culture of their grade level in mind to ensure successful inclusion into our school staff.

## Ambitious Instruction and Learning

### Instructional Programs and Strategies

#### Instructional Programs

***Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards***

Our school creates ongoing opportunities for teachers to unpack the Florida Standards and to plan and discuss reading and writing curriculum that aligns to the standards. This supports a deeper level of comprehension. These conversations and learning opportunities promote dialogue that can dispel misunderstandings and promote opportunities for growth in instructional practice, curriculum, and the standards.

#### Instructional Strategies

***Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments***

The school ensures every teacher contributes to literacy improvement of every student by:

- Holding meetings on a regular basis to make decisions about literacy instruction in the school. Student data is analyzed and compared to expectations found in the Language Arts Florida Standards (LAFS)
- Utilizing a balanced literacy approach that includes whole group, small group and one-on-one instruction based on student needs
- Creating a schedule with an uninterrupted 120 minute reading block
- Providing iii instruction based on student needs
- Providing instruction aligned with the Language Arts Florida Standards for their grade level
- Providing resources to support instruction (extensive classroom libraries, texts to support units of study, leveled books for small group instruction)
- Administering assessments which measure instructed standards
- Monitoring progress at the class and grade level during Learning Team Meetings
- Conducting data chats with students
- Creating units of study based on current data

- Choosing methods of instruction based on the needs of students (modeled, guided practice, inquiry)
- Students receiving push-in/pull out services for ESE/ELL

**Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:**

**Strategy:** After School Program

**Minutes added to school year:** 2,400

After school tutoring is provided for struggling students in math or reading.

**Strategy Rationale**

Extra time provided in very small group settings will provide support for struggling students

**Strategy Purpose(s)**

- Core Academic Instruction

**Person(s) responsible for monitoring implementation of the strategy**

Henry, Ben, benjamin.henry@polk-fl.net

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

We will collect ongoing assessment data using tests provided by our district and FAIR testing. Test results will be analyzed to determine if adequate growth is being achieved.

**Student Transition and Readiness**

**PreK-12 Transition**

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another**

All members of the school staff participate in collaborative learning communities that meet both informally and formally on a regular schedule. Collaboration occurs across grade levels, content areas, and feeder schools. Staff members implement a formal process that promotes productive discussion about student learning. School personnel can clearly link collaboration to improvement results in instructional practice and student performance.

**College and Career Readiness**

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations**

**Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs**

**Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement**

**Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes**

## Needs Assessment

### Problem Identification

#### Data to Support Problem Identification

##### Portfolio Selection

Portfolio selection is not required by the Florida Department of Education but is offered as a tool for needs assessment.

##### Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

.

#### Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

### Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying “why” or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

## School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.
