Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan was approved by the St. Johns County School Board on 9/29/2016.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

Osceola Elementary will be a family of learners working to become successful in academic and social settings. By nurturing determination, grit, and a growth mindset in every student, we will create life-long learners.

b. Provide the school's vision statement.

Better Never Quits

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

As an AVID (Advancement Via Individual Determination) school, teachers and students build relationships through interest inventories, discussions of what a good learner looks like, and collaborations to set goals. Students track their progress in meeting those goals throughout the year.

Osceola is continuing to use the Being a Writer and Making Meaning ELA programs and implementing Being a Reader for grades K-2. These programs foster a sense of community and collaboration within the classroom.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Safety patrols
Character Counts programs
Student of the Week
Wildcash (as part of the Osceola Positive Behavior Support)
Green Team
Girls on the Run
After school Music Clubs
K Kids

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Our school is a PBIS school. Positive Behavior Interventions and Supports (PBIS) is a nationally recognized process that helps create safer and more effective schools. Through PBIS, teachers and other school staff are taught to focus on improving the ability to teach and support positive behavior for all students. PBIS includes school-wide procedures and processes to help all students and staff in classroom and non-classroom settings.

In addition to the school wide PBIS, teachers and staff have been trained in "Practical Magic" Effective Behavior Management for the Classroom. Through this training participants learned

appropriate classroom management techniques for working with students with disabilities. Faculty and Staff will continue to receive refresher training opportunities on these practices.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Guidance services are offered through small group and individual counseling as well as schoolwide and grade level presentations on targeted issues like bullying, career awareness, Character Counts week and personal safety. This helps to ensure the students are making positive connections here at the school. In addition, individual and group counseling is available, based on need, through a district Mental Health Counselor and through Children's Home Society. A school Social Worker assists us with those families/students requiring home visits and assistance in targeting individual needs and strengthening the home-school connection. Osceola is partnering with other businesses/district employees as well as Big Brothers Big Sisters to find positive one on one mentor-ships for our students.

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

Yes

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/310789>.

2. Description

A PIP has been uploaded for this school or district - see the link above.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

Osceola invites local businesses and community organizations to become involved in SAC. PTO builds and sustains relationships with business partners. Guidance Counselor builds partnerships with local businesses and organizations to support needs of our students and their families.

Examples:

- Health Department visits
- Lion's Club vision screening
- weekend food bags from local church

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Waldrop, Tina	Principal
Reichenberg, Joy	Other
Evans, Stephanie	Instructional Coach
Jenkins, Faye	Other
Keffer, Rebecca	Assistant Principal

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The Leadership Team will focus meetings around one question: How do we develop and maintain a problem-solving system to bring out the best in our schools, our teachers, and in our students?

The team meets once a week to engage in the following activities:

Review universal screening data and link to instructional decisions; review progress monitoring data at the grade level and classroom level to identify students who are meeting/exceeding benchmarks, at moderate risk or at high risk for not meeting benchmarks. Based on the above information, the team will identify professional development and resources. The team will also collaborate regularly, problem solve, share effective practices, evaluate implementation, make decisions, and practice new processes and skills. The team will also facilitate the process of building consensus, increasing infrastructure, and making decisions about implementation.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Select General Education Teachers: Provide information about core instruction, participate in student data collection, deliver Tier 1 instruction/intervention, collaborate with other staff to implement Tier 2 interventions, and integrate Tier 1 materials/instruction with Tier 2/3 activities.

Exceptional Student Education (ESE) Teachers: Participate in student data collection, integrate core instructional activities/materials into Tier 3 instruction, and collaborate with general education teachers through such activities as coteaching.

Instructional Coach: Develops, leads, and evaluates school core content standards/ programs; identifies and analyzes existing literature on scientifically based curriculum/behavior assessment and intervention approaches.

Identifies systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered “at risk;” assists in the design and implementation for progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

School Psychologist: Participates in collection, interpretation, and analysis of data; facilitates development of intervention plans; provides support for intervention fidelity and documentation; provides professional development and technical assistance for problem-solving activities including data collection, data analysis, intervention planning, and program evaluation; facilitates data-based decision making activities.

Data Specialist: Develops or brokers technology necessary to manage and display data; provides professional development and technical support to teachers and staff regarding data management and display.
Speech Language Pathologist: Educates the team in the role language plays in curriculum, assessment, and instruction.

Title I, Part A:

Title I, Part A Services are provided to ensure students requiring additional remediation are assisted during school, through after-school programs and/or summer school. Parental Involvement is critical to the success of our Title I program. Jointly developed, our school distributes a school parental involvement policy to all families. Parents, teachers and students sign our compact that focuses on shared responsibility for student achievement. These and other aspects of our Title I program are explained at our grade level Annual Title I Curriculum Nights.

Title I, Part C- Migrant:

Title I, Part C- Migrant Liaison provides services and support to students and parents. The liaison coordinates with Title I and other programs to ensure student needs are met.

Title I, Part D:

The district receives funds to support the Educational Alternative Outreach program. Services are coordinated with district Drop-out Prevention programs.

Title II:

Title II funds support the delivery of Professional Development for the 2016-2017 school year.

Title III:

Title III Services are provided through the district for education materials and ELL district support services to improve the education of immigrant and English Language Learners.

Title IX

The Title IX District Homeless Social Worker provides resources (clothing, school supplies, and social services referrals) for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. Students identified as homeless can be provided bus transportation which allows them to stay at the same school regardless of the location of their current residence. This provides structure and continuity for our children.

Supplemental Academic Instruction (SAI):

Under the SAI umbrella, the personnel will work directly with our lowest achieving 3rd-5th grade students both individually and in small groups. The tutor will work with students in their regular classroom setting or as part of a pull-out program under the direction of our Instructional Coach as part of an FCAT remediation process. The tutor will partner with the classroom teacher to help these students achieve maximum success.

Violence Prevention Programs:

The school offers a non-violence and anti-drug program to students that involve age-appropriate activities. We are continuing a previously initiated Anti-bullying campaign with Wild Cat Willy, our school mascot, to promote anti-bullying behavior as part of school programs.

Our school-wide Tier I behavior plan includes the 3 step plan, Practical Magic practices, common language and other aspects of Responsibility Training. This year we will continue the PBS program PAWS. This positive behavior approach uses a common language and consistent guidelines across the school campus to increase positive behaviors across the campus and on the school bus. EPIC Community Services provides parent and student support in areas such as violence prevention, anger management and drug related issues.

Nutrition Programs:

Osceola has a partnership with University of Florida Extension program. Programs are presented to our primary grade classrooms; healthy nutrition materials are provided and utilized in the classroom and the Extension agent presents lessons to designated grade levels.

Housing Programs:

Housing Program/Homeless Student District liaison continues to provide support to our homeless families helping them locate housing as well as working out transportation issues so that the children

can have continuity by being allowed to remain at our school regardless of zoned school.

Head Start:

Osceola has four Head Start/PreK/VPK blended classrooms. This is a blended program that serves Head Start, VPK, and our Pre-K developmentally delayed students.

Other:

Flagler College/UNF students complete their practicum hours and internships at our school working with our most at risk students providing one on one tutoring, particularly in the areas of reading and math.

Mentorships of students are provided through Big Brothers/Big Sisters, district staff and community members. We have many active parents and RSVP (Retired and Senior Volunteer Program) volunteers working in classrooms with our children.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Kathleen Hunting	Teacher
Tina Waldrop	Principal
Jose' Carides	Education Support Employee
Sheila Lawshe	Education Support Employee
Melissa Kurdyla	Parent
Christina Parham	Parent
Linda Villadoniga	Business/Community
Janice Jones	Parent
Faye Jenkins	Education Support Employee
Steven Dingfelder	Parent
Jennifer Dingfelder	Parent

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

a. Evaluation of last year's school improvement plan

The SAC will review last year's SIP at a SAC meeting during the 2016-2017 school year.

b. Development of this school improvement plan

Review draft of SIP and provide input and then approval.

c. Preparation of the school's annual budget and plan

Budget is developed with guidance from district and based on needs of the school based on school improvement data.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Funds from School improvement supported Osceola's Stem Program through the purchase of 2 Lego Robotics kits in the amount of \$887.90. Fund were also use to send our Math coach to the Florida National Conference for Teachers, \$514.00.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Waldrop, Tina	Principal
Evans, Stephanie	Instructional Coach
Reichenberg, Joy	Other
Keffer, Rebecca	Assistant Principal

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

Through the disaggregation of data, the LLT will focus on improving the growth of our lowest quartile students in both reading and math, increase our science and writing scores, and continue through PBS to create an environment that fosters a climate of caring, respect and responsibility.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

1. Teachers on each grade level have common planning time
2. ESE teachers and Title I support personnel are an extension of grade level teams. They plan with grade level teams, are in close proximity geographically, and implement "push in" instruction whenever possible.
3. Sunshine Club - acknowledges and supports employees going through significant life events (i.e. - birth of a baby, death of an immediate family member, marriage, etc..)
4. Open door policy with administration
5. Routine classroom walk throughs by administration. Specific feedback and praise are provided in writing and verbally.
6. Elaborate Teacher Appreciation week activities. Hosted in partnership with Osceola's PTO.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

1. Utilization of district Applitrack Program; SJCSD
2. With the support of the SJCSD, we only hire teachers who meet Highly Qualified requirements.

3. Careful review of posted applicants; Principal and Assistant Principals
4. Parental Notification of Parents right to knowledge of teachers' qualifications;

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

1. Anna Allen & Jennifer Twine/ Stephanie Evans- Same grade level; Teacher with a record of strong student growth and a familiarity with our demographics. Common planning times; opportunity for observing and being observed; share curriculum activities; positive feedback; and weekly meetings; team teaching.
2. Zachary Tax & Kathleen Hunting/ Tina Waldrop- Same grade level; Teacher with a record of strong student growth and a familiarity with our demographics. Common planning times; opportunity for observing and being observed; share curriculum activities; positive feedback; and weekly meetings.
3. Jill Kolb & Cindy Smeland/ Dr. Reichenberg- Teacher with a record of strong student growth and a familiarity with our demographics. Has been formally trained in coaching practices. Opportunity for observing and being observed; share curriculum activities; positive feedback; and weekly meetings.
4. TBA 3rd AT & Nancy McManus/ Rebecca Keffer- Same grade level; Teacher with a record of strong student growth and a familiarity with our demographics. Common planning times; opportunity for observing and being observed; share curriculum activities; positive feedback; and weekly meetings.
5. Kelsey Peryam & Sarah Blevins/ Stephanie Evans; Same grade level; Teacher with a record of strong student growth and a familiarity with our demographics. Common planning times; opportunity for observing and being observed; share curriculum activities; positive feedback; and weekly meetings.
6. Sarah Rogers & Erin Fiedler/ Rebecca Keffer- Same grade level; Teacher with a record of strong student growth and a familiarity with our demographics. Common planning times; opportunity for observing and being observed; share curriculum activities; positive feedback; and weekly meetings.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Teacher representatives from each course and or grade level meet twice a year with district Subject Area Specialists to develop/review curriculum maps, formative assessments and teacher resources to include instructional materials. These District Professional Learning Communities work to ensure that curriculum, instruction and assessment are based on applicable state standards. This process is in addition to a standards based instructional materials review program that is used when the district adopts the primary instructional materials for a course. The teacher representatives work with instructors and administrators at the school level to ensure that the results of the District Professional Learning Communities are implemented at the school level. The curriculum maps which include links to vetted instructional materials and lesson plans are the basis for school level standards based planning and instruction.

In addition to what each teacher is doing to promote learning and measure student performance, District midterms (6-12) assessments and progress monitoring assessments (K-5) are given in the core instructional programs to assess student mastery of standards, guide instructional practice and inform district planning. Detailed data reports are available to all teachers and administrators. These reports are used by teachers, administrators and district staff to ensure that instruction and assessment are designed to produce student mastery of the Florida Standards. The reports are also used with individual students and parents as needed to assist them in understanding the standards and learning expectations.

Administrators meet with teachers in grade level / content area Professional Learning Communities to review data reports and analyze results with the intent of planning instruction to differentiate, intervene, re-teaching, and innovate to improve student mastery of the standards. The same information is used to review curriculum maps and instructional materials/resources as to their effectiveness in promoting standards based instruction and learning. This process is repeated twice a year and serves as the foundation for a standards based continuous improvement model that uses student performance data to evaluate and improve curriculum, instruction and assessment in a manner designed to promote the highest level student mastery of the Florida Standards.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Data and Dialogue Days where district support specialists work with teachers in every subject to target student needs.

Data Chats

Targeted instruction to address student deficiencies - small group setting, intervention block, individualized instruction based on information obtained from assessment data (performance assessments, formative assessment. classroom observations)

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year:

Extended Day students will participate in "Crazy Eight" an interactive math program. This program is designed to support and enrich development within the grade level math instruction.

Strategy Rationale

Enrichment activities that contribute to a well-rounded education.

Strategy Purpose(s)

- Core Academic Instruction
- Enrichment
- Teacher collaboration, planning and professional development

Person(s) responsible for monitoring implementation of the strategy

Fiedler, Erin, erin.fiedler@stjohns.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Administration will collect Discovery Education data on all students participating in the after school math program. Data will be analyzed to determine trends in achievement among the grade level standards.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

In the Spring, Title I invites the parents of students attending these programs to attend an evening Osceola Family Night. Parents are introduced to our Kindergarten faculty, given an opportunity to register their children and enjoy the family event.

Through Head Start, the parents of our PreK children will have more contact with our school as part of Head Start's Parental Involvement Policies. Kindergarten teachers will "screen" our Pre-Kindergarten students as they are registered this spring. Incentives will be offered to parents to encourage early registration/screening of these students so that they can be properly placed for the following school year.

A transition to middle school SAC meeting is held at the end of every school year.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

N/A

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

N/A

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.
