Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan was approved by the Palm Beach County School Board on 11/16/2016.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <u>https://www.floridaCIMS.org</u>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- · Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in <u>section 1008.33</u>, Florida Statutes, is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by <u>Rule 6A-1.099811</u>, <u>Florida Administrative Code</u>:

- Not in DA currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only currently A, B, or C that improved from a previous grade of F
- Focus currently D
- Priority currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- <u>Former F</u> A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- <u>Planning</u> A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- <u>Implementing</u> A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

Plumosa School of the Arts unique learning environment provides students with the opportunity to imagine, explore, create, and reach their potential in academics, dual language, the arts, and S.T.A.R. citizenship. With excellence and equity we empower each student to reach his or her highest potential with the most effective staff to foster the knowledge, skills, and ethics required for responsible citizenship and productive careers.

b. Provide the school's vision statement.

To empower Plumosa's students to become artistic members of a continuously self-improving community by nurturing, guiding, and challenging them to achieve their maximum potential and become independent learners.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Plumosa School of the Arts will infuse the content required by Florida Statute 1003.42(2) and S.B. Policy 2.09 (8)(b), as applicable to appropriate grade levels, including but not limited to: History of the Holocaust History of Africans and African Americans Hispanic Contributions Women's Contributions Sacrifices of Veterans

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Plumosa School of the Arts creates a safe and respected environment by providing breakfast in the morning for all students in a cafeteria that is properly monitored by staff. The teaching and implementation in the classrooms of School Wide Positive Behavior expectations helps to develop social skills, character building, and decision making. Students will be able to apply the skills they learn from the anti-bullying program G.R.E.A.T. into their every day lives both in and out of school.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Plumosa School of the Arts has become actively engaged in developing a School-wide Positive Academic and Behavior Support Plan called S.T.A.R. The S.T.A.R plan was designed to promote and foster personal and academic responsibility and a sense of community. To be a part of the Plumosa Community, each student is expected to be a S.T.A.R. Citizen both inside and outside the classroom. Both students and staff have

embraced this encouraging, rewarding, and harmonious school-designed plan that enables students to reach their full potential.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Plumosa School of the Arts is proud of our numerous relationships with outside agencies that help our students and their families with violence prevention programs, nutrition programs, housing programs, mental health services, career development, grief assistance, Medicaid assistance, school supplies, services for non English speaking families, and eye care needs. One Love One Community-community outreach Kaiser University- mentors Ocean Optics- eye exams for low income families Heiken Vision One Sight Vision Kids 4 life- Clothing Chrysalis Program- mental health services Kids n' Cops- field trips, food for Thanksgiving, gifts for Christmas Youth Services- Mental health services Family First- Mental health services PSOA Foundation - funds that support the Arts Multicultural-Mental health services City of Delray Beach- Career development Fire Dept. of Delray Beach- teaching the students how to safely handle situations Hospice- Grief assistance South County Mental Health (crisis team) DCF (Medicaid assistance) WPB Family Shelter- assist with clothing/housing Boy and Girl Scouts- Development of social skills Rack Room Shoes **Big Brothers and Big Sisters** Listen to Children-provide listeners Mentor Lunch Abbey's Angels

3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. \hat{A} 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

We are going to utilize data systems to address students who have attendance, behavioral, or academic concerns. We are going to create data decision rules for number of absences (10) before referral generated to school based team. We are going to make sure that teachers are aware of decision rules and procedures for notification after students are identified of meeting one of the data decision rules.

We have children that are continually missing school, due to chronic tardies and absences and therefore missing important classroom instruction.

Discipline interferes with not only the student who is interrupting instruction but all the students that are present in the class and are disrupted.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level											Total		
indicator	κ	1	2	3	4	5	6	7	8	9	10	11	12	Total
Attendance below 90 percent	10	18	13	10	12	12	0	0	0	0	0	0	0	75

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

Yes

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

The following targets are how we would like to increase parental involvement throughout the school year. Teachers will continue to communicate important information via the student's agendas, request parent conferences, send flyers home, parent link regarding school information.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

PSOA conducts various meetings and activities to involve parents in school events and in the decisionmaking process. The following are meetings and activities that have been or will be held to involve parents: Title I Annual Meeting, School Advisory Council Meetings (SAC), PTA, Family Fun Nights, Meet and Greet, Delray

Reads, Career Day, Curriculum Night, FSA Night, Read and Slumber, PLC Meeting, Math/Science Night, and Magnet Open House. Parents will continue to be notified of meetings and events via social media, Twitter, phone, letters, monthly newsletters, agendas, and marquee. SAC Meetings will be held on a monthly basis and continual discussions and decisions will be made regarding the use of SAC funds (e.g., parental involvement funds)

Annual Parent Meeting – This meeting was held on September 21, 2016. The meeting informed parents about the school's Title I program, the nature of the Title I program (school-wide or targeted assistance), school choice, Parent Involvement Plan, School-Parent-Student Compact, and the rights of parents.

Flexible Parent Meetings - PSOA schedules parent meetings and activities at a variety of times throughout the school year. Our PTA and SAC meetings are held on the third Wednesday of the month. We conduct teacher/parent or administration/parent meetings before, during, and after school. We also conduct phone conferences if parents are unable to attend meetings at school.

Staff Training – The staff has had the following training to increase awareness on effective parent communication and how to continue to promote and foster parent involvement: Family Involvement; Effective Parent Conferences; Meeting the Needs of a Diverse Student Population; Arts Integration Cohort Project.

Communication - PSOA provides daily reports to parents regarding behavior and academics via the student's agenda. Parents also receive communication (translated) via letters, handouts, newsletters, and telephone calls. Additionally, general information is communicated through the ParentLink System, Remind app, and social media.

Accessibility - Community Language Facilitators (CLF) work with students and parents to facilitate and enhance communication and involvement. The CLFs translate all communications that are sent home. The CLFs facilitate translation for non-English speaking parents/guardians which enables the school to communicate with all parents regardless of their dominate language.

Evidence of Parent Involvement – Meetings are held to ensure that parents have input in the Parent-School-Student Compact (provided to all parents/guardians) and in the writing of the Parent Involvement Plan.

Barriers – The following are some of the barriers that we experience at PSOA as we strive to increase parent Involvement: lack of transportation, parents that work at night, no working phone, students not getting the information to their parents via the agenda, letters, and/or handouts sent home. To resolve these barriers we conduct phone conferences, conduct morning conferences, send letters home via the USPS, utilize ParentLink, and the marquee as well as the use of Remind app, Twitter, and social media accounts to share out information.

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Reynolds, Catherine	Principal
Lawson, Cynthia	Other
Rubin, Daria	Instructional Coach
Fernandez, Diana	Assistant Principal
Cadet, Marie	School Counselor

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

As a team we meet weekly to assess the needs of our students and teachers by discussing observations made by classroom walk-throughs. The team consistently analyzes student data and discusses ways to better improve instruction.

Team members attend PLCs, and common plannings to identify trends and patterns across the grade levels.

Team members also attend weekly SBT meetings to monitor individual student's needs.

Team members participate in parent conferences in order to facilitate communication, and provide additional resources, including affiliated outside agencies.

Team members contribute to collaborative school wide implementation of SWPB.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Title I

Title 1 funds are used to provide additional personnel, A Reading Coach was purchased to provide support and training to classroom teachers. The Reading coach will additionally model direct differentiated instruction to students in the Rtl process. A SAI teacher was purchased to provide small group instruction to students requiring remediation services. Title 1 funds are used to purchase instructional material that are used in the classroom, in small groups and in tutoring sessions. Additionally Title 1 funds are used to provide teacher supplies for parent workshop activities throughout the school year. At the District level, Title I funds support Plumosa through the provision of area instructional teams, literacy cohort support, and curriculum specialists.

Title II

Title II funds provide Plumosa with professional development opportunities related to content areas, pedagogy, Marzano protocols, and leadership development.

Title III

Services are provided through the district for educational materials and ELL district support services to improve the education of English Language Learners.

Violence prevention programs

A school wide STAR citizenship program has been instituted. STAR citizenship promotes self respect, teamwork, respect, responsibility, and active citizenship. Students are reminded daily of STAR traits by classroom teachers throughout the day and the use of agendas daily help to track citizenship on a school-wide scale of 1-4. Outside agencies provide support throughout the school year. They provide small group presentations as well as school wide assemblies. Agencies included; Palm Beach County School Police, Delray Beach Police Department, Kids n' Cops, GREAT program. Nutrition Programs:

Plumosa is designated a Breakfast for All School, providing free breakfast daily to all students in addition to the 80% of free and reduced lunch students. Cafeteria staff encourage students to make well balanced food choices daily. The Health Care District of Palm Beach County supplies a school nurse who provides nutrition information to students and parents.

Title X

Plumosa has the additional outside agencies that provide a wide range of support for our students as well. These include:

Ocean Optics- eye exams for low income families

Kids 4 Life- clothing

Chrysalis Center-mental health services

Youth Services-mental health services

Family First-mental health services

DCF-family support, Medicaid

Hospice-grief counseling

South County Mental Health

WPB Family Shelter-clothing and housing

Heritage Academy-school supplies

Plumosa Foundation-funds to support the arts

Literacy Coalition

One Love One Community

One Sight Vision

Rack Room Shoes-shoes for students

Listening to Children

McKinney-Vento-school liaison ensures that students identified as homeless have access to resources. Such as title 1 tutorials, 21st Century after school program.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group	
Daria Rubin	Teacher	
Cathy Reynolds	Principal	
Nancy Early	Education Support Employee	
Anastasia Chandler	Business/Community	
Diana Fernandez	Education Support Employee	
Sally Smollar	Teacher	
Jocelyn DiPinto	Parent	
Carol Whitfield	Parent	
Marie Cadet	Parent	
Ron Gilinsky	Business/Community	

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

a. Evaluation of last year's school improvement plan

At the end of the school year SAC members suggested that there be better school-parent communication. This suggestion will be taken into consideration when the SIP/PIP is written this year.

b. Development of this school improvement plan

There will be ongoing discussions regarding the goals of the SIP. SAC will work together to determine the importance of the academic goals in order to ensure that the needs of all students are met.

c. Preparation of the school's annual budget and plan

After discussion with SAC members at the end of the school year, it was determined that the school's plan would be best focused on raising the proficiency of the the students reading and math levels. By maintaining the high expectations throughout Plumosa, in all content areas, there will be consistency across grade levels.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

SAC funds were used for the following items: Teacher Workshops FAME Conference Books for classroom libraries After school and during school tutoring

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC. Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Reynolds, Catherine	Principal
Rubin, Daria	Instructional Coach
Lawson, Cynthia	Other
Fernandez, Diana	Assistant Principal

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

Members of the LLT, including curriculum support personnel, and classroom teachers, will attend the literacy common planning meetings and PLCs to gain information and knowledge regarding balanced literacy, building scales, and ELA standards. Members of the LLT will plan and organize a Literacy Night, Parent Academy nights. The LLT will meet monthly to determine any concerns or questions that teachers may have regarding literacy.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Teachers will attend and participate in grade level and content area specific Professional Learning Communities (PLC). PLCs are designed to provide an opportunity for on-site, just-in-time embedded staff development that addresses identified needs resulting in improvements in teachers' knowledge and pedagogical practice, as well as improved student learning. In this venue, teachers work collaboratively to share their expertise and build collective capacity. In addition, teachers will attend grade level/content area common planning meetings at a minimum of twice a week.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

Plumosa will work closely with South Area Human Resource specialist to ensure that he is aware of the needs of the school and refers only highly qualified candidates. All first year teachers will be placed in the Educator Support Program and monitor progress throughout the school year. Each new teacher will be partnered with a mentor and a buddy veteran teacher. Evidence-based professional development opportunities will be provided to target student achievement as well as staff needs and district mandates. Plumosa's new teachers attended a new teacher school orientation prior to the beginning of the school year starting. This orientation addressed the daily functions of the school, resources available to teachers, SWPB, and SBT.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

All new teachers are enrolled in the ESP program and paired with a mentor teacher. The new teachers are also paired with a "buddy" teacher either by grade level and/or subject area. Administration will meet with the new teachers on a regular basis to discuss concerns and best practices.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Plumosa School of the Arts ensures that instructional programs and materials are aligned to the Florida Standards by following the instructional materials that are provided by the curriculum department on Blender. Any supplemental materials used in the classroom for core instruction are researched based and district approved.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Through the use of PLCs and grade level/ subject area meetings, teachers analyze past and present assessment data as well as student written work to hone in on instructional practices and allow for differentiated instruction. This instruction is leveled for students with different academic abilities both within the classroom as will as pull-out.

Instruction is modified based on the needs of the individual students. This is done through identifying those students who need immediate intensive instruction. This is provided through, small group instruction, LLI, SAi, iii, and our Blazing Stars tutoring program. This allows for Title 1 learning opportunities.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day Minutes added to school year: 27,000

Students are afforded the opportunity to have an extended Fine Arts time during the day. Grades 3-5 have the ability to choose a major and minor in Fine Arts so that educators are able to provide a stronger focus on specific skills.

Strategy Rationale

We are a district chosen choice school for the Fine Arts.

Plumosa School of the Arts provides students with the opportunity for students in grades 3-5 to select a Fine Arts major and minor course of study to supports the student's goal for middle school, high school, and beyond.

Specific policy for all teachers to infuse the arts throughout their curriculum.

Administration supports common planning which enables school-wide arts integration of the curriculum. Teachers are provided with professional development to support this initiative. Grades K-2 and the Fine Arts department will participate in the Arts Integration Cohort Project grant. These professional development sessions will take place on and off campus, with presenters from the Kennedy Center for Performing Arts.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Plumosa provides various services and support to facilitate the transition from preschool to kindergarten. Kindergarten registration and roundup is held annually in May. This provides parents the opportunity to meet the teachers, hear about the various programs, receive necessary documents and information, register, and tour the school. In addition to this all new incoming kindergarten students are provided a Kindergarten readiness packet that was developed by the kindergarten teachers to help assist parents in preparing their child for the upcoming kindergarten year. During the summer kindergarten teachers contact the parents to schedule a time for students to come into school to participate in a pre-screening assessments that are needed for the beginning of the year. The pre-screening assessment provides teachers with a better understanding of the students entering Kindergarten.

A staggered entrance start has been put in place. Students are asked to attend a specific day for the first three days of school. Each day only 6 or 7 students report to the kindergarten class; this gives the teacher and the students an opportunity to get to know one another in a smaller group setting. Students who were not assessed during the summer are then assessed by the teachers to document each child's academic strengths and areas of need.

Parents are invited to attend a introductory breakfast with Kindergarten teachers to facilitate a smooth transition.

The students participate in lessons that provide an introduction to the school, staff, procedures, and routines, as well as expectations (academic and behavior).

Parents will attend a curriculum night in order to learn about the upcoming school year and how to help support their child both at home and at school.

Plumosa also prepares our fifth graders for middle school transition by inviting feeder and magnet middle schools to a showcase to come and speak to the students and explain the different programs

that are offered.

The 5th graders who attend Carver are also able to spend the day touring the school, visiting classrooms, and asking questions.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Infusion of conversations regarding college and career aspirations occur in the classroom settings as well as during monthly mentor lunches.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, as required by section 1008.37(4), Florida Statutes.

II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. § 6314(b)(1)(A).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why"Â? or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

G = Goal

S = Strategy Barrier

🔍 S123456 = Quick Key 1 = Problem Solving Step

Strategic Goals Summary

- If Plumosa School of the Arts implements evidence based interventions and supports for G1. students, teachers, and parents, then we will increase the percentage of students matriculating to middle school meeting the indicators of high school readiness.
- If Plumosa School of the Arts provides effective and relevant instruction to meet the needs of all G2. students then we will increase reading on grade level by 3rd grade.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

Targets Supported 1b

Indicator	Annual Target
FSA ELA Achievement	75.0
FSA ELA Achievement	53.0

Targeted Barriers to Achieving the Goal

- · Not enough collaboration time for teachers to gain capacity and professional growth
- Teachers require additional support in elevating the rigor and fidelity of language art instruction
- Parents/guardians are not equipped to assist their children at home with higher level critical thinking and comprehension
- Structured blocks and large number of students needing intervention makes it difficult to provide services to all students within the school day

Resources Available to Help Reduce or Eliminate the Barriers 2

- Reading Coach to provide training and support in and outside of the classroom.
- Single School Culture Coordinator to support to analyze data, unpack/examine standards, hone instructional practices, and build instructional capacity at school.
- District provided and title 1 purchased SAI teachers
- Time provided for Common planning to allow teachers to collaborate and share research based strategies for instruction.
- Title 1 funds used for Academic/Parent trainings
- · District provided adaptive technology
- Title 1 tutorial funds
- School Improvement Funds

Plan to Monitor Progress Toward G2. 8

Administration will track students progess of students impacted by supplemental instruction and parent workshops.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.
