^{*}Informational Baseline School Grade

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Bay County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at https://www.floridaCIMS.org.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	6
Supportive Environment	6
Family and Community Engagement	7
Effective Leadership	8
Public and Collaborative Teaching	12
Ambitious Instruction and Learning	13
8-Step Planning and Problem Solving Implementation	16
Goals Summary	16
Goals Detail	16
Action Plan for Improvement	18
Appendix 1: Implementation Timeline	23
Appendix 2: Professional Development and Technical Assistance Outlines	24
Professional Development Opportunities	24
Technical Assistance Items	26
Appendix 3: Budget to Support Goals	26

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in <u>section 1008.33</u>, <u>Florida Statutes</u>, is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by Rule 6A-1.099811, Florida Administrative Code:

- Not in DA currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- · Monitoring Only currently A, B, or C that improved from a previous grade of F
- Focus currently D
- Priority currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- <u>Former F</u> A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- <u>Planning</u> A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- <u>Implementing</u> A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

2016-17 DA Category and Statuses for A. Crawford Mosley High School

DA Region and RED

DA Category and Turnaround Status

Northwest - Rachel Heide

Not In DA - N/A

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

To provide a diverse student body with the knowledge and skills necessary to succeed in an increasingly complex and technological society.

b. Provide the school's vision statement.

A national LEADER in education where every student will be successful.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Students meet with their guidance counselors several times throughout their high school career. Students retain the same counselor each year so that counselor is able to get to know their students. Teachers conduct team-building activities throughout the year so students are able to get to know each other and their teachers.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Mosley has a school safety plan that contains plans for emergency situations such as severe weather, evacuation, hazardous material, active shooters, fire, etc. The school conducts monthly drills regarding evacuations and lockdowns. A School Resource Deputy is on campus and he along with administration monitor students before, during, and after school to ensure student safety.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Teachers and administration conduct grade-level and classroom orientations in which discipline and conduct expectations are discussed. Teachers may utilize disciplinary measures such as parent contact and detention. Administration may utilize those disciplinary measures along with in-school and out-of-school suspension.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Each student is assigned a guidance counselor that is available when students are in need. Administration also counsels with students and offers opportunities to meet with additional counselors and mentors. The armed forces have representatives that are available to meet with students of members of the armed forces.

3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. \hat{A} § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

Mosley has a report that lists students that fall under the categories listed above. Administration reviews this report to monitor these students and offer assistance.

- b. Provide the following data related to the school's early warning system
- 1. The number of students by grade level that exhibit each early warning indicator:

Indicator		Grade Level								Total				
indicator	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	373	350	331	339	1393
One or more suspensions	0	0	0	0	0	0	0	0	0	69	63	35	19	186
Course failure in ELA or Math	0	0	0	0	0	0	0	0	0	14	65	76	82	237
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	119	136	99	96	450

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator		Grade Level										Total		
		1	2	3	4	5	6	7	8	9	10	11	12	TOLAI
Students exhibiting two or more indicators	0	0	0	0	0	0	0	0	0	119	136	99	96	450

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Students that have low attendance meet with administration. Students with excessive absences meet with a Child Study Team and are placed on an attendance agreement. Students with excessive suspensions meet with administration to determine whether alternate placement or expulsion may be necessary. Students with course failures meet with guidance to obtain placement in a remedial class or online class for credit recovery. Students with level 1 scores on statewide assessments are placed in courses that are double-blocked to allow for additional instructional time in the area of need.

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

No

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

Administration plans to increase the number of completed climate surveys by parents. Administration uses tools such as Twitter, IRIS phone alerts, e-mails, flyers, and letters to communicate with families. Parents have access to their students' progress through the parent portal.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

Administration and teachers meet regularly with community partners. Community partners participate by donating money, time, and products for school activities and student recognition.

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Harrison, Sandy	Principal
Hartzer, Richard	Assistant Principal
Barron, Greg	Teacher, K-12
Brady, Stacey	Teacher, K-12
Cowart, Marcus	Assistant Principal
Hair, Jody	Teacher, K-12
Petty, Sue	Teacher, K-12
Boss, Beverly	Teacher, K-12
Hastings, Missie	Teacher, K-12
Hair, Patrick	Teacher, K-12
Wolfrom, Sandra	Teacher, K-12
McGuire, Cynthia	Teacher, K-12

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

School Leadership Team: Administrator – Sandra Harrison, Richard Hartzer. Team members meet monthly to discuss school improvement, professional development offerings, and other issues relevant to the classes at Mosley.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The MTSS Leadership Team is comprised of 9th and 10th grade teachers. Bay District Schools implemented MTSS in the secondary setting with 9th grade for the 2011-2012 school year and added the 10th grade in the 2012-2013 school year. Our Leadership Team is a team of teachers that share a common interest in seeing the successful implementation of MTSS on the Mosley campus. Members meet during the school year to discuss and review any MTSS data. The Leadership Team will share information with the school's leadership team (MULET Mosley Unified Leadership

Educational Team), the Literacy Team, and Department Chairs.

Our CTE program provides training for students in the areas of cyber security, computer gaming, programming, marketing. Our culinary and life management programs offer training in the areas of food and nutrition. Our co-op program allows students to receive real-world job experience.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

b. Duties

- 1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes
- a. Evaluation of last year's school improvement plan

The SAC reviewed the school improvement plan, discussed the goals and strategies, and voted to approve to plan in the September meeting.

b. Development of this school improvement plan

The SAC reviewed the school improvement plan, discussed the goals and strategies, and voted to approve to plan in the September meeting.

c. Preparation of the school's annual budget and plan

The SAC does not prepare or participate in the operation of the school budget.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

The funding is used for academic awards and classroom grants for Mosley teachers. The committee voted to spend \$5,000 on academic awards and \$5,500 on classroom grants for teachers.

- 3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.
 Yes
- a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.
- 3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Harrison, Sandy	Principal
Hartzer, Richard	Assistant Principal
Teplicek, Aaron	Teacher, K-12
Barron, Greg	Teacher, K-12
Brady, Stacey	Teacher, K-12
Hair, Jody	Teacher, K-12
Cowart, Marcus	Assistant Principal
Boss, Beverly	Teacher, K-12
Hair, Patrick	Teacher, K-12
Hastings, Missie	Teacher, K-12
Wolfrom, Sandra	School Counselor

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The Literacy Leadership Team's initiatives for the 2016-2017 school year include the implementation of literacy strategies in the area of ELA and Math Shifts across all subject areas. The team will also promote the importance of providing students with a print-rich environment, including, but not limited to an increase in text complexity and the use of multiple texts. Team will periodically review data as it relates to school improvement goals.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Mosley conducts team-building activities during pre-school inservice in August and throughout the year. Common planning is offered before school every day and teachers of similar subjects are grouped in PLC's.

- 2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.
- 1. Recruitment: Mosley targets the hiring of highly qualified teachers by providing a safe and orderly work environment where new teachers are provided with veteran staff as mentors, support in disciplinary and intervention situations with students, time for teacher collaboration, and on-site, job-embedded professional development. Administration
- 2. Retention: To prevent teacher turnover, our school embraces the rehiring of retirement age faculty who are often the most experienced of the staff. Administration
- 3. Retention: Our district provides a teacher induction program that trains new teachers after school on various topics to assist in retaining these teachers. District Human Resources
- 4. Recruitment: Mosley targets the hiring of highly qualified teachers by beginning the interviewing process early each spring to ensure that we interview a large bank of teachers that will include the transfers from other schools within the district. We also utilize the SearchSoft personnel tracking system to review credentials and references on all applicants to ensure that only the highest caliber teachers are interviewed during the application process. Administration

- 5. Retention: All of our Alternative Certification teachers are mentored by an Alternative Certification Instructional Specialist District Alternative Certification Instructional Specialist
- 3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

First-year teachers are paired with their department heads. These coaches work with new teachers on things such as pacing, lesson plans, classroom management, planning, and record keeping. Department heads are chosen because they already serve as a leader/mentor for new teachers and they are always experienced teachers that have a significant amount of guidance to offer.

E. Ambitious Instruction and Learning

- 1. Instructional Programs and Strategies
 - a. Instructional Programs
 - 1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Administration monitors lesson plans to ensure alignment with Florida's standards. Administration conducts classroom walkthroughs and teacher observations to monitor standards implementations in the classroom. PLC's submit meeting minutes that describe their teaching strategies, standards, and assessments.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Administration examines data from standardized assessments such as FSA, End of Course exams, MAP assessments, and Advanced Placement exams. Administration and teachers discuss the data and teachers use this date to formulate their Deliberate Practice Plans. Teachers follow their Deliberate Practice to implement their chosen strategies in the classrooms in order to address the weaknesses discovered in their students.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 5,400

Teachers have common planning before school. Teachers offer student tutoring before and after school.

Strategy Rationale

Teachers are able to use this time to work in the PLC groups to create common assessments, discuss student achievement data, and develop instructional strategies.

Strategy Purpose(s)

Person(s) responsible for monitoring implementation of the strategy Hartzer, Richard, hartzrc@bay.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Student tests and achievement scores

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Mosley conducts orientation sessions for incoming freshmen at the start of the school year. Mosley also conducts grade-level assemblies near the start of the school year. Guidance counselors and administration meet with upper-classmen to discuss post-high school options.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Elective courses that are offered to students for future employment or job skill training include: Culinary Operations, Television Production, Marketing, Marketing Co-op, Computer Programming, Computer Applications, Cyber Security, Web Design, Marine Corps JROTC, and Internships. Students are encouraged to select these classes through their guidance counselors and homeroom teachers. Students are also exposed to these elective courses throughout the year as the classes participate in school wide activities. Each year, our guidance department holds a Registration Rally for students to receive information relative to the electives and possible course options so that course selection was based on personal interest. Students may also split their time between Mosley and Haney Technical Center in order to pursue vocational training.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

Elective courses that are offered to students for future employment or job skill training include: Culinary Operations, Television Production, Marketing, Marketing Co-op, Computer Programming, Computer Applications, Cyber Security, Web Design, Marine Corps JROTC, and Internships.

- 3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.
- Fostering student/teacher communication regarding graduation requirements, scholarships, career opportunities and counseling. All will be achieved through guidance department and homeroom teachers.
- Provide P.E.R.T. or CPT (College Placement Test) to determine college readiness for math and language courses
- Host college and career information sessions for students during school
- Assist students in college admission process by providing college applications and visits from college personnel
- Collaborate with local businesses to provide career exploration and establish student internship via the co-op program
- Monitor the progress of the English IV college readiness initiative and collect the exit exam data based on EOC scores to analyze the strengths and weaknesses of the program.
- 4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, as required by section 1008.37(4), Florida Statutes.

Administration monitors the High School Feedback Report to examine the choices of graduating students. Administration and guidance advise current students, host college/university representatives, and facilitate trips to Gulf Coast State College to inform current students of their post-high school options.

II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. § 6314(b)(1)(A).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why"Â? or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

1 = Problem Solving Step S123456 = Quick Key

Strategic Goals Summary

Increase student test scores in all areas through the use of research-based strategies to assist students in reading, writing, math, and science across all content areas.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

A. Crawford Mosley High School

G1. Increase student test scores in all areas through the use of research-based strategies to assist students in reading, writing, math, and science across all content areas. 1a

🕄 G084102

Targets Supported 1b

Indicator	Annual Target
Algebra I EOC Pass Rate	55.0
Geometry EOC Pass Rate	73.0
Bio I EOC Pass	58.0
U.S. History EOC Pass	80.0

Targeted Barriers to Achieving the Goal 3

 Challenges of incorporating the ELA instructional shifts, Math instructional shifts, and Florida Standards in every classroom.

Resources Available to Help Reduce or Eliminate the Barriers 2

 Professional development in the areas of ELA instructional shifts, Math instructional shifts, and Florida Standards-based instruction. Common planning time for teachers to collaborate on instructional plans and common assessments.

Plan to Monitor Progress Toward G1. 8

Teacher attendance at a minimum of 80% of professional development sessions

Person Responsible

Richard Hartzer

Schedule

Quarterly, from 9/7/2016 to 5/31/2017

Evidence of Completion

Sign in sheets from professional development sessions

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key
