SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

SKY Academy's mission is to promote student achievement through an infusion of rigorous academic, wellness and fitness strategies incorporated into the learning and mastery of the Florida State Standards.

b. Provide the school's vision statement.

Sky Academy's vision is to develop a Middle School that is highly regarded for its academic excellence, through the building of strong bodies and in developing an understanding of the importance of wellness and nutrition for academic success.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

- School application process
- Parent/Teacher information night
- Student/Parent surveys
- Before and after school events
- Sky Academy Newsletters
- Community Events
- Professional Development Training and presentations

SKY Academy Ambassadors
SKY Academy NJHS
Family School Events

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Sky Academy has a clear set of policies and procedures in place for the safety and well-being of all students.

These are clearly described in our student/parent handbook. All families are responsible for signing a school contract acknowledging policies and procedures.

SKY Academy's Personnel maintain core value expectations in all student interactions: Honesty, Respect, Responsibility, and Caring. SKY Academy school culture consistently reflects positive interactions, tolerance and diversity for all.

We offer a variety of clubs that students can find cultural and social connections.

SKY Administration provides faculty with classroom supports to maintain a safe and respectful environment.

SKY Administration, Faculty and Staff work as partners with parents through weekly communications via email, progress reports, newsletters and connect ed.

Sky Academy offers a before care and after care program for all students. In addition Sky offers a healthy breakfast, lunch and snack for all students.

School wide "Just say hello" initiative: reaching out to all students to stand up against bullying.

Sky Academy has a positive behavior system in place which provides students with positive feedback and support throughout their day.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Sky Academy has established code of conduct that includes clear school wide policies for attendance, technology use, arrival and dismissal, school emergencies, transportation, sporting events, before and after school programs.

In addition, the established protocol for disciplinary incidents, violations of the Code of Student Conduct occur in varying degrees of severity. These behaviors are aligned with the district's discipline policy, from least severe (Level 1) to most severe (Level 4).

School personnel are provided with Professional Development Opportunities in the areas of Classroom and Behavior Management and Response to Intervention training's.

School wide positive behavior system is in place to provide students with proactive and positive support throughout their day.

School Wide Leadership Team addresses and provides direction and support for all student behavior needs.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

SKY Academy provides behavioral and academic counseling support through the School Wide Leadership Support team. In addition, student mentors are assigned based on parent approval and student needs.

When necessary we provide families with outside school support agencies (SEDNET).

Sky Academy has "need-driven" decision-making process to ensure that resources reach the appropriate students to accelerate the performance of all students. The MTSS team provides teachers with instructional strategies and interventions that teachers deliver to students in varying intensities (multiple tiers) based on student need. Our staff generate parent meetings and follow up procedures for all pupil services and recommendations.

3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

SKY Academy uses the following early warning system:

1. Sarasota County Student Information System (SIS) for data collection on attendance and grades.
2. MTSS: School wide leadership team meetings, monitor student academic, behavioral and attendance progress.

SKY Academy's Early Warning Indicators:

- Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension (tardy data included)
- One or more suspensions, whether in school or out of school and 3 or more detentions.
- Course failure in English language arts, science, social studies, mathematics, and physical education.
- Below Grade level scores on the statewide, standardized assessments in English Language Arts or Mathematics.
- Course and credit recovery

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	0	0	0	0	0	0	2	3	2	0	0	0	0	7
One or more suspensions	0	0	0	0	0	0	2	0	2	0	0	0	0	4
Course failure in ELA or Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide assessment	0	0	0	0	0	0	1	1	1	0	0	0	0	3

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Students exhibiting two or more indicators	0	0	0	0	0	0	2	4	3	0	0	0	0	9	

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

1. SKY Academy follows the Multi -Tiered System of Supports(MTSS): Tier 1, Tier II, Tier III
Tier I/ Core Instructional Interventions for all students:purposeful planning/differentiated instruction;
collaborative/cooperative learning; scaffolding instruction;content area literacy/math;technology/data
to drive instruction;collaboration';effective instructional strategies;use of screening assessments &
benchmarks to monitor progress toward standards;teacher efficacy;instruction aligned to grade level
standards
Tier II/ Targeted group interventions: increased progress monitoring;Collaborative support team
intervention plan.
Tier III /Intensive individual Interventions:;flexible groupings;intensive reading and math classes;
diagnostic assessments; SWLT meetings
2. Collaborative Planning Teams Action Plan Documentation:Problem Identification;Problem
Analysis;Comprehensive Intervention Implementation Plan;Response To Intervention Data
Review;Parent participation documentation
3. After school Enrichment Program: I Ready, Kahn Academy and Study Island
4. Early intervention plan with Parent Meeting and development of intervention strategies to address
attendance, academics and behavior issues.
5. Before and after school teacher guided academic support.
6. Purposeful planning and differentiated Instruction.

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

No

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

- SKY parents volunteer minimum 10 hours throughout the course of one school year.
- Parents on School Advisory Committee.
- SKY Family monthly family events: open houses, orientations, luncheons, dinners, sporting events, social events, academic events and conferences.
- Parent communications via bi-weekly email; blackboard connect; Remind 101, newsletters, weekly reminders/information/updates from the Administration and Staff.
- Family Workshops addressing technology/health/nutrition/executive function strategies
- School Wide Leadership Team parent conferences

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

- SKY Academy in partnership with the YMCA has created community support through the associations with Gulf Coast Foundation and local businesses.
- SKY Academy invites professionals to share their story to promote interest in the community from local businesses by coming into school to speak to students on various topics including science and technology, bullying prevention, health and nutrition and sports.
- SKY promotes relationships through the many events that include monthly Family grade level breakfasts, Taste of Sky, Mayors Food Drive, Shoes and Clothing drives, student fun runs, athletics, and fundraisers.
- Academic Teams meet weekly and provide parents with positive feedback on student progress
- Core Value awards are provided to students and shared with families to recognize positive student behaviors and leadership.

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Karrer, Melissa	Assistant Principal
Novia, Robert	Principal

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The School Wide Leadership Team consists of: Administrator (Mrs. Sooklal), ESE Liason (Fred Sosnoski), ESOL Liason, Gifted Teachers (Wendi Dunlap/Dr. Jenkins), and Regular Education Teacher (Bryan Burns) (Jeremy Singleton).

The Leadership Team meets to formally collaborate as a School-Wide Support Team twice monthly.

Mrs. Sooklal sets the agenda for SWST meetings. The team uses summative and formative data to identify school, class, or individual student needs relative to attendance, behavior, and/or academics following MTSS guidelines.

Meetings include focus on the implementation of interventions, progress monitoring/data collection and parent conferences and support plans

The SWLT involves families as full participants for student success at all levels of the educational process for their children. Families participate as planners, contributors, leaders, teachers and learners.

The coordination and integration of federal, state, and local funds reduces the duplication of services and ensures that all needs of economically disadvantaged students are met. These wrap-around services make up a comprehensive framework to give all children a greater chance of academic success.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The school uses a variety of reports produced by the District Office of Research, Assessment, and Evaluation (RAE) on the academic achievement of students, including dis-aggregated AYP subgroup data by reading, math, science, and writing.

Additional sources include at each tier include classroom and benchmark assessments; diagnostic assessments (I Ready, Study Island); State assessments; Gates Reading Assessment.

Title II will be used to help support goals within SIP through use of substitutes or PD and used in our Nutritional Program.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Michelle Sooklal	Education Support Employee
Steve Smith	Principal
Bryan Burns	Teacher
Wendi Dunlap	Teacher
Mia Slaton	Parent
Lori Kern	Parent
Jeremy Singleton	Parent
James Slaton	Parent
Elaine Zimmerman	Teacher
Ashton Pennell	Student
KJ SLaton	Student
Madison Depersia	Student
Donna Costa	Business/Community
	Student

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

a. Evaluation of last year's school improvement plan

1. The Committee reviewed results of needs assessments, as well as current and appropriate school data i.e. FSA; IReady/ Benchmarks.
2. Define adequate progress for each school goal and for the overall school improvement plan.
3. Review school annual budget plan and funds.

b. Development of this school improvement plan

SKY Board/ SAC committee review, discuss and make suggestions to the approval of the SIP.

c. Preparation of the school's annual budget and plan

SAC committee members review and discuss annual budget.

The SAC assists in this process by ensuring that student achievement data is considered in the preparation of the school's annual budget, and that the final budget is reflective of the identified goals in the school improvement plan.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

The school improvement funds allocated for each project are reviewed and discussed to determine effectiveness of spending and need for the following school year.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Novia, Robert	Principal
Karrer, Melissa	Assistant Principal

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The LLT consists of Administration LA team and Department Heads who meet and collaborate bi-weekly to promote reading across all curriculum.

A high quality literacy curriculum aligned with LAFS .

Formative assessments in English language arts with teacher professional development .
Major initiatives include Vocabulary (Word of the Week), Differentiation of Instruction within the Content Area, Independent Reading, Pre-Assessments and post assessments, and I Ready and Study Island.

Students are expected to have an independent reading book with them at all times and read when class work is completed.

All content areas will :

- complete a weekly writing assignment and will consist of short answer responses, long answer responses, essays, research projects, and/or quick writes.
- Developing and asking text dependent questions from a range of question types
- Emphasizing students supporting their answers based upon evidence from the text
- Providing extensive research and writing opportunities (claims and evidence)

We will promote the importance of Critical Thinking Skills in each classroom as well and employ questioning strategies that will help guide students to enhance clarity and better comprehension.

LLT provides students with incentives to promote reading pizza parties, books, and certificates.
LLT provides book swaps for students to have accessibility to a variety of books and levels.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

SKY Academy provides its teachers with the following strategies to build positive working relationships:

- 1.Daily common planning time
2. Weekly Collaborative Academic Team Meetings
3. Weekly Collaborative Grade level Team Meetings
- 4.Professional Development Opportunities
5. Ropes and team building activity opportunities
6. School workshops and presentations

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

1. We provide Mentors for beginning teachers.
 2. Hire teachers with State certifications in subject areas being taught.
 3. Implement a rigorous and relevant Teacher Induction program for new teachers.
 4. We will encourage and enforce teachers Professional Development through a variety of training at the district and state level.
 5. We will utilize teachers teachers web site to attract interested qualified teachers.
- Provide incentives through scholarships for continued education opportunities

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Mentor Qualities:

- Sound knowledge of pedagogy and instructional best practices
- Excellent professional role model
- Strong interpersonal and communication skills
- Commitment to professional growth and learning
- Ability to work collaboratively with colleagues
- Leadership capacity

Mentors support teacher development by meeting with first and second year teachers to assist with topics that include pedagogy, classroom/behavior management, and content. Additionally, mentors may also conduct any or all of the following:

- Observe first and second year teachers in the classroom and provide feedback
- Model lessons
- Co-teach
- Help plan standards-based lessons
- Analyze student work
- Model reflective practice

SKY Academy administrators provide resources and time for mentoring teams to meet, observe each other's techniques, model best practices, and discuss improvements to classroom and instructional practices.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

1. C PALMS which provides teachers with:
 - Curriculum Mapping Tool
 - Lesson Planning Tool
 - Lesson Study Support System
 - Online Professional Development Modules
 - Standards Progression Mapping

Standards Visualizer

2. Sarasota County Instructional Focus Guides
3. Teachers attend Sarasota County Department Meetings monthly
4. Teachers attend professional development classes
5. Administrative classroom observations and Sarasota County School District PRIDE assessment tools
6. Administrative feedback and support through individual meetings and observations.
7. Google Classroom
8. Student data chats from I Ready and Study Island
9. Data collection from I Ready , Study Island and State assessments results.(FSA/EOC)
10. Data collection and results from classroom formative and assumptive assessments.
11. FLDOE reports on changes, updates, and data from all state assessments.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

SKY Academy differentiates instruction based on assessment of student learning needs. This data is gathered from I Ready, classroom formative and assumptive assessments, benchmark tests and state assessments.

- 1.Flexible learning groups based on assessment data
- 2.Analyze classroom data to diagnose learning needs and identify gaps to adjust/drive instruction.
3. Multi-modality instructional approach
- 4.Scaffolding
5. Teacher Conferencing
- 6.Tutoring
7. Extend and re mediate instruction to meet the needs of all students, including ELL and ESE.
8. Special needs accommodations (IEP/504 Plans)
9. Online diagnostic formative assessments (I Ready, Study Island)

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 3,600

Academic Enrichment Program in Math, and Reading is provided three times weekly for a total of 2 hours and 15 minutes weekly.

Strategy Rationale

To provide students who have been identified as at risk in Math and Reading with academic support in the identified area of need.

Strategy Purpose(s)

- Enrichment
- Teacher collaboration, planning and professional development

Person(s) responsible for monitoring implementation of the strategy

Karrer, Melissa, melissa.karrer@skyatthey.com

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Pre and post assessments are provided to measure improvements made using criterion referenced tests.

Progress monitoring by teacher teams to evaluate effectiveness of services.

Bi-weekly data reports

Multi-disciplinary team bi-weekly meetings.

Attendance records.

Strategy: Extended School Day

Minutes added to school year: 2,400

Multi-disciplinary team meetings

Strategy Rationale

Strategy Purpose(s)

- Teacher collaboration, planning and professional development

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Attendance

Observation by Administration

Data collection and bi-monthly reports.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

- 6,7,8th grade Open House
- 6,7,8th grade Orientations
- Registration and Application Process
- 8th Grade transition meeting with guidance counselors from local high schools
- 8th grade schedule requests from perspective high schools
- 6,7,8th grade individual student meetings to discuss career readiness/planning

we provide a variety of speakers in science, engineering, technology, math, and the arts.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Students receive academic and career planning in the 8th grade US History & Career Planning classes.(Course code 2100015; Code 2100025)

Provide students with access to Florida Choices. Internet planning and teacher advisement.

Provide students with a career and education planning guide: Career Cruiser

Teachers provide opportunities to research career fields. Students are able to attend field trips in the STEM fields.

Students are provided multiple opportunities to listen to speakers in a variety of career fields.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

By utilizing the Florida Choices Academic and career planning site.

Teachers provide direction for students to complete a personalized academic and career plan. The plan emphasizes the importance of entrepreneurship skills, technology, or the application of technology in career fields.

Speakers are provided and opportunities to attend Tech Trek, as well as STEM summer camp which provides career planning opportunities and information.

8th Grade students are introduced to representatives from local schools Suncoast Poly Tech, SCTI, North Port High, Venice High.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

STUDENTS WILL:

- 1.Describe the influences that societal, economic, and technological changes have on employment trends and future training.
- 2.Develop skills to locate, evaluate, and interpret career information.
- 3.Identify and demonstrate processes for making short and long term goals.
- 4.Demonstrate employability skills such as working in a group, problem-solving and organizational skills, and the importance of entrepreneurship.
- 5.Understand the relationship between educational achievement and career choices/postsecondary options.
- 6.Identify a career cluster and related pathways through an interest assessment that match career and education goals.
- 7.Develop a career and education plan that includes short and long-term goals, high school program of study, and postsecondary/career goals.
- 8.Demonstrate knowledge of technology and its application in career fields/clusters,

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

1. 8th Grade Core team academic plan follows the high school model for academic policy and expectations for post secondary success and planning.
2. Provide students and families with data based on High School Feedback reports as to the numbers that graduate and attend college.
3. Provide students opportunities to research academic criteria to attend college and set goals.
4. Provide students and families information on Advanced Placement, International Baccalaureate, Advanced International Certificate of Education, and dual enrollment courses.
5. Provide information on taking high school Algebra 1 course while in middle school.

II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(A).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

Decrease % of students tardy
Increase % of learning gains ELA
Increase proficiency of ELA FSA by 6% minimum
Maintain 80% plus learning gains in Math

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

parent/guardian support
attendance
technology access without disruption

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

1 = Problem Solving Step  **S123456** = Quick Key

Strategic Goals Summary

- G1.** FSA ELA proficiency will increase from 62% to 68% for the 2016-2017 school year. ELA /Reading Lowest 25% will increase from 48% to 52%.
- G2.** By the year 2017 there will be a decrease in student out of school suspension rates from 14% to 9% of the school population.
- G3.** We will reduce the number of students tardy incidents from 1528 (2015-2016 school year data) to 1200.
- G4.** Student referrals will decrease from Physical Education Classes from 33% to 28% of the total student population.
