

Charlotte County Public Schools

# Neil Armstrong Elementary School

2016-17 Schoolwide Improvement Plan

## Neil Armstrong Elementary School

22100 BREEZESWEPT AVE, Port Charlotte, FL 33952

<https://www.yourcharlotteschools.net/nae>

### School Demographics

School Type and Grades Served (per MSID File)	2015-16 Title I School	2015-16 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)
Elementary School PK-5	Yes	95%
Primary Service Type (per MSID File)	Charter School	2018-19 Minority Rate (Reported as Non-white on Survey 2)
K-12 General Education	No	41%

### School Grades History

Year	2015-16	2014-15	2013-14	2012-13
Grade	B	B*	C	

*\*Informational Baseline School Grade*

**Note:** The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

### School Board Approval

This plan was approved by the Charlotte County School Board on 11/15/2016.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

---

## Table of Contents

---

<b>Purpose and Outline of the SIP</b>	<b>4</b>
<b>Differentiated Accountability</b>	<b>5</b>
<b>Current School Status</b>	<b>6</b>
Supportive Environment	6
Family and Community Engagement	9
Effective Leadership	11
Public and Collaborative Teaching	14
Ambitious Instruction and Learning	15
<b>8-Step Planning and Problem Solving Implementation</b>	<b>20</b>
Goals Summary	20
Goals Detail	20
Action Plan for Improvement	22
<b>Appendix 1: Implementation Timeline</b>	<b>32</b>
<b>Appendix 2: Professional Development and Technical Assistance Outlines</b>	<b>34</b>
Professional Development Opportunities	34
Technical Assistance Items	35
<b>Appendix 3: Budget to Support Goals</b>	<b>35</b>

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

### DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

### 2016-17 DA Category and Statuses for Neil Armstrong Elementary School

DA Region and RED	DA Category and Turnaround Status
Southwest -	Not In DA - N/A

## I. Part I: Current School Status

### A. Supportive Environment

#### 1. School Mission and Vision

##### a. Provide the school's mission statement.

Neil Armstrong Elementary will lead by example to develop character and competence in every student.

##### b. Provide the school's vision statement.

Student Success in the 21st Century!

#### 2. School Environment

##### a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

During the registration process, the school takes information on families' native language. Teachers utilize this information to incorporate lessons that are culture sensitive. In accordance with Florida Social Studies standards, teachers provide a variety of opportunities to learn about, present information, and celebrate diversity. Neil Armstrong celebrates individuality and uniqueness through Stephen Covey's The Leader In Me. A collection of flags representing our families' nations of origin is displayed in our main hallway to instill a sense of pride in their national heritage. Students record special attributes about themselves and their families in their "All About Me" section of their Leadership Notebooks.

##### b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Neil Armstrong Elementary is a Stephen Covey Leader In Me Lighthouse school that promotes the 7 Habits of Happy Kids. These philosophies carry throughout the school, student homes, and community programs. We educate parents at Parent Teacher Organization (PTO) and School Advisory Committee (SAC) meetings about what it means to be a Positive ASTRO. We read "The Juice Box Bully" and have all of our students sign the "Bully Promise" that is posted in our hall. We also teach "The 12 Guiding Principles of the United States". We also teach our Positive ASTRO expectations. We have a mentoring program that we implement with our 4th and 5th grade students who mentor K-2 grade students. Neil Armstrong safety patrols are trained to help keep our students safe throughout the school day. We read "Have you Filled a Bucket Today?" and encourage students to fill other students and staff member's emotional bank accounts. We educate students, staff, and families on other safety topics such as bullying, wellness, drug use/abuse, and emergency safety procedures such as Code Red.

##### c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Neil Armstrong Elementary utilizes Positive Behavior Intervention Support to encourage and reward positive behaviors. NAES is a Leader In Me Lighthouse School that emphasizes the 7 Habits of Happy Kids. These expectations, along with safety procedures and routines, are taught to students and staff. Voice levels and expectations are posted throughout the building for reference and continuous reminder. NAES has a flowchart of progressive discipline that follows the district Student

Code of Conduct guidelines. Instructional time is protected, and students counsel with Leadership to discuss consequences during non-academic time. Behavioral referrals are documented and collected through the FOCUS electronic data storage system. Teachers utilize infraction reports and Office Discipline Reports to help with student behavior concerns. Teachers also use behavior management systems in the classroom. Our mentors are also used to help support those students who are struggling with expectations. This year, Neil Armstrong Elementary will be piloting the Restorative Justice program to help students mediate conflict and reduce out of school suspensions. A professional learning community (PLC) has been established with a focus on Trauma Informed Schools.

**d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

The School Counselor and School Social Worker provide individual counseling on an as needed basis. Teachers or parents can refer a child to see the counselor or social worker at any time. The school counselor uses a comprehensive school counseling program focused for all students on academic and career development, personal and social development, community involvement, and global citizenship development. Our student mentors are trained and provided with curriculum to help support our younger students with their social-emotional needs. All students sign the "Bully Promise" that is posted in the hallway. Staff members also mentor students who are in need of adult mentors. We also teach the words of the week to our Positive ASTROs, and students are able to earn awards for displaying characteristics of the words that are studied. We read "Have you Filled a Bucket Today?" and encourage students to fill other students and staff member's emotional bank accounts. We recognize prompt Positive ASTROs for being to school on time and ready to learn before the late bell rings. Some teachers use Class Dojo to manage behavior in the classroom.

### 3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

**a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.**

1. Attendance is recorded daily in FOCUS data storage. The Assistant Principal monitors attendance through monthly reports and graphs data for goal setting. Concerns are shared with the school social worker, and documentation is kept for referral to the attendance team for intervention. Students can earn awards for being Prompt Positive ASTROs which means they are in school on time ready to learn before the late bell rings. The Attendance Intervention Team meets to address concerns and gain documentation.
2. The Assistant Principal monitors referrals and suspensions and reports discipline data to grade level teams, school-wide, and at PTO/SAC meetings. Careful attention is given to over/under identification of students considering gender, disability, and race. The PBIS/Lighthouse Team review schoolwide data and its impact on culture.
3. Student achievement in ELA and Mathematics is collected through diagnostic and formative assessment. Students performing below grade level expectation are given opportunities for daily remediation in WIN (What I Need) time. Pre and post assessments are analyzed to determine next steps for targeted students.
4. Students scoring a level 1 on the statewide assessment are identified and provided additional instructional time and intervention (iii) and given priority to remediation. Special consideration for placement in co-teach or intensive literacy classrooms are given to these identified students. Childtalk is initiated for the MTSS process.

**b. Provide the following data related to the school's early warning system**

1. *The number of students by grade level that exhibit each early warning indicator:*

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	15	4	1	4	8	9	0	0	0	0	0	0	0	41
One or more suspensions	1	3	2	1	4	1	0	0	0	0	0	0	0	12
Course failure in ELA or Math	0	0	0	16	14	15	0	0	0	0	0	0	0	45
Level 1 on statewide assessment	0	0	0	13	38	31	0	0	0	0	0	0	0	82

**The number of students identified by the system as exhibiting two or more early warning indicators:**

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Students exhibiting two or more indicators	0	0	0	8	12	8	0	0	0	0	0	0	0	28	

**c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.**

A Multi-Tiered System of Supports (MTSS) is a term used to describe an evidence-based model of schooling that uses data-based problem-solving to integrate academic and behavioral instruction, intervention, and/or enrichment for ALL students. CCPS supports integrated instruction and intervention delivered to students in varying intensities:

Core Instruction...Tier 1

Supplemental Instruction...Tier 2

Intensive Intervention...Tier 3

Instruction/intervention is based on student need. "Need-driven" and "data-based" decision-making seeks to ensure that district resources reach the appropriate schools (students) at the appropriate levels to accelerate the performance of ALL students to achieve and/or exceed grade level expectations.

The district will provide assistance to schools/teams based upon their structures and needs.

Personnel, supported by the district, are available to site-based Student Support (SST) Teams as partners and coaches. Personnel include:

Behavior Specialist

Staffing Specialist

Speech and Language Pathologist

School Nurse

School Psychologists

School Counselors

School Social Workers

ESE Liaisons

Elementary Lead Teachers

Elementary and Secondary Lead Rtl Coaches

PBIS/Rtl: Behavior Coaches and Team Leaders

Our Data-based problem-solving process begins by looking at the big picture and using our school's Accountability Report provided by the district to examine our overall performance and learning gains to determine our areas in need of improvement. Then we examine trends for each grade level in ELA and Math, determining areas of strength and areas of opportunity. Next, we follow the MTSS process and ensure that 80% of students in each classroom are performing on grade level, 15% are performing slightly below grade level, and 5% are intensive. Intensive literacy and ESE Co-Teach classes follow a growth model. Each grade level team meets in child talk meetings to discuss

strategies and interventions that are effective and ineffective. We also problem solve through collaboration to meet the needs of our students. School wide Student Support Team (SST) team meets bi-weekly to monitor Tier 2 and Tier 3 students and discuss additional effective strategies to implement. Some of the strategies we include are additional small group instruction, one-on-one instruction, FCRR activities, iReady remedial lessons, iReady Toolkit, CPALMs, and LAFS and MAFs lessons.

The Principal, Assistant Principal, School Counselor, and Lead Teacher, all serve as Case Managers; one per grade level team. We prioritize the needs of the students in each grade level and review the data collected on each student and place the student on the calendar for a Student Support Team (SST) Meeting. We also ensure that the health evaluation and Speech/Language evaluations are completed in a timely manner when a student continues to struggle with Core Curriculum, even after strategies have been implemented and remediation lessons have been provided through "What I Need" (WIN) time.

We currently analyze iReady BOY, MOY and EOY scores on our assessments for ELA and Math. Teachers maintain a data wall as well. Standards-based bulletin boards provide exemplars. Training will be integrated throughout the school year for teachers to use EDIS Softwareology.

We use our MTSS forms to ensure that 80% of our students are responding effectively to Core Curriculum, or showing adequate growth in our Intensive Literacy Units and ESE Co-teach classrooms. Our teachers also have classroom behavior management systems in place, and when they are not adequate for a student, an individual behavior plan is created and maladaptive cards are filled out to track behaviors.

Discipline and Attendance data is collected monthly by our Assistant Principal and school social worker. That data is shared on a data wall in one of our hallways for our students and stakeholders to see and is also shared in our newsletters.

The MTSS Model is reviewed annually with our teachers. Peer Teachers support new teachers who need to refer students to MTSS. Each grade level team has an MTSS Coach who has been trained by our School Counselor to offer assistance on filling out paperwork and offering research-based strategies to remediate striving students. The process is reviewed with parents when their child is going through MTSS, to ensure that they understand the importance of following the steps/process of MTSS.

## B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

### 1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

#### a. Will the school use its PIP to satisfy this question?

Yes

##### 1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/308025>.

##### 2. Description

A PIP has been uploaded for this school or district - see the link above.

**2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.**

CCPS supports the school's Parental Involvement planning and implementation in a number of ways:

1. Near the end of each school year the Title I Resource Team conducts a training session for the Parental Involvement Planning Teams (PIPTs) for each school (Title I status is not a consideration in the invitation to attend). During the session school teams (which include parent members) review their data from the current year, discuss needs and barriers, and draft plans for the coming year.
2. Schools' Family Resource Centers sponsor the Family Reading Experience, which encourages family literacy and provides books to build home libraries for students. The staff members who facilitate the Family Centers also offer various parent learning opportunities during the year.
3. Title I funds a K-12 online parenting resource with information in English and Spanish. The Parent Institute is accessed through the CCPS website.
4. The Leader in Me Program is an important component of the learning activities in CCPS schools, and provides opportunities for 'student-led conferences' with parents during the year.
5. The annual Title I Parent Survey and Title I Evaluation provide important information for the schools to use in their planning for parental involvement activities.
6. Parents are invited to access academic and affective information about their children through CCPS on-line programs: FOCUS and EDIS Parent Portal.
7. Local Boy Scout and Girl Scout groups met at the school and complete community projects including a recycling program which provide the school with recycled benches.
8. Art teacher works with the county tax collector to raise funds by creating tag art.
9. Neil's Nuggets of Knowledge event where community partners are represented for our families to learn about the services that are available to them locally.
10. Back pack program by the Yah Yah Girls provides over 100 students with food over the weekend.
11. Chorus is highlighted throughout the community at a variety of events.
12. Artwork is displayed around the county highlighting student Art Leaders.
13. K-Kids participate in several community service projects.
14. Girls on the Run participates in community service projects.
15. NAES participates in 5K Harborwalk to support Autism Speaks

NAES will utilize various means and efforts to involve parents in our Title I programming decisions. Parents will be invited to the Annual Title I Meeting, via a phone call, flyer, email, social media and also on our marquee. Parents will be encouraged to sign-up for membership with our SAC and PTO Committees to have input on how our hour funds are spent, to help form policies and to discuss ways to improve our school. Parents will also have an opportunity to offer suggestions via our website. NAES staff members, parents and community members will be encouraged to participate in our Parent Involvement Planning Team where the team will review strategies for working with all of our students. In addition, we will provide a parent timely notice when their child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

Parents will also be invited to every family event and awards' assemblies held on campus and off and encouraged to participate in our Family Reading Experience weekly to help build their child's library at home. English classes will also be offered to our parents who speak another language, and interpreting will be offered in Haitian Creole and Spanish when necessary.

Finally, parents will be invited to attend a minimum of one Student-led Conference in their child's classroom this year to review how their child is doing in each subject area. Data walls will be hung in each grade level hallway to share with our stakeholders as to how our students are performing in ELA and Math. iReady reports will also be sent home with each student so that parents are informed of their child's ongoing progress a minimum of three times this school year for reading and math. Parents are provided with student progression plans, reporting academic standing.

## C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

### 1. School Leadership Team

#### a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Taillon, Angie	Principal
Janiak, Cathy	School Counselor
Keegan, Heidi	Assistant Principal
Hazeltine, Melody	Instructional Coach
Morazes, Lisa	Attendance/Social Work
Sterbutzel, Julianne	Other
Harris, Leslie	Teacher, ESE

#### b. Duties

**1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.**

Personal and systemic leadership is an expectation in Charlotte County Public Schools that has been part of our district culture since 2002. The 7 Habits of Highly Successful People, by Dr, Stephen R. Covey, is the foundational basis for leadership training and a way of life for the employees and students of Charlotte County Public Schools.

Instructional Leadership  
Leadership Notebooks  
Lighthouse Team  
Mentoring Program  
Student led conferences  
Classroom leadership opportunities  
Safety Patrols  
Positive ASTRO word of the week awards  
Character education added into specials  
PBIS program (Act Responsibly, Stay Safe, Try Your Best, Respect Yourself and Others, Own your Choices)  
Teacher and classroom mission statements  
Performance Partnership Council  
Leadership Days  
Literacy Committee  
Professional Development Days  
Instructional Rounds  
WNAES News Station  
Parent/teacher communication  
FOCUS portal  
Progress reports

Data is analyzed consistently, comparing students who are performing proficiently and those who are not, and groups are planned accordingly to differentiate instruction to meet the gaps in learning.

**2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.**

The district drives curricular decisions that are made with input of teacher committees. Then shared by the Principal, Assistant Principal, and the Lead Teacher. Academic and behavioral warning systems help to identify students in need of interventions through a Multi-Tiered System of Supports (MTSS). Early and timely interventions can only occur when we have a system that alerts us of the concerns. Currently, the district has three systems that provide information to help make timely adjustments necessary for Student Success. MTSS meetings are scheduled per the needs of individual students. The School Advisory Committee (SAC) meets monthly with a focus on the school improvement plan. The Partnership Performance Council (PPC) is a collaborative decision making team comprised of a representative from K-2, 3-5, ESE, Special Areas, and administration that meets monthly, always focusing on the School Improvement Plan (SIP).

As a Leader in Me Lighthouse school, our Lighthouse/Positive Behavior Support team meets monthly to align student leadership with student achievement. The school leadership team meets monthly with the grade level program planners. Then the program planners facilitate weekly team meetings.

Focus data storage program provides a variety of district reports regarding retention, referrals, ESE and ELL status, and attendance. Focus automatically generates 5 day and 10 day attendance letters to communicate a concern to the parents (guardians). In addition to the existing Focus reports, the Information Communications System (ICS) team is available to support school-based criteria for a custom report.

The school accesses i-Ready and EDIS School Portal-data networks that provide a wide variety of academic reports that address both local and state assessment results. They use a color-coded system and filters which give the user opportunity to clearly see/identify students in need of intervention.

NAES facilitates scheduled monthly professional development meetings, child talk sessions, and professional learning communities.

It is the responsibility of the Principal, Assistant Principal, Lead Teacher, School Counselor, ESE Liaison, and District Personnel to determine the most efficient use of these programs. Principals, Assistant Principals, School Counselor, ESE Liaison, and Lead Teachers meet with District Personnel to review the effectiveness of programs, personnel, and funding.

## **2. School Advisory Council (SAC)**

### **a. Membership**

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Phyllis Crios	Parent
Donna Barrett	Parent
Krysti Reid	Parent
Frannie Slagter	Parent
Angie Taillon	Principal
Theresa Cavaliere	Parent
Jennifer Nye	Teacher
John Wyllie	Parent
Annie Sifrit	Parent
Tessa Grahamann	Parent
Oscar Revilla	Parent
Karen Mullinax	Parent
Liza Dickson	Parent
Sarai Helstrom	Parent
Joan Barlow	Parent
Jessica Montoya	Parent

## b. Duties

### **1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes**

#### *a. Evaluation of last year's school improvement plan*

NAES SAC was involved in the preparation and evaluation of the SIP. SAC presented the final draft to the public for modification and analyzed data related to the SIP.

#### *b. Development of this school improvement plan*

A committee including a member of SAC will draft and submit the SIP. The committee will collect and analyze data and target areas in need of improvement. The committee will set short and long term goals to develop improvement strategies and will monitor their implementation. SAC will also gather public input on the plan and approve it.

#### *c. Preparation of the school's annual budget and plan*

Title I budgets are shared with SAC annually.

### **2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.**

No school improvement funds were distributed.

### **3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.**

Yes

*a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.*

## **3. Literacy Leadership Team (LLT)**

### a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Taillon, Angie	Principal
Keegan, Heidi	Assistant Principal
Deveau, Darlene	Teacher, K-12
Welsh, Brianna	Teacher, K-12
Provencal, Chelsie	Teacher, K-12
Williams, Christine	Teacher, ESE
Wilson, Jennifer	Teacher, PreK
Charbonneau, Susan	Teacher, ESE

### b. Duties

#### 1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

Our committee's goal is to increase literacy across all grade levels. Our committee meets monthly to discuss programs and contests our students and families can participate in.

What will be the major initiatives of the LLT this year?

\*Roles for each program are decided upon by volunteers choosing to work on a particular program and/or job category.

\*Holding our annual Dr. Seuss Read Across America Day

\*Readathon

\*Increasing the amount of books read by continuing with our AR Book Bash

\*Increasing Family Book Check-out number of visitors by having authors and special visitors attend our center

\*Buddy Reading

\*Continuing with Book Clubs

\*Encouraging students to read Sunshine State Readers

\*Provides creative ideas for rewarding progress in ELA/Literacy

\*Top 10 AR readers acknowledged every two weeks

\*Discussion with teachers, students, and parents regarding Lexile levels

\*Awards provided to classes with 100% participation in Accelerated Reader

\*Storybook Character Dress-Up Day

\*Accelerated Reader bookmarks provided to every student

\*Accelerated Reader data posted throughout the school

\*Lexile level charts shared with teachers and students

### D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

#### 1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

\*Tuesday meeting days throughout the month. 1st Tuesday is a Faculty Meeting, 2nd Tuesday is a Faculty Meeting with focus on Professional Development, 3rd Tuesday is a Faculty Meeting with focus on Child talk, and 4th Tuesday is a Faculty Meeting with focus on Professional Learning Communities.

\*Instructional Rounds – teachers visit other teachers' classrooms to garner ideas and generate discussions about classroom routines/instruction.

\*Data Days – Each grade level and Specials team will receive 3 full days and 3 partial days of collaborative data discussions, creating grade level action plans based on current data to increase student success.

Teachers will focus on Florida Plan Standards, planning lessons together to meet the rigor of the new standards.

\*Team Planning (WIN) – Each grade level team will have common planning times in which to work together.

\*Teachers present professional development

\*Teachers facilitate professional learning communities

## **2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.**

Assign a peer teacher to mentor and support new teacher—Principal

Frequent communication—Principal, AP, Lead Teacher, Program Planner, Peer Teacher

Create positive morale—Principal, AP, PBIS team, and entire staff

Encourage cooperative team planning —Principal, AP, Lead Teacher, Program Planner

Model and foster positive leadership in all areas - Leadership Team

Collaborate—Leadership Team

Provide ongoing feedback—Leadership Team

Have a clear school vision and mission — Leadership Team

Lead by example at all times—Entire staff

Value all staff members and validate their work—Leadership Team

Encourage participation in district's ongoing professional development/training

## **3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.**

Support NET teachers growth by providing peer support with ongoing monitoring.

Recommend Master Teachers assist fellow teachers.

Partner with Community Organizations, parent volunteers, and teachers to mentor students.

Offer in-house professional development through school-wide PLCs and Data Team Meetings.

Provide opportunities to observe other classes within our schools (instructional rounds)

Lead teacher, program planner, and district lead teacher are available to offer support.

The rationale for all of these pairings is to ensure that all new teachers have the support necessary to do their job effectively in a less stressful environment.

## **E. Ambitious Instruction and Learning**

### **1. Instructional Programs and Strategies**

#### **a. Instructional Programs**

##### **1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.**

Neil Armstrong Elementary utilizes adopted texts in alignment with the K-12 Reading Plan submitted and approved by the State. Core instructional programs and materials are designated, purchased, and

delivered for use by the District. Adoption of materials follows the rigorous guidelines as set forth by the State.

Neil Armstrong Elementary will follow the Standards Based Instructional System with a focus on unpacking each standard and aligning effective formative assessments to the standards that will drive

instruction

- \*Use CMAPS program to provide curriculum maps and timelines
- \*Use CPALMS resource to find Common Core Aligned lessons
- \*Use MFAS resource to provide curriculum in math lessons aligned to common core
- \*Use Data Days to review student data and implement instructional interventions
- \*Access iReady LAFs, MAFs, and MAFS Problem Solving to support Standards and plan WIN time
- \*Access iReady Toolbox for lessons
- \*Attend Principal, Assistant Principal and Lead Teacher meetings
- \*Provide safety nets for struggling students following the MTSS
- \*Accelerated Reader STAR standards resource

## **b. Instructional Strategies**

***1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.***

The school makes use of data from both State and local assessments, diagnostic, formative, and summative in nature. Students are then assigned a profile, prescribing instruction, and provided with an individualized instructional path through iReady. Core instruction is given in whole group and then differentiated instruction is delivered in small group settings in both ELA and Math. Students requiring additional support to meet proficiency are provided with additional immediate intensive instruction (iii) daily within the WIN time and given priority access to remedial programs. As part of the Multi-Tiered System of Support (MTSS), students who are identified as needing additional strategies are referred to the Student Support Team where additional, individualized strategies are implemented and data is tracked. In addition, NAES employs the strategies of Thinking Maps and Kagan Cooperative Learning structures.

***2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:***

**Strategy: Before School Program**

**Minutes added to school year: 4,800**

Following the diagnostic assessment, students are provided with an individualized path of instruction. Students engage in iReady lessons on the computer with regular progress monitoring assessments during ASTRO Academy.

**Strategy Rationale**

Research shows an increase in growth points correlated to time spent in the instructional program.

**Strategy Purpose(s)**

- Core Academic Instruction
- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

Taillon, Angie, [angie.taillon@yourcharlotteschools.net](mailto:angie.taillon@yourcharlotteschools.net)

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

iReady minutes logged  
Number of iReady lessons passed  
Diagnostic assessment data  
Progress monitoring data (monthly)

**Strategy: After School Program**

**Minutes added to school year: 4,800**

Following the diagnostic assessment, students are provided with an individualized path of instruction. Students engage in iReady lessons on the computer with regular progress monitoring assessments daily in ASTRO Academy.

**Strategy Rationale**

Research shows an increase in growth points correlated to time spent in the instructional program.

**Strategy Purpose(s)**

- Core Academic Instruction

**Person(s) responsible for monitoring implementation of the strategy**

Taillon, Angie, [angie.taillon@yourcharlotteschools.net](mailto:angie.taillon@yourcharlotteschools.net)

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

iReady minutes logged  
Number of iReady lessons passed  
Diagnostic assessment data  
Progress monitoring data (monthly)

## 2. Student Transition and Readiness

### a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

#### **1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.**

The school provides readiness assessments to incoming kindergarten students that may or may not have attended voluntary pre-kindergarten programs. NAES hosts "Meet Me for Muffins," during which time, the area Kindergarten students and their parents are invited for an exciting day at school. The Core Leadership Team divides parents into groups, and each Core Team member leads a group on a planned campus tour. Everyone gets a firsthand experience with NAES. All upcoming kindergarten students were assessed the week before school started and then students were placed accordingly. All students were assessed before they were placed into a class. The school provides an annual kindergarten expectations meeting for parents to educate them on current standards, curriculum, and procedures. Outgoing fifth grade students attend a meeting at their intended middle school. Files are reviewed, closed, and transitioned by the school guidance counselor. Assistant Principal communicates attendance and behavioral concerns with middle school assistant principal.

### b. College and Career Readiness

#### **1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

N/A

#### **2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.**

N/A

#### **3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.**

N/A

#### **4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.**

N/A

## II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(A).

### A. Problem Identification

#### 1. Data to Support Problem Identification

##### b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

*No files were uploaded*

## 2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

N/A

## B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

N/A

## C. Strategic Goals

## School Improvement Goals

*The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.*

### Problem Solving Key

**G** = Goal

**B** =  
Barrier

**S** = Strategy

 = Problem Solving Step     S123456 = Quick Key

## Strategic Goals Summary

- G1.** Increase 4% (28 points) of the total points Neil Armstrong Elementary School earned in 2015-2016, to achieve a school grade of A in Florida's Accountability and Assessment System.

## Strategic Goals Detail

*For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.*

**G1.** Increase 4% (28 points) of the total points Neil Armstrong Elementary School earned in 2015-2016, to achieve a school grade of A in Florida's Accountability and Assessment System. 1a

G086249

**Targets Supported** 1b

Indicator	Annual Target
FSA ELA Achievement	64.0
ELA/Reading Gains	62.0
ELA/Reading Lowest 25% Gains	55.0
FSA Mathematics Achievement	67.0
Math Gains	65.0
Math Lowest 25% Gains	62.0
FCAT 2.0 Science Proficiency	62.0

**Targeted Barriers to Achieving the Goal** 3

- Meeting the needs of the lowest performing students.
- Meeting the needs of the highest performing students.
- Lack of time for collaborative planning.
- Lack of access to computers for instructional use and assessment purposes.

**Resources Available to Help Reduce or Eliminate the Barriers** 2

- Title I
- District Professional Development
- Internal Funds
- Core Team

**Plan to Monitor Progress Toward G1.** 8

iReady progress monitoring data, STAR data, and Standards Mastery assessment data will be collected for review at Data Days.

**Person Responsible**

Melody Hazeltine

**Schedule**

Quarterly, from 8/1/2016 to 6/1/2017

**Evidence of Completion**

Action plans developed from the data will be collected after completion of the Data Days.

## Action Plan for Improvement

*For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.*

### Problem Solving Key

**G** = Goal                      **B** =  
Barrier                      **S** = Strategy

**1** = Problem Solving Step       S123456 = Quick Key

**G1.** Increase 4% (28 points) of the total points Neil Armstrong Elementary School earned in 2015-2016, to achieve a school grade of A in Florida's Accountability and Assessment System. **1**

 G086249

**G1.B1** Meeting the needs of the lowest performing students. **2**

 B229141

**G1.B1.S1** Implement Co-Teach Model in grades 1-5. **4**

 S241615

### Strategy Rationale

To give positive role models to ESE students. To provide ESE support all day long.

### Action Step 1 **5**

Assign ESE teacher fulltime to an ESE Co-Teach classroom in grades 1-5

#### Person Responsible

Angie Taillon

#### Schedule

On 6/1/2017

#### Evidence of Completion

Master Schedule

**Plan to Monitor Fidelity of Implementation of G1.B1.S1** 6

Leadership will review lesson plans and check in with Program Planners.

**Person Responsible**

Heidi Keegan

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Program Planner agenda and notes as well as lesson plan collection.

**Plan to Monitor Effectiveness of Implementation of G1.B1.S1** 7

Review of student performance data.

**Person Responsible**

Angie Taillon

**Schedule**

Triannually, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Student performance data of ESE students such as iReady diagnostic and progress monitoring, STAR assessment data, and FSA results will be collected and analyzed.

**G1.B1.S2** Provide instructional support in Intensive Literacy classrooms. 4

 S241616

**Strategy Rationale**

To improve teacher-student ratio to students striving in reading. Research shows small group differentiated instruction is best practice.

**Action Step 1** 5

Assign paraprofessional to support the ELA, Math, and iii/E blocks of instruction in Intensive Classrooms

**Person Responsible**

Heidi Keegan

**Schedule**

On 6/1/2017

***Evidence of Completion***

Master and paraprofessional schedules.

**Plan to Monitor Fidelity of Implementation of G1.B1.S2** 6

Check for fidelity at Program Planner meetings

**Person Responsible**

Angie Taillon

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Paraprofessional schedules, Program Planner agendas, and attendance records.

**Plan to Monitor Effectiveness of Implementation of G1.B1.S2** 7

Review student performance data

**Person Responsible**

Angie Taillon

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

**Evidence of Completion**

Formative assessments, teacher made tests, iReady data, STAR data, teacher observation

**G1.B2 Meeting the needs of the highest performing students.** 2

 B229142

**G1.B2.S1 Implement Co-Teach Model in OMEGA classes.** 4

 S241617

**Strategy Rationale**

Instructional support reducing teacher to student ratio provides better opportunity to differentiate for high performing students.

**Action Step 1** 5

Assign OMEGA teacher fulltime to the 4th/5th grade OMEGA classes.

**Person Responsible**

Angie Taillon

**Schedule**

On 6/1/2017

**Evidence of Completion**

Master Schedule

**Plan to Monitor Fidelity of Implementation of G1.B2.S1** 6

Leadership will review lesson plans and debrief with OMEGA teachers

**Person Responsible**

Heidi Keegan

**Schedule**

Quarterly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Lesson plans, teacher schedules, FTE assignment, and student performance data.

**Plan to Monitor Effectiveness of Implementation of G1.B2.S1** 7

Review of student performance data.

**Person Responsible**

Angie Taillon

**Schedule**

Triannually, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Student performance data of ESE students such as iReady diagnostic and progress monitoring, STAR assessment data, and FSA results will be collected and analyzed.

**G1.B2.S2** Provide instructional support in OMEGA classrooms. 4

 S241618

**Strategy Rationale**

Instructional support reducing teacher to student ratio provides better opportunity to differentiate for high performing students.

**Action Step 1** 5

Assign STEM Teacher, Leadership, and ELL paraprofessional to support ELA, Math, and iii/E blocks of instruction in the OMEGA classrooms.

**Person Responsible**

Angie Taillon

**Schedule**

On 6/1/2017

***Evidence of Completion***

Master Schedule

**Plan to Monitor Fidelity of Implementation of G1.B2.S2** 6

Review lesson plans and scheduling.

**Person Responsible**

Heidi Keegan

**Schedule**

Quarterly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Lesson plans, teacher and paraprofessional schedules.

**Plan to Monitor Effectiveness of Implementation of G1.B2.S2** 7

Review of student performance data.

**Person Responsible**

Angie Taillon

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

**Evidence of Completion**

Formative assessments, teacher made tests, iReady data, STAR data, teacher observation

**G1.B3** Lack of time for collaborative planning. 2

 B229143

**G1.B3.S1** Establish common planning for grade level teachers during Special area times. 4

 S241619

**Strategy Rationale**

Common planning promotes collaboration, shared lessons, and professional discussion of Standards and best teaching practices.

**Action Step 1** 5

Principal will create Master Schedule with common planning for all teachers.

**Person Responsible**

Angie Taillon

**Schedule**

On 6/1/2017

**Evidence of Completion**

Master Scheduel

**Plan to Monitor Fidelity of Implementation of G1.B3.S1** 6

Review collection of lesson plans and grade level team meeting agendas and minutes.

**Person Responsible**

Heidi Keegan

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Lesson plans, Grade level meeting agendas and minutes.

**Plan to Monitor Effectiveness of Implementation of G1.B3.S1** 7

Check in with Program Planners

**Person Responsible**

Angie Taillon

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Program Planner agendas, notes

**G1.B4** Lack of access to computers for instructional use and assessment purposes. 2

 B229144

**G1.B4.S1** Create targeted computer lab schedule 4

 S241620

**Strategy Rationale**

Additional access to computer labs allows for greater fidelity to instructional software and computerized assessment.

**Action Step 1** 5

Publish computer lab schedule providing multiple opportunities for classes to access.

**Person Responsible**

Angie Taillon

**Schedule**

On 6/1/2017

***Evidence of Completion***

Hard copy of computer lab schedule

**Plan to Monitor Fidelity of Implementation of G1.B4.S1** 6

PPC approve established schedule.

**Person Responsible**

Philoma Noel

**Schedule**

On 6/1/2017

***Evidence of Completion***

PPC Agenda and minutes

**Plan to Monitor Effectiveness of Implementation of G1.B4.S1** 7

Review implementation with Program Planners.

**Person Responsible**

Angie Taillon

**Schedule**

Monthly, from 8/10/2016 to 6/1/2017

***Evidence of Completion***

Program Planner Agenda and notes.

## IV. Implementation Timeline
