Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Lake County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

2016-17 DA Category and Statuses for Tavares Middle School

DA Region and RED	DA Category and Turnaround Status
Central - Lucinda Thompson	Not In DA - N/A

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

The Tavares Middle School Community will collaborate together to successfully create an academically enriched environment that emphasizes personal goal setting, accountability and mutual respect of one another

b. Provide the school's vision statement.

Tavares Middle School, in partnership with the home and community, will use all viable resources to foster a safe learning environment and acquire essential skills to thrive in a changing multi-cultural society. TMS will continue to set high expectations for academic achievement while providing enrichment and technological opportunities to encourage each student's maximized growth. This is Tavares Middle School's commitment to excellence.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

TMS hosts an annual Cultural International Fair where students are able to learn about other cultures as well as their own. Community, parents, and all stakeholders are invited to attend this cultural fair. Social Science, Physical Education, Reading, and Spanish study cultures throughout the world and provide partnership opportunities for students who mentor foreign exchange students .

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

TMS actively endorses the Positive Behavioral Support (PBS) system. The PBS program promotes positive interpersonal communication among students as well as a bully-proof and drug-free campus. Likewise, faculty and staff remain visible on campus at all times of the school day to monitor student interactions and correct negative behaviors/reward positive behaviors when appropriate. Community volunteers help supervise students who arrive at the school site before school operating hours. Staff has also partnered with the Tavares YMCA Chapter to provide afterschool clubs and tutoring opportunities.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

TMS endorses the Positive Behavioral Support model. Students are rewarded for displaying positive behavior. Tardy sweeps are conducted intermittently throughout the school year. Wednesday school detentions are given for minor behavior infractions. Out-of-school suspensions are given for serious behavior infractions. Staff is trained in PBS and behavioral procedures. Faculty and staff present on campus at all times of the school day and a supervision schedule is in place throughout the school day.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Patriot Block lessons include lessons and discussions in bully prevention and drug and alcohol prevention. The Lake County Sheriff's Office presents a cyber-bullying session to all students and teachers. Guidance counselors provide referrals for students who are struggling with social and emotional issues. MTSS is in place for students who display social, emotional, and academic challenges.

3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

Tavares Middle School implements early warning indicators for students who meet the following criteria:

Attendance falls below 95 percent, regardless of whether absence is excused or a result of out-of-school suspension; One or more suspensions, whether in school or out of school; Course failure in English Language Arts, Science, Social Studies, or Mathematics; A Level 1 score on the statewide, standardized assessments in English Language Arts or Mathematics; Free and reduced lunch eligibility; Students who have failed one or more grade levels from elementary schools.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Attendance below 90 percent	0	0	0	0	0	0	56	52	63	0	0	0	0	171
One or more suspensions	0	0	0	0	0	0	53	69	60	0	0	0	0	182
Course failure in ELA or Math	0	0	0	0	0	0	3	22	14	0	0	0	0	39
Level 1 on statewide assessment	0	0	0	0	0	0	140	219	240	0	0	0	0	599

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Students exhibiting two or more indicators	0	0	0	0	0	0	15	50	38	0	0	0	0	103

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

The Multi-Tiered Support System (MTSS) is the practice of providing high-quality instruction and interventions matched to student need, monitoring progress frequently to make decisions about changes in instruction or goals, and applying student response data to important educational decisions. Additionally, implementing a evidence-based intervention (i.e., Achieve 3000, Moby Max, Rosette Stone, Check in/Check out, LEAPS, behavioral chart, I-station) is used to provide additional academic support to students to increase academic achievement. Each model and program offers strategies and methods of increasing achievement and learning. Some models of intervention focus on specific subject areas, some on particular aspects of learning, some focus on environmental issues, and others attempt to cover all. Last, students who are one or more grade-levels behind are placed into drop-out prevention programs such as Edgenuity, or they are assigned to a critical

thinking class to provide additional academic support to work on prerequisite and/or foundational skills .

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

No

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

All parents are invited to attend back-to-school informational meetings, open houses, and various end-of-grading period teacher conferences. Parents are invited to join committees such as SAC and PTO, as well as athletic and grade-level boosters.

AVID supports parental involvement through multiple "parent" night meetings, fieldtrips, and community picnics.

TMS uses MTSS as a practice of providing high-quality instruction/intervention matched to student needs using learning rate over time and level of performance to make important education decisions. Supplemental Faculty, i.e., Literacy Coach, FL Standards Teacher, Acceleration Resource Teacher, and Media Specialist provide newsletters and website communication on assessments, changes within the Department of Education, and district protocols.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

The Lake County Sheriff's Office volunteers by coming to the school to talk about cyber safety, bullying, and social media topics. Local speakers present to eighth grade students about career orientations as well as cultural awareness issues (such as the Holocaust) to supplement the 8th grade field trip. Local businesses also donate gift certificates for teacher appreciation with the idea of donating goods/services to build an effective classroom learning environment, as well as items to be used as incentives for students who show growth or achievement in areas of concern such as behavior, academics, and attendance.

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Mott, Trella	Principal
Caldwell, Kevin	Assistant Principal
Cook, Kelly	Teacher, K-12
Wagner, Daphne	Assistant Principal
Lettsome, Brendalee	School Counselor
Johnson, Lisa	Teacher, K-12
Reichwein, Bethany	Teacher, K-12
Thibodeau, Felicia	Instructional Coach
Livengood, Heather	Teacher, K-12
Valenta, Tom	Instructional Coach
Roman-Tucker, Elizabeth	Teacher, ESE
Spratley, Zhakima	Assistant Principal

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Trella Mott, Principal: Provides a common vision for the use of data-based decision-making, ensures that the schoolbase team in implementing MTSS, conducts assessments of MTSS skills of the school staff, ensures implementation of intervention support and documentation, ensures adequate professional development to support MTSS implementation, and communicates with parents regarding MTSS plans and activities.

Kevin Caldwell, Assistant Principal: Helps the principal in the implementation of a common vision for the use of databased decision making, ensures that the school-base team in implementing MTSS, conducts assessments of MTSS skills with the school staff, ensures implementation of intervention support and documentation, ensures adequate professional development to support MTSS implementation, and communicates with parents regarding MTSS plans and activities. Assists in the supervision and evaluation of all personnel.

Daphne Wagner, Assistant Principal: Develops or brokers technology necessary to manage and display data; provides professional development and technical support to teachers and staff regarding data management and display. Evaluates and resolves campus-wide problems as such relates to personnel, student and budget issues; mediates student and faculty conflicts; counsels disruptive and academically at-risk students; Assists in the supervision and evaluation of all personnel.

Zhakima Spratley, Assistant Principal: Keeps abreast of changes and development in the profession by attending professional meetings, reading professional journals, and discussing trends of mutual interest with others in the field. Plans, attends, and conducts staff meetings to discuss policy changes, instructional programs, potential problems, and resolutions of existing problems and other school related issues; Serves on the Saefy and Wellness Committee; Serves as the Teacher Quality Resource (TQR) contact; Assists in the supervision and evaluation of all personnel.

Suzy Drasheff, Literacy Coach: Provides guidance on the K-12 reading plan; facilitates and supports data collection; assists in data analysis; provides professional development and technical assistance

to teachers regarding data-based instructional planning; supports the implementation of the Multi-Tiered Systems approach.

Heather Livengood, Florida Standards Teacher: Develops, leads, and evaluates the core content standards and programs; identifies and analyzes existing literature on scientifically-based curriculum intervention strategies; assists with whole group screening programs that provide early intervention services for students that are considered "at-risk"; assists in the design and implementation for progress monitoring, data collection, and data analysis.

Elizabeth Roman- Tucker, ESE Specialist: Participates in student data collection, integrates core instructional activities/materials, assists with the implementation of Tier 3 instruction, and collaborates with the general education teachers through consultation and co-teaching.

Brendalee Lettsome, Guidance Counselor: Provides quality services and expertise on different programs.

Sherry Thornton, School Social Worker: Provides quality services and expertise on issues ranging from program design to assessment and intervention with individual students. In addition to providing interventions, school workers continue to link child-serving and community agencies to the schools and families to support the child in academics, emotional, behavioral, and social success.

Felicia Thibodeau, ELA Department Chair: Provides instructional leadership and enhances articulation regarding curriculum alignment with standards, implementation of common assessments.

Lisa Johnson, Math Department Chair: Provides instructional leadership and enhances articulation regarding curriculum alignment with standards, implementation of common assessments.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Provides a common vision for the use of data-based decision making, ensures that the school-based team is implementing RtI, conducts assessment of RtI skills of school staff, ensures implantation of intervention support and documentation, ensures adequate professional development to support RtI implementation, and communicates with parents regarding school-based RtI plans and activities through website, SAC, phone contact, and meetings. Select General Education Teachers (Deighton-Science, Harris-Math, Reichwein-Language Arts) provides information about core instruction, participates in student data collection, delivers Tier 1 instruction/intervention, collaborates with other staff to implement Tier 2 interventions, and integrates Tier 1 materials to instruction with Tier 2/3 activities.

Exceptional Student Education (ESE) Specialist, Elizabeth Roman-Tucker, participates in student data collection, integrates core instructional activities into Tier 3 instruction, and collaborates with general education teachers through such activities as co-teaching.

The Reading Coach (Instructional Specialist), Suzy Drasheff, provides guidance on the K-12 reading plan and specifically the 6-8 reading plan; facilitates and supports data collection activities, assists in data analysis, provides professional development and technical assistance to teachers regarding data-based instructional planning, and supports the implementation of Tier 1, Tier 2, and Tier 3 intervention plans.

Avid Leader, Kelly Cook, develops, leads, and evaluates the AVID program for Middle of the Road students.

School Psychologist, Melanie Hannan, participates in the collection, interpretation, and analysis of school data; facilitates development of intervention plans; provides support for intervention fidelity and documentation; provides professional development and technical assistance for problem-solving activities including: data collection, data analysis, intervention planning; and program evaluation; facilitates data-based decision making activities.

Speech Language Pathologist, Tony Renna, educates the team in the role language plays in curriculum, assessment, and instruction, as a basis for appropriate program design; assists in the selection of screening measures; and helps identify systematic patterns of student need with respect to language skill.

Student Services Personnel (school-based counselors): Kimberly Burch, Brenda Lettsome, and Jackie Bonovitacola: provide quality service and expertise on issues ranging from program design to assessment and intervention with individual students and their needs. In addition to providing interventions, the school social worker, Sherry Thornton, continues to link child-serving and community agencies to the school and families to support the child’s academic, emotional, behavioral, and social success.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Laura Chandler	Student
Don Campbell	Student
Trella Mott	Principal
Monica Janes	Student
Judie Whittaker	Teacher
Kelly Cook	Teacher
Ashley Salamon	Student
Diane Long	Student
Shelly Lunsford	Student
Kim Varnadore	Student
	Student

b. Duties

1. Provide a description of the SAC’s involvement with the following activities, as required by section 1001.452(2), Florida Statutes

a. Evaluation of last year’s school improvement plan

The SAC members all were given the opportunity to revise, amend, and comment on the School Improvement Plan. Members discussed the different parts of the plan and how the school was going to make learning gains each year among targeted subgroups.

b. Development of this school improvement plan

The SAC members provide input during meetings and/or through email correspondence.

c. Preparation of the school's annual budget and plan

The SAC members provide input during meeting and/or through email correspondence,

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

The District does not provide the schools with school improvement funds for SAC. The remaining balance will be used for the school website and teacher grants.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Caldwell, Kevin	Assistant Principal
Cook, Kelly	Teacher, K-12
Mott, Trella	Principal
Livengood, Heather	Teacher, K-12
Drasheff, Suzanna	Instructional Coach

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

School wide LLT initiatives for the 2014-2015 school year include the 30 minutes reading during homeroom period twice per week; monthly writing PLCs; and teacher / student read alouds. The Florida Standards teacher will be modeling informational text on a weekly basis. The Literacy Coach will provide professional development for content-area teachers in the areas of reading, writing, and literacy.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Common planning is used for collaboration and discuss standards about what students should know and be able to do. Teachers will utilize curriculum documents to participate in dialogue that promotes clarity of standards and student task. Teachers will capture strategies, ideas, and discuss key ideas related to the standards. Teacher will leave with take-aways and deliverables

Professional Learning Communities is used to collaborate and engage in dialogue on master of student task and use formative and common assessment data to make instructional decisions. Teacher will also

engage in collaborative conversations about remediation and acceleration of skills

The Leadership Team meets bi-weekly to discuss new initiatives. One formal PLC per month is required for teachers and staff to meet with district program specialists or feeder-school colleagues. Common planning will be held 3 times a month on designated days for each content area. All common planning and PLC's are facilitated by academic coaches and department chairs. TMS is also in the beginning stages of implementing a PLUS Team for select groups of teachers to gain 3-4 additional school days to plan and coordinate curriculum needs.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

1. Provide on-going training to assist teachers in achieving the Highly Qualified status.
Principal; Teacher Quality Retention Administrator
2. Seek out and hire Highly Qualified applicants for all future openings.
Principal; School Administration
3. Provide training at the beginning and throughout the school year to better meet the needs of the SIP.
Principal;
School Administration; Leadership Team

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

New teachers to TMS will be paired up with their department chair. Most Grade Levels have common planning and are involved in a weekly PLC to review data, create, modify and review focus calendars, vertical and horizontal alignments. Department Chairs are Capacity Builders for their area and can offer the most accurate curricular assistance.

Teachers will participate in the district program New Beginnings on August 2016 and on February 2017.

Teachers will participate in the school PLC for New Teachers one Wednesday each month. These meetings will be facilitated by Heather Livengood, Felicia Thibodeau, and Diane Hulse. New teachers will participate in peer-to-peer classroom observations to better assist in the implementation of teaching and/or learning strategies.

Literacy Coach (LC), Acceleration Resource Teacher (ART), and Florida Standards Teacher (FST) will attend monthly district coaching meetings for Literacy Design Collaboration. LC will mentor, observe, provide feedback and model for our new teachers during NGCAR-PD Practicum opportunities and Reading Endorsement Practicum. The FST will provide weekly mentoring conferences for all first-year teachers. Both the LC and FST will tutor/mentor new teachers seeking subject-area and general knowledge certification.

Administrators will observe and provide feedback to our new teachers through TEAM evaluation and make recommendations for the LC and FST to work with teachers if necessary.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Tavares Middle school is responsible for the implementation of all current FL Standards for the Arts, Health Education, Physical Education, Science, and Social Studies, as well as the implementation of Florida's newest sets of standards for English Language Arts/Reading and Mathematics. Our new standards also include standards for Literacy in History/Social Studies, Science, and Technical Subjects. Teachers collaborate to align curriculum mapping, lesson planning, lesson study support, professional development, and standards progression mapping. Teachers also collaborate within their common planning and PLC's subject-area departments to differentiate instruction and utilize curriculum documents to participate in dialogue that promotes clarity of the standard.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

The process of using data to differentiate instruction is central to our school climate. Members of the school Leadership Team participate in data teams, with the goal of creating effective instruction for every child. School personnel—principals, literacy coaches, grade level teachers, special education, speech and language, ELL teachers, and interventionists—work together to select the most effective assessments and to use and interpret data appropriately. The Department leaders also help teachers group students, plan, develop, and deliver properly paced small group lessons.. Additionally, department leaders assist with monitoring student progress.

TMS also uses MTSS as a process of providing high-quality instruction/intervention matched to student needs using learning rate over time and level of performance to make important education decisions.

Intervention groups have been developed based on FSA data to ensure all students are receiving rigorous core instruction during Patriot Block. All level one students will be provided additional math and language arts support. Literacy coach will provide additional intervention through Achieve 3000 for level one students not currently in Intensive Reading. Select math teachers from each grade level will provide remediation for level one students 2-3 times per week during Patriot Block to focus on non-mastery of skills based on FSA reporting categories.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 450

Before and after school tutoring is provided by teachers as needed to help reinforce instruction in core academic subjects. Participating teachers provide customized, informal assessments to students (based on previous summative assessments) to evaluate individual performance in conjunction with student learning goals. These are typically low-stake tests, such as checklists, teacher observations, and miscue analysis.

Strategy Rationale

The purpose of after-school tutoring (enrichment) is for highly qualified staff to provide extended instruction for lower-performing student populations by providing explicit reading instruction. Additional instruction may help students better identify and reach their learning goals in under-performing areas.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Drop-out prevention programs, i.e., Edgenuity have been converted into multiple classes throughout the day. A teacher-facilitator monitors and implements technology for student-based learning curriculums where students have the opportunity to either re-take a failed class, re-take a multitude of online classes to articulate to the subsequent grade level, or participate in classes to vertically progress to an age-appropriate grade-level.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Through our Guidance Department, students can take a career quiz to see what careers fit their personality and interests. Guidance counselors routinely meet with students to advise them on course selections and ensure they're meeting expectations. To better assist with career planning, our

guidance counselors rotate with their respective class each year so they serve they same students throughout their middle school career. AVID also brings in guest speakers to expose students to an array of college and careers. Civics and World History classes also incorporate career planning components into curriculum.

Tavares Middle School also participates in the College Board's Florida Partnership program which trains teachers, counselors, and administrators to develop a culture of College Readiness in the school. The Florida Partnership also provides free PSAT assessments to all 8th graders to determine the students' college readiness so steps can be taken to better prepare them for college.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

Tavares Middle School offers a variety of integrated courses to help the students see the relationship between subjects and relevant future careers. Some of the integrated courses include culinary classes and allow our students to run a full-fledged restaurant. We also provide a keyboarding class as well as an upper-level technology and career readiness course, which provides students the opportunities to work with various technologies within reading and writing curriculum, and also aides in orientating students to career-based learning. We have 3 sections of AVID which provides students the rigor in writing, reading, inquiry, organization and collaboration curriculum to be college and career ready.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

Tavares Middle Schools offers an Exploring Technology elective class for careers in the technology field. Keyboarding and Technology electives will be serving as a Cap Academy as well.

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(A).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** By using various forms of data, Tavares Middle School will increase achievement by implementing and monitoring a system for accelerating students in the lower quartile in the content areas of Reading, Math and Civics.
- G2.** By utilizing Early Warning Signs data, school will increase attendance, positive student behaviors, and maintain a safe and supportive environment for all students
- G3.** With high expectations, teachers will understand, plan, deliver, and differentiate standards-based instruction in core subject areas for all students

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. By using various forms of data, Tavares Middle School will increase achievement by implementing and monitoring a system for accelerating students in the lower quartile in the content areas of Reading, Math and Civics. **1a**

G3. With high expectations, teachers will understand, plan, deliver, and differentiate standards-based instruction in core subject areas for all students **1a**

G086860

Targets Supported **1b**

Indicator	Annual Target
FSA ELA Achievement	60.0
FSA Mathematics Achievement	65.0
FCAT 2.0 Science Proficiency	60.0
Civics EOC Pass	75.0

Targeted Barriers to Achieving the Goal **3**

- Inconsistent use of best practices for standards-based instruction in ELA and Math grades 6-8
- No built in time and structures / non-negotiables to collaborate on standards to gain an in-depth understanding of what students are expected to know and be able to do.

Resources Available to Help Reduce or Eliminate the Barriers **2**

- Administrators, Instructional Courses, iPD department, iLS department

Plan to Monitor Progress Toward G3. **8**

Student Achievement will be measured via LSA Benchmark exams.

Person Responsible

Heather Livengood

Schedule

Quarterly, from 8/29/2016 to 4/1/2017

Evidence of Completion

Student scores on LSA Benchmark Exams will be tracked for a trend line over the baseline, mid year, and final exam.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

G2.B1 Parents and students understanding of the attendance expectations **2**

 B230904

G2.B1.S1 We will implement a student / parent survey to collect trends as to why students do or do not attend school on a daily basis. **4**

 S243624

Strategy Rationale

If we administer and monitor the surveys relating to student attendance, then we will have a better understanding as to what increases students' daily attendance.

Action Step 1 **5**

We will organize a parent / curriculum night to inform parents of EWS and academic goals in our SIP

Person Responsible

Zhakima Spratley

Schedule

On 2/28/2017

Evidence of Completion

parent survey, sign-in sheets, resources provided to parents

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

Each parent communication done by administration will be accompanied by a survey for parent understanding.

Person Responsible

Zhakima Spratley

Schedule

Monthly, from 8/29/2016 to 5/1/2017

Evidence of Completion

Data received from parent survey

Plan to Monitor Effectiveness of Implementation of G2.B1.S1 7

Evaluate parent feedback for appropriate and concise information related to attendance expectations.

Person Responsible

Monthly, from 8/29/2016 to 5/1/2017

Evidence of Completion

Data compiled from survey results.

G2.B1.S2 A designated time will be provided to create a student led platform for students ambassadors to communicate school-wide expectations for attendance, positive behaviors and academics **4**

 S243625

Strategy Rationale

If we develop a student led ambassador program then the students will be able to communicate to their peers the importance of daily attendance and academic performance

Action Step 1 **5**

We will establish an open communication setting for community stake holders to come in and view what occurs in the classroom. Tours will be conducted by students ambassadors through multiple classrooms. Clear expectations will be set and viewed by community members.

Person Responsible

Kelly Cook

Schedule

Quarterly, from 10/20/2016 to 5/24/2017

Evidence of Completion

survey data received after tours are completed

Plan to Monitor Fidelity of Implementation of G2.B1.S2 **6**

Facilitation will be monitored by the TMS collaboration team.

Person Responsible

Kelly Cook

Schedule

Quarterly, from 10/20/2016 to 5/25/2017

Evidence of Completion

A sign in sheet and feedback from will be utilized to evaluate participation and understanding of expectations.

Plan to Monitor Effectiveness of Implementation of G2.B1.S2 7

Evaluation and interpretation of data received.

Person Responsible

Kelly Cook

Schedule

Quarterly, from 10/20/2016 to 5/25/2017

Evidence of Completion

Data received.

G2.B1.S3 Teacher/Students will participate in a weekly data chat in which they track their own attendance and the impact it has on their overall academic performance 4

 S243626

Strategy Rationale

If students are actively tracking their attendance, they will be more aware of the impact on their grade, as well as provide early opportunities for intervention

Action Step 1 5

Data chat forms detailing student course grades and achievement scores will be reviewed weekly with students.

Person Responsible

Tom Valenta

Schedule

Weekly, from 9/1/2016 to 5/25/2017

Evidence of Completion

data chat forms in teacher classrooms

Plan to Monitor Fidelity of Implementation of G2.B1.S3 6

Administration will conduct walk throughs to ensure data chats are being completed.

Person Responsible

Daphne Wagner

Schedule

Weekly, from 9/1/2016 to 5/25/2017

Evidence of Completion

Administration observation forms

Plan to Monitor Effectiveness of Implementation of G2.B1.S3 7

Student achievement will be tracked via Gradebook

Person Responsible

Tom Valenta

Schedule

Monthly, from 9/1/2016 to 5/25/2017

Evidence of Completion

LSA and Grade book scores

G2.B2 Student engagement and motivation 2

B230905

G2.B2.S1 We will implement an attendance wavier that rewards those who earn a perfect attendance record monthly. 4

S243627

Strategy Rationale

If we offer high interest rewards, i.e. tablets for perfect attendance and motivation, then we will see an overall increase in monthly student attendance and engagement.

Action Step 1 5

An attendance waiver will be developed by TMS teachers, students, and staff to encourage good attendance on campus.

Person Responsible

Kevin Caldwell

Schedule

On 9/5/2016

Evidence of Completion

Approved attendance waiver from LCSB

Plan to Monitor Fidelity of Implementation of G2.B2.S1 6

Teachers will utilize Skyward to track attendance and implement incentives described in the waiver.

Person Responsible

Trella Mott

Schedule

Weekly, from 9/1/2016 to 5/25/2017

Evidence of Completion

Data chat sheets in teacher's classroom

Plan to Monitor Effectiveness of Implementation of G2.B2.S1 7

EWS will be analyzed quarterly for attendance.

Person Responsible

Tom Valenta

Schedule

Quarterly, from 9/1/2016 to 5/25/2017

Evidence of Completion

EWS data will show decrease in student absence.

G2.B2.S2 We will add a short term reward piece to our PBS reward system. Students will receive positive PBS signatures for weekly perfect attendance and motivation. Those signatures will count as double points to be used at the rewards station. 4

 S243628

Strategy Rationale

If students achieve short term success via weekly perfect attendance PBS signatures and prizes, then they will remain engaged and motivated to attend classes routinely throughout the school and see an increase in their overall academic performance.

Action Step 1 5

Students who show evidence of perfect attendance will be rewarded with double signature points weekly.

Person Responsible

Elizabeth Roman-Tucker

Schedule

Weekly, from 9/1/2016 to 5/25/2017

Evidence of Completion

Student data chat sheet and Skyward gradebook

Plan to Monitor Fidelity of Implementation of G2.B2.S2 6

The PBS coach will check in weekly with students to monitor prizes and attendance.

Person Responsible

Elizabeth Roman-Tucker

Schedule

Weekly, from 9/1/2016 to 5/25/2017

Evidence of Completion

Positive signatures in student agenda and completed data sheet for attendance.

Plan to Monitor Effectiveness of Implementation of G2.B2.S2 7

EWS data will be monitored quarterly

Person Responsible

Tom Valenta

Schedule

Quarterly, from 9/1/2016 to 5/25/2017

Evidence of Completion

EWS data will show increase in student monthly attendance.

G2.B2.S3 Implement the annual TMS motivation and engagement program. Students will move through levels of achievement based on their grades, attendance, and behavior. Rewards will be based upon measurable goals within the incentive program and implemented at the end of each semester 4

S243629

Strategy Rationale

If we implement and monitor our plan with fidelity, student engagement, motivation, and attendance will increase.

Action Step 1 5

TMS will develop and implement an incentive program that will take place the last quarter of the year. The goal of the program is to encourage higher performance in academics, behavior, and attendance during the last quarter of the year

Person Responsible

Suzanna Drasheff

Schedule

Quarterly, from 3/13/2017 to 5/24/2017

Evidence of Completion

Data check based on academics, behavior and attendance for the last quarter

Plan to Monitor Fidelity of Implementation of G2.B2.S3 6

The Collaboration Team will monitor the implementation of the program with teacher check in meetings.

Person Responsible

Suzanna Drasheff

Schedule

Biweekly, from 9/1/2016 to 1/1/2017

Evidence of Completion

meeting sign in sheets and minutes

Plan to Monitor Effectiveness of Implementation of G2.B2.S3 7

EWS data will be monitored throughout the program for changes in student achievement.

Person Responsible

Tom Valenta

Schedule

Monthly, from 9/1/2016 to 5/25/2017

Evidence of Completion

EWS data

G3. With high expectations, teachers will understand, plan, deliver, and differentiate standards-based instruction in core subject areas for all students 1

G086860

G3.B1 Inconsistent use of best practices for standards-based instruction in ELA and Math grades 6-8 2

B230906

G3.B1.S1 We will implement structured time to collaboratively plan and share best practices to develop standard based tasks 4

S243630

Strategy Rationale

If we implement and develop protocols for collaborative planning, then teachers lessons will reflect standards based instructional delivery and tasks

Action Step 1 5

Instructional coaches will provide teachers with mandated PLC times to collaboratively plan standards-based activities and performance tasks with the instructional coaches and administrators.

Person Responsible

Suzanna Drasheff

Schedule

Every 3 Weeks, from 9/20/2016 to 1/9/2017

Evidence of Completion

PLC documentation and student achievement on common formative assessments

Plan to Monitor Fidelity of Implementation of G3.B1.S1 6

Administration will do peer walk through during PLC and plan times to monitor standards-based curriculum use.

Person Responsible

Trella Mott

Schedule

Weekly, from 9/5/2016 to 1/9/2017

Evidence of Completion

"Powerful Pats" discussion sheets will be used to monitor classroom observations.

Plan to Monitor Effectiveness of Implementation of G3.B1.S1 7

Student Achievement will be measured via common performance tasks

Person Responsible

Heather Livengood

Schedule

Quarterly, from 9/1/2016 to 3/1/2017

Evidence of Completion

Student achievement data from Gradebook

G3.B1.S2 We will provide professional development opportunities for teachers to expand on their use of technology to ensure differentiated standards-based instruction **4**

 S243631

Strategy Rationale

If we ensure technology is used to help implement differentiated standards-based instruction, then we will see an increase in student mastery of standards

Action Step 1 **5**

Teachers will be trained on Edmodo, One Note, School Wires and the staff will be introduced to micro-credentials and the online professional development available through personalized learning

Person Responsible

Tom Valenta

Schedule

Biweekly, from 10/1/2016 to 3/30/2017

Evidence of Completion

Use of technology to supplement curriculum in the classroom

Plan to Monitor Fidelity of Implementation of G3.B1.S2 **6**

Teachers will be supported by instructional coaches while implementing BYOD and blended learning.

Person Responsible

Tom Valenta

Schedule

Biweekly, from 10/1/2016 to 3/30/2017

Evidence of Completion

Instructional coaches will document observation of BYOD and blended learning use.

Plan to Monitor Effectiveness of Implementation of G3.B1.S2 7

Frequent check on with teachers will be done via email and PLC to determine teacher comfort level and implementation expectations.

Person Responsible

Kevin Caldwell

Schedule

Every 3 Weeks, from 10/1/2016 to 3/30/2017

Evidence of Completion

PLC documentation

G3.B1.S3 Teachers and staff will participate in colleague walk through to observe the delivery of instruction while utilizing best practices 4

 S243632

Strategy Rationale

If we participate in colleague walk through, then teachers and staff will have a clear and concise vision of the expectations for implementation of standards-based best practices

Action Step 1 5

A "Power Pat" walk though sheet will be implemented to document evidence of best practices during colleague walk throughs.

Person Responsible

Trella Mott

Schedule

Monthly, from 9/12/2016 to 5/1/2017

Evidence of Completion

Data from "Power Pats"

Plan to Monitor Fidelity of Implementation of G3.B1.S3 6

Administration will require participation during teacher plan time once a month.

Person Responsible

Trella Mott

Schedule

Monthly, from 9/12/2016 to 5/1/2017

Evidence of Completion

Teacher sign in sheet- TNL

Plan to Monitor Effectiveness of Implementation of G3.B1.S3 7

Recognition and sharing of best practices during faculty meetings.

Person Responsible

Trella Mott

Schedule

Monthly, from 9/7/2016 to 5/3/2017

Evidence of Completion

Teacher implementation of new strategies to be discussed during PLC

G3.B2 No built in time and structures / non-negotiables to collaborate on standards to gain an in-depth understanding of what students are expected to know and be able to do. 2

B230907

G3.B2.S1 We will provide teachers time to common plan three times per month and one time per month to meet in their PLC's. 4

S243633

Strategy Rationale

If we set a specific time frame to plan, implement and monitor our PLC's then it will increase the confidence of teachers to develop more aligned instruction, tasks, and assessments.

Action Step 1 5

Weekly data chat time will be built in to the student scheduled to allow for targeted feedback during the academic school day.

Person Responsible

Trella Mott

Schedule

Daily, from 8/10/2016 to 5/26/2017

Evidence of Completion

Data received from students in class binder.

Plan to Monitor Fidelity of Implementation of G3.B2.S1 6

This time will be monitored by administration to monitor actual student feedback.

Person Responsible

Trella Mott

Schedule

Weekly, from 9/1/2016 to 5/25/2017

Evidence of Completion

observation and conversation with students.

Plan to Monitor Effectiveness of Implementation of G3.B2.S1 7

Students grades will be monitored by the teacher using Skyward.

Person Responsible

Heather Livengood

Schedule

Weekly, from 9/1/2016 to 9/1/2016

Evidence of Completion

Increased student achievement in Gradebook and LSA

G3.B2.S2 We will establish school-wide non-negotiables to be used during common planning and PLC's

4

S243634

Strategy Rationale

If we establish school-wide non-negotiables then teachers will know the structures and protocols to be used in common planning and PLC's

Action Step 1 5

PD will be provided for teachers on conducting targeted feedback.

Person Responsible

Suzanna Drasheff

Schedule

Every 6 Weeks, from 9/1/2016 to 5/25/2017

Evidence of Completion

Sign in sheet for PD

Plan to Monitor Fidelity of Implementation of G3.B2.S2 6

Teacher observation and feedback will be conducted as needed.

Person Responsible

Suzanna Drasheff

Schedule

Quarterly, from 10/4/2016 to 5/22/2017

Evidence of Completion

Power Pat form

Plan to Monitor Effectiveness of Implementation of G3.B2.S2 7

EWS data will be monitored for increase in student achievement.

Person Responsible

Tom Valenta

Schedule

Monthly, from 10/3/2016 to 5/22/2017

Evidence of Completion

EWS data and Gradebook

G3.B2.S3 Teachers will engage in dialogue that promotes clarity of the standards and strategies. 4

S243635

Strategy Rationale

If teachers have an in-depth understanding of the standard for what students need to know and be able to do then teachers will deliver aligned curriculum and instruction.

Action Step 1 5

Teachers will participate in weekly common planning to engage in dialogue about what students need to know and do to show mastery of the standard.

Person Responsible

Zhakima Spratley

Schedule

Weekly, from 11/28/2016 to 5/22/2017

Evidence of Completion

Completed common planning documentation located in the PLC common planning binders.

Plan to Monitor Fidelity of Implementation of G3.B2.S3 6

Instructional coaches and administrators will facilitate common planning PLC meetings.

Person Responsible

Schedule

Weekly, from 11/28/2016 to 5/22/2017

Evidence of Completion

Teachers will provide feedback via survey and completed documentation forms.

Plan to Monitor Effectiveness of Implementation of G3.B2.S3 7

Transfer of common planning will be evident through observation and classroom walkthroughs.

Person Responsible

Zhakima Spratley

Schedule

Weekly, from 12/5/2016 to 5/22/2017

Evidence of Completion

Observations will reflect teacher and student understanding of standards
