Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan was approved by the Martin County School Board on 11/15/2016.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

The mission of Citrus Grove Elementary is to provide opportunities for students to achieve their personal best and become responsible, healthy, and productive citizens who embrace lifelong learning.

b. Provide the school's vision statement.

Cultivating Generations of Excellence

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

By applying best practices within the classroom, Citrus Grove's faculty and staff encourage students to share experiences about their personal lives and cultures. Additionally, connecting with students on a regular basis allows the student-teacher relationship to prosper. Teachers participate in school related extra curricular activities in order to interact with students and their families in an informal manner. By including elements within Design Question 8 in the Marzano framework, teachers will establish and maintain relationships with students by creating a sense of acceptance and community in the classroom taking into consideration their culture and background and responding with verbal and non-verbal interactions in caring ways.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Citrus Grove uses the PBiS model for the core behavioral expectations. We provide a safe environment for students by cultivating a generation of students who understand the need for respect and responsibility. Before school, students are greeted by faculty, staff, and safety patrol members to ensure a positive start in a safe and secure environment. Breakfast is also available in the school's cafeteria to guarantee that students have a successful and productive morning. Throughout the day students are held to the CGE expectations and are expected to treat others with courtesy and respect. The iStand program originated at CGE and continues to help students deal with the subject of bullying. This program empowers students to not allow themselves and others to be victimized.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Citrus Grove has established a positive behavior system of support (PBiS) that utilizes a chip system where students receive a chip for following the CGE expectations, fueling their internal drive to use control, make good choices, and use effort at all times. In addition to the school-wide intrinsic reward system, many teachers use the virtual Class Dojo system which helps track student behaviors throughout the school day and allows students and parents to monitor progress as well. CGE also fosters the Conscious Discipline system of common, caring, responsible language. This year many of our teachers have enacted Mindsets in the Classroom to foster a climate of growth, risk-taking, and increased effort for learning and believing in the potential of all students.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Our Citrus Grove Guidance department offers many services that ensure the emotional well being needs of our students. He meets with small specialized groups, provides tier 3 check in and check out with many students, as well as works closely with the Tykes and Teens counselor to provide one on one services for students that need extra support. He is also very involved in the classroom by delivering instruction on whatever topic is needed. We also partner with Tykes and Teens to have an additional mental health therapist available to qualifying students.

3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	8	7	9	5	5	9	0	0	0	0	0	0	0	43
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA or Math	0	0	0	0	2	2	0	0	0	0	0	0	0	4
Level 1 on statewide assessment	0	0	0	11	0	0	0	0	0	0	0	0	0	11

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Students exhibiting two or more indicators	0	0	0	0	1	2	0	0	0	0	0	0	0	3	

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Our school utilizes our MTSS team to plan and implement strategies for student success. We also have a mentor program set up for students that exhibit warning indicators. This year a goal of the MTSS core team is to further streamline the process and utilize the district's resources and personnel to help in this endeavor.

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

No

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

Parent involvement is encouraged and increased through various activities and events such as but not limited to: Open House, Curriculum Nights, Parent Conference nights, PTA events, Volunteer program, Watch D.O.G.S program, Teacher Color Wars, School Advisory Committee, and various events sponsored by individual grade group teams.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

Parent and community liaisons help build and sustain school partnerships throughout the school year. A strong relationship with the Education Foundation of Martin County has provided numerous classroom adoptions throughout the school providing additional funds for teachers and allowing them to provide classroom resources to increase student achievement. Recognition activities are being planned to ensure that community partners are recognized for the value they add to the Citrus Grove community.

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Morrow, Todd	Principal
Aursland, Pam	Assistant Principal
Hert, Shannon	Teacher, K-12
Webb, Connie	Instructional Coach
Scholl, Mark	School Counselor
Davis , Ann	Instructional Coach
Bakkedahl, Laura	Teacher, K-12
Brown, Kim	Teacher, ESE
Vogeley, George	Teacher, ESE

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The Core MTSS Team is made up of CGE's administration, the Guidance Department, Exceptional Student Education, classroom teachers, and District personnel. Administration operates as leadership and provides continuity and connectivity through the school. Both MTSS and SIP endeavors rely on administration for their broad understanding of school operations and for articulation between the different systems and organizations in CGE. The guidance department facilitates students interaction with the MTSS process by organizing meetings, assisting in the creation, support, monitoring or interventions and by providing direct services to students. Personnel from ESE function as providers of interventions and administration of the MTSS process. Classroom teachers provide support in

defining student problems and matching interventions to the identified need. District personnel are involved with the procedures of formalizing evaluations and interpretation of data.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The heart of CGE's data based problem solving process originates with leadership empowering, modeling, and coaching all staff to employ data based-problem solving. Problems are identified and defined when data is analyzed, at year's end, at monthly PBIS team meetings, during grade level meetings, each time the MTSS core team is convened. Citrus Grove Elementary's system of problem solving begins with the process of evaluating data, defining in measurable terms "what is going on" and continues with implementing an action to "do something about it." Once a plan of action is chosen a method of evaluating the plan is decided on and the plan is implemented. The problem-solving model continues with evaluating the effects of the plan using data to determine if the remedy was effective. This data is entered and monitored in the RTiB database. The School Improvement Plan focuses on goals that were defined through identifying areas to improve (defining a problem), to ensure student success and the Multi Tiered Support System provides a more intimate structure that gathers and analyzes data continuously through the different platforms of school, individually (a single student), small groups of students, classrooms, grade levels and the student body. Problem solving solutions include interventions for those within CGE's system and the structures of the systems themselves.

Citrus Grove Elementary school coordinates and integrates all federal, state, and local programs that impact the school:

- Implements research-based resources funded by federal and local funds.
- The Comprehensive Needs Assessment considers student academic needs as well as staff development data that addresses the priorities established for Title III, Migrant, and Title I programs. (This example is for Title I schools only)
- School Improvement Plan objectives reflect the research-based strategies with a focus on achieving state and district priorities.
- Input from the Pre-K programs is obtained by the school and district and is included in the transition plan.
- Partnerships are established.
- With coordination and scheduling of instructional programs.
- With implementation of parent information programs.
- Brochures and referrals for parent and student support from the guidance department, school nurse and other school and district personnel.
- Reviews and monitors intervention plans

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Todd Morrow	Principal
George Vogeley	Teacher
Shannon Hert	Teacher
Sandra Smith	Parent
Pam Aursland	Principal
Jason Zimmerman	Parent
Deborah Drum	Parent
Jennifer Banks	Parent
Leah Croker	Parent
Melissa Gershman	Parent
Karin Ocampo	Parent
Hayley Smith	Student

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

a. Evaluation of last year's school improvement plan

Our School Advisory council provides input and consistently monitors the school improvement plan throughout the year. It also oversees the SIP funding and data used to make funding decisions.

b. Development of this school improvement plan

The purpose of the School Advisory Committee is to assist with the preparation of SIP plans. This committee also monitors the implementation and evaluates the results of the school improvement plan. It assists the principal with the annual budget as well.

c. Preparation of the school's annual budget and plan

School improvement funds are expended on programs or projects that are directly related to school improvement. These funds are recommended to benefit large groups of students, in order for all students to benefit from the various uses of funds. The amount of funds are requested and must be reviewed and voted upon by the SAC members

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Budget Adoption \$478.87 \$539.74
Capstone expenditure (\$495.00) \$44.74
Budget Transfer \$600.00 \$644.74
Budget Transfer \$581.78 \$1,226.52
Expenditure (\$1,181.78) \$44.74

NON-CAPITALIZED AV MATERIALS (0100.5100.0622.0371.0058) \$208.00

DUES AND FEES (0100.5100.0730.0371.0058) \$168.00

INSTRUCTIONAL TRAINING (0100.6400.0310.0371.0058) \$249.00
Expenditure (\$60.00) \$189.00

INSTRUCTION TRAINING TRAVEL (0100.6400.0330.0371.0058) \$206.00
Budget Transfer (\$193.00) \$13.00

INSTRUCTIONAL TRAINING SUPPLIES (0100.6400.0510.0371.0058) \$3,792.56
Budget Transfer (\$581.78) \$3,210.78

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Morrow, Todd	Principal
Aursland, Pam	Assistant Principal
Webb, Connie	Instructional Coach
Bakkedahl, Laura	Teacher, K-12
Ciliberti, Ashley	Instructional Media
Mejias, Nancy	Teacher, K-12
Brown, Kim	Teacher, ESE
Hornstein, Jill	Teacher, K-12
Carter, Alicia	Teacher, K-12
Jacobs, Kelly	Teacher, K-12
Ventriglia, Jennifer	Teacher, K-12
Hernandez, Sara	Teacher, K-12
Gagliardo, Julianne	Teacher, ESE
Gomez, Jennifer	Teacher, K-12
Bello, Christina	Teacher, K-12

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

This year the LLT will concentrate on improving instruction within the "balanced literacy model". We will also continue our task of supporting teachers with the implementation of the Florida Standards on English Language Arts in K-5. The implementation of the Comprehension Toolkit will continue this school year. This team will also monitor the current programs in place to support literacy such as Fountas and Pinnell, Words their Way and iReady diagnostic and instruction.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Teachers will continue to share and grow during scheduled team meetings as well as in structured PLC groups. Additional school-wide collaboration will continue throughout the year during weekly faculty meetings with the entire instructional staff.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

Determine job openings and needs.

Review applications and interview highly qualified applicants.

Provide new teachers to the school and district grade level mentors as well as additional administrative support.

Offer on-going opportunities for professional growth and collaboration

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

New teachers are assigned a veteran teacher as a mentor. These mentors are chosen because of their experience, expertise, and willingness to help others grow in the field of education.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Literacy materials purchased in the previous school year will provide a basis for the ELA balanced literacy program. In addition all grades will be provided computerized individualized instruction in ELA and Math through the iReady program. Grades 3-5 have adopted the Go Math! textbook series which is also aligned with the MAFS. Additional materials will be gathered and assessed based on the relevancy to each grade level and standards.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Teachers and data teams utilize both formative and summative assessments to provide differentiation within and beyond the classroom. Small group and/or one-on-one instruction will be utilized to ensure that all students are able to attain grade level proficiency. Citrus Grove Elementary's system of problem solving begins with the process of evaluating data, defining in measurable terms "what is going on" and continues with implementing an action to "do something about it." Once a plan of action is chosen a method of evaluating the plan is decided on and the plan is implemented. The problem-solving model continues with evaluating the effects of the plan using data to determine if the remedy was effective.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 6,400

Use of iReady instructional program as well as Imagine Learning for our ELL students.

Strategy Rationale

Increased exposure to reading on-level passages assists in students' fluency and comprehension skills.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Data will be collected through the built in reports contained within the program. The students will take frequent progress monitoring quizzes to determine growth and effectiveness.

Strategy: Extended School Day

Minutes added to school year: 3

Club Go Green is an after school endeavor that enhances students' knowledge in the fields of Science and Math . The club focuses on real life problem solving from recycling to growing vegetables and plants as a sustainable food source.

Strategy Rationale

All students in grades 3-5 are encouraged to enhance their problem solving strategies through participation in this enrichment club.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Voluntary Pre-K is involved in staff professional development and school programs aligned to expectations and experiences for pre-k students to matriculate successfully in elementary school.

b. College and Career Readiness

- 1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**
- 2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.**
- 3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.**
- 4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.**

II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(A).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** Students will deepen their knowledge of and interaction with text in order to improve reading skills and demonstrate growth.
- G2.** Increase the number of students that are able to demonstrate a deep conceptual understanding of grade level STEM concepts and are able to prove ability and knowledge of these concepts in real world situations.
- G3.** Increase students' writing proficiency in basic grammar skills and text based writing.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. Students will deepen their knowledge of and interaction with text in order to improve reading skills and demonstrate growth. 1a

G087234

Targets Supported 1b

Indicator	Annual Target
FSA ELA Achievement	80.0

Targeted Barriers to Achieving the Goal 3

- Inconsistency in the implementation of balanced literacy components.
- Primary teachers need support, training and resources for phonics and phonemic awareness instruction
- Access to materials needed for targeted interventions as well as progress monitoring tools to measure the response to interventions.

Resources Available to Help Reduce or Eliminate the Barriers 2

- Full time Literacy Coach will provide individual, grade level and whole group professional development, modeling and supporting the analysis of using running records to inform instruction. Words their Way word study implementation, utilizing Comprehension toolkit, and phonics instruction.
- Several research-based intervention programs will be used to support students who are performing below grade level. These programs include Leveled Literacy Intervention (LLI) by Fountas and Pinnell, Power Reading Online by Maria Carbo, Comprehension Toolkit, and Wilson and Mondo for primary students.
- Continuous training by administration on understanding and implementing the new Florida State Standards as well as understanding The Florida Standards Assessment.
- On going Professional Learning on developing common formative assessments and data analysis.
- iReady digital instruction for all students K-5 in English Language Arts
- Imagine Learning program to support students identified as English Language Learner
- Work with teachers to establish best practices in implementing cross grade level interventions with fidelity.
- Staff will work in ongoing PLCs to create and implement common assessments.

Schedule

Quarterly, from 8/17/2016 to 6/1/2017

Evidence of Completion

Increase in students ability to write across all content areas, using text-evidence

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G = Goal **B** =
Barrier **S** = Strategy

1 = Problem Solving Step  **S123456** = Quick Key

G1. Students will deepen their knowledge of and interaction with text in order to improve reading skills and demonstrate growth. **1**

 **G087234**

G1.B1 Inconsistency in the implementation of balanced literacy components. **2**

 **B231877**

G1.B1.S1 Provide targeted small group (grade level or smaller) and/or individual professional development to teachers based on specific need and expertise level. **4**

 **S244667**

Strategy Rationale

Balanced literacy trainings have been done in a whole group setting in years prior. Depending on their prior knowledge, there are varying degrees of implementation across the campus. Therefore, teachers are now in need of more individualized support and coaching. This will help to provide more consistent instruction for students, but also lend to the collection of more reliable and valid reading assessment data.

Action Step 1 **5**

Increase consistency of Balanced Literacy implementation

Person Responsible

Connie Webb

Schedule

Monthly, from 8/5/2016 to 6/1/2017

Evidence of Completion

Create a schedule and guide for each meeting

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

Coach's Log, ERO registrations

Person Responsible

Pam Aursland

Schedule

Monthly, from 8/31/2016 to 6/1/2017

Evidence of Completion

Sign in sheets, ERO, evaluations, Change in instruction

Plan to Monitor Effectiveness of Implementation of G1.B1.S1 7

Teacher observations, feedback

Person Responsible

Pam Aursland

Schedule

Monthly, from 8/31/2016 to 6/1/2017

Evidence of Completion

Implementations of balanced literacy within the ELA block, teacher feedback on classroom instruction

G1.B2 Primary teachers need support, training and resources for phonics and phonemic awareness instruction **2**

 B231878

G1.B2.S1 A Brain Based Approach to Critical Phonics Skill Instruction **4**

 S244668

Strategy Rationale

Teachers who are prepared with knowledge about how our brains receive, store, and process information are better equipped to provide students with optimal learning opportunities through which critical literacy skills.

Action Step 1 5

Purchase and implement Secret Stories for phonics instruction.

Person Responsible

Pam Aursland

Schedule

On 1/13/2017

Evidence of Completion

When are teachers are trained and using the program to enhance phonics instruction.

Plan to Monitor Fidelity of Implementation of G1.B2.S1 6

observations of program in use, student data

Person Responsible

Schedule

Monthly, from 11/25/2016 to 6/1/2017

Evidence of Completion

observations, engagement of students

Plan to Monitor Effectiveness of Implementation of G1.B2.S1 7

Teacher Feedback, student data from Phonics assessment and i-Ready

Person Responsible

Connie Webb

Schedule

Biweekly, from 11/11/2016 to 6/1/2017

Evidence of Completion

Completed phonics and diagnostic assessment data

G1.B2.S2 Support teachers in their administration of the Phonics and PAST assessments 4

 S244669

Strategy Rationale

School and district i-Ready data shows deficits in areas of phonemic awareness and phonics and as a possible reason for lower reading performance in intermediate grades. Therefore, we need to provide professional development on the Phonics and Phonemic Awareness continuums as well as to utilize the district assessment data to inform instruction in those areas.

Action Step 1 5

Plan and execute training for the administration of the new assessments.

Person Responsible

Connie Webb

Schedule

Monthly, from 9/1/2016 to 6/1/2017

Evidence of Completion

Completed assessments and data spreadsheets

Action Step 2 5

Model assessment administration and/or provide classroom coverage for teachers to give assessments.

Person Responsible

Connie Webb

Schedule

Monthly, from 9/30/2016 to 5/5/2017

Evidence of Completion

Completed assessments, coach logs and data spreadsheets

Plan to Monitor Fidelity of Implementation of G1.B2.S2 6

Completed Assessments, student data

Person Responsible

Pam Aursland

Schedule

Monthly, from 9/30/2016 to 2/3/2017

Evidence of Completion

Completed assessment spreadsheets, coach logs

Student data

Person Responsible

Connie Webb

Schedule

Monthly, from 9/30/2016 to 6/1/2017

Evidence of Completion

Completed assessments and data spreadsheets

G1.B3 Access to materials needed for targeted interventions as well as progress monitoring tools to measure the response to interventions. 2

 B231879

G1.B3.S1 Create and organize an Intervention Station in office conference room. 4

 S244670

Strategy Rationale

Resources for interventions were scattered throughout the school and were being underutilized as a result. Therefore, organizing and housing all intervention materials in the conference room would keep them readily available as well as allow for on-the-spot selection of appropriate interventions. Teachers will be able to leave MTSS meetings with all needed intervention materials so that there will be no delay in providing student instruction.

Action Step 1 5

Gather, organize and store all intervention materials in office conference room.

Person Responsible

Pam Aursland

Schedule

On 10/31/2016

Evidence of Completion

Plan to Monitor Fidelity of Implementation of G1.B3.S1 6

Stocked shelves, assembled binders and tubs

Schedule

Biweekly, from 10/31/2016 to 6/1/2017

Evidence of Completion

MTSS forms, materials check-out logs

G1.B3.S2 Purchase needed materials for targeted phonics instruction 4

 S244671

Strategy Rationale

Two of our CGE ESE support facilitators will receive formal training in the Wilson program for strategic reading interventions.

Action Step 1 5

Purchase Wilson's just words kit and the deluxe set.

Person Responsible

Pam Aursland

Schedule

On 11/11/2016

Evidence of Completion

Changes in intervention work as well as support for ESE students.

Plan to Monitor Fidelity of Implementation of G1.B3.S2 6

Teachers will log use of this strategy

Person Responsible

Connie Webb

Schedule

Biweekly, from 11/18/2016 to 6/1/2017

Evidence of Completion

Evidence will be in the form of intervention logs, and graphs documenting the student's response to learning through this strategy.

Plan to Monitor Effectiveness of Implementation of G1.B3.S2 7

Intervention logs

Person Responsible

Connie Webb

Schedule

Weekly, from 11/25/2016 to 6/1/2017

Evidence of Completion

Evidence will be in the form of intervention logs, and graphs documenting the student's response to learning through this strategy.

G2. Increase the number of students that are able to demonstrate a deep conceptual understanding of grade level STEM concepts and are able to prove ability and knowledge of these concepts in real world situations. 1

 G087235

G2.B1 Students have difficulty connecting math to real life experiences 2

 B231880

G2.B1.S1 Hold a Publix math night for students to see real-life applications of math concepts. 4

 S244672

Strategy Rationale

This opportunity will help students make connections with the everyday use of math.

Action Step 1 5

Contact and set-up math night with Publix

Person Responsible

Christina Bello

Schedule

On 5/5/2017

Evidence of Completion

Establish date and time, record on school calendar

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

Schedule

On 1/5/2017

Evidence of Completion

Survey students about their experiences (feedback), review math sheets for accuracy

G2.B1.S2 Use hands-on manipulatives that will provide real life connections and experiences in order to enrich on level students and reinforce struggling students. 4

 S244673

Strategy Rationale

These materials will provide real life hands on experiences for all learners.

Action Step 1 5

Use hands-on manipulatives that will provide real life connections and experiences in order to enrich on level students and reinforce struggling students.

Person Responsible

Christina Bello

Schedule

On 6/1/2017

Evidence of Completion

When items are purchased and students are using them

G3. Increase students' writing proficiency in basic grammar skills and text based writing. 1

 G087236

G3.B1 Lack of inter rater reliability with FSA rubrics and need for exemplar writing pieces that demonstrate what proficient text-dependent writing looks like. 2

 B231881

G3.B1.S1 After district wide parallel writing prompt in October, allow teachers time to score student papers and then exchange papers in attempt to norm their scoring. 4

 S244674

Strategy Rationale

After two years of implementation of FSA text-based writing, teachers have some background knowledge and can reflect on past FSA scores compared to classroom data. It is now a good time to begin looking closely at student papers, the rubrics, and the FSA practice sets in order to begin to norm our scoring practices as a school. Also, it is a time to select student papers that would be good exemplars as we will not be getting those from the state as we did with FCAT writes.

Action Step 1 5

Obtain substitute coverage to give teachers time to score together.

Person Responsible

Connie Webb

Schedule

Monthly, from 8/12/2016 to 6/1/2017

Evidence of Completion

ERO registration and receipt of materials

Plan to Monitor Fidelity of Implementation of G3.B1.S1 6

Monitor use of new learning through classroom implementation

Person Responsible

Connie Webb

Schedule

Daily, from 9/2/2016 to 6/1/2017

Evidence of Completion

Classroom Observations, ERO sign-ins, Coach logs

Plan to Monitor Effectiveness of Implementation of G3.B1.S1 7

Teacher Feedback, Classroom observations, ERO evaluations, student data

Person Responsible

Connie Webb

Schedule

Daily, from 9/4/2016 to 6/1/2017

Evidence of Completion

ERO Evaluations, Teacher Session Follow-up Survey Responses, increased observation of balanced literacy components in action

G3.B1.S2 Implement the use of mentor sentences in all classrooms. 4

 S244675

Strategy Rationale

Teacher will have a research based tool to increase students basic writing skills.

Action Step 1 5

The use of mentor sentences for grammar instruction

Person Responsible

Connie Webb

Schedule

Weekly, from 8/30/2016 to 5/30/2017

Evidence of Completion

Plan to Monitor Fidelity of Implementation of G3.B1.S2 6

Teachers will record themselves using mentor sentences

Person Responsible

Connie Webb

Schedule

On 5/4/2017

Evidence of Completion

Recording, informal and formal observations

Plan to Monitor Effectiveness of Implementation of G3.B1.S2 7

Teacher will check monitor the progression of writing scores

Person Responsible
