

Miami-Dade County Public Schools

Miami Beach South Pointe Elementary School

2016-17 Schoolwide Improvement Plan

Miami Beach South Pointe Elementary School

1050 4TH ST, Miami Beach, FL 33139

<http://southpointe.dadeschools.net/>

School Demographics

School Type and Grades Served (per MSID File)	2015-16 Title I School	2015-16 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)
Elementary School PK-5	No	53%
Primary Service Type (per MSID File)	Charter School	2018-19 Minority Rate (Reported as Non-white on Survey 2)
K-12 General Education	No	56%

School Grades History

Year	2015-16	2014-15	2013-14	2012-13
Grade	B	A*	B	A

**Informational Baseline School Grade*

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Ambitious Instruction and Learning	12
8-Step Planning and Problem Solving Implementation	15
Goals Summary	15
Goals Detail	15
Action Plan for Improvement	17
Appendix 1: Implementation Timeline	21
Appendix 2: Professional Development and Technical Assistance Outlines	22
Professional Development Opportunities	22
Technical Assistance Items	23
Appendix 3: Budget to Support Goals	23

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

2016-17 DA Category and Statuses for Miami Beach South Pointe Elementary School

DA Region and RED	DA Category and Turnaround Status
Southeast - LaShawn Russ-Porterfield	Not In DA - N/A

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

The South Pointe Elementary community recognizes that every unique child has gifts and talents. We accept the challenge to find and nurture these qualities in each child. We believe every educator, student and parent has the ability, talent, and desire to make dramatic changes in their and other's education. Therefore, our mission at South Pointe Elementary is to:

Provide inquiry-based learning in a safe, supportive environment where our staff develops critical thinkers who are reflective, compassionate, and internationally minded, life-long learners who create positive influences throughout the world.

b. Provide the school's vision statement.

At South Pointe Elementary School, we are devoted to providing our students with a nurturing and safe environment to stimulate both personal and intellectual development. It is our purpose to foster the growth of the mind and the body by enlisting the support of the entire school community. This community includes the entire staff, students, parents and all other interested parties. We aspire to enhance our students' understanding of the world beyond our walls by extending the components of our instructional program to include connections to real life experiences. Through daily interaction with an environment that is enriched with a strong multicultural flavor, a diversified technology base, and an instructional staff dedicated to this mission driven vision, we strive to achieve exemplary status among our peers.

South Pointe Elementary School's vision is to create a school environment where each individual child will be nurtured and educated based on his or her needs. We are committed to creating an environment where children grow to become globally aware, well rounded, peaceful citizens.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Instructional personnel provide opportunities, through classroom projects, to learn about students' cultures. These projects provide opportunities to build relationships between teachers and students.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Providing a safe learning environment for the students of South Pointe Elementary is of utmost importance. Adequate supervision is provided by key staff members throughout the campus before, during, and after school. The school reinforces the District's policy of Zero Tolerance on Bullying. The School Counselor consistently addresses specific needs requested by classroom teachers and visits those classrooms to provide support. The School Counselor also provides Individual/Group Counseling to students to address their identified needs.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

All staff members follow the school-wide Discipline Plan which addresses violations of the Code of Student Conduct in a progressive manner. Collaborative parent conferences are held when a student violates the Code of Student Conduct. Each teacher has designed their individual Classroom Management Plan. Parents sign and return this plan.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The School Counselor consistently addresses specific needs requested by the teacher and visits those classrooms to provide support. The School Counselor also provides individual/group counseling with students.

3. Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

All students are reported to administration after each set of 3 tardies and/or 3 unexcused absences. Students and parents are met with and assistance is offered. If the tardies or absences continue a home visit is conducted and the school social worker meets with the family. The student also meets with the school counselor. A free assistance program is offered to those that qualify.

Students who score a Level 1 on the statewide standardized assessments in ELA or math are placed into our intervention program and start receiving assistance immediately. They are monitored monthly and if no progress is made the Rtl process begins.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Attendance below 90 percent	11	5	2	2	1	5	0	0	0	0	0	0	0	26
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA or Math	5	9	0	4	7	3	0	0	0	0	0	0	0	28
Level 1 on statewide assessment	0	0	0	6	7	6	0	0	0	0	0	0	0	19

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Students exhibiting two or more indicators	2	0	0	2	0	3	0	0	0	0	0	0	0	7

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Before school tutoring, reading intervention, parent meetings, home visits, referrals to school social worker, Rtl, meetings with administration and counselor, on going progress monitoring, incentives for improvement.

B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

a. Will the school use its PIP to satisfy this question?

No

1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

Collaborative conversations/communication is key to building positive relationships with families. The PTA meets monthly with administration and a teacher representative present. Meetings are offered at different times to increase parent participation. All communication and workshops are offered in the two main languages spoken at our school, English and Spanish. Teachers have sign-up sheets for conferences on their front doors and are available at multiple times during each day.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

A PTA representative attends the monthly Miami Beach Quality of Education Meeting to share what is happening and the needs of our school. The PTA sends out a monthly news letter that promotes all activities occurring at our school. This newsletter is emailed to the South of Fifth Street Association so that the business and residents in our schools neighborhood are notified and made part of our family. Collaborative conversations/communication is key to sustaining a successful business partnership in the community.

C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Mazon, Jorge	Principal
Gonsky, Lisa	Assistant Principal
Arsenault, Betty	School Counselor
Bogart, Jason	Teacher, K-12
Granda, Erica	Teacher, K-12
Lawrence, Al	Teacher, ESE

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

General Education Teachers: Provide intervention for students in the first level (core), second level (supplemental) and third level (intensive), collect data, collaborate with other staff and provide information about core subjects.

Exceptional Student Education (ESE) Teacher: Integrates core instructional activities/materials into instruction and collaborates with general education teachers; collects data and uses this information to drive instruction when planning interventions; monitors progress to ensure that students are improving in academic achievement; ensures that students are exposed to grade level instruction, as well as, meeting individual goals.

Principal and Assistant Principal: Provides guidance on K-12 Reading Plan; provides technical assistance to teachers regarding data-based instructional planning, and supports the implementation of Tier I and Tier II intervention plans.

Counselor: Provides academic and social advisement. Assists families with resources to help all aspects of the family life.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

MTSS/Rtl is an extension of South Pointe Elementary's Leadership Team, strategically integrated in order to support the administration through a process of problem solving as issues and concerns arise through an ongoing examination of data which impact student achievement, school safety, school culture, literacy, attendance, student social/emotional well being, and prevention of student failure through early intervention.

South Pointe Elementary School's MTSS/Rtl Leadership Team is composed of: Principal; Assistant Principal; Second Grade Teacher; ELL Teacher; EESAC Chairperson; Media Specialist; School Psychologist and School Counselor. The MTSS/ Rtl team addresses student learning based on analysis of data. The MTSS/Rtl team works cohesively to initiate plans for students that will address the intervention strategies needed to be implemented in order to promote student achievement. This team ensures that MTSS/Rtl is being implemented with fidelity and that assessment of MTSS/Rtl skills is being documented and used to drive instruction. The team will ensure that adequate professional development to support MTSS/Rtl is implemented and will communicate with parents regarding school based MTSS/Rtl plans and activities.

Title III Funds will once again be used to provide supplemental instruction before and after school for ESOL students. Math tutorial programs will be offered to second through fifth grade.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Melanie Fishman	Principal
Eve Shinebloom	Parent
Pierre Deagostini	Business/Community
Cristy Farhat	Parent
Jason Bogart	Teacher
Sonia Sacheli	Teacher
Betty Arsenault	Teacher
Katie Rhodes	Parent
Angela Gonzalez	Teacher
Alexandra Kennison	Education Support Employee
CELINE CLARK	Teacher
LUKA STANTIC	Student
SAMUEL SCHEINBLUM	Student
PAM MANOOL	Parent
ANDREA CARDANA	Parent
FAIZA LIBAN	Parent
MARY CLAIR ESPENKOTTER	Parent
SLADJA STANTIC	Parent
COLLEEN HALLOWAY	Parent
GARY BOND	Teacher
ROXANNE BRESSETT	Teacher
ESTRELLA MITRANI	Teacher
DIANE HART	Teacher
ANDREA PORTELLA	Teacher

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

a. Evaluation of last year's school improvement plan

Our EESAC meeting addressed the purpose of the School Improvement Plan, reviewed and made suggestions for the upcoming school year.

b. Development of this school improvement plan

School Advisory Council (SAC) will meet the first Wednesday of every other month and as needed to develop, revise and monitor the progress of the School Improvement Plan. In addition, the council will discuss and vote on how the SAC funds will best serve the school to meet the School Improvement Plan goals.

c. Preparation of the school's annual budget and plan

As per the recommendation of the EESAC, the estimated funds of \$2742.00 are to be used to purchase the Accelerated Reader program.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

The ESSAC approved funding for the Accelerated Reader program - \$2742.00.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Mazon, Jorge	Principal
Gonsky, Lisa	Assistant Principal
Arsenault, Betty	School Counselor
Granda, Erica	Teacher, K-12
Bogart, Jason	Teacher, K-12

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The LLT will target the union of the IB interdisciplinary themes and the Florida Standards. Another initiative will be the development of rubrics for the authentic assessment of student progress with an emphasis on higher thinking skills. Writing will be implemented across disciplines.

D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

All content area teachers collaborate with each other and administrators during collaborative planning sessions. During these sessions, teachers highlight best practices while the administrative team assists in the preparation of the delivery of the lesson. Administrators provide support based on teachers' needs.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

Regular meetings of new teachers with Principal.-Principal
 Partnering new teachers with veteran staff- Assistant Principal
 Collaboration with colleagues- IB Coordinator
 Partnerships with local universities to recruit future teachers- Assistant Principal

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Ms. Natkin (teacher mentor) will assist any new teachers if we should get any. This will occur during common planning meetings and as needed. Ms. Natkin is an experienced teacher who has taught Pre-K through 5th grade. She demonstrated excellence in all categories of her yearly observation.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

All materials and programs used at the school are provided by Miami-Dade County public schools. The text books that are ordered are approved by the district to meet the Florida Standards. The teachers attend trainings and receive a copy of the Florida Standards which must be referenced in their lesson plans.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Data from the previous years SAT, FSA, and i-Ready is used to determine class placement and need of intervention. The students who score below a 50 percent on SAT or are a Level 1 or 2 on FSA or place in the red on i-Ready during the last assessment begin the year in intervention and are invited to participate in before school tutoring. Data is collected monthly, and quarterly and is used during grade level meetings to set goals and plan for future instruction. Baseline, fall and winter assessments are administered. Students are then grouped based on the benchmarks they need assistance with. This information is evident in the teacher's lesson plans.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 2,160

South Pointe Elementary School offers before and after school tutoring to bubble students as well as any student who needs extra practice. i-Ready is offered in the Computer Lab and small group sessions are held with certified teachers.

Strategy Rationale

The extra time working on the specific benchmarks that the student is not successful on will help to bring the student to the level he/she needs to be.

Strategy Purpose(s)

- Core Academic Instruction
- Enrichment

Person(s) responsible for monitoring implementation of the strategy

Mazon, Jorge, pr5091@dadeschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students learn a specific benchmark and are then provided a weekly benchmark assessment to see if the student has mastered the benchmark. If the student has not mastered the skill, it is retaught and another assessment given. I-ready diagnostic assessment and growth monitoring are also used to determine the effectiveness of the tutoring.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

South Pointe Elementary houses approximately 20 students ages 3 to 4 in the Head Start program and another 20 students in the VPK program. Headstart implements the High Scope curriculum. Our VPK program implements the Big Day by Scholastic program. The teachers plan with the Kindergarten teachers on a weekly basis. The students who participate in these early childhood programs attend field trips and class presentations that the Kindergarten teachers arrange.

In order to facilitate the transition from Pre-K to kindergarten, the Pre-K students visit the Kindergarten students and shadow them for periods of time before the school year ends. Parents are invited in for Kindergarten orientation. While the parents attend the orientation their children participate in Kindergarten activities provided for by Kindergarten teachers. Parents of students entering Kindergarten in the fall who attend community early childhood centers are invited to participate in these activities.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

N/A

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

N/A

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. § 6314(b)(1)(A).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

1 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

G1. We will increase student achievement by improving core instruction across all content areas.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. We will increase student achievement by improving core instruction across all content areas. 1a

G087543

Targets Supported 1b

Indicator	Annual Target
AMO Reading - All Students	
CELLA Writing Proficiency	89.0
AMO Math - All Students	
FCAT 2.0 Science Proficiency	75.0

Targeted Barriers to Achieving the Goal 3

- There is a need for the teachers to differentiate the instruction based on data to ensure all students needs are being met with rigor and purpose.

Resources Available to Help Reduce or Eliminate the Barriers 2

- Common Planning Time, Reading Wonder Series, Wonders Foundation Skills, I-Ready, Accelerated Reader, Gateway to Data (G2D), Pacing Guide Websites, and Star Testing
- Houghton Mifflin Harcourt Go Math series, Moby Max,
- Gizmo, P-Sell

Plan to Monitor Progress Toward G1. 8

Interim Assessment Data and progress monitoring from I-Ready will be collected and reviewed throughout the year to determine progress toward the goal.

Person Responsible

Jorge Mazon

Schedule

Quarterly, from 9/2/2016 to 6/8/2017

Evidence of Completion

Agendas; sign in log during data chats

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

V. Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. We will increase student achievement by improving core instruction across all content areas.

G1.B1 There is a need for the teachers to differentiate the instruction based on data to ensure all students needs are being met with rigor and purpose.

G1.B1.S1 Provide professional development opportunities on how to analyze multiple data sources and use the information to create customized learning groups based on need .(Thinkgate, Interims, i-Ready).

PD Opportunity 1

Literacy, Mathematics, Science, social Studies: Provide professional development during grade level planning on questioning strategies and the development of higher order thinking questions throughout all curriculums.

Facilitator

Lisa Gonsky

Participants

Teachers in grades K-5

Schedule

Monthly, from 9/2/2016 to 6/8/2017

VI. Technical Assistance Items

Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.

VII. Budget

1	G1.B1.S1.A1	Literacy, Mathematics, Science, social Studies: Provide professional development during grade level planning on questioning strategies and the development of higher order thinking questions throughout all curriculums.	\$0.00
2	G1.B1.S1.A2	Teachers will use disaggregated data from i-Ready (K-5) , STAR testing (K-2), Go Math beginning of the year test and the district science pre-test as well as formative assessments to plan for differentiated instruction. Lesson plans will incorporate higher order questions of varying complexity and require students to engage in accountable talk. The data will also be used to identify students in need of intervention or enrichment during the Differentiated Instruction.	\$0.00
3	G1.B1.S1.A3	During common planning time best practices in using the data to create differentiated instruction groups during instruction time will be shared by teachers and checked by administration.	\$0.00
Total:			\$0.00
