**Note:** The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

### School Board Approval

This plan is pending approval by the Dade County School Board.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

### DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of "Planning" or "Implementing" or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

## I. Part I: Current School Status

### A. Supportive Environment

#### 1. School Mission and Vision

##### a. Provide the school's mission statement.

Miami Central Senior High School faculty, staff, students and community stakeholders believe that all students have the ability to be successful learners. Miami Central Senior High School will implement Small Learning Communities through an academy model that will assist students in defining and selecting their career choices. Every child, regardless of background and ability, will acquire the knowledge and skills necessary to succeed in an ever-changing global society.

##### b. Provide the school's vision statement.

Miami Central High School's vision is to promote student achievement, provide an array of academic mediums that engage real world experiences and provide a conducive learning environment. Our aim is to cultivate a climate of positive change, eliminate low performance and institute a legacy of superior academic achievement through effective instructional programs.

#### 2. School Environment

##### a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

- During the opening of schools, teachers send home interest surveys.
- The school keeps an open line of communication between administration, teachers, and parents to develop relationships that are conducive for all students.
- The school hosts a plethora of after school activities to mentor and develop students (writing lab, ACT tutoring, City Year tutoring).

##### b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

- There is a school wide implementation of the Code of Student Conduct to promote a safe learning environment.
- There is an active plan in place to minimize bullying during and after school hours.
- The Student Government Association is encouraged to act as a liaison and a voice to the student body to address concerns of the students.
- Peer Leaders are identified via College Summit classes.

##### c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

- There is a Progressive Disciplinary Action Plan in place to address behavior offenses from the first offense to the fourth offense with necessary consequences to address every offense.
- Faculty and staff has attended Professional Developments on the use of the Progressive Disciplinary Action Plan to ensure it is implemented with fidelity and fairness.
- The school has embraced the alternative to suspension protocol and have developed other outlets for student discipline that prevents students from being removed from an educational atmosphere.

**d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

- All students have unlimited access to school social workers, counselors, CAP advisory, and psychologist when needed.
- Several mentoring programs are housed on campus to address the individual needs of the students.

**3. Early Warning Systems**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

**a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.**

There are various ways we identify our at-risk students. Teachers value attendance as an early warning sign. Therefore, once a student has 4 unexcused absences, they refer the student to the dean, grade level counselor and administrator to address excessive absences and/ or tardies. In addition, the school also identifies students who demonstrate to be at-risk based on low performance on the state examination. Last, the counselors monitor grades and address issues on an individualized basis to ensure students are receiving the credits they need to graduate with their cohort and receive support for any social or emotional issues they may be facing.

The schools EWS indicators are as follows:

- Students who miss more than 10% of instructional time.
- Students who have referrals that lead to suspension.
- Students that score Level 1 on ELA or Math State Assessments.
- Students in 9th grade who miss the first 20 days of school.
- Students who fail to progress to 10th grade on time.
- Students with less than a 2.0 GPA.

**b. Provide the following data related to the school's early warning system**

**1. The number of students by grade level that exhibit each early warning indicator:**

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	172	141	174	244	731
One or more suspensions	0	0	0	0	0	0	0	0	0	154	154	156	155	619
Course failure in ELA or Math	0	0	0	0	0	0	0	0	0	284	169	107	96	656
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	251	215	148	138	752

**The number of students identified by the system as exhibiting two or more early warning indicators:**

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students exhibiting two or more indicators	0	0	0	0	0	0	0	0	0	0	0	0	654	654

**c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.**

Students identified by the early warning system are evaluated using the TRE assessment, recommended by the District, to adequately place students in Reading classes to address the skills they are deficient in. Students are provided differentiated instruction during the school day in their content area classes. Those students are also offered tutoring after school and on Saturdays to improve their academic performance. Intervention groups during elective periods offer additional practice to improve reading performance. Counselors meet with the students. Parent conferences are scheduled with the dean, the counselor and administrator to ensure student is being monitored and receiving the necessary support to improve academically.

## B. Family and Community Engagement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(B)(iii)(I)(aa).

### 1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. Â§ 6314(b)(1)(F).

#### a. Will the school use its PIP to satisfy this question?

No

#### 1. PIP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

#### 2. Description

A. Miami Central Senior High School will involve parents in an organized, ongoing and a timely manner; which will include providing vital school information via a flexible number of meetings and workshops, such as:

Title I - New Students Orientation, Title I Annual Meeting, Open House (present an opportunity for volunteering via PAC/DAC representatives), "Parent Coffee Talks," Parent Portal Workshops, Senior Parent Night, Magnet Parent Night, PTSA/EESAC, FCAT/FSA Nights, and working collaboratively with the school Counselors and the school's Community Involvement Specialists (CIS). Lastly, Miami Central has provided the Parent Resource Center with an adjacent computer lab.

### 2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

B. Miami Central will strategically utilize the full implementation of the Title I Program model and extend an open invitation to our school's Parent Resource Center in order to sustain partnerships, build capacity, support student achievement, and inform parents regarding available programs, their rights under No Child Left Behind (NCLB), and other referral services. In addition, increase parental engagement/involvement through developing (with on-going parental input) PTSA/EESAC meetings, Miami Central's Saturday Success Academy, Miami Central's Title I School-Parent Compact (for each student); Miami Central's Title I Parental Involvement Policy; scheduling the Title I Orientation Meeting, Open House; and other documents/activities necessary in order to comply with dissemination and reporting requirements.

## C. Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(H).

### 1. School Leadership Team

### a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Sands, Raymond	Principal
Megias, Robert	Assistant Principal
St Juste, Shella	Assistant Principal
Campbell-Lindsay, Lammar	Assistant Principal
Axem, Leroy	Dean
English, Jamila	Instructional Coach
Shepard, Paulette	Instructional Coach
Rolle, Lakesha	Instructional Coach

### b. Duties

**1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.**

- The Leadership Team will monitor and adjust the school's academic and behavioral goals through data gathering and data analysis.
- The Leadership Team will monitor the fidelity of the delivery of instruction and intervention.
- The Leadership Team will provide levels of support and interventions to students based on data.

**2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.**

- Use the Tier 1 Problem Solving process to set Tier 1 goals, monitor academic and behavior data evaluating progress at least 3 times per year
- Gather and analyze data at all Tiers to determine professional development for faculty as indicated by group or individual student diagnostic and progress monitoring assessment.
- Hold regular team meetings. Use the four step problem solving process as the basis for goal setting, planning, and program evaluation during all team meetings that focus on increasing student achievement or behavioral success.
- Gather ongoing progress monitoring for all interventions and analyze the data using the Tier 2 problem solving process.
- Maintain communication with staff for input and feedback, as well as updating them on procedures and progress.
- Support a process and structure within the school design, implement, and evaluate both daily instruction and specific interventions.
- Provide clear indicators of student need and student progress, assisting in examining the validity and effectiveness of program delivery.

\*\*\*This summer we utilized some Title I funds to purchase 50 computers to update the technology in the testing labs. Many computers were no longer operable and to maintain the integrity of both testing and instruction the decision was made to replace these non functioning computers.\*\*\*

Title I, Part A

Services are provided to ensure students requiring additional remediation are assisted through

extended learning opportunities (before-school and/or after-school programs, Saturday Academy or summer school). The district coordinates with Title II and Title III in ensuring staff development needs are provided. Support services are provided to the schools, students, and families. School based, Title I funded Community Involvement Specialists (CIS), serve as bridge between the home and school through home visits, telephone calls, school site and community parenting activities. The CIS schedules meetings and activities, encourage parents to support their child's education, provide materials, and encourage parental participation in the decision making processes at the school site. Curriculum Coaches develop, lead, and evaluate school core content standards/ programs; identify and analyze existing literature on scientifically based curriculum/behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assist with whole school screening programs that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participate in the design and delivery of professional development; and provide support for assessment and implementation monitoring. Parents participate in the design of their school's Parent Involvement Plan (PIP – which is provided in three languages at all schools), the school improvement process and the life of the school and the annual Title I Annual Parent Meeting at the beginning of the school year. The annual M-DCPS Title I Parent/Family Involvement Survey is intended to be used toward the end of the school year to measure the parent program over the course of the year and to facilitate an evaluation of the parent involvement program to inform planning for the following year. An all out effort is made to inform parents of the importance of this survey via CIS, Title I District and Region meetings, Title I Newsletter for Parents, and Title I Quarterly Parent Bulletins. This survey, available in English, Spanish and Haitian-Creole, will be available online and via hard copy for parents (at schools and at District meetings) to complete. Other components that are integrated into the school-wide program include an extensive Parental Program; Title I CHESS (as appropriate); Supplemental Educational Services; and special support services to special needs populations such as homeless, migrant, and neglected and delinquent students

Title I, Part C- Migrant

Title X- Homeless

- Miami-Dade County Public Schools' School Board approved the School Board Policy 5111.01 titled, Homeless Students. The board policy defines the McKinney-Vento Law and ensures homeless students receive all the services they are entitled to.
- The Homeless Assistance Program seeks to ensure a successful educational experience for homeless children by collaborating with parents, schools, and the community.
- Project Upstart, Homeless Children & Youth Program assists schools with the identification, enrollment, attendance, and transportation of homeless students. All schools are eligible to receive services and will do so upon identification and classification of a student as homeless.
- The Homeless Liaison provides training for school registrars on the procedures for enrolling homeless students and for school counselors on the McKinney Vento Homeless Assistance Act-ensuring homeless children and youth are not to be stigmatized or separated, segregated, or isolated

on their status as homeless-and are provided with all entitlements.

- Project Upstart provides a homeless sensitivity, awareness campaign to all the schools - each school is provided a video and curriculum manual, and a contest is sponsored by the homeless trust-a community organization.
- Project Upstart provides tutoring and counseling to twelve homeless shelters in the community.
- The District Homeless Student Liaison continues to participate in community organization meetings and task forces as it relates to homeless children and youth.

Each school will identify a school based homeless coordinator to be trained on the McKinney-Vento Law ensuring appropriate services are provided to the homeless students.

Supplemental Academic Instruction (SAI)

Miami Central Senior High School will receive funding from Supplemental Academic Instruction (SAI) as part of its Florida Education Finance Program (FEFP) allocation.

Violence Prevention Programs

- The Safe and Drug-Free Schools Program addresses violence and drug prevention and intervention services for students through curriculum implemented by classroom teachers, elementary counselors, and/or TRUST Specialists.
- Training and technical assistance for elementary, middle, and senior high school teachers, administrators, counselors, and/or TRUST Specialists is also a component of this program. TRUST Specialists focus on counseling students to solve problems related to drugs and alcohol, stress, suicide, isolation, family violence, and other crises.

Nutrition Programs

- 1) The school adheres to and implements the nutrition requirements stated in the District Wellness Policy.
- 2) Nutrition education, as per state statute, is taught through physical education.
- 3) The School Food Service Program, school breakfast, school lunch, and after care snacks, follows the Healthy Food and Beverage Guidelines as adopted in the District's

Health Connect in Our Schools

- Health Connect in Our Schools (HCiOS) offers a coordinated level of school-based healthcare which integrates education, medical and/or social and human services on school grounds.
- Teams at designated school sites are staffed by a School Social Worker (shared between schools),

a Nurse (shared between schools) and a full-time Health Aide.

- HCiOS services reduces or eliminates barriers to care, connects eligible students with health insurance and a medical home, and provides care for students who are not eligible for other services.
- HCiOS delivers coordinated social work and mental/behavioral health interventions in a timely manner.
- HCiOS enhances the health education activities provided by the schools and by the health department.

HCiOS offers a trained health team that is qualified to perform the assigned duties related to a quality school health care program.

#### HIV/AIDS Curriculum: AIDS Get the Facts!

- AIDS: GET the Facts!, is an curriculum that provides a series of general objectives, lessons, activities and resources for providing HIV/AIDS instruction in grades K-12.
- HIV/AIDS curriculum is consistent with state legislation, as well as school policy and procedures including: Florida Statute 1003.46, Health education; instruction in acquired immune deficiency syndrome, School Board Policy: 6Gx13-5D-1.021 Welfare; School Health Services Program, the M-DCPS Worksite HIV/AIDS Hand Book, and Control of Communicable Disease in School Guidebook for School Personnel.
- HIV/AIDS curriculum content is also in alignment with Florida Sunshine State Standards.
- HIV/AIDS content teachers are trained on the curriculum and can participate in yearly professional development about health and wellness related topics.

#### Miami Lighthouse / Heiken Children's Vision Program

Heiken Children's Vision Program provides free complete optometric exams conducted at school sites via vision vans and corrective lenses to all failed vision screenings if the parent /guardian cannot afford the exams and or the lenses.

## 2. School Advisory Council (SAC)

### a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
G. Bethune	Principal
A. Carr	Teacher
R. Shotwell	Teacher
B. White	Education Support Employee
G. Watkins	Education Support Employee
T. Barber	Teacher
B. Legrant	Teacher
R. Melo	Education Support Employee
T. Mungin	Teacher
W. Clark	Business/Community
D. Holsendolph	Business/Community
J. Ferguson	Parent
K. Moorman	Parent
A. Pender-Law	Teacher

#### **b. Duties**

##### **1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes**

###### **a. Evaluation of last year's school improvement plan**

The Educational Excellence School Advisory Council (EESAC) reviewed the School Improvement Plan (SIP) as part of their meetings; while comparing it to the data that had been released. Based on the inadequacies noted, the EESAC provided suggestions and opportunities for resources.

###### **b. Development of this school improvement plan**

The EESAC Board is essential in regards to the development of the SIP. The draft was presented during a meeting. Based on the discussions and a plethora of explicit feedback received, the SIP was edited. EESAC will once again provide additional guidance when the final draft is posted.

###### **c. Preparation of the school's annual budget and plan**

EESAC will meet at least once a month to discuss both instructional and organizational issues. These concerns are brought to the attention to the School –Based Leadership Team (SBLT). EESAC will also fund various projects based on teacher and/or departmental solicitation.

##### **2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.**

Original Budget: \$8,769.00  
YTD Transfers and Adjustments: \$0  
Current Budget: \$8,769.00  
YTD Expenditures: \$2,999.00  
Available Balance: \$5,770.00

##### **3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.**

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

### 3. Literacy Leadership Team (LLT)

#### a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Sands, Raymond	Principal
Megias, Robert	Assistant Principal
St Juste, Shella	Assistant Principal
Diamond, Arthur	Teacher, K-12
Axem, Leroy	Dean
English, Jamila	Instructional Coach
Rolle, Lakesha	Instructional Coach
Shepard, Paulette	Instructional Coach
Campbell-Lindsay, Lammar	Assistant Principal

#### b. Duties

##### 1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

- Stop, Drop, and Read Program-30 minute weekly sustained school wide reading.
- RAGE-C across all content areas
- Increase parental involvement in Literacy Night
- Increase PBS usage
- Continue to push our Writing Across the Curriculum (W.A.T.C.H.) Program
- Continue/Support school-wide strategies (Cornell Notes, RAGE-C)
- WOW

### D. Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(D).

#### 1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

We have provided the departments with uniform planning periods to allow for the opportunity to collaborate for planning. Additionally, we have scheduled lesson studies to allow for a greater focus on the lesson being created.

#### 2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

- Continued partnership with TFA
- Continued partnership with local universities (Florida Memorial University)
- Regular Meetings between new teachers and the administration
- Newly hired teachers will participate in MINT Program
- New teacher will be partnered with veteran teacher/support staff

**3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.**

The mentor and mentee will meet bi-weekly after school to discuss issues and concerns, as well as to discuss additional strategies and best practices that will increase teacher effectiveness. Mentor teachers will be issued release time to allow for in class observation. The pairings will be created to assure that new teachers will be paired with veteran teachers. We will also pair the new teacher with a veteran teacher outside of their department.

**E. Ambitious Instruction and Learning**

**1. Instructional Programs and Strategies**

**a. Instructional Programs**

***1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.***

By utilizing the pacing guides to guide the lessons we are creating we have been able to assure an alignment between the standard and the lesson. Additionally, we have done away with those resources that do not align with the Florida Standards in an effort to avoid any confusion or misalignment. We also approach our District issued programs with fidelity to assure success.

**b. Instructional Strategies**

***1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.***

Data is used during each planning session to assess the mastery of our students. Armed with this information we establish differentiated groups based on individual student needs. During these small group exercises the teachers are able to drill down to the students based on needs. The data used varies. In some cases we will use state or district assessments, but in cases where those are not available we utilize in house diagnostics, as well as end products to determine deficiencies.

***2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:***

**Strategy:** Weekend Program

**Minutes added to school year:** 3,240

Saturday Success Academy

***Strategy Rationale***

Provides additional tutoring in the areas of Math, Reading, Science, and History

***Strategy Purpose(s)***

- Core Academic Instruction
- Enrichment

***Person(s) responsible for monitoring implementation of the strategy***

Megias, Robert, 264611@dadeschools.net

***Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy***

Interim and Mini Assessment data is evaluated to make sure that the appropriate lessons are created.

**Strategy:** Extended School Day

**Minutes added to school year:** 8,400

After School Tutoring

***Strategy Rationale***

Basic tutoring provided after school in all content areas

***Strategy Purpose(s)***

- Core Academic Instruction
- Enrichment

***Person(s) responsible for monitoring implementation of the strategy***

Megias, Robert, 264611@dadeschools.net

***Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy***

Interim, Local, State and Mini Assessment data is evaluated to make sure that the appropriate lessons are created.

**Strategy:** Summer Program

**Minutes added to school year:** 360

Spring Break Academy

**Strategy Rationale**

Provide spring break academy to student to better prepare them for the upcoming state assessments.

**Strategy Purpose(s)**

- Core Academic Instruction
- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

Megias, Robert, 264611@dadeschools.net

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Interim and Mini Assessment data is evaluated to make sure that the appropriate lessons are created.

**2. Student Transition and Readiness**

**a. PreK-12 Transition**

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(G).

**1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.**

For incoming Freshman we provide a mandatory course called Freshman Foundations. In this class we assist our incoming 9th graders into transitioning to a high school atmosphere. We also utilize this class to begin the discussion on college and post high school options. For our college bound seniors we have been able to give them assistance via the College Summit, which assists our students in applying to college.

**b. College and Career Readiness**

**1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

The Student Service Department ensures that students carefully and thoughtfully select courses that are aligned to the career the student has expressed an interest in perusing beyond high school. Individual counseling sessions will be schedule to continue to assist the student in their progression, as well as to direct the student when questions arise.

**2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.**

As a result of Miami Central Academy model, all students are required to identify a major area of interest based on the academy offerings. Through these academies students are exposed to career related experiences. There is also the opportunity to work experience and internships. Additionally, all freshman students are enrolled into a Freshman Foundations class. The purpose of the class is to prepare students for career development and post-secondary endeavors.

**3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.**

Miami Central has developed a professional relationship with a local university (FIU) where Central teachers become accredited by the university. This, in turn, affords our students the chance to take college level classes, which will result in college credits. In addition, Central has a Graduation Coach, which provides guidance to all of our students in the areas of: admissions, course offerings, scholarship opportunities, and testing information. Students are also given the chance for course recovery via or E2020 online program.

**4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.**

We have continued to review how we prepare our students for post secondary readiness. We have established a college resource center in our school and have hired interventionist that work exclusively with our seniors to prepare a plan that will fit both their aspirations and skill-set.

## II. Needs Assessment

The school's completion of this section may satisfy the requirements of 20 U.S.C. Â§ 6314(b)(1)(A).

### A. Problem Identification

#### 1. Data to Support Problem Identification

##### b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

*No files were uploaded*

#### 2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

### B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

### C. Strategic Goals

## School Improvement Goals

*The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.*

### Problem Solving Key

**G** = Goal

**B** =

**S** = Strategy

**1** = Problem Solving Step     **S123456** = Quick Key

## Strategic Goals Summary

- G1.** To increase student achievement by improving core instruction in Literacy.
- G2.** To increase student achievement by improving core instruction in Mathematics.
- G3.** To increase student achievement by improving core instruction in Science.
- G4.** To increase student achievement by improving core instruction in Social Science.
- G5.** Provide ongoing support and service in the areas of positive school culture, increasing student attendance, and reducing suspension rate through the use of the Early Warning System.

## Strategic Goals Detail

*For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.*

**G1. To increase student achievement by improving core instruction in Literacy.** 1a

G088232

**Targets Supported** 1b

Indicator	Annual Target
ELA Achievement District Assessment	30.0

**Targeted Barriers to Achieving the Goal** 3

- Teachers are struggling to create lessons with alignment between learning targets, activities and end products which results in student end products that do not meet the expectations of the Florida Standards. Teachers understand the standards, but struggle with process of planning with the end in mind. This stems from common planning where teachers need more guidance than is currently available, and are leaving without fully completed daily and unit plans.

## Action Plan for Improvement

*For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.*

## V. Professional Development Opportunities

*Professional development opportunities identified in the SIP as action steps to achieve the school's goals.*

### **G1.** To increase student achievement by improving core instruction in Literacy.

**G1.B1** Teachers are struggling to create lessons with alignment between learning targets, activities and end products which results in student end products that do not meet the expectations of the Florida Standards. Teachers understand the standards, but struggle with process of planning with the end in mind. This stems from common planning where teachers need more guidance than is currently available, and are leaving without fully completed daily and unit plans.

**G1.B1.S1** Through Professional Development and Common Planning, instructional coach(es) will facilitate the utilization of backwards planning resources to create lessons with alignment between the purpose, process and product.

#### **PD Opportunity 1**
