SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

At Irby Elementary, today's learners will become tomorrow's leaders through a stimulating child-centered environment.

b. Provide the school's vision statement.

Education is providing opportunities which allow children to attain their full potential. Each individual is unique and should be encouraged to grow and develop intellectually, personally, socially, and physically by providing exploratory STEAM experiences.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Teachers work closely with Irby parents to build a positive relationship at Irby Elementary. This process occurs through home visits, phone calls, individual meetings, parent conference night, and Educational Planning Team Meetings.

The process continues through the following opportunities: parents volunteering in the school, field trips, Fall Carnival, Math & Science Family Fun Night, Title 1 Parent Meetings, Meet the Teacher, Open House, Grade level performances, PTA meetings, Literacy Night and input from Parent Climate Surveys.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Irby provides a safe environment before, during, and after school by providing supervision in all areas of the campus. Support staff, teachers, administration team, and school resource officer have assigned locations to supervise.

New students/families are given a sign to place in their cars for car pick to assure safety of the students. Students are escorted by a teacher to their dismissal locations. A check-off system is used to assure students reached their correct dismissal. These teacher dismissal assignments remain the same which provides consistency throughout the school year. Each student wears an ID badge when boarding or unboarding the bus. This badge is scanned so the bus driver, transportation and the school have an account of who is on the bus for each transport. Irby's campus doors are secure except the main doors of building 1 after 7:45 for school safety. Irby's Officer Friendly is visible on campus at all times. Officer Friendly promotes school safety and building relationships with students by eating and visiting with classes in the cafeteria, and in classrooms. Also, Officer Friendly oversees the Junior Officer Program at Irby where students are elected based on good behavior and hard work to develop leadership skills. Faculty and staff completed ALICE Training during pre-planning this school year.

Irby follows the district policy in regards to "stop bullying". Irby's Administration Team and deputy work closely together with students, teachers and parents to assure Irby fosters a respectful learning environment for all students.

Ms. Osborne and Ms. Hurtado, classroom teachers, are creating morning clubs to address social skills in small groups.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Irby's Administration Team provides support to teachers and students to minimize disruptive behavior and keep students engaged during instructional time. They work closely with students, teachers, and parents to develop individual behavior plans for students to be successful in their behavior.

Irby is in the second year of teachers implementing Harmony Lessons which focus on building a positive and safe classroom environment. Teachers new to Irby this school year are provided training from the district in the fall.

Irby is in the first year of implementing PBIS (Positive Behavior Intervention System) school-wide. The expectations are the following: S- safety, O- Own your learning, A- Act responsibly, R- Respect. In addition, clear rules for students are listed for different settings on campus. Each teacher develops a classroom behavior plan which includes rules, consequences and positive rewards. This plan is shared with parents at the beginning of the school year along with the District's Code of Student Conduct. In addition, the leadership team conducts a new school orientation with each grade level of students where school-wide rules and rewards are shared along with singing our Irby "School Spirit Song."

Irby positively rewards students in the classroom, cafeteria, the school bus, and across campus with Eagle Cash through the PBIS behavior plan. Students earn Eagle cash to purchase items from a monthly school store. In addition, quarterly rewards are earned by students and sponsored by the Kiwanis Club to support positive and safe behavior. For minor behavior infractions, students are given three warnings (strikes) prior to a formal referral.

PBIS Training was provided this school year for all teachers at Irby during pre-planning.

At Irby, second grade students participate in the district's Citizen of the Month program. Each month one student is selected who is demonstrating the appropriate "character traits". The student receives a certificate and school recognition on the morning announcements.

Irby second grade students assist with morning announcements as a "co-anchor". This rotates throughout the year.

In addition, Irby has the Jr. Officer program for second grade students. This promotes leadership skills and self esteem for selected students. These selected students meet weekly with our school resource officer.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Teachers create a classroom community at the beginning of the school year using Kagan Classroom Builder Activities which foster a classroom community. In addition, students work in Kagan structures throughout the school year in whole group and stations.

Irby's school guidance counselor provides a variety of counseling services including classroom guidance lessons, small group counseling, and individual counseling for students.

Faculty and Staff mentor students who lack consistent support at home with their reading homework. Also, identified students are mentored by the Kiwanis Club which has partnered with Irby. A community volunteer works weekly with identified students to provide academic support.

Ms. Thurmond, school counselor, works with selected students in small groups for counseling. In addition, Ms. Osborne and Ms. Hurtado are creating a morning club to meet with selected students for emotional support.

In addition, Irby works with Meridian Health Services which provide counseling for identified students through their program in the community.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

The administration team monitors the following indicators throughout the school year. We meet weekly to discuss student concerns. The principal/assistant principal meet with any teacher at the end of each quarter who has any student failing an ELA or math course. Since Irby is a K-2 school population we are not able to monitor a score of level 1 on the Florida State Assessments (FSA) in ELA or mathematics.

The following indicators are:

- Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension
- One or more suspensions, whether in school or out of school
- Course failure in English Language Arts or mathematics

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	0	0	2	0	0	0	0	0	0	0	0	0	0	2
One or more suspensions	0	0	1	0	0	0	0	0	0	0	0	0	0	1
Course failure in ELA or Math	6	19	10	0	0	0	0	0	0	0	0	0	0	35
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students exhibiting two or more indicators	0	0	0	0	0	0	0	0	0	0	0	0	0	

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

The administration team tracks the students and monitors their academic, behavior and attendance concerns. The principal/assistant principal meet individually with teachers of any student with failing grades in ELA or math every nine week grading period. An Educational Planning Team (E.P.T)

meeting is conducted for any student exhibiting these early warning signs.

Irby's Title 1/FCIMS Instructional Coach provides academic tutoring for students identified in Kindergarten and second grade in small group intervention. Title 1 funds have been placed in first grade to reduce the class size with Title 1 reduction unit.

Identified students work with mentors from Irby's business partner, volunteers, and faculty and staff from within Irby to improve academic performance of students identified as well. Identified students can also participate in Irby's 21st Century after school program.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

Yes

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/430283>.

2. Description

A PIP has been uploaded for this school or district - see the link above.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

Irby has a partnership with McDonald's, Zaxby's and Frosty Jack's which support Irby by donating a percentage of their profit on Irby Family Nights to Irby Elementary. Texas Roadhouse provides free kid meals for perfect attendance awards each quarter and Sonny's "Kids With Character" certificates that provide students demonstrating the character trait of the week, Golden Eagles, a free Kid's Meal. Also, Kohl's Department staff members volunteer for school-wide events at Irby and they provide monetary donations. In addition, Irby has developed a business relationship with the Zaxby's restaurant to provide food for teacher trainings and spirit night fundraiser events. Also, Irby has partnered with Publix throughout the school year for donations to assist with Altrusa-Read-In and Junior Achievement to provide refreshments for these community-school activities. For Irby's Math Night, we have partnered with Capital City Bank of Alachua to assist with refreshments for families. In addition, we have partnered with Campus USA in providing a lunch to faculty and staff for one meeting a year. The Santa Fe High School Science Club partnered with Irby this year and provided hands-on STEAM activities for students at Irby's Math & Science Family Night.

Irby works with mentors from Irby's business partners and other community volunteers to improve academic performance of students identified.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Fortner, Valde	Principal
Cronin, Karen	Assistant Principal
Keen, Josie	Instructional Coach

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The school-based leadership team members include the Principal, Assistant Principal, Behavior Resource Teacher, School Counselor, Title 1/FCIMS Instructional Coach, and school resource officer. The team meets weekly to discuss both academic and behavioral concerns that might impact learning. More specifically, the FCIM team composed of the FCIM Instructional Coach, Principal, Assistant Principal, and School Counselor meet weekly to review student data and note any specific concerns.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Educational Planning Teams (EPT's) are one week per month. These meetings include the classroom teacher, parent, as well as the MTSS Leadership Team (principal, school counselor, assistant principal, Behavior Resource Teacher, FCIM Instructional Coach, and school psychologist). Students of concern (based on teacher concern/ observation as well as data) are discussed. Strategies are developed and selected. Interventions are implemented to support the struggling student. Future EPT meetings are scheduled based on how well the implemented strategy is working to help the identified students close the achievement gap in their learning compared to peers. In addition, the FCIM team composed of the Title 1/FCIM Instructional Coach, Principal, Assistant Principal, Behavior Resource Teacher, and School Counselor meet weekly to review student data and note any specific concerns. Also on a weekly basis, each grade level team conducts data chats through their weekly team meetings.

Title I, Part A

Services are provided to ensure students requiring additional remediation are assisted through after-school programs as well as summer school. The district coordinates with Title II and Title III in ensuring staff development needs are provided. We will also provide a pull-out tutorial program and professional development opportunities.

Title I, Part C- Migrant

Migrant Liaison provides services including translations for Spanish speaking families and support to students and parents. The liaison coordinates with Title I and other programs to ensure student needs are met. Our goal is to identify sources such as Title I funds for free tutoring services or UF Sponsored programs in order to assist with providing tutoring for our migrant student population. In addition, Spanish speaking personnel assist with translations to families.

Title I, Part D

The district receives funds to support the Educational Alternatives Outreach program. Services are

coordinated with district drop-out prevention programs.

Title II

District receives supplemental funds for improving basic education programs through the purchase of small equipment to supplement educational programs. New technology in classrooms will increase the instructional strategies provided to students and new instructional software will enhance literacy and math skills of struggling students. In addition, W.W. Irby Elementary will have a mentor coach assigned to our school by the district.

Title III

Services are provided through the district for education materials and ELL district support service to improve education of immigrant and English Language Learners (i.e. dictionaries, tutors, and translations).

Title X- Homeless

As do all schools under the McKinney-Vento Act, W.W. Irby offers automatic enrollment to students who qualify as homeless. Proof of residence is not required. Names of students determined homeless are forwarded to the district coordinator who then determines each student's eligibility for a variety of services. The District Homeless Social Worker provides resources (clothing, school supplies, social services referrals) for students identified as homeless.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Valdenora Fortner	Principal
Katherine Lehtola	Teacher
James Lee Davis	Education Support Employee
Jan Sleeper	Teacher
Alex Martinez	Teacher
Gina Napoleon	Parent
Gregory Pelham	Parent
Elizabeth Newman	Parent
	Student
Allen Hitchcock	Business/Community
Carole Fernandez	Business/Community
Joanne Duffy	Business/Community
	Student

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

The 2016-2017 School Improvement Plan was shared throughout the school year's scheduled SAC meetings. Goals were shared and input from the SAC members was given to the administration.

b. Development of this school improvement plan

The SAC committee is composed of the principal and an appropriately balanced number of teachers, education support staff, parents, and other business and community members. The SAC committee meets 4-5 times a year. The School Improvement Plan, Title I Parent Involvement Plan and School Compact and its' progress is updated at these meetings and input from the SAC Committee is received. Approval for expenditures of Lottery Funds are also sought from SAC. On-going school activities are shared with SAC and suggestions taken into consideration.

c. Preparation of the school's annual budget and plan

Administration is informed of school budget and provided feedback from school grade level teams. In addition, SAC members have the opportunity to provide input to the upcoming school year's plan.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

1. Supplies for Art- \$207.01
2. Supplies for Music- \$218.20
3. Substitutes (ESE para subs and subs for assessments)- \$781.12

Total- \$ 1,206.33

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Fortner, Valde	Principal
Cronin, Karen	Assistant Principal
Keen, Josie	Other

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The Literacy Leadership Team consists of the principal, assistant principal, Behavior Resource Teacher, school counselor, grade level team leaders, and Title 1/FCIMS Instructional Coach. The major initiatives for the Literacy Team this year are to provide additional support through our Title 1 program for Kindergarten and second grade. We will provide more intense remediation with small group intensive services in these grades. In first grade, Title 1 funds will support the reduction in class size with an additional teacher unit in this grade. The LLT will also communicate any areas of concerns and/or strengths incorporating Florida Standards through quarterly PLC's. In first grade, students identified in need of extra support in reading will participate in the UFLI tutoring program with the University of Florida. In addition, targeted students receive tutoring in the 21st Century after school program.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Grade levels meet weekly to collaborate planning, instruction, and data chats.

Vertical meetings between grade levels occur periodically throughout the school year in order to collaborate with cross grade levels for instructional input, feedback, and planning.

Second grade team meets with third grade team from Alachua Elementary twice a year to assist with the second graders transition to third grade and to collaborate with third grade teachers for curriculum instruction.

At monthly Faculty meetings/trainings (WOW Meetings), teachers share with colleagues effective strategies working in their classroom.

Twice a month, member of administration team meets with a grade level for data chat meetings.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

At W.W. Irby, Mrs. Fortner, school principal, assigns peer teachers for any beginning teacher following the district guidelines for the beginning teacher program. In addition, assistant principal provides research based materials and seeks training for staff members. Also, as part of the professional learning community, teachers are given opportunities to observe model lessons by other teachers to provide support and collaboration. The coaching method is utilized as observations are done with a leadership member and guiding questions for the teacher with a specific focus based on their individual instructional needs and the observation debriefed.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Teachers new to W.W. Irby are assigned and paired with another teacher to provide support in discipline issues, and guidance on district curriculum and planning. In addition, an informal grade level mentor teacher is assigned to a beginning year teacher.

2017-2018:

Irby has one new beginning teacher assigned this school year. Ms. Fosser will work with Dagni Christian from the district as well as Ms. Hamilton at Irby.

In addition, Irby has a first grade teacher, E.S.E Pre-K teacher and speech/language therapist new to Irby for the 2017-2018 school year. These teachers new to Irby are paired with other staff for support: Ms. Castillo (first grade teacher)- Ms. Filippucci (first grade teacher)

Ms. Cangialosi (ESE Pre-K Teacher)- Mr. Reed (ESE Pre-K)
Ms. DePaz (speech/language therapist)- Ms. Young (ESE self- contain teacher)

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Teachers use the District Instructional Scope and Sequence Guide for all academic areas. The District Scope and Sequence Guide is aligned with Florida Standards. Teachers' lesson plans are reviewed by the principal and the assistant principal to ensure teachers are implementing the instructional pacing guide and programs. In addition, the principal and the assistant principal conduct classroom snapshots and formal observations of teachers throughout the school year.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

The principal, assistant principal, Title 1/FCIMS Instructional Coach, and school counselor meet weekly for data chats. The team analyzes students' scores. Students identified in the lowest quartile and Hot List students are provided additional reading support in grades Kindergarten and second grade through small group intervention. In addition, classroom teachers use student data scores (bi-weekly tests/grades 1 & 2, quarterly assessments/ grades K-2) to structure groups and differentiate instruction. Through analysis of the data, teachers differentiate for reading comprehension, fluency, vocabulary, and phonics skill levels.

In addition, through Irby's BPIE review, goals were prioritized and are included Irby's School Improvement Plan:

1. Short and long term improvement efforts are included in the SIP- Irby will continue to explore ways to increase SWD's in the general educational setting.
2. School data reflect that all SWD's are educated in general education contexts 80% or more of the day.
3. There is a school-wide approach for planning and implementing Universal Design for Learning.
4. All paraprofessionals receive professional development on ways to support SWD's in general education.
5. Reports of progress toward implementing inclusion are disseminated to families, district personnel, and community members annually.
6. Speech/Language therapist will provide push-in services for targeted students in first grade/Pre-K ESE..
7. E.S.E. second grade students will receive science instruction in the regular education setting.

For the 2017-2018 school year, ESE students previously receiving direct instruction in math and reading are now receiving additional support for reading and or math skills and will receive direct instruction for all academics except science with the regular education teacher.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year:

Title 1 pull-out intervention during the school day. This provides increased learning in reading instruction.

Strategy Rationale

Kindergarten and second grade students performing in the lowest quartile in their reading skills and Hot List students are provided additional small group intervention during the school day in addition to the 90 minute reading block of instruction. In addition, a reduction in class size in first grade is utilized with Title 1 funds.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

W.W. Irby Elementary provides three Pre-K Handicapped classrooms and two Headstart classrooms. These students are provided opportunities in the spring to mainstream for short periods of time into a Kindergarten classroom.

Testing and data from these programs are analyzed as well as data from the administration of the Kindergarten Testing. The assistant principal, Title 1/FCIMS Instructional Coach, School Counselor, and principal conference with the Kindergarten teachers to discuss each student at the beginning of the school year. Parents are encouraged to send an input letter regarding their child before Kindergarten begins in the fall.

In order to have a smooth transition into the kindergarten setting, a staggered start has been implemented. Girls come to school one day, then boys the next day and all students on the third day of school. This reduces the number of students in the classroom the first two days of school, which allows the teacher to assist students with the transition in the following ways: reduces first day anxiety, provides opportunity to review school routines in a smaller setting, and provides the teacher an opportunity to make initial assessments of students.

Each spring, W.W. Irby Elementary participates in the county-wide Kindergarten Round-Up. Families have the opportunity to visit the school and pre-register their incoming kindergarten children. At this event, parents learn about the kindergarten curriculum and general school procedures. In addition, parents schedule an appointment to have their child screened for Kindergarten Readiness skills. This information is used to balance classes and to inform teachers about students' abilities at the beginning of the school year.

In addition to the district providing communication about Kindergarten Round-Up, W.W. Irby works closely with community businesses, Hitchcock's Market, and local preschools to display information about this event. Also, the W.W. Irby teacher committee will visit low SES housing to pre-register their incoming kindergarten children.

Local community businesses assist in displaying information for parents about the Voluntary Pre-K Program (VPK).

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Irby Elementary has a Career Awareness month in March. The following events occur during this month:

1. Community business people share their profession on the morning announcements.
2. Students study types of careers in the classroom. Irby has a Career Parade Day where students dress-up like their favorite career person.
3. In addition, Irby has a Career Vehicle Day in which partners from businesses, industry and the community provide students a hands-on learning opportunity to visit a variety of different career vehicles on Irby's school campus.
4. Ready for Success Program with second grade taught by Ms. Thurmond, school counselor.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

NA

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

Second grade student will participate in a keyboarding program called Edutype Jr. to develop effective keyboarding skills. This will assist student in the future for online academic assessments.

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

NA

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** Writing Goal- By the end of 2017-2018 school year, 70% of students in grades K (142), First (130), Second (102) will show 70% or above in the foundational writing skills required with Florida ELA Writing Standards using District/Irby's scope and sequence plan.
- G2.** Science Goal- By the end of the school year, 100% of students in K-2, (K-142), (1-130), (2-102), will reach end of the year District scope and sequence standards aligned with the state standards. By the end of the school year in grades 1 (130) & 2 (102), at least 60% of the students will demonstrate 70% or above on assessments.
- G3.** Parent Involvement- By the end of the 2017-2018 school year, Irby will increase their percentage of parents attending parent involvement opportunities by 5%.
- G4.** Reading Goal- By the end of the 2017-2018 school year, 40 % of Kdg students (142), 50% of first grade students and 60% of second grade students, will demonstrate 70% or above in reading skills as measured by the quarterly ELA Standards-Based Assessments.
- G5.** Math Goal- By the end of the 2017-2018 school year, 80 % of Kdg students (142), 60% first grade students (130), 75% second grade students (102) will perform 70% or above in math skills as measured by the quarterly Standards-Based Math Assessments.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. Writing Goal- By the end of 2017-2018 school year, 70% of students in grades K (142), First (130), Second (102) will show 70% or above in the foundational writing skills required with Florida ELA Writing Standards using District/Irby's scope and sequence plan. 1a

- Students identified with learning disorders that involve significant impairment of reading accuracy, speed, or comprehension to the extent that the impairment interferes with academic achievement.
- Students not familiar with the complex text and higher order thinking required in Florida Standards.
- Students not yet identified as having a learning disability or did not meet state eligibility requirements but have been identified in the subgroup scoring in the lowest quartile.

Resources Available to Help Reduce or Eliminate the Barriers 2

- Pearson Reading Street reading program.
- Mentors to assist with additional time spent reading
- Earobics and Smarty Ants Technology programs.
- Three leveled libraries
- Media Specialist correlates with standards using authentic literature.
- UFLI Reading Program with the University of Florida, College of Education
- Three teachers attend State Reading Conference (one teacher from each grade level)
- PLC planning days for consistency within each grade level for teaching reading standards
- Teacher created instructional notebook for reading lessons, activities, resources and DOK questions for teaching reading standards.
- Bookstudy (through e-books as well as other training on differentiation provided by District)
- UFLI strategies implemented through small group instruction during 90 minute reading block.
- Core Clicks- Technology Program
- Moby Max _Technology Program
- IStation- technology Program

Plan to Monitor Progress Toward G4. 8

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

V. Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G2. Science Goal- By the end of the school year, 100% of students in K-2, (K-142), (1-130), (2-102), will reach end of the year District scope and sequence standards aligned with the state standards. By the end of the school year in grades 1 (130) & 2 (102), at least 60% of the students will demonstrate 70% or above on assessments.

G2.B1 Lack of students having prior background knowledge of scientific concepts.

G2.B1.S1 Implement District scope and sequence skills in grades K-2 effectively.

PD Opportunity 1

Implement District scope and sequence skills in grades K-2 effectively aligned with Next Generation Sunshine State Standards. In grades 1 and 2, assessment student data will be used to monitor student learning.

Facilitator

Valdenora Fortner, Kari Cronin, Flo Bason, Melissa Ibanez

Participants

K-2 teachers

Schedule

Monthly, from 8/30/2017 to 6/1/2018

PD Opportunity 2

Students K-2 participate in hands on activities in Irby's science lab (STEAM activities such as legos, robotics)

Facilitator

Valdenora Fortner, Kari Cronin, Flo Bason, Melissa Ibanez

Participants

K-2 teachers and gifted teacher

Schedule

Monthly, from 8/14/2017 to 6/1/2018

G3. Parent Involvement- By the end of the 2017-2018 school year, Irby will increase their percentage of parents attending parent involvement opportunities by 5%.

G3.B1 Parents, school and community need to learn effective methods to prepare students to develop leadership abilities in themselves

G3.B1.S1 Strategies from this book will be shared at Team Leader meetings and Team Leaders will be shared on the weekly bulletin and disseminate information to teachers at their grade level meetings.

PD Opportunity 1

Title of the Title 1 Book Study is " 201 Ways to Involve Parents: Practical Strategies for Partnering with Families By- Betty L. Boulton

Facilitator

Josie Keen- Title 1/FCIMS Instructional Coach

Participants

All faculty

Schedule

Monthly, from 8/30/2017 to 6/1/2018

G4. Reading Goal- By the end of the 2017-2018 school year, 40 % of Kdg students (142), 50% of first grade students and 60% of second grade students, will demonstrate 70% or above in reading skills as measured by the quarterly ELA Standards-Based Assessments.

G4.B1 Students identified with learning disorders that involve significant impairment of reading accuracy, speed, or comprehension to the extent that the impairment interferes with academic achievement.

G4.B1.S5 Teachers participate in PLC planning days throughout the school year

PD Opportunity 1

Teachers will be provided planning time to develop lesson plans and assessments aligned with Florida Standards- Differentiation, UDL, Inclusive Practices

Facilitator

Valdenora Fortner

Participants

K-2 teachers, ESE and gifted

Schedule

Triannually, from 8/30/2017 to 6/1/2018

G5. Math Goal- By the end of the 2017-2018 school year, 80 % of Kdg students (142), 60% first grade students (130), 75% second grade students (102) will perform 70% or above in math skills as measured by the quarterly Standards-Based Math Assessments.

G5.B1 Students unable to transfer newly taught skills into real-life math problems.

G5.B1.S3 Provide STEAM hands-on activities for students.

PD Opportunity 1

Provide on-going teacher training in STEAM activities for students.

Facilitator

Flo Bason, Melissa Ibanez

Participants

K-2 teachers , ESE teachers and gifted teacher

Schedule

Annually, from 8/30/2017 to 6/1/2018

G5.B1.S4 Provide PLC planning days to develop lesson plans and assessments aligned with Florida Standards.

PD Opportunity 1

Teachers will develop lesson plans and assessments aligned with Florida Standards.

Facilitator

Valdenora Fortner

Participants

K-2 teachers, ESE and gifted

Schedule

Triannually, from 8/30/2017 to 6/1/2018
