^{*}Informational Baseline School Grade

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Table of Contents

| Purpose and Outline of the SIP | 4 |
|--|----|
| Differentiated Accountability | 5 |
| Current School Status | 6 |
| Supportive Environment | 6 |
| Family and Community Engagement | 8 |
| Effective Leadership | 9 |
| Public and Collaborative Teaching | 15 |
| Ambitious Instruction and Learning | 15 |
| 8-Step Planning and Problem Solving Implementation | 21 |
| Goals Summary | 21 |
| Goals Detail | 21 |
| Action Plan for Improvement | 24 |
| Appendix 1: Implementation Timeline | 28 |
| Appendix 2: Professional Development and Technical Assistance Outlines | 29 |
| Professional Development Opportunities | 29 |
| Technical Assistance Items | 30 |
| Appendix 3: Budget to Support Goals | 30 |

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in <u>section 1008.33</u>, <u>Florida Statutes</u>, is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by <u>Rule 6A-1.099811</u>, <u>Florida Administrative Code</u>:

- Not in DA A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- Targeted Support and Improvement A school with a current school grade of an initial D.
- Comprehensive Support and Improvement A school with a current school grade of F or two
 consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most
 recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

 Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

2017-18 DA Category and Statuses for Leisure City K 8 Center

| DA Region and RED | DA Category and Turnaround Status |
|---|-----------------------------------|
| Southeast - <u>LaShawn Russ-Porterfield</u> | - N/A |

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

At Leisure City K-8 Center, our mission is to provide a high-quality education in a safe, welcoming, and positive environment. We want our students to feel loved, supported, and encouraged to DREAM BIG!

b. Provide the school's vision statement.

Leisure City K-8 Center is committed to breaking barriers and building bridges to achieve student success. We strive to have our students to LEARN MORE, DREAM MORE, and ACHIEVE MORE!

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Leisure City K - 8 Center learns about students' cultures and builds relationships by hosting a school-wide open house at the beginning of the school year. Parents and students are encouraged to "walk the blue carpet," take and post selfies on the Leisure City K-8 Center social media platforms on the first week of school and during Open House in order to foster school spirit. Teachers host a variety of individual parent conferences based on individual needs. Parents are encouraged to request parent conferences or send emails if any concerns may arise. At the beginning of the school year, all teachers are encouraged to involve students in a variety of "Getting to Know You" activities to share with their classmates their personal likes and customs. During cultural months, such as Hispanic Heritage and Black History, students are given the opportunity to dress in traditional attire and bring in food from their native countries.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Leisure City K -8 Center has instituted a school-wide safety plan which includes student supervision before and after school. This plan incorporates an organized supervision of students as they exit the building. In addition, the school has created a safety committee to ensure that student safety on school grounds is a priority. Also, students are encouraged to take part in the school's safety by being part of the safety patrol team. We have also instituted the district policy "See Something. Tell Someone." This strategy encourages students to report incidents to authority figures in the school. Furthermore, the school hosts student assemblies where students are provided with anti-bullying tools and strategies. In September, the school participates in the Sandy Hook initiative "Start with Hello" in order to raise awareness and educate students to be a more connected and inclusive community.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

At the beginning of the school year, the teachers review the MDCPS Code of Student Conduct and the Student Handbook with the students so that they are informed about the school's rules and clear behavioral expectations. Additionally, the Code of Student Conduct is discussed with parents at Open

House. When a student misbehaves, there is an established protocol that all teachers follow so that expectations are consistent across the grade levels. Leisure City has created an "alternative to suspension plan" called the Student Success Center. It is designed to keep students in school and learning.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Two on-campus counselors are available on a daily basis for students and parents. The counselors address any concerns from students and their families. In addition, we have the 5000 Role Models mentoring program for boys in grades 4 - 8.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

The school's early warning indicators are the following:

- *Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension
- *One or more suspensions, whether in school or out of school
- *Course failure in English Language Arts or mathematics
- *A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics
- *Students retained in a previous grade level.
- *Students who failed two or more of any course.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

| Indicator | | Grade Level | | | | | | | | Total | | | | |
|---|---|-------------|----|----|----|----|----|----|----|-------|----|----|----|-------|
| | | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | TOtal |
| Attendance below 90 percent | | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| One or more suspensions | | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in ELA or Math | | 12 | 9 | 15 | 4 | 8 | 9 | 2 | 0 | 0 | 0 | 0 | 0 | 65 |
| Level 1 on statewide assessment | | 14 | 18 | 28 | 34 | 51 | 50 | 33 | 33 | 0 | 0 | 0 | 0 | 264 |
| Students who are retained | 9 | 16 | 17 | 16 | 0 | 1 | 4 | 2 | 0 | 0 | 0 | 0 | 0 | 65 |
| Students who failed two or more of any course | | 7 | 5 | 4 | 0 | 1 | 4 | 0 | 0 | 0 | 0 | 0 | 0 | 27 |
| | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

The number of students identified by the system as exhibiting two or more early warning indicators:

| Indicator | | Grade Level | | | | | | | Total | | | | | |
|--|---|-------------|----|----|----|----|----|----|-------|---|----|----|----|-------|
| | | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total |
| Students exhibiting two or more indicators | 6 | 15 | 13 | 14 | 39 | 60 | 62 | 43 | 38 | 0 | 0 | 0 | 0 | 290 |

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Students who are absent 3 or more consecutive days are contacted by school personnel in order to inquire the reasons for the absences and to offer assistance, if needed, for the student's prompt return. If students are ill, missing work is provided so that students can catch up. In addition, before and after school tutoring is provided for all students struggling in the content areas. Wonder Works Intervention program is in place to provide small group intensive instruction for struggling readers in grades K - 5. Intensive reading classes are offered for students in grades 6 -8 that scored Level 1 and 2 on the FSA Reading Assessment. Saturday tutoring provides the opportunity for students to receive additional instruction in reading, math, and writing. After-school tutoring is tailored for students who are struggling in core subjects in grades third through eighth. Retained students in grades 6 - 8 are identified and monitored throughout the school year. RTI process is initiated if necessary. Third grade retainees are identified and placed in an Intensive Acceleration class.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(2) and (b)(7)(A)(iii)(I).

- 1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.
 - a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

No

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

Parents will be integrated into the culture and fiber of the school's program. Parent meetings will be held monthly to provide parents with information about the school program and encourage participation in the education of their children. Our goal is to build the parents' capacity for involvement by offering a flexible number of meetings and workshops. These meetings will include: Head Start parent Meetings; FSA Reading and Math Curriculum informational meetings/activities; Science Fair; EESAC; Title I informational parent meetings; School/ Community engagement activities.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

The following partnerships have been developed with local community agencies: Homestead Air Force Base mentors middle school boys; New Beginnings Church provides school supplies/resources, mentoring, and tutorial services; Miami-Dade Corrections provides school supplies and backpacks for students; Margo Silt Soroptimist Club provides mentoring for young girls; DARE is a Miami-Dade Police Department drug resistance program; Do The Right Thing is a program funded by local law enforcement agencies that recognizes and rewards students for their exemplary behavior, achievements, and good deeds; Title I Migrant Education Program supports our migrant students and families to ensure highest academic achievement by providing tutorial services, school supplies, and parent outreach; Breakthrough Miami is an academic enrichment program for our motivated middle school students; Hope for Miami provides social skills training and mentoring for our students.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

| Name | Title |
|----------------------|---------------------|
| Garcia, Erica | Assistant Principal |
| Williams, Kenneth | Principal |
| Brill, Jennifer | Assistant Principal |
| Griffith, Anna | Teacher, K-12 |
| Diaz, Jaqueline | Teacher, K-12 |
| Cruz, Catherine | Teacher, K-12 |
| Gage, Patricia | Teacher, K-12 |
| Coleman, Jermaine | Teacher, K-12 |
| Alexander, Priscilla | Instructional Coach |
| Carpenter, Kejuana | Instructional Coach |
| Harris, Albertha | Teacher, K-12 |
| Lewis, Marcia | Teacher, K-12 |
| Dixon, Matthew | Teacher, K-12 |
| Robinson, Lydia | Teacher, K-12 |
| Chacon, Maya | Teacher, K-12 |
| Alcivar, Sophia | School Counselor |
| Dozier, Renee | School Counselor |
| Jones, Selina | Teacher, ESE |
| Rojas, Margarita | Teacher, K-12 |

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The members of the School-based Leadership Team include: Kenneth Williams, Principal; Jennifer Brill and Erica Garcia, Assistant Principals; Anna Griffith, Jacqueline Diaz, Catherine Cruz, Patricia Gage, and Jermaine Coleman, Grade level Chairs; Priscilla Alexander, Reading Leader; Kejuana Carpenter, Mathematics Coach; Albertha Harris, Marcia Lewis, Matthew Dixon, Lydia Robinson, Department Chairs; Maya Chacón, Test Chair; Sophia Alcivar, Renee Dozier, School Counselors; Selina Jones, ESE Department Chair; Margarita Rojas, ELL Chair.

Principal: Provides a common vision for the use of data-based decision-making, ensures that the school-based team is implementing MTSS, conducts assessment of MTSS skills of school staff, ensures implementation of intervention support and documentation, ensures adequate professional development to support MTSS implementation, and communicates with parents regarding school-based MTSS plans and activities.

Assistant Principals: Provide support to the common vision for the use of data-based decision-making that the school is implementing; ensure that interventions and support are being implemented as

planned; assist with communicating to parents the school's plans and activities.

Grade Level and Department Chairpersons (Primary and Intermediate): Provide information about core instruction, participate in student data collection, deliver Tier 1 instruction/intervention, collaborate with other staff to implement Tier 2 interventions, and integrate Tier 1 materials/instruction with Tier 2/3 activities.

Exceptional Student Education (ESE) Chairperson: Participate in student data collection, integrate core instructional activities/materials into Tier 3 instruction, and collaborate with general education teachers through such activities as co-teaching.

English Language Learners (ELL) Chairperson: Tests incoming ELL students and those ready to exit program; assists with ACCESS 2.0 assessment; interprets data and disseminates student reports; provides support and resources to ELL teachers and students.

Instructional Reading/Mathematics Leaders: Develop, lead, and evaluate school core content standards/ programs; identifies and analyzes existing literature on scientifically based curriculum/ behavior assessment and intervention approaches; identifies systematic patterns of student needs while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

Testing Chair/Data Analysis Team: Participate in data collection and data analysis; assist in the design and implementation for progress monitoring; participate in the design and delivery of professional development; and provide support for assessment and implementation monitoring.

School Counselors: Develop the necessary behavior interventions through the use of SCAM Data analysis.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The MTSS Leadership Team use the Tier 1 Problem Solving process to set Tier 1 goals, and monitor academic and behavioral data to evaluate progress towards those goals at least three times per year by:

- 1. Holding regular team meetings, on Mondays after dismissal, where problem solving is the sole focus
- 2. Using the four step problem solving process as the basis for goal setting, planning, and program evaluation during all team meetings that focus on increasing student achievement or behavioral success.
- 3. Determining how we will know if students have made expected levels of progress towards proficiency. (What progress will show a positive response?)
- 4. Respond when grades, subject areas, classes, or individual students have not shown a positive response. (MTSS problem solving process and monitoring progress of instruction)
- 5. Responding when students are demonstrating a positive response or have met proficiency by raising goals or providing enrichment respectively.
- 6. Gather and analyze data at all Tiers to determine professional development for faculty as indicated

by group or individual student diagnostic and progress monitoring assessment.

7. Ensure that students in need of intervention are actually receiving appropriate supplemental Tier 2 intervention. Gather ongoing progress monitoring (OPM) for all interventions and analyze that data using the Tier 2 problem solving process after each OPM.

Tier 2

The second level of support consists of supplemental instruction and interventions provided in addition to and in alignment with effective core instruction and behavioral supports to groups of targeted students who need additional instructional and/or behavioral support. Tier 2 problem solving meetings occur regularly (monthly is suggested) to:

- 1. Review OPM data for intervention groups to evaluate group and individual student response.
- 2. Support interventions where there is not an overall positive group response
- 3. Select students for SST Tier 3 intervention

The School Improvement Plan (SIP) summarizes the school's academic and behavioral goals for the year and describes the school's plan to meet those goals. The specific supports and actions needed implement the SIP strategies are closely examined, planned, and monitored on the MTSS Tier 1 worksheets completed three times per year to The MTSS Problem-Solving process is used to first carry out, monitor, and adjust if necessary, the supports that are defined in the SIP. Annual goals are translated into progress monitoring (3 times per year) and ongoing progress monitoring measures (approximately once per month) that can reliably track progress on a schedule based on student need across Tiers.

Tier 2 supports are provided to students who have not met proficiency or who are at risk of not meeting proficiency.

Finally, MTSS End of Year Tier 1 problem solving evaluates the SIP efforts and dictates strategies for the next year's SIP. At this time, previous years trend data across grade levels is used to examine impact grades for support focus or prevention/early intervention efforts.

While the SIP plan does not focus on the primary (untested) grades, the MTSS leadership team extends the intent of the SIP to kindergarten, first, and second grades as they contribute extensively to later grades' performance and student engagement.

Title I, Part A

Leisure City K – 8 Center provides services to ensure students requiring additional remediation are assisted through morning and after-school programs. The district coordinates with Title II and Title III in ensuring staff development needs are provided. Support services are provided to elementary and middle school students. The Reading Leader and Mathematics Coach develop, lead, and evaluate school core content standards/ programs; they identify and analyze existing literature on scientifically based curriculum/behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assist with whole school screening programs that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provide support for assessment and implementation monitoring. One component that is integrated into the school-wide program is special support services to special needs populations such as migrant and delinquent students.

Title I, Part C- Migrant

Leisure City K – 8 Center provides services and support to migrant students and parents. The District Migrant liaison coordinates with Title I and other programs and conducts a comprehensive needs assessment of migrant students to ensure that the unique needs of migrant students are met. Title I, Part D

District receives funds to support the Educational Alternative Outreach program. Services are coordinated with district Drop-out Prevention programs.

Title II

The District uses supplemental funds for improving basic education as follows:

Training to certify qualified mentors for the New Teacher (MINT) Program

Training for add-on endorsement programs, such as Reading, Gifted, ESOL training and substitute release time for Professional Development Liaisons (PDL) at each school focusing on Professional Learning Community (PLC) development and facilitation, as well as Lesson Study Group implementation and protocols.

Title III

Services are provided through the district for education materials and ELL district support services to improve the education of immigrant and English Language Learners.

Title X- Homeless

Students and parent are interviewed by the Community Involvement Specialist in order to determine grade level and special needs. Student attendance will be monitored daily. Additional support services will be provided through Project Upstart.

Leisure City K – 8 Center will receive funding from Supplemental Academic Instruction (SAI) as part of its Florida Education Finance Program (FEFP) allocation.

Violence Prevention Programs

Leisure City K – 8 Center offers a non-violence, anti-bullying, and anti-drug program to students that incorporate field trips and counseling.

Nutrition Programs

- 1) Leisure City K 8 Center adheres to and implements the nutrition requirements stated in the District Wellness Policy.
- 2) Nutrition education, as per state statute, is taught through physical education.
- 3) The School Food Service Program, school breakfast, school lunch, and after care snacks, follows the Healthy Food and Beverage Guidelines as adopted in the District's Wellness Policy.

Head Start

Leisure City K – 8 Center provides a VPK program.

Other

Involve parents in the planning and implementation of the Title I Program and extend an open invitation to Leisure City's parent area in order to inform parents regarding available programs and other referral services.

Increase parental involvement through developing Leisure City's Title I School-Parent Compact, Leisure City's Title I Parental Involvement Plan, scheduling the Title I Annual Meeting, and other documents/activities necessary in order to comply with dissemination and reporting requirements. Conduct informal parent surveys to determine specific needs of our parents, and schedule workshops. Parent Academy Courses, etc., with flexible times to accommodate our parents' schedules. This impacts our goal to empower parents and build their capacity for involvement. Complete Title I Administration Parental Involvement Monthly Reports (FM-6914 Rev. 06-12) and the Title I Parental Involvement Monthly Activities Report (FM-6913 03-12), and submit to Title I Administration Additionally, the M-DCPS Title I Parent/Family survey will be completed by parents/families in May. The survey results are to be used to assist with revising our Title I parental documents for the approaching school year.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

| Name | Stakeholder Group | | | | |
|------------------------|----------------------------|--|--|--|--|
| Annette Littlejohn | Teacher | | | | |
| Patricia Gage | Teacher | | | | |
| Ray Broughton | Teacher | | | | |
| Kenneth Williams | Principal | | | | |
| Meena Kissoon | Parent | | | | |
| Martin Estanislado | Parent | | | | |
| Priscilla Alexander | Teacher | | | | |
| Renee Dozier | Education Support Employee | | | | |
| Bethany Simmons-Little | Parent | | | | |
| Eric Bryant | Parent | | | | |
| Brock Sheiffer | Business/Community | | | | |
| Collee LaBarrie | Business/Community | | | | |
| Lavenia Jackson | Teacher | | | | |
| Tadrica Irvin | Parent | | | | |
| Destiny Parks | Student | | | | |

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(2).

a. Evaluation of last year's school improvement plan

The 2016-2017 SIP was reviewed identifying us as a Tier 1A school. The chosen strategies and barriers that need to be addressed allow the school to focus on a specific, more attainable goal. EESAC discussed ways of facilitating instruction of the LAFS and MAFS curricula. The EESAC also brainstormed strategies in order to ensure that all students are computer literate in preparation for computerized testing.

b. Development of this school improvement plan

The EESAC facilitated a meeting with department grade chairs to evaluate and revise the current SIP strategies. The available data was reviewed and professional development surveys were analyzed to develop school-wide improvement goals. The EESAC also met to disucss the preliminary strategies and add additional strategies or condense ones that need to be condensed.

c. Preparation of the school's annual budget and plan

The school's annual budget is based on student enrollment. The EESAC meets and reviews the school-wide needs to determine the necessary resources for the successful implementation of the School Improvement Plan. The EESAC creates a plan for the proper disbursement of EESAC funds.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Last year, the supply budget was \$5,000, and the tutorial budget was \$17,000 based on the enrollment of 1,016 students at the beginning of the 2016-2017 school year.

EESAC funds in the amount of \$2,999 were allocated for the purchase of medals, awards, incentives,

and assemblies.

EESAC funds in the amount of \$2,000 were used to pay for the end-of-the-year incentives and field trips.

- 3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.
 Yes
- a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

| Name | Title |
|----------------------|---------------------|
| Griffith, Anna | Teacher, K-12 |
| Gage, Patricia | Teacher, K-12 |
| Harris, Albertha | Teacher, K-12 |
| Lewis, Marcia | Teacher, K-12 |
| Robinson, Lydia | Teacher, K-12 |
| Alexander, Priscilla | Instructional Coach |
| Chacon, Maya | Teacher, K-12 |
| Garcia, Erica | Assistant Principal |
| Coleman, Jermaine | Teacher, K-12 |
| Dixon, Matthew | Teacher, K-12 |
| Brill, Jennifer | Assistant Principal |
| Williams, Kenneth | Principal |
| Cruz, Catherine | Teacher, K-12 |
| Alcivar, Sophia | School Counselor |
| Diaz, Jaqueline | Teacher, K-12 |
| Jones, Selina | Teacher, K-12 |
| Rojas, Margarita | Teacher, K-12 |
| Carpenter, Kejuana | Instructional Coach |

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

Leisure City K-8 Center's major initiative will focus on increasing rigor in reading instruction while demonstrating fidelity to the Florida Standards. This involves utilizing technology, infusing academic writing across the curriculum and adopting the Gradual Release Model in order to enhance instruction. Teachers will be trained on the use of the various district-approved software programs and planning for rigorous lessons. Students performing below grade level will continue to receive intervention to improve reading skills, yet they will also be provided with the opportunity to explore

and create through the utilization of reading, collaboration, and discussion. The Literacy Leadership Team is also focusing on developing collegiality and vertical and horizontal collaboration among teachers. This initiative will be facilitated by monthly Professional Learning Community Meetings.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Teacher schedules include common planning time so teachers can collaborate and design lessons and activities. Monthly PLC's are conducted based on teacher needs. These provide an opportunity for teachers to share best practices with their colleagues.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

The Assistant Principal of Curriculum will meet monthly with the beginning teachers to provide continued leadership and support throughout the school year.

The Principal and Assistant Principals will utilize district instructional staffing officers to identify and hire highly qualified staff. We also provide opportunities for professional growth for teachers which encourages the stability of the staff.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Leisure City follows the district teacher mentoring program, the MINT/Buddy program. We have four MINT Mentors at our school site. The MINT mentor provides support to new teachers via observing and modeling lessons as needed. The MINT Mentors have a written agreement and provide support to the new teacher/s all year long. Teachers new to the school are paired with teachers teaching similar subjects or in the same grade level so that the support given meets the new teacher's immediate needs.

E. Ambitious Instruction and Learning

- 1. Instructional Programs and Strategies
 - a. Instructional Programs
 - 1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Instructional materials, aligned to the new Florida Standards, are provided by the district. The district-developed pacing guides help teachers navigate through the core instructional programs.

Core Instructional Programs include:

Reading Wonders (Grades K - 5);

Inside for Grades 6 -8 Intensive Reading Students, and ELL students:

Read 180/System 44 for struggling readers (Grades 6 - 8;

Go Math! (Grades K - 5;

Social Studies Alive! (Grades K-5);

J&J Educational Bootcamp Science (Grades 5 and 8);

Interactive Science Course 1, 2, 3

Glencoe Florida Math - McGraw Hill (Grades 6-8);

Discovering Our Path: A History of the United States Early Years (Grades 6 and 8); Civics, Economics, and Geography (7th Grade)

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Data is discussed and utilized to plan rigorous lessons and differentiate instruction among the students. In addition, reading intervention is scheduled daily to target students who are having academic difficulties in this subject.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Weekend Program

Minutes added to school year: 1,800

Leisure City K-8 Center provides Saturday tutoring for targeted students in grades third through eighth.

Strategy Rationale

These students will be able to benefit from specific instruction which targets their academic areas in need of improvement in order to achieve proficiency level in the state assessments.

Strategy Purpose(s)

· Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy Gage, Patricia, 153010@dadeschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students enrolled in Saturday tutoring will complete pre/post-tests in order to ascertain the learning growth in reading, writing, and math. The Reading Leader will collect and share the data with both tutors and teachers to guide and enhance instruction. Additionally, data from monthly assessments will be analyzed to support and guide instruction in the extended learning programs.

Strategy: After School Program

Minutes added to school year: 2,400

Leisure City K-8 Center provides after-school enrichment clubs that meet several times a month based on student interest. Some of the clubs include: chess, chorus, American Girls and soccer team.

Strategy Rationale

Students from K-8th grade will acquire additional knowledge in the areas of math, science, arts, technology among others through club activities and project-based learning.

Strategy Purpose(s)

Enrichment

Person(s) responsible for monitoring implementation of the strategy Brill, Jennifer, jbrill@dadeschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Participation will be recorded in attendance logs during weekly and monthly meetings.

Strategy: After School Program

Minutes added to school year: 3,200

Leisure City K-8 Center provides after-school tutoring twice a week for targeted students in third through eighth grade.

Strategy Rationale

These students will be able to benefit from specific instruction which targets their academic areas in need of improvement in order to achieve proficiency level in the state assessments.

Strategy Purpose(s)

Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy Gage, Patricia, 153010@dadeschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students enrolled in after-school tutoring will complete pre/post-tests in order to ascertain the learning growth in reading and math. The Reading Leader will collect and share the data with both tutors and teachers to guide and enhance instruction. Additionally, data from monthly assessments will be analyzed to support and guide instruction in the extended learning programs.

Strategy: Before School Program

Minutes added to school year: 2,160

Leisure City K-8 Center provides before- and after - school tutoring twice a week for targeted ELL students levels 1-4. In addition, before school tutoring in reading and math is offered to middle school students.

Strategy Rationale

These students will be able to benefit from specific instruction in Reading and Math in order to achieve proficiency level in the state assessments.

Strategy Purpose(s)

Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy Brill, Jennifer, jbrill@dadeschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Attendance records will be collected. Students will be monitored using informal assessments, I-Ready, Reflex Math, and Imagine Learning;

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

The neighborhood preschools tour Leisure City K-8 Center and spend a day, twice a year, in order to smooth the transition from the preschools into the elementary school.

Teachers and department chairs assist with the vertical planning between the Pre-K program and Kindergarten program. Teachers will be responsible for administering baseline assessments in order to determine school readiness. All new Kindergarten students will participate in an orientation process to expose them to the routine and structure of the Kindergarten class. Articulation meetings are held between the prekindergarten teacher and the kindergarten teachers in order to ensure a smooth transition.

All students in VPK Programs were given the Florida Voluntary Pre-Kindergarten Assessment. The VPK Assessment includes progress monitoring measures in print knowledge, phonological awareness, mathematics, and oral language/vocabulary areas that are aligned with the Standards for four-year old students. Data is used to plan instruction and determine need for interventions. The VPK Assessment is administered three times a year.

All students in the Kindergarten program are given the Star Early Literacy Assessment (FLKRS) at the beginning of the year and the i-Ready Diagnostic three times a year. Data is used to plan instruction and determine need for interventions.

The school counselor assists students in the middle grades to select courses that are meaningful and contain a high interest for the student.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Leisure City K - 8 Center provides 6th and 7th grade students the opportunity to enroll in Computer Application in Business 1.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

Computer Application in Business 1 includes but its not limited to instruction in intermediate keyboarding, intermediate word processing, intermediate electronic presentation, intermediate computer hardware, intermediate Internet, introductory spreadsheet, and skills for business applications. Instruction and learning activities are provided in a laboratory setting using hands-on experiences with the equipment, materials, and technology appropriate to the course content and in accordance with current practices.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â\ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why"Â? or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

1 = Problem Solving Step S123456 = Quick Key

Strategic Goals Summary

If core instruction in all content areas is improved, then an increase in student achievement will take place.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. If core instruction in all content areas is improved, then an increase in student achievement will take place. 1a

- Quizlet

Plan to Monitor Progress Toward G1. 8

The Leadership Team and teachers will review assessment data to monitor students' progress and adjust instruction as needed.

Person Responsible

Kenneth Williams

Schedule

Quarterly, from 8/21/2017 to 6/7/2018

Evidence of Completion

District-Developed Assessments i-Ready Diagnostic Assessments Florida Standards Assessment Algebra I EOC Assessment Civics EOC Assessment Florida Statewide Science Assessment Florida Kindergarten Readiness Screener (STAR Assessment) ACCESS 2.0 SAT -10

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G1. If core instruction in all content areas is improved, then an increase in student achievement will take place.

% G096947

G1.B1 Teachers are providing intervention to whole group instead of targeted groups.

Q B260803

G1.B1.S6 Readjust the current intervention schedule to ensure that intervention is provided with fidelity. By using Power BI data, the student's classroom teacher will provide intervention to the students in the lowest 25%. 4

🕄 S276178

Strategy Rationale

Small group intense instruction is necessary for low performing students to be able to achieve success in the rigorous FSA Assessment.

Action Step 1 5

Provide professional development focused on the "5 Why" protocol to analyze data.

Person Responsible

Priscilla Alexander

Schedule

On 10/27/2017

Evidence of Completion

Meeting Agendas, sign in sheets, handouts.

Action Step 2 5

Analyze student data to effectively plan for student academic improvement.

Person Responsible

Kenneth Williams

Schedule

Monthly, from 8/28/2017 to 6/7/2018

Evidence of Completion

Data reports, lesson plans

Action Step 3 5

Encourage "Sharing of Best Practices" through common planning to design and implement a rigorous instructional framework.

Person Responsible

Priscilla Alexander

Schedule

Biweekly, from 8/28/2017 to 6/7/2018

Evidence of Completion

Lesson plans, data reports, administrator walk-throughs

Action Step 4 5

Provide incentives for students who show gains on i-Ready Diagnostics.

Person Responsible

Kenneth Williams

Schedule

Triannually, from 9/1/2017 to 5/18/2018

Evidence of Completion

i-Ready Diagnostic and Growth Monitoring reports and district-provided tracking chart

Action Step 5 5

Utilize the district-provided i-Ready Teacher Toolbox to provide differentiated instruction.

Person Responsible

Kejuana Carpenter

Schedule

Daily, from 9/25/2017 to 6/7/2018

Evidence of Completion

Lesson plans, student work, administrator walk-throughs

Action Step 6 5

Purchase student computers to enhance instruction.

Person Responsible

Kenneth Williams

Schedule

On 11/30/2017

Evidence of Completion

Computer lab sign-in sheets, lab schedule

Plan to Monitor Fidelity of Implementation of G1.B1.S6 6

The LLT along with administrators will conduct walk-throughs during the scheduled intervention in order to monitor the implementation of the identified strategy.

Person Responsible

Kenneth Williams

Schedule

Monthly, from 9/25/2017 to 6/7/2018

Evidence of Completion

Student work and attendance logs

Plan to Monitor Effectiveness of Implementation of G1.B1.S6 7

Teacher will review assessment data regularly and adjust instruction as needed. Administrators will conduct quarterly data chats to review and discuss data and make recommendations based on areas in need of improvement.

Person Responsible

Kenneth Williams

Schedule

Quarterly, from 9/25/2017 to 6/7/2018

Evidence of Completion

District-developed and teacher-made assessments
