SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

The mission of Lindsey Hopkins Technical College is to empower students to achieve their career goals and to develop their ultimate potential.

b. Provide the school's vision statement.

Lindsey Hopkins Technical College will be a showcase institution. Our administration, faculty and staff, united in purpose, will provide our student body with the most advanced career/technical and academic education

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Lindsey Hopkins Technical College serves a population that represents different cultures; therefore, teachers, staff, and students work together in showcasing the different cultures, dance, music, customs and traditions, and foods. Some examples of these celebrations are: Black History Month, the Holocaust, Haitian Flag Day, and the Hispanic Heritage month. We educate and support the students so that they can honor, respect, and accept the diversity in our community. We strongly encourage all the positive aspects of diversity by having all stakeholders to work collaboratively for the educational success of our students and the strength of our community.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Lindsey Hopkins Technical College has a security plan detailing procedures to follow in the event of both internal and external emergencies. Both security lockdowns and fire drills are reviewed and rehearsed periodically throughout the year so that students, staff, and other agencies housed on the school campus are familiar with the guidelines.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Lindsey Hopkins Technical College follows the procedures published in the Post-Secondary Student Code of Conduct to handle all serious incidents. The document is reviewed with students at the beginning of the school year by the teachers and counselors. In addition, all teachers must adhere to the school-site procedures which require that disruptive students are dealt with accordingly. For the first minor infraction, students are addressed by the teacher; a second infraction will require a referral to the counselor and/or an administrator who will make appropriate decisions according to the seriousness of the incident.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Lindsey Hopkins Technical College offers a comprehensive Student Services program to all students through individual counseling and small group counseling to address personal/social, educational and

career needs of all students. Counselors are available Monday through Thursday from 7:50 AM to 8:30 p.m. and on Friday from 7:50 AM to 3:10 p.m. in Room C-109.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

N/A

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA or Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Students exhibiting two or more indicators	0	0	0	0	0	0	0	0	0	0	0	0	0	0	

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

N/A

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

No

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

Lindsey Hopkins Technical College offers the dual enrollment program. We always have high enrollment of high school students in our programs due to the diverse activities that we participate in

and hold on a regular basis:

our teachers, counselors, and administrators attend open houses, career fairs, PTA meetings, and several other community activities in order to inform the parents of our programs, to keep them abreast of their children's progress, and to make recommendations for the success of their children.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

We actively recruit Dade Partners for Lindsey Hopkins Technical College. Once a year we provide a Dade Partners' breakfast so we may have an opportunity to welcome and thank our partners, to inform them of the programs we offer, and to invite them to become involved based on their expertise and interest. In addition, our partners participate in our monthly EESAC meetings where they provide inputs, receive updates, and stay connected and involved in our various activities. These partners participate in our Career and Health Fairs, Spelling Bees, and graduation ceremonies.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Daniel, Nyce	Principal
Gutierrez, Armando	Assistant Principal
Florestal, Jean Garry	Assistant Principal
Morris, Tangela	Administrative Support
Caldwell, Dennis	Administrative Support
Algaze, Stuart	Instructional Media
Blackmon, Sheria	Teacher, Career/Technical
Brownlow, Christina	Teacher, Career/Technical
Bruce, Roshan	Administrative Support
DePablo, Jose	Teacher, Career/Technical
Francois, Mariette	Teacher, Career/Technical
Gonzalez, Nura	Teacher, Career/Technical
Prieto, Armando	Teacher, Career/Technical
montenegro, benigna	Assistant Principal
Stephens Jr., Clyde	Assistant Principal

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Through our monthly School Leadership Team meetings, members are encouraged to participate, share new ideas and practice shared decision making. Each team member brings their own expertise to the table. The principal is at the helm and she shares all pertinent information with the team in order to better serve our students. The vice principal and assistant principals share ideas and

concerns from their assigned duties. The teachers share information from their respective programs. The business manager shares budgetary updates and concerns. The administrative assistant informs us about maintenance and safety related concerns. The media specialist keeps us abreast of all the latest technologies. The department chairs speak about specific concerns in their departments. Our EESAC chairperson and activities director share their ideas on reaching out to our community and offering different school-based events to our students. Together we work as a team to better serve our students, the school and the community.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Adult Education

Financial aid is available for eligible students who qualify for Skills for Academic, Vocational and English Studies (SAVES). Upon registration, students are referred to a counselor in the SAVES program.

Career and Technical Education

Financial aid is available for eligible students who qualify for Pell, Vocational Rehabilitation, District Funds, Fee Waivers and SAVES programs. Lindsey Hopkins Technical College is approved by the Florida Department of Veterans' Affairs. Upon registration, students are referred to a counselor and the financial aid officer for assistance with tuition.

Grants

Adult General Education (AGE) Grant is given to schools to enhance instruction by providing funding for instructional staff, case managers, supplemental materials and related activities.

Job Training

The career technical education programs provide job training for all students as part of their curriculum content and through clinicals in the health science programs such as practical nursing, patient care assistant, nutrition and dietetic services, Dietetic Management and Supervision and dental assisting. Through advisory committee meetings, industry/community members will make recommendations to the various technical programs to maintain these programs current with industry demands.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Ms. Nyce Daniel	Principal
Ms. Pauline Clarke-Trotman	Business/Community
Mr. Antonio Villasuso	Business/Community

Sharon Gray	Education Support Employee
Larry Georgeson	Business/Community
Christopher Alcuis	Student
Ricardo Losada	Teacher

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

Goal #1 Increase the number of students earning Occupational Completion Points (OCP) by 1.2 % as compared to the previous year. The goal was met and exceeded: An increase from 1141 to 1148 OCP's

Goal #2 Increase the number of students earning Literacy Completion Points (LCP) by 1.2% as compared to the previous year. The goal was met and exceeded from 1161 to 1324.

b. Development of this school improvement plan

The Educational Excellence School Advisory Committee (EESAC) assists in the preparation, evaluation and final recommendations relating to the development of the School Improvement Plan (SIP). The SIP was reviewed and approved by October 2017.

c. Preparation of the school's annual budget and plan

N/A

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

As a career technical education center, Lindsey Hopkins Technical College does not generate EESAC funds.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Daniel, Nyce	Principal

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

We do not have a LLT but literacy concerns are addressed during the School Leadership Team meeting, department meetings and weekly department meetings. Literacy is promoted through our different school-wide presentations and the media center orientations.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Teachers are encouraged to plan collaboratively. Department planning meetings are held weekly in order to assist teachers, share and discuss student attendance, grades, assignments, curriculum alignments, reports, and hands-on activities with the use of technology. Part-time teachers are given the opportunity to work on some planning days along with the full-time teachers so together they may share best practices.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

Potential candidates are screened and interviewed by a committee of at least three members. These members consist of the principal, vice principal/assistant principal, and department chairperson responsible for a specific area or program. The educational background, experience and references are

essential in the selection process. To retain highly effective teachers, the administrator ensures these teachers are given the appropriate curriculum support, resources and opportunity to be an effective teacher and to promote professional growth.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

N/A

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Career/technical post-secondary certificate programs are offered in eight different career clusters: Architecture and Construction, Arts, A/V Technology and Communications, Education and Training, Health Science, Hospitality and Tourism, Human Services, Information Technology, Transportation. The Adult General Education (AGE) curriculum covers English for Speakers of Other Languages (ESOL), Adult Basic Education (ABE) and General Educational Development (GED) test preparation to obtain a high school diploma and basic skills remediation. All teachers prepare a syllabus and collaborate with colleagues teaching the same subject. The syllabus reflects the frameworks prescribed by the Florida Department of Education. Instructional materials are correlated with the curriculum frameworks and reflect all the standards.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

The following reports are used to provide differentiated instruction to meet the diverse needs of the students:

Test chairpersons prepare *reports for the teachers based on individual (TABE and CASAS) student assessment data in order for teachers to prepare their lesson plans which will reflect differentiated instruction according to students' strengths and weaknesses.

Tutorial services are offered where students receive individual instruction to address their needs. In addition, students use softwares (Burlington, Rosetta Stone, ITTS, TABE Academy, GED Academy, Eessential...) as additional resources to enhance their learning.

*Teacher of Adult Basic Education (A.B.E.) use the CTB-McGraw Hill Individual Profile report. Teachers for English for Speakers of Other Languages (E.S.O.L.) use the CASAS.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year:

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

N/A

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

The Dual Enrollment Coordinator works with the participating high school counselors and program specialists to identify potential students. She interviews and meets with the students and parents to discuss the program. Upon enrollment, the Dual Enrollment Coordinator works with the career technical teachers and counselors at the school to provide appropriate assistance such as financial aid, career counseling and registration in order to to prepare the students to transition to post-secondary education.

Furthermore, the school establishes partnership with Miami-Dade Community College so that our Nursing, Computer Technology, Automotive students can articulate to advance their career and knowledge at the college level.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

We are a technical college that offers the following career technical education programs in which the students may enroll to earn industry certifications. Our course offerings include: Commercial Foods and Culinary Art, Automotive Service Technology, Computer Systems and Information Technology, Commercial Art Technology, Electricity and Early Childhood Education, Practical Nursing, Phlebotomy, and Heating and Ventilation Air Conditioning.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.
