^{*}Informational Baseline School Grade

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Sarasota County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in <u>section 1008.33</u>, <u>Florida Statutes</u>, is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by <u>Rule 6A-1.099811</u>, <u>Florida Administrative Code</u>:

- Not in DA A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- Targeted Support and Improvement A school with a current school grade of an initial D.
- Comprehensive Support and Improvement A school with a current school grade of F or two
 consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most
 recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

• <u>Implementing</u> - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

Lakeview Elementary School provides students with a challenging curriculum in a nurturing environment, preparing them for a lifetime of decision making and future success.

b. Provide the school's vision statement.

The Lakeview Elementary School community believes learning occurs in a safe, positive, and respectful environment. Our dedication to interactive, individualized, lifelong learning empowers students to lead successful lives and confidently face the challenges of tomorrow.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Through parent conferences and day-to-day interactions with students and families, Lakeview's teachers learn about our students' cultures. Lakeview's teachers offer numerous opportunities for students to learn about their peers' cultures through opportunities embedded in the curriculum. As the diversity of our student body becomes more transparent and understood, so do the positive relationships between teachers and students.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Whenever our students are on Lakeview's campus, an environment of emotional/physical safety and respect prevails. Our School-wide Expectations, our Lancer Pledge, and our Teach To's are just a few examples of the daily reaffirmation to our students' emotional/physical safety and feeling of respect.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

Lakeview's entire school community adheres to the Time to Teach philosophy for positive classroom management. Its premise is that a student is not permitted to interrupt instruction more than once. A scaffolded system for positive behavior support is in place. During the first week of school, and as needed throughout the year, students are taught Teach To's for various situations. The Teach To's complement the Time to Teach philosophy. Our school counselor facilitates classroom sessions which complement the targeted areas of our school-wide expectations and the Character Education curriculum. The school counselor also will attend one CPT for each team to review Teach To Guidelines. Lakeview's PBS committee, with reps from each grade level/department, meets monthly to ensure our positive behavior/positive classroom management systems are in place and fairly/ consistently being enforced.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Lakeview's school counselor facilitates classroom sessions which complement the targeted areas of our school-wide expectations. She also addresses "hot" topics that arise throughout the year through restorative strategies/circles in classrooms. Our school counselor also meets one-on-one, with small groups, and with parents on a scheduled and as-needed basis. She is a primary source to our school community for targeted agencies/family services. Lakeview's staff, as well as community adult volunteers, serve as academic/behavior mentors to targeted students.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

We have implemented regular attendance monitoring. Our SWST team identifies and reviews students of concern on a weekly basis. These students may be part of an incentive program geared at improving student attendance. Attendance is checked daily and immediate follow-up calls are made home when students of concern are not present that day. The attendance data is reviewed monthly and adjustments are made as warranted by the data. We are monitoring:

- * Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension
- * One or more suspensions, whether in school or out of school
- * Course failure in English Language Arts or mathematics
- * A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

| Indicator | | Grade Level | | | | | | | | | | | Total | |
|---------------------------------|----|-------------|---|----|----|---|---|---|---|---|----|----|-------|-------|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | TOtal |
| Attendance below 90 percent | 11 | 6 | 9 | 10 | 9 | 4 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 49 |
| One or more suspensions | 0 | 1 | 0 | 4 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 5 |
| Course failure in ELA or Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Level 1 on statewide assessment | 0 | 0 | 0 | 11 | 10 | 4 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 25 |

The number of students identified by the system as exhibiting two or more early warning indicators:

| Indicator | | Grade Level | | | | | | | | Total | | | | |
|--|---|-------------|---|---|---|---|---|---|---|-------|----|----|----|-------|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total |
| Students exhibiting two or more indicators | 0 | 0 | 0 | 4 | 1 | 1 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 6 |

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

- -School-wide mentoring
- -Regular data chats with homeroom teachers
- -MTSS Process
- -Volunteer Program
- -Parent conferences

- -Team teaching
- -Departmentalizing of ELA and Math in Grades 3 and 5
- -Contract Service Support assistance in i-Ready labs
- -IXL software support in Math
- -Before/after school remediation
- -Guidance lessons on attendance
- -Restorative Strategies Circles
- -Daily Scheduled PBS Motivating "play times" and "lunch bunch"
- -Reading Recovery Support in Grade 1

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, \hat{A} § 1114(b)(2) and (b)(7)(A)(iii)(I).

- 1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.
 - a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

No

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

- Welcome calls / outreach breakfast (kindergarten families and / or families new to Lakeview)
- ESOL Breakfast
- Parent Information Night (ESE and regular education presentations)
- * STEM Family Night
- School Advisory Council (membership reflects Lakeview's diverse population)
- Backpack program (weekly food provided to target families)
- Parent Teacher Organization (membership reflects Lakeview's diverse population)
- Volunteer Program (at-school and at-home opportunities)
- * Parent/Student Portal
- * Weekly/midterm reports, in addition to report cards
- * Remind.com texts to parents and Connect-Ed informational phone messages
- * 5 Star Program
- 2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.
- -Active School Advisory Council
- -Active PTO
- -Business Partnerships
- -Neighborhood Church (mentoring)
- -Backpack Program
- -Snack Pantry
- -Student Council Outreach Program
- -The Giving Tree- Holiday Gifts provided to families in need
- -Florida House Learning Center
- -After School Clubs
- -World Rowing Art Project

- -5 Star Program
- -STEM planned family events

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

| Name | Title |
|----------------|---------------------|
| Wheatley, Lisa | Principal |
| Dafoulas, Judy | Assistant Principal |
| Piatt, Lauren | School Counselor |
| Brown, Kris | Other |

b. Duties

- 1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.
- Principal:
- 1. provides a common vision for the use of data-based decision making
- 2. ensures that the school-based team is implementing MTSS
- 3. ensures implementation of intervention support, and documentation
- of adequate professional development, to support MTSS and SIP implementation
- 4. communicates with school and non-school-based shareholders regarding MTSS and SIP
- 5. completes multiple observations of teachers instructing students providing teachers with feedback
- Assistant Principal:
- 1. provides information about core instruction
- 2. participates in school-wide student data collection /analysis.
- 3. assists with school-wide progress monitoring.
- 4. collaborates with instructional staff to implement MTSS tier interventions.
- 5. communicates with school and non-school-based shareholders regarding MTSS and SIP.
- 6. completes multiple observations of teachers instructing students providing teachers with feedback
- Counselor / ESE Liaison / ELL Liaison:
- 1. participate in school-wide student data collection / analysis
- 2. assist with school-wide progress monitoring
- 3. collaborate with instructional staff to implement MTSS tier interventions
- 4. communicate with school and non-school-based shareholders regarding MTSS and SIP
- 2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Principal:

Review and revise established infrastructure.

Principal/Assistant Principal/Instructional Staff:

- Analyze relevant school profile data for the purpose of problem analysis
- Analyze data in order to identify trends and groups in need of further intervention
- Set resulting goals

School Counselor:

- * In partnership with Temple Emanuel, weekly backpack program will provide food to target families.
- * Our neighborhood church will provide volunteers to assist our students and staff.

Principal/Bookkeeper:

- * General fund dollars will purchase instructional materials to support the Florida Standards.
- * School Recognition/Aftercare dollars may be used for contracted services to allow facilitation of small group remedial instruction during the school year and/or remediation/enrichment
- * Title II Funds may provide instructional coverage for teachers to attend PD.
- * School Improvement dollars may be used to contract the services of a consultant.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

| Name | Stakeholder Group |
|---------------------|----------------------------|
| Peggy Atkinson | Teacher |
| Denise DeLellis | Teacher |
| Cheryl Underhill | Education Support Employee |
| Lisa Wheatley | Principal |
| Amy Buttle | Parent |
| Angela Xinidis | Parent |
| Geoffrey Gibbs | Business/Community |
| Sue Hlohinec | Business/Community |
| Susan Amon | Teacher |
| Courtnee O'Shea | Teacher |
| Rhonda Pichevin | Teacher |
| Kacie Nadeau | Teacher |
| Kendra Brown | Parent |
| Christy Brucksieker | Parent |
| Gillian DaSilva | Parent |
| Shannon Johnson | Parent |
| Cheryl Roessler | Parent |
| Kelle Hoskins | Teacher |
| Natalie Nikias | Business/Community |
| Aide Ruiz | Parent |
| Sharon Wise | Parent |

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(2).

- a. Evaluation of last year's school improvement plan
- SAC/SDMT members participated in end-of-year review of 2016-2017 school improvement plan at final meeting of the school year and updated data at the beginning of the 2017-2018 school year.
- b. Development of this school improvement plan
- Review previous year's data
- Evaluate appropriateness of measures of progress, professional development activities, timelines, and evaluation procedures
- c. Preparation of the school's annual budget and plan
- -The budget is prepared at the district level and reviewed at SAC/SDMT. The staffing is determined at school level and reviewed at SAC/SDMT.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Last year the funds were saved to help fund proposed After school Reading and Science clubs at Lakeview.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.
Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

| Name | Title |
|-------------------|---------------------|
| Dafoulas, Judy | Assistant Principal |
| Wheatley, Lisa | Principal |
| Anderson, Kristen | Teacher, K-12 |
| Powell, Mary | Teacher, K-12 |
| Usman, Khizran | Teacher, K-12 |
| Rosander, Marie | Teacher, K-12 |
| Theiler, Victoria | Teacher, K-12 |
| Silva, Lisa | Teacher, K-12 |
| Brown, Kris | Other |
| Wink, Megan | Teacher, K-12 |
| | |

b. Duties

- Describe how the LLT or similar group promotes literacy within the school, if applicable.
- Create reading clubs/camps after school
- 2. Contract services to provide support in our i-Ready labs so teachers utilize time for interventions
- 3. Facilitate Students with writing the scripts for our daily morning news program (LNN)
- 4. Provide a free book to every child at our annual Scholastic Book Fair
- 5. Promote school-wide reading incentive programs in Accelerated Reader and Sunshine State Young Readers, using incentives from PTO and local business partners
- 6. Create writing expectations, rubrics, graphic organizers, and samples for teams

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Collaborative planning teams meet weekly by grade level/department. Planning periods are grade/ department specific to encourage collegial planning. Departmentalization occurs in 3rd, 5th, and some 4th grade classes Advanced Work Classes collaborate in grades 2-5.

- 2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.
- Principal seeks instructional staff input to develop timely and relevant professional development.
- Lakeview continues to be an "A" school.
- Lakeview has been a Five-Star school for 20 years.
- Lakeview has a high level of parent involvement and volunteers who support the school.
- Climate surveys reflect Lakeview as having a positive supportive environment.
- 3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Lakeview will use SCIP (Sarasota County Induction Program) Mentors for beginning teachers. These mentors meet with their "mentee" to review Sarasota County requirements related to first and second year teaching. Topics include lesson planning, classroom management, Student Information Night, Pride Rubric and domains, and professional development.

E. Ambitious Instruction and Learning

- 1. Instructional Programs and Strategies
 - a. Instructional Programs
 - 1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.
 - -Teachers follow district-provided Instructional Focus Guides, Guides to Plan for Success (GPS). and maximizingmathmentality.wikispace resources.
 - -Weekly CPTs focus on alignment of instruction/materials to Florida Standards.
 - -Formative/summative assessments provide alignment data.
 - -Summer curriculum workshops provide time to reflect on best practices.
 - -Teachers attend workshops offered by the district throughout the school year as well.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

All teachers participate in data chats with the pupil support team. Data is analyzed, and plans are made for differentiated instruction, during (but not limited to) weekly CPTs.

iReady scores and grade level common assessments are analyzed to determine needs of students. Interventions are implemented as needed using this data.

Our Reading Recovery teacher uses data to assist 1st Grade students in need.

504 Plans are provided as needed.

Team teaching enables further differentiation.

Before/during/after school instructional support is given as able.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year:

 Supervised support with homework and additional iReady time during our after school child care program.

Strategy Rationale

Additional individualized instruction determined by students' needs will result in academic progress.

Strategy Purpose(s)

- · Core Academic Instruction
- Enrichment

Person(s) responsible for monitoring implementation of the strategy

Dafoulas, Judy, judy.dafoulas@sarasotacountyschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Teachers reflect on iReady data to differentiate instruction.

Teachers monitor homework completion.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, \hat{A} 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

For Pre K: At the beginning of the school year, kindergarten teachers receive results from Pre K exit assessments. They also access reports from FLKRS online testing.

For 5th graders moving on to 6th grade: In the spring, our school counselor and our ESE Liasion

meet with personnel at feeder middle schools. We've also asked our districted middle school to provide a parent night for our families.

b. College and Career Readiness

- 1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.
- * 5th grade students attend Enterprise Village,in Largo, FL, a hands-on economic education program where they develop basic economic concepts and understand relationships between businesses and consumers.
- * 5th Grade students participate in Career Day- interacting with community volunteers from professionals and service careers.
- * 5th grade lessons from school counselor on various careers
- * Career parade in May- students research and dress up as various occupations
- * 5th grade students act as coaches, every other week, in Motor Assessment Training with Oak Park special needs students- students model attending, attempting, and attaining skills.
- 2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.
- IC3 Spark Digital Literacy Certification- test offered to 5th grade students in May after weeks of studying various digital literacy skills
- 3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.
- * Enterprise Village training prior to the field trip is aligned to the 5th grade Civics Social Studies Standards.
- 4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why"Â? or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal **B** =

Barrier **S** = Strategy

1 = Problem Solving Step S123456 = Quick Key

Strategic Goals Summary

- **G1.** ELA: By the year 2018, there will be a minimum of a two percentage point increase for all student groups where 70% or more are currently demonstrating proficiency.
- MATH: By the year 2018, there will be a minimum of a two percentage point increase in math for all student groups where 70% or more are currently demonstrating proficiency.
- G3. Five Star School Goal: Lakeview will involve members from the community to encourage and support our focus on STEM learning through planned family events including Publix Scavenger Hunt, Bricks for Kids Evening, and 3 D Printer Event.
- SCIENCE: By the year 2018, there will be a minimum of a two percentage point increase for all student groups where 70% or more are currently demonstrating proficiency.
- G5. ATTENDANCE: By the year 2018, there will be a reduction in the number of students with excessive absences. There will be a 1% decrease in the number of students absent from school for 18 or more school days.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. ELA: By the year 2018, there will be a minimum of a two percentage point increase for all student groups where 70% or more are currently demonstrating proficiency.

Targets Supported 1b

| Indicator | Annual Target |
|-------------------------------------|---------------|
| ELA Achievement District Assessment | 83.0 |

Targeted Barriers to Achieving the Goal 3

· Gaps in Student Achievement, High rigor of standards, learning curve for teachers

Resources Available to Help Reduce or Eliminate the Barriers 2

 As Lakeview continues to implement Florida Standards, and prepares for FSA, instructional staff will analyze students' data and differentiate instruction as appropriate, using multiple ELA resources and implementing strategies to help align student tasks to the cognitive demand of the standards

Plan to Monitor Progress Toward G1. 8

School Principal and Assistant Principal will monitor progress monitoring reports and classroom visits.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.
