School Demographics

School Type and Grades Served (per MSID File)	2016-17 Title I School	2016-17 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)
Elementary School PK-2	Yes	51%
Primary Service Type (per MSID File)	Charter School	2018-19 Minority Rate (Reported as Non-white on Survey 2)
K-12 General Education	No	21%

School Grades History

Year
Grade

School Board Approval

This plan was approved by the Nassau County School Board on 11/9/2017.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	6
Supportive Environment	6
Family and Community Engagement	9
Effective Leadership	9
Public and Collaborative Teaching	14
Ambitious Instruction and Learning	16
8-Step Planning and Problem Solving Implementation	20
Goals Summary	20
Goals Detail	20
Action Plan for Improvement	22
Appendix 1: Implementation Timeline	36
Appendix 2: Professional Development and Technical Assistance Outlines	38
Professional Development Opportunities	38
Technical Assistance Items	42
Appendix 3: Budget to Support Goals	42

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

2017-18 DA Category and Statuses for Yulee Primary School

DA Region and RED	DA Category and Turnaround Status
Northeast - Cassandra Brusca	Not In DA - N/A

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

At Yulee Primary School, we adopt the Nassau County Mission Statement which is the following:
Our mission is to develop each student as an inspired life-long learner and problem-solver with the strength of character to serve as a productive member of society.

b. Provide the school's vision statement.

Yulee Primary School will collaborate with all stakeholders by actively engaging all learners through a rigorous differentiated curriculum, aligned with state and district standards, in a respectful, age appropriate and safe environment.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Our school will infuse the content required by Florida Statute 1003.42(2) as applicable to appropriate grade levels, including but not limited to:

- The history and content of the Declaration of Independence
- The history, meaning, significance, and effect of the provisions of the Constitution of the United States.
- Flag education
- The elements of civil government
- The history of the United States
- The history of the Holocaust
- The history of African Americans
- The history of the state
- The conservation of natural resources
- Comprehensive health education
- The study of Hispanic contributions to the United States
- The study of women's contributions to the United States
- Character development programs
- Sacrifices of veterans

We will ensure that relationship-building is a clear priority and that students will develop the knowledge and skills to become contributing citizens in a multicultural society and global community.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Adults across the campus will clarify their expectations for positive interpersonal interactions and create the structures and processes for reporting violations of bullying/harassment/dating violence/civil rights policies.

Involve all staff in the process of modeling and teaching interpersonal expectations in academic and non-academic settings and giving them instruction for reporting violations to appropriate supervisors.

Develop methods of effectively addressing disrespectful comments as well as methods for respectfully correcting misbehavior at the classroom and administrative levels.

Create methods/formats where the characteristics of safety and respect can be assessed, monitored, and where strategies for improvement can be created, discussed, and supported.

At Yulee Primary School, school personnel establish firm rituals, routines, and procedures, as well as, rules that guide behavior for all stakeholders. The Student Code of Conduct is upheld through positive behavior management systems, which include logical consequences, as well as, needed discipline notices and referrals. Climate survey results are analyzed on an annual basis to ensure all stakeholders feel safe. Required annual training for all personnel sets district and state expectations for school safety.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

We use the Positive Behavioral Intervention System (PBIS) at YPS. We have established our school-wide expectations, and we are actively seeking ways to focus on positive behavior interventions and supports for our students.

Ensure teachers are trained in classroom management strategies and positive behavior support strategies.

Instructional team reviews classroom data to ensure students are engaged while in class.

Ensure differentiation of instruction is taking place to meet the needs of all students. Teachers will convey and review expectations for each learning activity.

Class meetings will occur on a frequent basis to include student feedback.

School-wide recognition systems are in place.

Offer school counseling services with dedicated time for core classroom guidance that contribute to student engagement leading to improved academic achievement resulting in college-career readiness.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

School based teams meet to discuss students with barriers to academic and social success.

Mentors are assigned to students identified with concerns.

Offer instruction and various campus activities that address social/emotional needs of students.

Connect students to agencies who have Cooperative Agreements or are on campus.

School counseling program with dedicated time to: 1. Assess the needs of the students and the barriers blocking their success (Data-Driven Decision Making), 2. Identify interventions that the research suggests works to remove the barrier to success (Evidence-Based Intervention), and 3. Evaluate your intervention (Evaluation)

Engage with identified staff (i.e. school counselor, school-based team leader) to provide a differentiated delivery of services based on student/school need. (Include core, supplemental, and

intensive supports.)

Yulee Primary School's guidance counselors conduct guidance classes for students on a bimonthly basis. Individual and small group counseling sessions are held on an as needed basis. Guidance lessons focus on anti-bullying and social skills.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

Nassau County School District utilizes an Early Warning System through Focus, in which we track

*Attendance below 90%

*One or more suspensions, whether in school or out of school

*Internal discipline notices and referrals

*Course failure (below 60%) in English Language Arts or mathematics during any grading period, as well as, any other district promotional requirements listed on the Nassau County Pupil Progression Plan.

*A score below the 40th percentile rank on the district kindergarten through second grade standardized assessment, Stanford 10.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	47	45	57	0	0	0	0	0	0	0	0	0	0	149
One or more suspensions	4	4	1	0	0	0	0	0	0	0	0	0	0	9
Course failure in ELA or Math	0	2	1	0	0	0	0	0	0	0	0	0	0	3
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students exhibiting two or more indicators	1	2	1	0	0	0	0	0	0	0	0	0	0	4

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

*Targeted before and after school tutoring for students identified as performing in the lowest quartile.

*Targeted in school interventions for students identified in the lowest quartile.

*Differentiated reading instruction during small group instruction.

*Professional development for teachers and paraprofessionals on differentiating instruction and active engagement strategies.

*Small group social skills instruction for identified students.

*Whole group social skills instruction on a bimonthly basis with the guidance counselors.

*Attendance is tracked and parents are notified through written notices and phone calls. In addition, Nassau County has attendance procedures, guidelines, and interventions.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

Yes

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/457124>.

2. Description

A PIP has been uploaded for this school or district - see the link above.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

The school and district build and sustain partnerships with our local community. These groups meet regularly to review data, have discussions about progress, and make decisions about implementation plans and strategies ensuring a common vision among all partners. Our school partnerships support our efforts to increase student achievement by

- *Establishing structured opportunities to engage all stakeholders
- *Encouraging open dialogue about challenges and solutions
- *Engaging stakeholders in the use of data
- *Leveraging community resources and funding sources

Volunteer and Community Involvement programs develop community resources in response to the differing needs of classrooms. By accessing the many diverse resources found in communities, these programs enrich and enhance school curriculum. A wide array of community partners enables these programs to maximize their impact. Volunteers may tutor, mentor, assist in the classroom, help with fundraising, participate in developing school plans, as well as many other opportunities. Recognition awards promote community involvement as well as highlight outstanding volunteer practices and showcase exemplary projects which are then shared district-wide.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Harris, Brianna	Principal
Cacciapouti, Susan	Teacher, K-12
Davis, Jayme	Teacher, K-12
Domingo, Angela	Teacher, ESE
Shay, Kara	Teacher, K-12
Green, Lilley	Teacher, K-12
Vienneau, Jamie	Teacher, ESE
Boatright, Kerri	Assistant Principal
Benoit, Ashley	Instructional Coach

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The school-based leadership team is responsible for disaggregating and analyzing data to determine areas of deficit. The team is to identify problems within the general population of students and within subgroups of students, analyze why the problems are occurring, formulate an intervention plan and then measure the effectiveness of the interventions through regular progress monitoring. Their plan to address and remediate areas of deficit becomes their MTSS and forms the basis for the school improvement plan.

The MTSS core team consists of: administrator, school counselor, literacy coach, department heads, and instructional coach. The MTSS leadership team is responsible for ensuring that the school has in place a system that provides increasingly intense and individualized interventions, resources and supports needed to meet the unique needs of its students.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The school's leadership team oversees the implementation and monitoring of its MTSS and SIP structures through data-based decision making which identifies areas of deficit and identifies and provides supports and resources needed to address those deficits.

In order to identify those needs, the team must analyze data to determine deficits and other areas in need of improvement. The team looks at academic, attendance and behavior related data. As the team disaggregates the data, it is identifying which students are meeting grade level expectations and which are not. It is looking for patterns and trends in the data.

Leading questions: Is our core instruction meeting the needs of 75-80% of our students? If not, is it a curriculum or instruction issue? Are certain groups of students failing to meet expectations in certain subjects? Or, are there certain groups who have other non-academic barriers to achievement that must be addressed before they will be able to meet academic success? Are there trends in achievement within specific subgroups that need to be addressed? Have resources (funding and staffing) been allocated in the most effective and efficient manner to meet the needs of all stakeholders?

Once those areas of need have been identified, the Leadership Team disseminates this information to the departments, literacy teams and other school based teams. The teams will provide input to the leading questions and assist in determining appropriate research based interventions to remediate specific deficits and identify other available resources to meet individual student needs. The departments/teams oversee the implementation of the interventions and monitor student progress through regularly scheduled meetings. The progress monitoring information will be shared with the leadership team and departments/teams together will monitor the effectiveness of interventions through student progress monitoring data and fidelity checks.

The Problem Solving Process

The Problem Solving/Response to Intervention model is a decision making process based on the scientific method of problem solving. Florida has embraced the problem solving methodology and incorporated it into its Response to Intervention model.

The Problem Solving process requires the following steps: Problem Identification, Problem Analysis, Intervention Design/ Implementation, and Evaluation: Response to Intervention.

Data based decisions are expected at all levels of the school: school, grade/departments, classroom, (AYP) subgroups (i.e., race, free/reduced lunch, ELL, ESE). A collaborative approach by school staff for development, implementation, and monitoring of the intervention process is expected.

Title I

Services are provided to ensure students requiring additional remediation are assisted through extended learning opportunities. The district coordinates with Title II and Title III in ensuring staff development needs are provided. Support services are provided to students. Teachers develop, lead, and evaluate school core content standards/ programs; identify and analyze existing literature on scientifically based curriculum/behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assist with whole school screening programs that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participate in the design and delivery of professional development; and provide support for assessment and implementation monitoring. Other components that are integrated into the school-wide program include Parental Programs; Supplemental Educational Services; and special support services to special needs populations such as homeless, migrant, and neglected and delinquent students.

Title II

The District uses supplemental funds for improving basic education as follows:

- training to certify qualified mentors for the New Teacher Program
 - training for add-on endorsement programs, such as Reading, Gifted, ESOL
- training and substitute release time for Professional Learning Community (PLC) development and facilitation

Title III

The District provides supplemental academic instruction and services to students who are ELL. The district employs an ELL instructional coach.

Title X- A portion of funds are set aside and reserved to meet the academic and personal needs of identified homeless families. These needs could include academic supplies or assistance with personal hygiene items, or referrals to social service agencies.

Supplemental Academic Instruction (SAI)

These funds are utilized to provide supplemental academic coaches.

Violence Prevention Programs:

The District has adopted bullying prevention and intervention policies and procedures. Each year training is provided.

Nutrition Programs

- 1) The school adheres to and implements the nutrition requirements stated in the District Wellness Policy.
- 2) Nutrition education is taught through many programs and courses
- 3) The School Food Service Program, school breakfast, school lunch, and after care snacks follow the Healthy Food and Beverage Guidelines as adopted in the District's Wellness Policy.

Head Start

The Nassau Schools that contain primary grades work in concert with Episcopal Childrens Services, Child Find, and other service agencies in order to strengthen curriculum offerings, provide ease of transition to kindergarten, increase community involvement, and increase meaningful parent involvement.

Adult Education

Nassau County Adult High school provides courses to all eligible students on the senior high school's recommendation. Courses can be taken for credit recovery, promotion, remediation, or grade forgiveness purposes. Adult Education also offers night classes for GED Prep at four locations on a flexible schedule.

Career and Technical Education

Articulation agreements allow students to earn college and post-secondary technical credits in high school and provide more opportunities for students to work towards post-secondary degrees. Students will gain an understanding of business and industry workforce requirements by acquiring Ready to Work and other industry certifications. Readiness for post-secondary opportunities will strengthen with the integration of academic and career and technical education components and a coherent sequence of courses.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Debra Lewis	Teacher
Deirdre Walker	Teacher
Stephanie Gaskill	Education Support Employee
Linda Loughman	Business/Community
Elizabeth Korn	Teacher
Renae Arias	Teacher
Katrina Flannery	Teacher
Betty Bell	Business/Community
Janet Harris	Business/Community
Alicia Rowland	Parent
Carolyn Woodard	Parent
Crissy Woodward	Parent
Brianna Johnson	Principal

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

The School Advisory Council assists in the development of the school improvement plan and provides recommendations on specific components of the plan, such as, the goals of the school, indicators of school and student instructional materials, technology, staffing, student support services and other matters of resource allocations. The SAC will also assist in defining adequate progress for each school goal, obtaining public input when providing adequate progress for school goals; negotiating the definition of adequate progress with the School Board; and notifying and requesting assistance from the School Board when the school fails to make adequate progress in any single area. The SAC will also assist in preparing and distributing information to the public to report the status of implementing the school improvement plan, the performance of students and educational programs, and progress in accomplishing the school goals.

b. Development of this school improvement plan

The SAC shall assist in the development of the SIP and provide recommendations on specific components of the plan, such as, the goals of the school, indicators of school and student progress, strategies and evaluation procedures to measure student performance, budget, training, instructional materials, technology, staffing, student support services and other matters of resource allocations.

c. Preparation of the school's annual budget and plan

At Yulee Primary School, the principal receives input from the SAC in preparation of the school budget. The principal then submits the school budget to the SAC. The SAC then approves the expenditure of school improvement funds according to Nassau County School Board Administrative Rule 1.19.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Our current school improvement budget is \$5,998.30.

Here is the projected use of our SAC funds:

**A strategy in our School Improvement Plan is to provide small group differentiated instruction in the core curriculum areas of reading and mathematics. This strategy requires the use of classroom materials and supplies, so that our teachers can instruct in the small group setting. The strategy also requires continued professional development and curriculum planning to increase the effectiveness of small group instruction. We anticipate approving funding requests for support of small group differentiated instruction in all of our classrooms.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Harris, Brianna	Principal
Benoit, Ashley	Instructional Coach
Boatright, Kerri	Assistant Principal
Cacciapouti, Susan	Teacher, K-12
Green, Lilley	Teacher, K-12
Shay, Kara	Teacher, K-12
Davis, Jayme	Teacher, K-12
Vienneau, Jamie	Teacher, ESE
Domingo, Angela	Teacher, ESE

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The LLT will support district and state instructional strategies to improve Reading, Math, Writing, and Science as aligned with the Common Core State Standards for College and Career Readiness. The LLT team will support small group instruction in Reading and Math, as well as the Common Core shifts of: Balancing Informational and Literacy Texts, Writing from Sources, and Academic Vocabulary.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Nassau County School District has adopted an early release day on Wednesdays to promote collaborative planning. Grade level chairs facilitate a positive planning environment where teachers

share center ideas, instructional strategies, and plan as a team. Teachers also participate in faculty meetings, committee meetings, and MTSS meetings to participate in professional development and have dialogue focusing on students' academic and social needs.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

1. Provision of mentoring, training and coaching for:

- a) first and second-year new teachers, including those in Alternative Certification (ACP) or Educator Preparation Institute (EPI) programs; and
- b) ESOL and Reading teachers in the process of earning an Endorsement.

These activities are coordinated with the district's Personnel system and through the provision of an ESOL Coach and an Instructional Strategies/New Teacher Coach.

2. In order to ensure that all teachers become Effective or Highly Effective, the district will provide resources, coaching, and professional development to any teacher whose overall evaluation rating is Needs Improvement or Unsatisfactory. The principal will conduct a conference with the teacher to determine specific goals and needs for professional development, in addition to needs for classroom strategies and behaviors.

3. Resources and/or professional development will be provided to support the skills and knowledge needed to increase the number of In-field/Highly Qualified/Effective teachers. This will include provision of ESOL, Reading, and Gifted Endorsement courses; financial support for testing to add areas of certification to teachers' existing certificates; financial support for provision of study guides and workshops (as available); assistance with cost of adding subject areas to certificates to become in-field in all courses taught.

4. The district will recruit effective teachers and leaders, including minorities, to ensure high quality and diversity of applicants and will retain exemplary teachers through recognition, incentives and leadership development opportunities.

5. Professional development activities and records are efficiently and effectively managed to ensure teachers maintain their certification and remain up to date in their areas of certification.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

A. First year teachers participate in the following district professional development and mentoring activities:

- 1. New Teacher Orientation, including introduction to the Nassau District Schools' mission and values
- 2. Professional Development in the district's Marzano Evaluation Framework.
- 3. Monthly (8) New Teacher Professional Learning Community sessions with book study.
- 4. Common Core Standards and Lesson Planning
- 5. The Florida Educator Code of Ethics
- 6. Conducting Effective Parent Conferences
- 7. District E-mail Protocol and technology-based curriculum programs
- 8. Professional Education Competencies, as applicable
- 9. Classroom and Behavior Management
- 10. Other professional development as specified by the school or district, such as Reading, ESOL, or Writing.

B. Observation and Coaching/Mentoring Components:

- 1. Two classroom observations followed by a feedback conference, conducted by the District Instructional Strategies Coach who is highly trained in Clinical Education, observation and feedback/coaching strategies, and the Marzano framework.
- 2. Two classroom observations (one per semester) followed by a feedback conference, conducted by a mentor teacher or other certified educator who teaches the same grade level/subject area as the new teacher, has been rated as Highly Effective, has been provided with CET or similar training and coaching

resources, and is selected by the principal as a mentor.

3. Two classroom observations (one per semester) followed by a feedback conference, by the new teacher in the classroom of the mentor teacher or other certified educator who teaches the same grade level/subject area as the new teacher and who has been rated as Highly Effective.
4. On-going informal observations and coaching with feedback conducted by Instructional Strategies Coach, with related professional development resources available via the district's iObservation system.
5. Walk-throughs, informal observations, and formal observations using the Marzano framework instrument, conducted by a trained principal, assistant principal or other administrator, with related professional development resources available via the district's iObservation system.

C. RATIONAL FOR MENTOR/NEW TEACHER PAIRINGS AND PLANNED MENTORING ACTIVITIES:

The District Instructional Strategies Coach and the school principal confer to select a mentor teacher or other certified educator who teaches the same grade level/subject area/role as the new teacher or other educator, and who has been rated as Highly Effective.

The planned mentoring activities provide on-going and regularly-scheduled opportunities for classroom visits and observations, reflection, and coaching and feedback, as well as monthly collaboration in PLCs for professional development in best practices and highly effective instructional strategies. The purpose of these on-going support strategies is to increase teacher effectiveness and as a result, to increase student achievement.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Core instructional materials and programs are selected from the list of state approved adoptions. It is also the intent of the Nassau County School District that textbooks be selected for district-wide use by course/grade/level to assure continuity throughout the district. Media materials should be selected to provide enrichment and curriculum support taking into consideration the varied needs, interests, and abilities of the school population. School Textbook Selection Committees include representatives of faculty, parents and community members.

District Adoption Process:

1. Sample materials of all state adopted texts will be obtained by the appropriate director and evaluated by the school committee using appropriate forms and criteria.
2. Each school will select its choice for the district adoption in each area under consideration. Each school's selection will be submitted to the appropriate instructional director.
3. School selections will be tallied. The title receiving the most votes will be designated as the district adoption for each course or subject area.

Resources used to evaluate instructional materials include: Florida State Standards, grade level expectations, curriculum frameworks or course descriptions, and FLDOE instructional materials specifications.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented

to assist students having difficulty attaining the proficient or advanced level on state assessments.

Yulee Primary uses multiple data sources that have been approved by Nassau County to help determine student levels of progress and differentiate instruction in the core areas of reading and mathematics. For reading, teachers utilize STAR Early Literacy and STAR Reading, as well as, Lexia Core 5, Accelerated Reader, teacher assessments, and Saxon Phonics assessments. For math, teachers utilize STAR Math, Moby Max, IXL, and teacher assessments. Data is used by teachers to help determine students' small group placements and differentiate instruction according to students' varying levels. Flexible grouping is used to ensure that students are provided with opportunities for enrichment or remediation.

Data analysis is at the center of all instructional decisions. The master schedule contains blocks of time for instruction based on the diverse needs of students. Remediation and enrichment in the classroom is based on progress monitoring data collected in core classes such as reading and math. This data is reviewed in team meetings and data chats are conducted with students.

The school-based leadership team is responsible for disaggregating and analyzing data to determine areas of deficiency. The team is charged with identifying problems within the general population of students and within subgroups of students, analyzing why the problems are occurring, formulating an intervention plan and then measuring the effectiveness of the interventions through regular progress monitoring. Their plan to address and remediate areas of deficiency becomes their MTSS (multi-tiered system of supports) and forms the basis for the school improvement plan.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 3,850

Before and after school tutoring is offered from 7:15-7:45 AM and 2:00 - 2:35 PM for students identified as having Reading deficits. Intervention is provided through intensive small group (1:3) instruction with a highly qualified teacher.

Strategy Rationale

The extended school day will provide opportunities for increased differentiated practice and instruction.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Benoit, Ashley , ashley.benoit@nassau.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students were identified for intervention through a team analysis of multiple data sources. This includes the following: STAR, SAT - 10, Grades, Data Software Reports, Curriculum Based Measurements and the DAR. The team monitors effectiveness of the interventions using multiple data sources on a frequent basis.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

The Nassau Schools that contain primary grades work in concert with Episcopal Children's Services, Child Find, and other service agencies in order to strengthen curriculum offerings, provide ease of transition to kindergarten, increase community involvement, and increase meaningful parent involvement. Yulee Primary's pre-kindergarten program transitions students into kindergarten by utilizing a delayed start so that the pre-kindergarten teachers and paraprofessionals are able to push into kindergarten classrooms for additional support at the beginning of the school year.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Career awareness is introduced at the primary level through STEM activities and a variety of multi-modal media.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

With the implementation of the Florida State Standards and STEM (Science, Technology, Engineering, and Mathematics) initiative, text complexity across the disciplines is a focus with the smallest scholars at the primary level, supporting successful articulation into the next level of education.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

NA

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

NA

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** Yulee Primary School will help all students achieve grade level proficiency in the ELA, Mathematics, and Science standards as determined by the Stanford 10 for ELA and Mathematics and school-based assessments for Science. YPS will strive to increase the percentage of students in grades K-2 scoring at or above the 50th national percentile on the reading and mathematics sections of the Stanford 10, as well as, increase student proficiency of Science standards based on school-based assessments.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. Yulee Primary School will help all students achieve grade level proficiency in the ELA, Mathematics, and Science standards as determined by the Stanford 10 for ELA and Mathematics and school-based assessments for Science. YPS will strive to increase the percentage of students in grades K-2 scoring at or above the 50th national percentile on the reading and mathematics sections of the Stanford 10, as well as, increase student proficiency of Science standards based on school-based assessments. **1a**

 G097534

Targets Supported **1b**

Indicator	Annual Target
ELA Achievement District Assessment	85.0
Math Achievement District Assessment	89.0

Targeted Barriers to Achieving the Goal **3**

- Our students are performing at a wide variety of ability levels.
- Staff development for teachers and the time and money required to provide quality staff development.
- Parental knowledge or ability may be limited when assisting students with the reading/math/science/writing process.

Resources Available to Help Reduce or Eliminate the Barriers **2**

- Saxon Phonics, STAR Reading, STAR Math, Lexia Core 5, Accelerated Reader, IXL, Moby Max, FSS Curriculum, District Approved Textbooks/Core Curriculum, supplemental materials, Instructional Focus Calendars, CPALMS

Plan to Monitor Progress Toward G1. **8**

We will use formative and summative assessments to monitor the progress towards meeting this goal, making sure to track the student achievement towards proficiency.

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

We will use our assessment data as evidence that we have implemented this strategy with effectiveness.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

 = Problem Solving Step  S123456 = Quick Key

G1. Yulee Primary School will help all students achieve grade level proficiency in the ELA, Mathematics, and Science standards as determined by the Stanford 10 for ELA and Mathematics and school-based assessments for Science. YPS will strive to increase the percentage of students in grades K-2 scoring at or above the 50th national percentile on the reading and mathematics sections of the Stanford 10, as well as, increase student proficiency of Science standards based on school-based assessments. 1

 G097534

G1.B1 Our students are performing at a wide variety of ability levels. 2

 B262161

G1.B1.S1 Small group instruction will be utilized during the reading block to meet the varying learning needs of each student. Additional tutoring services are provided for students that have a low reading performance. 4

 S277712

Strategy Rationale

We are using small group instruction and tutoring to eliminate/ reduce the barrier of students' varying ability levels because we are able to differentiate instruction and meet the needs of our students on an individual basis during the small group instruction and tutoring settings. We will provide differentiated instruction of Florida Standards as assessed by the Stanford 10.

Action Step 1 5

Strategy: Provide small group instruction during the reading block to meet students' learning needs. Provide differentiated instruction for differing ability levels using a variety of instructional strategies and resources. Additional tutoring services for students demonstrating low reading performance.

Professional Development: Provide teachers the training to ensure effective small group and differentiated instruction is implemented during the reading block to meet the individual learning needs of students.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

lesson plans, classroom observations, professional development rosters, agendas

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

The principal will ensure that small group instruction is utilized during the reading block and that tutoring services are provided for students that have a low reading performance.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

lesson plans, classroom observations, meeting documentation, staff development documentation, and attendance rosters for tutoring

Plan to Monitor Effectiveness of Implementation of G1.B1.S1 7

We will use formative and summative assessments to monitor the effectiveness.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

We will use our assessment data as evidence that we have implemented this strategy with effectiveness.

G1.B1.S2 Small group instruction will be utilized during the mathematics block to meet the learning needs of each student through differentiated instruction to include previewing of upcoming skills, reviewing already taught skills, and explicit teaching of the current skills which need to be mastered. 4

S277713

Strategy Rationale

The reason we are deciding to use small group instruction to eliminate or reduce the barrier of our students having various ability levels is because we are able to differentiate our instruction and meet the needs of our students on an individual basis during the small group instruction settings.

Action Step 1 5

Strategy: Provide small group math instruction during the math block to meet students' learning needs. Provide differentiated instruction for varying levels using a variety of instructional strategies and resources.

Professional Development: Provide teachers training to ensure effective small group and differentiated instruction is implemented during the math block to meet the individual learning needs of students. Provide teachers continued training on Florida Mathematics Standards.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

lesson plans and classroom observations

Plan to Monitor Fidelity of Implementation of G1.B1.S2 6

The principal will ensure that small group instruction is utilized during the mathematics block and that interventions are provided for students that have a low math performance.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

lesson plans, classroom observations, and attendance rosters for tutoring

Plan to Monitor Effectiveness of Implementation of G1.B1.S2 7

We will use formative and summative assessments to monitor the effectiveness.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

We will use our assessment data as evidence that we have implemented this strategy with effectiveness.

G1.B1.S3 Small group instruction, science leveled readers, explicit science vocabulary instruction, and science content will be integrated during our reading and math blocks to meet the learning needs of each student through differentiated instruction. 4

 S277714

Strategy Rationale

The reason we are deciding to use small group instruction to eliminate or reduce the barrier of our students having various ability levels is because we are able to differentiate our instruction and meet the needs of our students on an individual basis during the small group instruction setting.

Action Step 1 5

Strategy: Integrate science content into small group reading and math instruction. Provide differentiated instruction using a variety of science materials.

Professional Development: Provide teachers training to ensure effective small group and differentiated instruction in science content is integrated into the reading and math blocks to meet the individual learning needs of students.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Lesson plans, classroom observations

Plan to Monitor Fidelity of Implementation of G1.B1.S3 6

Integrate science instruction into the reading and math curriculum. Utilize leveled science materials to supplement the core curriculum.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Lesson plans, classroom observations

Plan to Monitor Effectiveness of Implementation of G1.B1.S3 7

Formative and summative assessments

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Assessment data

G1.B1.S4 Provide inquiry based interdisciplinary science learning opportunities through the use of STEAM class, classroom activities, after school programs, field trips, etc. 4

 S277715

Strategy Rationale

Provide a variety of interdisciplinary and hands-on, experience based opportunities to engage students in real world problem solving.

Action Step 1 5

Provide inquiry based interdisciplinary science learning opportunities through STEM activities, classroom activities, field trips, after school programs, etc.

Professional Development: Provide teachers with training in order to effectively implement interdisciplinary science inquiry based learning opportunities.

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

Classroom observations, lesson plans, after school club participation, science committee meeting agendas

Plan to Monitor Fidelity of Implementation of G1.B1.S4 6

Classroom observation, lesson plans, meeting documentation

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

Classroom observation, lesson plans, grade meeting minutes, i-Observation documentation, collaborative planning meetings

Plan to Monitor Effectiveness of Implementation of G1.B1.S4 7

Formative and Summative Assessments

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

We will use our assessment data as evidence that we have implemented this strategy with effectiveness.

G1.B1.S5 Integrate text based writing instruction into all curriculum areas. Familiarize students with keyboarding/computer skills to demonstrate grade level proficiency. 4

 S277716

Strategy Rationale

Provide differentiated instruction of Florida Standards as assessed by school-based assessments.

Action Step 1 5

Strategy: Integrate text based writing instruction into all curriculum areas. Familiarize students with keyboarding/computer skills to demonstrate proficiency on state assessments.

Professional Development: Provide teachers continued training on the Florida ELA standards, use of writing rubrics, and FSA expectations.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Lesson plans, classroom observations, staff development documentation

Plan to Monitor Fidelity of Implementation of G1.B1.S5 6

Integrate text based writing instruction into all curriculum areas. Familiarize students with keyboarding/computer skills to demonstrate proficiency on state assessments.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Lesson plans, classroom observations, staff development documentation

Plan to Monitor Effectiveness of Implementation of G1.B1.S5 7

Formative and summative assessments

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Assessment data

G1.B2 Staff development for teachers and the time and money required to provide quality staff development. 2

 B262162

G1.B2.S1 Provide collaborative planning time for teachers. Provide county or school wide staff development in Florida Standards implementation to include a focus on curriculum shifts and Marzano instructional strategies. 4

 S277717

Strategy Rationale

Increase in instructional effectiveness and provisions of district wide planning and collaboration will provide an increase in student proficiency of Florida Standards as determined by the Stanford 10.

Action Step 1 5

Strategy: Provide collaborative planning time and professional development to meet the needs of teachers.

Professional Development: Provide teachers professional development opportunities in ELA, Math, and Science content standards.

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Lesson plans, Professional Growth Plan, sign-in sheets, agendas

Plan to Monitor Fidelity of Implementation of G1.B2.S1 6

Provision of planning time for teachers. Implementation of county and/ or school-wide staff development.

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

Teacher observations, lesson plans, meeting documentation, staff development documentation, sign in sheets

Plan to Monitor Effectiveness of Implementation of G1.B2.S1 7

Formative and summative assessments

Person Responsible

Brianna Harris

Schedule

Daily, from 8/10/2017 to 5/25/2018

Evidence of Completion

Assessment data, teacher observations, lesson plans

G1.B2.S2 Provide opportunities for teachers to participate in District Curriculum mapping, district provided professional development in research based strategies for teaching, school-based vertical articulation, and district provided horizontal planning and collaboration. 4

 S277718

Strategy Rationale

Increase in teacher content knowledge and provisions of district wide planning and collaboration will provide an increase in student proficiency of Florida Standards as determined by the Stanford 10.

Action Step 1 5

Strategy: Provide opportunities for teachers to participate in District Curriculum Mapping, district provided professional development in research based strategies for teaching, school-based vertical articulation, and district provided horizontal planning and collaboration.
Professional Development: District Curriculum Mapping, best practices instruction in comprehension and vocabulary, vertical and horizontal articulation

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

Classroom observation, lesson plans, instructional focus calendar, grade level meeting documentation, professional development participation

Plan to Monitor Fidelity of Implementation of G1.B2.S2 6

Implementation of researched based strategies, usage of district curriculum map

Person Responsible

Brianna Harris

Schedule

Weekly, from 8/10/2017 to 5/25/2018

Evidence of Completion

Classroom observations, lesson plans, district/school collaborative planning meeting agendas, professional development documentation

Plan to Monitor Effectiveness of Implementation of G1.B2.S2 7

Formative and summative assessments

Person Responsible

Brianna Harris

Schedule

V. Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. Yulee Primary School will help all students achieve grade level proficiency in the ELA, Mathematics, and Science standards as determined by the Stanford 10 for ELA and Mathematics and school-based assessments for Science. YPS will strive to increase the percentage of students in grades K-2 scoring at or above the 50th national percentile on the reading and mathematics sections of the Stanford 10, as well as, increase student proficiency of Science standards based on school-based assessments.

G1.B1 Our students are performing at a wide variety of ability levels.

G1.B1.S1 Small group instruction will be utilized during the reading block to meet the varying learning needs of each student. Additional tutoring services are provided for students that have a low reading performance.

PD Opportunity 1

Strategy: Provide small group instruction during the reading block to meet students' learning needs. Provide differentiated instruction for differing ability levels using a variety of instructional strategies and resources. Additional tutoring services for students demonstrating low reading performance. Professional Development: Provide teachers the training to ensure effective small group and differentiated instruction is implemented during the reading block to meet the individual learning needs of students.

VII. Budget

1	G1.B1.S1.A1	Strategy: Provide small group instruction during the reading block to meet students' learning needs. Provide differentiated instruction for differing ability levels using a variety of instructional strategies and resources. Additional tutoring services for students demonstrating low reading performance. Professional Development: Provide teachers the training to ensure effective small group and differentiated instruction is implemented during the reading block to meet the individual learning needs of students.				\$5,998.30
	Function	Object	Budget Focus	Funding Source	FTE	2017-18
			0271 - Yulee Primary School	School Improvement Funds		\$998.30
			Notes: Classroom materials and supplies to support small group reading instruction with science integration in kindergarten, first, and second grade.			
			0271 - Yulee Primary School	School Improvement Funds		\$5,000.00
			Notes: Funds to cover substitute costs to help train our teachers in effective small group differentiated reading instruction with science integration.			
			0271 - Yulee Primary School	Title I, Part A		\$0.00
			Notes: PLC- Effective Small Group Reading Instruction			
2	G1.B1.S2.A1	Strategy: Provide small group math instruction during the math block to meet students' learning needs. Provide differentiated instruction for varying levels using a variety of instructional strategies and resources. Professional Development: Provide teachers training to ensure effective small group and differentiated instruction is implemented during the math block to meet the individual learning needs of students. Provide teachers continued training on Florida Mathematics Standards.				\$0.00
	Function	Object	Budget Focus	Funding Source	FTE	2017-18
			0271 - Yulee Primary School	School Improvement Funds		\$0.00
			Notes: Classroom materials and supplies to support small group instruction in mathematics in kindergarten, first, and second grade.			
			0271 - Yulee Primary School	Title I, Part A		\$0.00
			Notes: Moby Max- Math Diagnostic and Program Navigation			
			0271 - Yulee Primary School	Title I, Part A		\$0.00
			Notes: PLC- Effective Small Group Math Instruction			

3	G1.B1.S3.A1	Strategy: Integrate science content into small group reading and math instruction. Provide differentiated instruction using a variety of science materials. Professional Development: Provide teachers training to ensure effective small group and differentiated instruction in science content is integrated into the reading and math blocks to meet the individual learning needs of students.				\$0.00
	Function	Object	Budget Focus	Funding Source	FTE	2017-18
			0271 - Yulee Primary School	Title I, Part A		\$0.00
			Notes: Integrating STEM activities into the reading and math block.			
4	G1.B1.S4.A1	Provide inquiry based interdisciplinary science learning opportunities through STEM activities, classroom activities, field trips, after school programs, etc. Professional Development: Provide teachers with training in order to effectively implement interdisciplinary science inquiry based learning opportunities.				\$0.00
5	G1.B1.S5.A1	Strategy: Integrate text based writing instruction into all curriculum areas. Familiarize students with keyboarding/computer skills to demonstrate proficiency on state assessments. Professional Development: Provide teachers continued training on the Florida ELA standards, use of writing rubrics, and FSA expectations.				\$0.00
6	G1.B2.S1.A1	Strategy: Provide collaborative planning time and professional development to meet the needs of teachers. Professional Development: Provide teachers professional development opportunities in ELA, Math, and Science content standards.				\$0.00
	Function	Object	Budget Focus	Funding Source	FTE	2017-18
			0271 - Yulee Primary School	Title I, Part A		\$0.00
			Notes: Integrating rigorous writing activities into the reading and math block			
			0271 - Yulee Primary School	Title I, Part A		\$0.00
			Notes: Integrating STEM activities into the reading and math block			
7	G1.B2.S2.A1	Strategy: Provide opportunities for teachers to participate in District Curriculum Mapping, district provided professional development in research based strategies for teaching, school-based vertical articulation, and district provided horizontal planning and collaboration. Professional Development: District Curriculum Mapping, best practices instruction in comprehension and vocabulary, vertical and horizontal articulation				\$0.00
8	G1.B3.S1.A1	Provide parental involvement opportunities and ongoing communication for parents.				\$0.00
Total:						\$5,998.30
