Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Polk County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

"At Oscar J. Pope Elementary, we believe that all can and will learn. We expect everyone to work together as a team, respect themselves and each other and to become life-long learners."

b. Provide the school's vision statement.

"Oscar J. Pope Elementary School has support from the staff, parents, and the community. Our students are successful and actively engaged in active, purposeful, hands on activities. Our teachers are enthusiastic and all classrooms present a warm and inviting atmosphere where the love of reading and writing is consistently encouraged. Learning experiences that involve critical thinking and problem solving are evident. Technology is used to help students access knowledge and to practice the skills necessary for success in the workforce. Our campus provides a safe and orderly environment for all. All students demonstrate respect for school rules. Staff members and transportation staff reinforce those rules in a positive manner."

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

The school learns about student cultures through various community, district and school-wide events that are designed to promote diversity. Parent nights, school festivals and community centered activities are planned with parental support throughout the year. Students are encouraged to express their culture through writing and reading activities embedded in the curriculum throughout the year.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Upon arrival students are greeted by staff and directed to various areas of the campus. Students are allowed to eat breakfast, read, and engage in academic activities until school starts. Students development is fostered and supported by use of Positive Behavior/CHAMPS Initiatives by all staff members. Safe school measures are routinely practiced including: locked classroom doors, limited access to campus, and mandatory check in at front office for visitors. Drills are routinely scheduled to practice procedures for fire, tornado and lock down emergencies. Dismissal procedures are followed daily with appropriate personnel assigned to various areas of the campus to ensure safety in the hallway, on the sidewalks and at car rider/bus loading areas.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

The school incorporates a tiered level of support for all students. To minimize distractions to keep students engaged during instructional time, all staff members have been trained in Positive Behavioral Intervention Supports/CHAMPS. Staff members reward students with a horseshoe and provide specific and immediate praise. We also utilize a positive behavior referral which allows all staff members to recognize students for making positive choices and exemplifying our school wide behavioral expectations known as "We Are OSCAR". Our goal as a staff is a 4:1 positive to corrective

statement. Classroom expectations are developed by each teacher and must support the school wide expectations and behavior plan. The first week of school is filled with positive behavioral lessons designed to provide students with explicit modeling of expectations in every area of the school.

Monthly behavior rewards, known as OSCARbrations, are developed by the Positive Behavioral Intervention Support committee in conjunction with school administration. Students earn a specific number of horseshoes to attend OSCARbration. In the past, students have not had a choice of activities for OSCARbration. However, this year, we are embracing students making choices based upon data collected from the end of the year student Positive Behavior survey.

Students not making positive behavior choices are supported through a variety of supports and interventions including minor behavior tracking forms, check in and check out system, staff mentoring, functional behavioral assessments, and behavior intervention plans.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The school incorporates Keys to Character and social skill building lessons routinely as Part Tier 1 services to students. The Guidance Counselor collaborates with the District, School Leadership Team, staff members and parents to establish Tier 2 supports such as Check In/ Check Out, small group counseling, student observations and individual consultations. The Guidance Counselor collaborates and assigns students to mentors from various District approved organizations such Big Brothers Big Sisters and Polk Volunteers. The Guidance Counselor actively works to connect parents with community resources outside of school to aid with the social-emotional needs of students.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

The school has several incentives in place to encourage attendance and appropriate behavior. The systems report generated by the district is reviewed by the leadership team and appropriate district level and school based employees are notified. Phone calls are made to parents and assistance is offered in areas where school can assist. Suspensions are monitored and students are provided support in areas of greatest need. Level 1 students receive immediate interventions and also are assigned mentors.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	5	6	8	4	8	6	0	0	0	0	0	0	0	37
One or more suspensions	1	1	1	3	0	1	0	0	0	0	0	0	0	7
Course failure in ELA or Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Students exhibiting two or more indicators	0	0	0	1	0	0	0	0	0	0	0	0	0	1

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Students identified by the early warning system are logged and monitored from the beginning of the year. Many interventions are implemented such as Student Profiles/Self Monitoring Logs, Student Conferences with teachers, Check In Check Out support with Guidance, home visits by Social Worker, Behavior Plans, Academic Tier Plans, and Lowest Quartile monitoring. The Leadership Team reviews data regularly to identify the effectiveness of interventions. An incentive program was implemented to promote perfect attendance.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

Yes

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/469706>.

2. Description

A PIP has been uploaded for this school or district - see the link above.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

The school builds and sustains partnerships with the local community through SAC and PTO organizations. More than 50% of participants are business partners. The school has two major activities each year, a Christmas auction and Young Authors conference in which business partners participate and support both financially and socially. Community partners also provide clothing, school supplies and incentives to assist with attendance and testing. Business partners sponsor several spirit nights throughout the year and donate percentages of the proceeds to the school.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Griffin, Carol	Principal
Huntley, Charlie	Assistant Principal
Machado, Lucas	School Counselor
Rockett, Lisa	Teacher, ESE
Phillips, Catherine	Instructional Coach

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Carol E. Griffin, Principal: Provides a common vision for the use of data-based decision-making, ensures that the school-based team is utilizing technology, collaborative lesson planning and rigorous instruction aligned with the standards.

Charlie Huntley, Assistant Principal: Provides information on school-wide discipline data, ensures that school-based team participates in implementation of intervention support and documentation, & ensures adequate professional development to support/increase knowledge and skills of staff.

Shakira Grier, School Counselor: Provides quality services and knowledge on issues ranging from program design to assessment and progress monitoring with individual students. She communicates with child-serving community agencies to support the students' academic, emotional, behavioral and social success.

Lisa Rockett, ESE Facilitator: Participates in student data collection, integrates core instructional activities/materials/instruction in tiered interventions; collaborate with ESE and general education teachers

Sara Flora, School Psychologist: Participates in collection, interpretation, and analysis of data; facilitates development of intervention plans; provides support for intervention fidelity and documentation

Lori Register, Math Coach: Provides information regarding math core instruction and standard alignment; participates in student data collection; collaborates with staff and assists with intervention development to for students on, above and below grade level in math.

Deloris Shockley, Reading Coach: Provides information regarding reading core instruction and standard alignment; participates in student data collection; collaborates with staff and assists with intervention development to for students on, above and below grade level in reading.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The MTSS Leadership Team will have focus meetings on how to improve school/teacher effectiveness and student achievement using the Problem Solving Model.

The MTSS Leadership Team will meet at least once per month (or more frequently as needed) to engage in the following activities:

- * Review school-wide, grade level and teacher data to problem solve needed interventions on a systemic level and identify students meeting/exceeding benchmarks as well as those at moderate or high risk for not meeting benchmarks. This will be done bi-weekly if new data is available.
- * Help referring teachers design feasible strategies and interventions from struggling students by collaborating regularly, problem solving, sharing effective practices, evaluating implementation, assist in making decisions for school, teacher, and student improvement.
- * Facilitate the process of building consensus, increasing infrastructure, and making decisions about

implementation.

* Focus on improving student achievement outcomes with evidence based interventions implemented with fidelity and frequent progress monitoring.

* Intervention teams also foster a sense of collegiality and mutual support among educators, promote the use of evidence-based interventions, and support teachers in carrying out intervention plans.

Title I, Part A

Title I, Part A, funds school-wide services to Oscar J. Pope Elementary School. The Title I funds provide supplemental instructional resources and interventions for students with academic achievement needs. Title I, Part A, support provides after-school tutoring, supplemental instructional materials, instructional coaches, technology for students, professional development for the staff, and resources for parents.

Title I, Part C- Migrant

Migrant students enrolled at Oscar J. Pope will be assisted by the school and by the District Migrant Education Program (MEP). Students will be prioritized by the MEP for supplemental services based on need and migrant status. MEP Teacher Advocates, assigned to schools with high percentages of migrant students, monitor the progress of these high need students and provide or coordinate supplemental academic support. Migrant Home-School Liaisons identify and recruit migrant students and their families for the MEP. They provide support to both students and parents in locating services necessary to ensure the academic success of these students whose education has been interrupted by numerous moves.

Title I, Part D

Title I, Part D, provides Transition Facilitators to assist students with transition from Department of Juvenile Justice (DJJ) facilities back into their zoned school. The Transition Facilitators communicate with the Guidance Counselors at schools to facilitate the transfer of records and appropriate placement.

Title II

Professional development resources are available to Title I schools through Title II funds. In addition, School Technology Services provide technical support, technology training, and licenses for software programs and web-based access via Title II-D funds. Funds available to Oscar J. Pope are used to pay teachers and purchase materials for professional development.

Title III

Title III provides supplemental resources for English Language Learners (ELL) and their teachers in Title I schools, as well as professional learning opportunities for school staff.

Title X- Homeless

The Hearth program, funded through Title X, provides support for identified homeless students. Title I provides support for this program, and many activities implemented by the Hearth program are carried out in cooperation with the Migrant Education Program (MEP) funded through Title I, Part C.

Supplemental Academic Instruction (SAI)

NA

Violence Prevention Programs

Oscar J. Pope provides violence and drug prevention programs in school in order to promote a safe school environment. Examples of violence prevention programs include anti-bullying, gang awareness, gun awareness, etc.

Nutrition Programs

The school is not a location for a summer feeding program for the community.

Housing Programs
 NA

Head Start

Oscar J. Pope will maintain its Head Start program which includes two classes of children for the 2013-2014 school year. Head Start children regularly engage in story time with the Media Specialist, and participate in other school-wide activities as appropriate. Resources are provided to the program to assist in the transition of students from Pre-K to Kindergarten. Head Start teachers may participate in professional learning opportunities offered to school staff, and they are invited to be involved in Professional Learning Community activities with kindergarten teachers. Parents of Head Start students are invited to participate in parent workshops and activities provided by the school.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Tracey Porter	Parent
Sylvia Holmes	Business/Community
Alex Miller	Business/Community
Louise Camacho	Education Support Employee
Joseph Midzalkowski	Business/Community
Natalie Oldenkamp	Business/Community
Mary Payne	Business/Community
Judy Harrison	Business/Community
Carol Griffin	Principal
Lori Register	Teacher
Nuyen Spencer	Education Support Employee
Natoya Wright	Parent
Marcella Wright	Parent
Beatriz Cruz	Education Support Employee
Amalin Rodriguez	Education Support Employee
Janette McDonald	Parent

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

The SAC committee reviewed final SIP plan in November of 2016. The Plan was discussed and changes made before final sent for approval.

b. Development of this school improvement plan

SAC committee will review draft plan and make corrections based on input and data. This will take place during October meeting. Upon approval of the SIP plan by the local school board, the school will make available copies of the annual SIP plan for viewing via the main office.

c. Preparation of the school's annual budget and plan

The school's annual budget is reviewed and approved by the leadership team. There was a huge Title one budget as well. Paper copies of the 2017-2018 SIP plan will be made available to parents and families upon request.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Full amount use to purchase Wednesday Communication Folders and Parent Conference Nights. Allocated amount is \$2189.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Griffin, Carol	Principal
Huntley, Charlie	Assistant Principal
Machado, Lucas	School Counselor
Rockett, Lisa	Teacher, ESE

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The LLT promotes literacy through various activities throughout the school year. A federal program allows a reading program entitled " Books Bridge" to travel into the community to distribute books. A read-a-thon is done twice a year. The LLT also facilitates a school- wide Young Authors Conference. The LLT also monitors the AR reading plan designed to promote independent reading.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Administration encourages positive working relationships by incorporating staff recognition in the staff's weekly newsletter. Administration also offers incentives in conjunction with this effort. Administration meets with each grade level weekly on Tuesday to assists with collaborative planning and instruction. Grades Kindergarten, 2nd and 5th also meet on Thursday with reading and math coach for additional

planning. Grades 3rd, 4th and 1st meet with Math and Reading coach on Wednesday for additional planning.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

Administration coordinates with the Quality Counts Office to recruit highly qualified minority teachers to ensure a diverse staff. New teachers to Oscar J. Pope are paired with a mentor to assist with the transition. Members of the Leadership Team (administration, Reading/Math Coaches, Guidance) meet weekly with grade levels to foster an environment of continued professional development.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

New teachers are paired with a teacher with experience. Planned mentoring activities are as follows: meet at least weekly with assigned members of the Leadership to collaborate and train, model instructional strategies in the classroom, assists with lesson planning, observe instruction, provide feedback, identify students in need of differentiation/progress monitoring and discuss assessment practices.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

Administration and Leadership team ensures that the district learning maps are utilized and implemented with fidelity through weekly and daily monitoring of lesson plans. Observations and walk throughs and shared with staff to provide immediate feedback.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

The school used State, District and school data to identify student needs. This data is used to create skill ability groups. During the reading blocks, in addition to receiving instruction on grade level, students are grouped and are able to receive enrichment and remediation to support continued growth. Teachers use Reading Wonders On Level, Above and Approaching Level materials to modify and supplement instruction. Data is also used to create tutoring groups for extended learning programs held after school and on weekends.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 2,160

The school will have after school tutoring for students who scored Level one or two on FSA in math and reading ,

Strategy Rationale

To provide smaller group instruction to meet needs of individual students.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Kindergarten round up, parent meetings, middle school administration visits 5th graders and describe middle school experience and opportunities, and high school student mentors

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

N/A

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

N/A

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

Students are not increasing in proficiency as evidenced by three years worth of FSA data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

Students are not increasing their levels of proficiency because of the inconsistent use of lesson data to drive instruction.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** If we implement quarterly parent assemblies and provide monthly incentives for perfect attendance, the daily attendance rate for students will increase from 91% to 95%.
- G2.** Teachers will engage students in rigorous tasks aligned with the intent of the standards in all content areas.
- G3.** Teachers will use assessment data to drive instruction and increase achievement in Reading.
- G4.** Teachers will demonstrate increased knowledge of classroom management and standard pedagogy through the use of data-driven strategies and best practices.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.
