**Informational Baseline School Grade*

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Polk County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE’s school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

Denison Middle School will provide a diverse 21st century learning experience.

b. Provide the school's vision statement.

At Denison Middle School we will:

Provide a challenging, standards based educational program, preparing students for success in high school and beyond

Create an environment of educational excellence by using a variety of instructional strategies and activities to address the varied learning strengths of our students

Provide a caring, nurturing environment in which all students can feel supported and safe emotionally, intellectually, and physically

Build positive personal characteristics such as tolerance, integrity, cooperation and honesty, and encourage respect for the individual differences that make each of us unique.

Prepare our students for college and careers.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Orientation

Each grade will host four parent nights for the parents/guardians to learn about the students academic progress and achievements.

Open House – August 24, 2017 6 – 8:00 pm

Math Night – March 14, 2018

Science Night – October 17, 2017

Literacy Night – TBD

Library Night – TBD

Culture Night – October 5, 2017

CTE, Fine Arts, and Physical Education Night - TBD

Classroom Activities

Survey

PBS Activities

School involvement in community activities

Partner with businesses through Academies

SAC Community

Winter Haven PEP Group

Partnership with Chamber of Commerce

Intramural sports

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Confidential Student Report Forms

Peer Mediation

Supervision at all times while students are on campus

On-Site School Resource Officer
Social worker
On-site behavior interventionist
Closed Campus
District Bullying Lessons
District Drug and Alcohol Lessons
CHAMPS Implementation schoolwide

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

The use of Champs to set clear expectations for the school and each class.
On-site behavior interventionist to support students and staff
On-site Student Success Coach
On-site Parent Involvement Facilitator
Team based PBIS activities
Administrative classroom walk-throughs (non-evaluative and evaluative)

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

MTSS/RtI
Peer mediation
On-site behavior interventionist to support students and staff.
Social Worker
Parent Involvement Facilitator
Student Success Coach
PBIS
Each student assigned to a team of teachers who create and implement interventions for students and also provide a "family" type nurturing environment

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

- Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension:
 - Attendance Secretary monitors attendance
 - Alert social worker if there is an attendance issue
 - Meetings are scheduled between parent and social worker to address attendance concern
 - Contracts are created and followed to reduce future absences
- One or more suspensions, whether in school or out of school
 - Discipline staff monitor suspensions
 - Parental involvement is requested
 - MTSS is used
 - Code of Conduct is followed
- Course failure in English Language Arts or mathematics
 - Guidance monitors failures
 - Interventions are put into place
- A Level 1 score on the statewide, standardized assessments in English Language Arts or

mathematics

- ELA:
- 90 min. block of Reading instruction
- Follow district-wide reading program
- Utilize Reading Interventionist to address specific issues
- Math:
- Scheduled in a Regular Math class and, if available, an intensive Math class. If they do not have an intensive Math class the Math interventionist will be in their regular math class at least once a week working small groups or one on one.
- Use suggested district resources (TenMarks, etc...)

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Attendance below 90 percent	0	0	0	0	0	0	28	21	24	0	0	0	0	73
One or more suspensions	0	0	0	0	0	0	87	100	92	0	0	0	0	279
Course failure in ELA or Math	0	0	0	0	0	0	0	6	9	0	0	0	0	15
Level 1 on statewide assessment	0	0	0	0	0	0	71	103	90	0	0	0	0	264

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Students exhibiting two or more indicators	0	0	0	0	0	0	54	93	82	0	0	0	0	229

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

- Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension:
 - Attendance Secretary monitors attendance,
 - Alert social worker if there is an attendance issue
 - Meetings are scheduled between parent and social worker to address attendance concern
 - Contracts are created and followed to reduce future absences
- One or more suspensions, whether in school or out of school
 - Discipline staff monitor suspensions
 - Parental involvement is requested
 - MTSS is used
 - Code of Conduct is followed
- Course failure in English Language Arts or mathematics
 - Guidance monitors failures
 - Interventions are put into place
- A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics
 - ELA:
 - 90 minutes of Reading instruction
 - Follow district-wide reading Journey's Voyager program

- Utilize Reading Interventionist to address specific issues
 - Math:
 - Scheduled in a regular Math class and an intensive Math class
 - Utilize Math Interventionist to address students that are not able to be in an intensive math class
 - Use suggested district resources
- The social worker and behavior interventionist will work with at risk students to increase academic achievement, provide support to the student, and increase motivation.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

Yes

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/504481>.

2. Description

A PIP has been uploaded for this school or district - see the link above.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

Teachers are reaching out to community members and businesses to build partnerships. They are asking for support through classroom visits, funds to buy resources and donated resources. Students will have opportunities to learn about careers in our community and be guided on a pathway through one of the pre-academies leading to high school credit and certification in the academy field. Each career pre-academy will be working with at least one business partner throughout the year. Denison Middle School will host ten parent nights to increase community support of the school, and build relationships with the community.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Christian, Terri	Principal
Mills-Coleman, Mona	Instructional Coach
Thomas, Curtis	Assistant Principal
Harvard, Drew	Teacher, K-12
Smith, Constance	Assistant Principal
Miranda, Sarah	Assistant Principal
Jones, Sabrina	Teacher, K-12
Jones, Joan	Instructional Technology
Rojas, Jose	Teacher, K-12
Barrow, Kelly	Teacher, K-12
Holby, Anne-Christine	Teacher, K-12
Chlanda, Suzanne	Teacher, K-12
Hawkins, Clarence	Teacher, K-12
Currie, Sharnique	Teacher, K-12
Howard, Niculina	Instructional Coach
Newton, Vivian	School Counselor
Wright, Roneiqua	Attendance/Social Work
Pelt, Patricia	Instructional Coach
Gainer, Bill	Instructional Media

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Principal: Provides a common vision for the use of data-based decision –making, models the Problem Solving Process; supervises the development of a strong infrastructure for implementation of PS/Rtl; ensures that the school-based team is implementing PS/Rtl; conducts assessment of PS/Rtl skills of school staff; ensures implementation of intervention support and documentation; ensures and participates in adequate professional learning to support PS/Rtl implementation; develops a culture of expectation with the school staff for the implementation of PS/Rtl schoolwide; ensures resources are assigned to those areas in most need; and communicates with parents regarding school-based PS/ Rtl plans and activities.

Assistant Principal, Deans, and Title 1 Facilitator: Assists Principal in providing a common vision for the use of data-based decision-making, assists in the development of a strong infrastructure of resources for the implementation of PS/Rtl, further assists the principal in the assessment of PS/Rtl skills, implementation of intervention support and documentation, professional learning, and communication with parents concerning PS/Rtl plans and activities.

Exceptional Student Education (ESE) Facilitator: Participate in student data collection, integrate core instructional activities/materials/ instruction in tiered interventions; collaborate with general education teachers.

Instructional Coaches: Develop, lead, and evaluate school core content standards/programs; identifies and analyzes existing literature on scientifically based curriculum/behavior assessment and intervention approaches. Identifies systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered “at risk,”

assists in the design and implementation for progress monitoring, data collection, and data analysis, participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Progress monitoring and school-wide behavioral data will drive the implementation of the MTSS and SIP structures though out the school. All leadership, instructional, and support (paraeducators) faculty will be involved though out the implementation. General Education Teachers provide information about core instruction; participate in student data collection; deliver Tier 1 instruction/intervention; collaborate with other staff to implement Tier 2/3 interventions; and integrate Tier 1 materials/ instruction with Tier 2/3 activities. PS/Rtl Behavior Representatives (PBS) participate in collection, interpretation, and analysis of data; facilitate development of intervention plans; provide support for intervention fidelity and documentation; assist with professional development for behavior concerns; assist in facilitation of data-based decision making activities. Guidance Counselors provide quality services and expertise on issues ranging from program design to assessment and intervention with individual students. Communicates with child-serving community agencies to support the students' academic, emotional, behavioral, and social success. Technology Specialist develops or brokers technology necessary to manage and display data, provides professional development and technical support to teachers and staff regarding data management and graphic display.

Title I, Part A -Provided services ensure students requiring additional remediation are assisted through after-school programs and/or extended learning opportunities. The district coordinates with Title II and Title III in ensuring staff development needs are met.

Title I, Part C-Migrant - The Migrant Liaison provides services and support to students and parents. The liaison coordinates with Title I and other programs to ensure student needs are met.

Title I, Part D- The district receives funds to support the Educational Alternative Outreach program. Services are coordinated with the district Drop-out Prevention programs.

Title II- The district receives supplemental funds for improving basic education programs through the purchase of small equipment to supplement education programs. New technology in the classrooms will increase the instructional strategies provided to students, and new instructional software will enhance literacy and math skills of struggling students.

Title III- Services are provided through the district for education materials and ELL district support services to improve the education of immigrant and English Language Learners.

Title X- Homeless- The district Homeless Social Worker provides resources (clothing, school supplies, social services referrals) for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. The Hearth program, funded through Title X, provides support for identified homeless students.

Supplemental Academic Instruction- N/A

Violence Prevention Programs- The school offers a non-violence and anti-drug program to students

that incorporates field trips, community service, drug tests, and counseling.

Nutrition Programs N/A

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Carl Skoll	Business/Community
Curtis Thomas	Education Support Employee
Scott Girouard	Business/Community
	Student
Terri Christian	Principal
Robert Scott	Business/Community

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

SAC members reviewed parts of the school improvement plan throughout the year. Data was discussed at each meeting. Discussions were held on ways to improve parental and community support.

b. Development of this school improvement plan

The SAC committee was involved in the Pre-planning of the SIP plan. During meeting members were encouraged to voice their concerns about what changes they would like to see at the school. The SIP is also listed on the schools webpage.

c. Preparation of the school's annual budget and plan

Review and approve

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

N/A

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Christian, Terri	Principal
Mills-Coleman, Mona	Instructional Coach
Thomas, Curtis	Assistant Principal
Smith, Constance	Assistant Principal
Harvard, Drew	Teacher, K-12
Miranda, Sarah	Assistant Principal
Jones, Joan	Instructional Technology
Valentin, Odalys	Teacher, K-12
Jones, Sabrina	Teacher, K-12
Gainer, Bill	Instructional Media

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

School-wide literacy calendar followed by all classes and develop monitoring systems to evaluate the effectiveness of the plan. This includes school-wide reading campaigns like Accelerated Reader and family night activities.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Grade levels are divided by teams and subject. Individual grade levels have team meetings weekly focusing on standards-based lesson planning and lesson delivery. Each subject area meets daily for two planning periods. One period is for professional development and facilitated by the administration. The second planning session is for teachers and staff to work collaboratively to develop engaging standard based lessons.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

School staff attend job fairs to recruit highly qualified teachers. New teachers are provided support from district and school staff. Weekly support meetings are held at school.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Instructional coaches are linked to new teachers in their field to support and sustain the teachers. The administration has weekly meetings to develop and assist teachers new to the school. New teachers are paired with a mentor to assist in developing and creating engaging standard based lessons

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

County adopted materials are utilized and monitored for fidelity.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Data used from state-wide assessments are used for student placement. Progress monitoring is used to drive instruction and determine areas of concern for intervention. Formative assessment is use for grouping in individual classrooms, interventions, and instructional differentiation.

For example: - A student who scored a level one FSA Reading has been placed in 90 minutes of reading instruction. After the STAR assessment is administered, if the same student shows a low level of proficiency in a specific standard, the student would receive remediation from classroom teacher or interventionist.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year:

Strategy Rationale

Strategy Purpose(s)

- Core Academic Instruction
- Teacher collaboration, planning and professional development

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Each spring 8th grade students are visited by high schools to support the transition into high school. Each spring 5th grade students are introduced to our CTE pre-academies.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

In 6th grade, students are scheduled into a wheel class that allows them to get a feel for the different pre-academies that are offered. Each wheel class teaches them the basics of what type of careers are offered in that field. Students then choose a pre-academy in the 7th grade. Also, 8th grade students are assessed using KUDER to help determine their career interest and form a career path.

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

Denison Middle School has become wall-to-wall pre-academies. Every student on the campus is enrolled in a pre-academy. The pre-academy teachers work with the core academic teachers to relate what is being learned in the core subject to what is being taught in the pre-academy class. Each Pre-academy class will feed into a high school academy.

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

Each academy is connected with a team of core academic teachers to enable cross-curricular instruction and activities.

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

Review of the 16-17 data shows a gap in the performance of SWD and ELL students as compared to their peers. A 27 point gap currently exists in FSA ELA for SWD and a 15 point gap exists for ELL students. For FSA Math a 16 point gap exists for SWD and ELL students. Denison Middle will work to close the gap during the 17-18 school year.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

The data supports the need for more support for our ESE and ELL students. While they are assigned a support facilitator, additional focused support is needed. The data suggests that students need more mentoring and guidance, referral of services, and additional support to help students experience lasting success.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** Denison Middle will plan and deliver rigorous standards based instruction 80% of the time and develop a system to support and monitor implementation.
- G2.** Denison Middle will develop an instructional structure in which 80% or greater of the students are responsible, motivated and highly engaged in the learning environment through CHAMPS, PBIS and MTSS/Rtl systems that create a supportive learning environment that is safe and orderly.
- G3.** Denison Middle will provide MTSS/Rtl supports (Tier 2, Tier 3) for the 20% or less of students not responsible, motivated, and highly engaged in the learning environment to promote a safe and orderly environment.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. Denison Middle will plan and deliver rigorous standards based instruction 80% of the time and develop a system to support and monitor implementation. **1a**

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.
