Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Escambia County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

The faculty, staff, families, and community of A.K. Suter Elementary unite to instill in our students a high standard of academic excellence and responsible behavior that will prepare them to compete in a rapidly changing and culturally diverse society.

b. Provide the school's vision statement.

A.K. Suter Elementary School strives to be a complete educational experience for all students, a place where all children are nurtured, educated and loved.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Cultural sensitivity training is provided to all of our staff by our school's ESE teachers, guidance counselor, school social worker and administrators. Students are encouraged to celebrate their culture in art projects, writings, music, and performance.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

A.K. Suter provides a safe environment for all students. Staff are trained to recognize student needs and respond accordingly. Our guidance counselor and school psychologist provide professional development that teaches our staff to recognize a student who may need assistance.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

A.K. Suter uses a Positive Behavior System. Students are rewarded daily for good behavior and good citizenship using our Dolphin Dollars. Weekly drawings are held on our school wide television program. Students whose names are drawn are recognized on our television program for their good citizenship and get to draw a prize from the school's treasure box.

Behavior expectations are posted throughout the school. All staff use the same terminologies when dealing with or discussing behaviors with students. Additionally, the Behavior Leadership Team provided a presentation with teachers and staff to discuss the new Behavior Conference Form. This form outlines classroom managed behaviors that must be documented before contacting administration. Also, this form will be used and discussed during Rtl when needed.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

A.K. Suter Elementary has a full-time guidance counselor. The guidance counselor serves on our school's leadership team and provides on-going professional development to teachers.
 Examples of staff training: Anti-Bullying, How to Recognize Bullying, Students Dealing and Coping with Divorce, Sanford Harmony and Students Dealing and Coping with Death.
 A.K. Suter has an active mentoring program. We also have area business mentors that volunteers hours to students weekly.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

All level 1 students are immediately placed in our school's RTI process if they are not already in RTI. Students who miss 4 days in nine-weeks go through our attendance process. This involves parent meetings with administrators and school social worker to discuss ways of improving attendance and the importance of being in school everyday.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	2	3	5	6	8	16	0	0	0	0	0	0	0	40
One or more suspensions	0	2	3	0	0	0	0	0	0	0	0	0	0	5
Course failure in ELA or Math	0	5	10	8	5	5	0	0	0	0	0	0	0	33
Level 1 on statewide assessment	0	0	0	2	6	12	0	0	0	0	0	0	0	20

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students exhibiting two or more indicators	0	1	4	2	2	3	0	0	0	0	0	0	0	12

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Attendance meetings are held every two months with parents of students missing 3 or more days a month (unexcused).
 Guidance services are offered to all students receiving referrals.
 Behavior plans for individual students are developed as needed.
 Mentors are placed with at-risk students.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

No

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

The administration team builds partnerships and relationships with local businesses and partners. Meetings are held to discuss academic and behavior data as well as students' and teachers' needs for improving academic excellence.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Queen, Russell	Principal
Loggins, Jesse	Teacher, K-12
Low, Kelly	Teacher, K-12
Proshek, Amy	School Counselor
Thomas, Dr. Kimberly	Assistant Principal
Lewis, Traci	Teacher, K-12
McWethy, Heather	Teacher, K-12
Ryan, Deirdre	Teacher, K-12
Andrews, Catherine	Teacher, ESE
Evans, Kenyatta	Teacher, K-12
Seitz, Ashely	Teacher, K-12

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Russell Queen - Principal, Dr. Kimberly Thomas-Assistant Principal, Amy Proshek - Guidance Counselor and Kelly Low - School Psychologist; share a common vision to make sound decisions for students based on data; they ensure implementation of the RTI process, professional learning opportunities to keep teachers current with the RTI process and other best practices and instructional strategies, and communicate with parents about the school based plans.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s)

responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Each classroom teacher maintains ongoing student achievement records for Progress Monitoring. Students that are identified as deficient in meeting expectations (academic or behavior) are discussed at the team level to develop initial intervention strategies. These strategies are implemented and monitored at the classroom and team level. Students that continue to show deficiencies are discussed at the follow up RTI meetings where additional strategies of intervention are discussed and an implementation plan continued. Data is reviewed monthly by the team.

A.K. Suter Elementary receives support through Federal, State, and local programs.

Title I, Part C-Migrant:

Services for migrant children are provided by the district level Title I office. After thorough checking of the migrant student information exchange (MSIX) system and our local student data base, A.K. Suter does not have any students designated as migrant.

Title I, Part D:

Services to neglected and delinquent students are provided by various district-operated programs. These services are overseen by the Title I office.

Title II:

Professional development is offered at both the school and district level.

Title III:

Services for English Language Learners are provided as required by law. Several ESOL centers are provided at various key locations in the district. Students who do not attend centrally located school-based sites attend their zoned school where ESOL endorsed teachers provide services.

Title X - Homeless:

The school works with the district's Homeless Coordinator to provide resources (clothing, school supplies, and social services referrals) for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. This program is overseen by the district Title I office. A.K. Suter has eight (8) students who fit the criteria for homeless.

SAI

SAI money is used to provide technology devices and software used for instruction. SAI money is also used to purchase supplementary curriculum for struggling students.

Violence Prevention Programs:

The school offers a non-violence and drug prevention program to all students that incorporates curriculum and counseling.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Russell F. Queen	Principal
Simmi Taylor	Parent
Angela Zapatka	Parent
Michael Tracey	Business/Community
Aprile Cushon	Parent
Jessica Hellons-Poindexter	Parent
Dr. Kimberly Thomas	Principal
Stephanie White	Business/Community
Patrick McCown	Parent
Gerald Craft	Parent

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

The School Advisory Council will review the School Improvement Plan at the September 2017 meeting. All goals and budget items will be discussed. Florida Standards Assessment data will also be shared with stakeholders.

b. Development of this school improvement plan

The SAC will meet a minimum of eight (8) times during the school year. The council will review the school budgets, school improvement plan, and other school related items. After reviewing all pertinent data, the School Advisory Council assist with setting the goals for the school.

c. Preparation of the school's annual budget and plan

The School Advisory Council receives a detailed budget overview. The discussions on these issues are outlined during the February and March School Advisory Council meetings.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

School Improvement funds were allocated for parent-teacher meetings (substitutes) during school hours for teachers to discuss student progression with parents. Additionally, funds were used for resources and materials to enhance instruction and student learning. The budget is as follows:

Function 5100: 19,229

These funds were used for supplies and computer software programs.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Thomas, Dr. Kimberly	Assistant Principal
Carithers, Caroline	Teacher, K-12
Low, Kelly	Psychologist
Proshek, Amy	School Counselor
Queen, Russell	Principal
Stillman, Paula	Instructional Media
Farmer, Lauren	Teacher, K-12
Ryan, Deirdre	Teacher, K-12
Anderson, Susan	Teacher, K-12
Diettel, Diedra	Teacher, K-12
McWethy, Heather	Teacher, K-12

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

We will continue to implement Standards Based Planning and Instruction for English Language Arts Standards. Additionally, we will use word study as well as other Accelerated Reader and other reading activities to engage and motivate students to read. In conjunction with the Media Specialist and PTA, we will collaborate and work on monthly reading events.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

We have developed a schedule this year that will include 1-2 common planning times per week for grade levels. Our theme for this year is COLLABORATION. With that being said, we are focusing our efforts on sharing best practices and looking at individual students and not just MY students. Also, monthly data chats will occur amongst teachers, students, and families. The administrators also meet with team leaders monthly to discuss academic and behavioral concerns. The administrators respond to a written list of grade level questions or concerns at each meeting. The grade level leader works as the liaison between the grade level and administration. We will also continue to implement monthly data meetings with grade levels.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

The administrators assign consulting teachers to all first year teachers. Veteran Suter teachers are assigned as mentors to experienced teachers that are new to our school. The district's START teacher program is used with all beginning teachers.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

New teachers are paired with a veteran teacher on their grade level. The teacher is able to answer questions and concerns of the beginning teacher. A beginning teacher inservice is held to answer campus specific questions. The new teacher meets weekly with their grade level.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

All grade levels use the district developed standard frameworks for English Language Arts and Mathematics and standards as a guide for all other content areas. Periodic grade level reviews are conducted by the administrators to ensure fidelity to the pacing guides. We have identified key individuals to represent each subject area such as English Language Arts, Mathematics, Science, and Social Studies. These team leaders meet with district level staff monthly to discuss current trends and issues. After which, they disseminate the information to staff members. Our school focus is standards based planning and instruction.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

STAR 360 and district level assessments are used along with state assessments to determine enrichment, differentiated instruction and remediation of students. All teachers use intensive interventions such as SRA Reading Mastery and Corrective Reading to work with struggling students in all subject areas needed. Mentors and tutors are assigned to struggling students. These individuals meet weekly with students under the supervision of a classroom teacher to provide supplemental reading and math assistance.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 0

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

A.K. Suter schedules an orientation for all students. Assistance is given to parents with all grade level registrations. We also assist families with transportation and child care options. Electronic and written correspondences are used such as school website, letters to parents, PTA Facebook page, and school messenger.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

N/A

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

N/A

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** Increase performance of students in the lower quartile on FSA in Mathematics to 51%.
- G2.** Increase performance of students in the lower quartile on FSA in English Language Arts to 51%.
- G3.** Implement monthly data meetings with teachers as well as have teachers implement data chats and conference logs with students monthly to discuss progress.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Strategy Rationale

Teachers are still learning to navigate and gain an understanding of the Florida State Standards. They are working on dissecting and understanding the hierarchical structure of standards as students progress across grade levels; therefore, it's important to provide consistent support to teachers as they move through this process.

Action Step 1 **5**

We will allow for a weekly common planning time to discuss student data and best practices. Additionally we will discuss resources and materials used to determine effectiveness of implementation.

Strategy Rationale

The rationale for this strategy is due to teachers' concern with Florida State Standards and implementing standards with fidelity we will seek district specialists and our team leaders to provide on-going professional development with our teachers. Also, implementing consistent data meetings will help us to monitor student progress.

Action Step 1 5

We will develop a monthly data meeting calendar and have consistent conferences with teachers, parents, and students to review and discuss formative and summative assessments.
