School Demographics

School Type and Grades Served (per MSID File)	2016-17 Title I School	2016-17 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)
Elementary School KG-5	No	34%
Primary Service Type (per MSID File)	Charter School	2018-19 Minority Rate (Reported as Non-white on Survey 2)
K-12 General Education	No	38%

School Grades History

Year	2016-17	2015-16	2014-15	2013-14
Grade	A	A	A*	A

**Informational Baseline School Grade*

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Polk County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	6
Supportive Environment	6
Family and Community Engagement	8
Effective Leadership	9
Public and Collaborative Teaching	11
Ambitious Instruction and Learning	12
8-Step Planning and Problem Solving Implementation	16
Goals Summary	16
Goals Detail	16
Action Plan for Improvement	19
Appendix 1: Implementation Timeline	25
Appendix 2: Professional Development and Technical Assistance Outlines	26
Professional Development Opportunities	26
Technical Assistance Items	28
Appendix 3: Budget to Support Goals	28

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

2017-18 DA Category and Statuses for Bartow Elementary Academy

DA Region and RED	DA Category and Turnaround Status
Southwest -	- N/A

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

Bartow Elementary Academy is a family partnership inspiring today's learners to become tomorrow's leaders.

b. Provide the school's vision statement.

Bartow Elementary Academy is a family partnership dedicated to inspiring and preparing learners to become productive global citizens. Our desire is for everyone to use life skills, technology, and innovative experiences to build tomorrow's leaders.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

The process for learning about students' cultures and building a relationship with students begins when students are first accepted to Bartow Elementary Academy and is ongoing. For kindergartners, building the bridge to understand cultures and developing relationships begins at new parent orientation, which is held each May for the incoming fall kindergartners and their parents. During this orientation, the students are divided into groups and participate in various activities that allow the staff to interact with them and observe their basic skills. Information gathered from these observations and parent questionnaires allow the school to gather data on demographics, prior knowledge, social and emotional levels, and preschool experiences. This information gives teachers a glimpse at each students' capabilities academically, socially, and personally. Teachers build relationships with students in their daily contact and interaction. This is done through smiles, warm welcomes, and words of praise and encouragement. Bartow Elementary Academy believes relationships are the key to academic success. Teachers take pride in getting to know each student and their family. CHAMPS expectations are being implemented this school year.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

Our school expectations set the stage for providing a positive and safe learning environment. These expectations are based on the Bartow Elementary Academy Knights PBS which includes respect, responsibility, cooperation, safety, and the ability to problem solve. The expectations are incorporated into authentic situations that students may encounter with adults and other students on campus. Students are also taught twenty-one life skills that help foster a sense of family and community in which everyone is valued. CHAMPS has been introduced and is being implemented to support clear communication of our expectations throughout all areas of the school as well as with our parents and other stakeholders.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

A clear set of school-wide expectations and consequences are used by all teachers in all classrooms. The consequences involve strategies to help the students reflect on inappropriate choice that was

made and focus on appropriate grade level choices. Teachers keep a tracking form for each student, and after four marks are received on the card, the teacher schedules a parent conference in which administration is in attendance. Those in attendance at the conference discuss a positive behavior plan to be implemented.

At the end of each nine-week grading period, students are recognized for their behavior. Students who receive two or less marks on the tracking form for behavior infractions are honored as super citizens and those receiving four or less marks are recognized as good citizens. This is done at an awards ceremony held in the auditorium, with parents invited to attend.

Classes are involved in earning shields on daily basis. Shields are earned for attendance, being in dress uniform, and meeting the school expectations. Classes meeting the shield goals are rewarded each nine weeks. Rewards include such things as crazy sock day, favorite team jersey day, and wacky hair day.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Students social and emotional needs are meet through the life skill lessons as well as character education lessons that take place once a week. Students needing extra support may be paired with a peer, older student, or staff member. Teachers also refer students to the school guidance counselor when they observe students who have needs not being meet by the class lessons and pairings. Guidance may set up individual or small group lessons based on need. Guidance requests services offered by the district if they are needed and refers parents to outside resources on an as-needed basis.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

Based on 2016-17 data from IDEAS - N/A.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Attendance below 90 percent	5	1	3	0	6	0	0	0	0	0	0	0	0	15
One or more suspensions	2	1	0	2	8	2	0	0	0	0	0	0	0	15
Course failure in ELA or Math	0	1	0	0	0	0	0	0	0	0	0	0	0	1
Level 1 on statewide assessment	0	0	0	4	1	9	0	0	0	0	0	0	0	14

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students exhibiting two or more indicators	0	1	0	0	3	1	0	0	0	0	0	0	0	5

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

The county-wide School Messenger System notifies parents of student absences daily through email and/or phone. Teachers phone parents of a student who is absent 3 days or more days in a row. Attendance letters are sent to the parents of students who are absent 5 days. The social worker and terminal operator work together to maintain accurate attendance records. Administrators and teachers have a face-to-face conference with parents as soon as a teacher becomes concerned with a student's attendance. The school-wide Knight's Expectations reinforces daily attendance. Each homeroom receives a shield for perfect attendance. Shields accumulate each nine weeks and classes meeting the goal are rewarded. After-school tutoring is provided for 10 weeks starting in January to struggling students.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

No

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description

Bartow Elementary Academy host an annual volunteer orientation each September to provide parents and community members an overview of the many opportunities they may become involved at school. These include classroom tutoring, clerical work, media center assistant, proctors for testing, and garden club comprised of parent and student volunteers.

BEA has a very active PTA with a large number of members and volunteers. PTA sponsors and hosts many events throughout the year, including Family Movie Night, Walk-A-Thon, Holiday Shoppe, and the spring musical all of which include families being on campus and interacting with staff.

Communicating the school's mission an vision and building positive relationships is also done using the following:

- Student led Portfolio Conferences
- Agendas for daily communication
- Orientation Night
- ListServ
- Tuesday Folders
- Grade level parent nights
- Parent/Teacher Conferences
- Facebook page
- School Messenger
- School Website
- Chess Club
- Chorus
- A-Team
- Spanish Club
- Character Day Parade

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

Bartow Elementary Academy is a proud recipient of the Golden School Award and the Five Star School Award. Both of these awards recognize the involvement of community members, clubs, and organizations that contribute to Bartow Academy. BEA builds and maintains partnerships with the community by being a member of the Bartow Chamber of Commerce, applying for and receiving local grants, personal contact with business partners throughout the year, and student participation in art, writing and poster contests. MIDFLORIDA Federal Credit Union sponsors the kindergarten Gift of Reading Program each year with a book donation to each student and the local high school Future Teachers Program provides students to assist with class projects, clerical work and tutoring. We also have several business stakeholders serving on our SAC Committee.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Nelson, Tracy	Principal
Mcfadyen, Elise	School Counselor
McDougall, Peter	Assistant Principal
Wolfe, Shari	Instructional Coach Instructional Technology

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The Leadership Team serves as the school’s climate committee, ensuring that a positive learning climate fosters learning gains and student achievement in a diverse setting. The committee works together to share the school vision and mission. The committee also analyzes the Successful Schools Survey completed by parents and students. The committee makes recommendations to the School Advisory Council as necessary, informing both of concerns, issues, and possible strategies to address the various areas. The committee serves as a liaison to gather input from other staff members.

The Leadership Team participates in writing, monitoring, and evaluating the School Improvement Plan. This includes assisting with the goals, objectives, strategies, and evaluation for all curriculum areas. It also analyzes data, conducts needs assessments, and provides input for areas of need for staff development. Furthermore, we work to provide appropriate professional learning activities based on instructional need.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The process used by the leadership team to identify and align available resources:

1. Planning - The leadership makes decisions about the direction of the school and uses available resources to achieve its goals. This stage provides the school stakeholders with a sense of direction and purpose.
2. Organizing - At this stage of the process, policies and procedures are developed and roles and responsibilities of stakeholders are assigned. The budget is aligned to ensure that funds are used to increase student achievement. The organization of the plan takes place at this stage.
3. Leading - The leading stage is where the leadership facilitates and carries out the plan that has been set in place to ensure things are taking place to meet the needs of the students.
4. Monitoring - At this stage, the school leadership reviews the plan and compares the expected outcomes to the actual outcomes. Personnel may do this with observations and walk throughs. It may also be done with a review of use of funds.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Tracy Nelson	Principal
Peter McDougall	Principal
Karen Reece	Education Support Employee
Anissa Fullwood	Parent
Fraenda Satchel-Carter	Business/Community
Noemi Alfaro	Parent
Shari Wolfe	Parent
Ann Matteson	Parent
Betty Orwig	Business/Community
Donald Bryson	Business/Community

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

The 2016-17 October School Advisory council will review current data and targets for 2017-18.

b. Development of this school improvement plan

A draft copy of the School Improvement Plan with the goals that were written by vertical teams was presented to SAC at the October meeting. Members reviewed the plan and focused on the goals. Members were given the opportunity to discuss the plan, ask questions, and give input. The council made recommendations based on data reviewed.

c. Preparation of the school's annual budget and plan

The SAC will approve all spending of lottery funding and give suggestions for the annual budget based on the SIP.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

Funds for the 2016 - 2017 school year were designated for resources and materials to support the students and teachers with curriculum. Additional supplies for science, engineering, and our outdoor garden classroom were purchased.

Lottery funds were used to pay teachers that provided after school tutoring to Tier 2 students and students who scored a level 1 or 2 on FSA.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Nelson, Tracy	Principal
McDougall, Peter	Assistant Principal
Wolfe, Shari	Instructional Coach
Mcfadyen, Elise	School Counselor
	Instructional Technology

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The role of the Literacy Leadership Team is to assess the quality of the reading curriculum and discuss revisions and improvements. In these meetings, the LLT team discusses data on student progress and reviews grade level plans to assure that those are in accordance to the SIP and school reading goals. In addition, members of the LLT can meet with teachers to review lesson plans, discuss student progress, and assist teachers with any issues concerning reading or reading in the content areas. Members of the team also model and provide feedback to teachers. The major initiatives of the LLT this year include:

- Strengthening the reading curriculum to result in greater learning gains, improved reading performance, and an increase in higher level thinking and high cognitive complexity tasks/extending thinking activities
- Aligning the reading curriculum with the Florida Standards in science and social studies to integrate STEAM, with a focus on Engineering
- Planning and implementation of differentiated instruction to address needs of students performing on and above grade level in reading

This team also oversees the Accelerated Reader Program

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

Grade levels participate in a daily 50 minute planning block. Teachers use the district learning maps to guide them as they create quality lesson plans. Vertical Teams are assigned a content area to meet to discuss data and strategies.

Weekly PLC meetings are held with the administration for improving instructional strategies, reviewing data and student work, using data to drive instructional decisions. Resource and special area teachers meet to discuss and coordinate activities with grade-level plans (STEAM projects, etc.).

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

Vacancies are posted on the Polk County School Board website to draw applicants. The school principal participates in an interview program for Southeastern University students who are completing their final internship. This program allows the principal to meet and talk with interested candidates prior to graduation.

Current teachers are asked to refer interested teaching candidates to administration for interviews. A Selection Committee is used in the interviewing/selection process for open positions. Staff members are given opportunities to contact PD with peers. A new staff induction program is also in place.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Teachers new to the teaching profession are paired with a peer teacher. Peer teachers are selected based on their performance and leadership skills. Teachers participate in a peer reflection. Peer reflection involves observing other teachers and reflecting on the strategies and practices used during the observation.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

The district learning maps are aligned with Florida standards. Teachers are required to use and follow the maps when collaborating during lesson planning. Lesson plans are checked by the assistant principal.

During walkthroughs and observations, administrators refer to the district evaluation rubric with EPCs and the learning map pacing guides to ensure that instruction is based on the standards.

The textbook series used for the core reading and math instruction were purchased by the district and align with the Florida standards. The textbooks and other resources are used to teach the standards. Integrated STEAM units have been designed to support BEA's unique educational experience.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Beginning of the year inventories and assessments are used to initially place students in differentiated groups. As skills are introduced and/or retaught, formative and summative assessments are given. These assessments are used to drive instruction and restructure groups based on need. Instruction is based on the Florida Standards with adjustments being made based on student's instructional level. Complexity is increased as the students master skills.

Students who continue to struggle are brought before the MTSS Committee and offered additional support to minimize or eliminate deficiencies. In addition, extended learning opportunities are provided for students needing additional support.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 960

Teachers to provide one hour after school tutoring sessions for 12-16 weeks in the areas of math, reading, and writing.

Strategy Rationale

Students are able to receive additional instruction in small groups or one on one to focus on areas of opportunity.

Strategy Purpose(s)

- Core Academic Instruction
- Enrichment

Person(s) responsible for monitoring implementation of the strategy

McDougall, Peter, peter.mccougall@polk-fl.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students were identified for extended learning through STAR reading and math, iStation FSA, and classroom assessments. A pre and post assessment to check student progress on skills taught will be administered. Teachers keep track of students that attend tutoring sessions and track their progress of their respective content area. Ongoing data will be collected based on the skills taught and analyzed by administration and teachers weekly.

Strategy: Summer Program

Minutes added to school year: 10,800

The Summer Power -Up Program provided six weeks of additional instruction for students in the area of reading.

Strategy Rationale

Students were invited to Power-Up based on the final FAIR score. Highly qualified teachers provided a full day of reading instruction. The maximum class size was fifteen students. Transportation from zoned schools was provided as well as a breakfast and lunch at no charge.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Kindergarten Big Step Day is held in May. During this time, parents and students rotate to a variety of activities to help familiarize them with the school and kindergarten expectations. Each student is observed completing various skill activities. Within the first 30 days of school, kindergartners are given the Florida Kindergarten Readiness Test (FLKRS). This tool is used to measure a student's readiness for school.

Fifth graders attend a transition meeting that is hosted by the guidance counselor from the feeder middle school. They receive information on middle school requirements, programs offered, and are afforded a question/answer session with middle school students. Elective schedules are sent home at the end of the session.

Boy and Girl Scouts will visit to discuss transitioning into middle school. In addition, Stephen Scheloske, principal of Union Academy is our partner in preparing our students for what is facing them as middle school students.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

N/A

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.

N/A

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.

N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.

N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

1 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** If we train and monitor the implementation of the 5E Model with fidelity, then our math and science scores will increase.

- G2.** If we monitor and provide authentic feedback on gradual release with fidelity, then student engagement and proficiency levels will increase.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. If we train and monitor the implementation of the 5E Model with fidelity, then our math and science scores will increase. 1a

G099148

Targets Supported 1b

Indicator	Annual Target
FSA ELA Achievement	86.0
Math Gains	73.0
Math Lowest 25% Gains	76.0
FSA Mathematics Achievement	90.0
ELA/Reading Gains	71.0
Statewide Science Assessment Achievement	86.0
ELA/Reading Lowest 25% Gains	65.0

Targeted Barriers to Achieving the Goal 3

- Teachers' have an inadequate understanding of the 5E Model

Resources Available to Help Reduce or Eliminate the Barriers 2

- 5E Model
- District support
- online resources
- Model classrooms
- Peer support

Plan to Monitor Progress Toward G1. 8

Lesson plan checks and 5E rubrics

Person Responsible

Peter McDougall

Schedule

Weekly, from 8/10/2017 to 5/24/2018

Evidence of Completion

Lesson plan checks, grade level planning sheets and 5E ubrics

Plan to Monitor Progress Toward G1. 8

Lesson plan checks and 5E rubrics

Person Responsible

Tracy Nelson

Schedule

Weekly, from 8/10/2017 to 5/24/2018

Evidence of Completion

Lesson plan checks, grade level planning sheets and 5E ubrics

G2. If we monitor and provide authentic feedback on gradual release with fidelity, then student engagement and proficiency levels will increase. 1a

G099149

Targets Supported 1b

Indicator	Annual Target
FSA Mathematics Achievement	90.0
FSA ELA Achievement	86.0
ELA/Reading Gains	71.0
ELA/Reading Lowest 25% Gains	65.0
Math Gains	73.0
Statewide Science Assessment Achievement	84.0
Math Lowest 25% Gains	76.0

Targeted Barriers to Achieving the Goal 3

- Teacher's do not want to give up control of their content

Resources Available to Help Reduce or Eliminate the Barriers 2

- District resources
- Administration for professional learning at the school level
- District learning maps
- Literacy coach

Plan to Monitor Progress Toward G2. 8

Observation data recorded in Journey, collaborative planning sheets and coaching observations

Person Responsible

Tracy Nelson

Schedule

Weekly, from 10/11/2017 to 5/24/2018

Evidence of Completion

Observation data recorded in Journey, data analysis

Plan to Monitor Progress Toward G2. 8

Lesson plan checks, grade level planning meetings, collaborative planning sheets, class data and grade level data

Person Responsible

Peter McDougall

Schedule

Weekly, from 10/11/2017 to 5/24/2018

Evidence of Completion

Lesson plan checks, results from school and district assessments.

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

1 = Problem Solving Step  S123456 = Quick Key

G1. If we train and monitor the implementation of the 5E Model with fidelity, then our math and science scores will increase. 1

G099148

G1.B1 Teachers' have an inadequate understanding of the 5E Model 2

B266923

G1.B1.S1 Provide professional development focused on the 5E Model with an implementation schedule.

4

S282841

Strategy Rationale

Leadership Team will coordinate professional development on the 5E Model, facilitate implementation, progress monitoring, and analyze data on a monthly basis.

Action Step 1 5

classroom observations and collaborative planning

Person Responsible

Tracy Nelson

Schedule

Weekly, from 8/10/2017 to 5/24/2018

Evidence of Completion

Grade level data chats, classroom walk throughs, informal and formal observations, and lesson plans/grades will indicate teachers' increased knowledge and show student growth.

Action Step 2 5

classroom observations and collaborative planning

Person Responsible

Peter McDougall

Schedule

On 5/24/2018

Evidence of Completion

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

Implement a rubric to assist with instructional adjustments that will provide specific feedback to teachers following classroom observations.

Person Responsible

Tracy Nelson

Schedule

Weekly, from 8/10/2017 to 5/24/2018

Evidence of Completion

Classroom walk throughs and observation rubrics will monitor the fidelity of implementation of the 5E Model.

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

Implement a rubric to assist with instructional adjustments that will provide specific feedback to teachers following classroom observations.

Person Responsible

Peter McDougall

Schedule

Weekly, from 8/15/2017 to 5/24/2018

Evidence of Completion

Classroom walk throughs and observation rubrics will monitor the fidelity of implementation of the 5E Model.

Plan to Monitor Effectiveness of Implementation of G1.B1.S1 7

Observations, lesson plans, and interim reports/report cards. Coaching, collaborative planing, and feedback sessions will serve as important components to solidify teacher knowledge and offer support for high yield teaching strategies. Monthly leadership meetings will be held to determine the effectiveness of the rubrics.

Person Responsible

Tracy Nelson

Schedule

Monthly, from 8/10/2017 to 5/24/2018

Evidence of Completion

Weekly PLC and common planning meetings, collaborative planning sheets, data chats, observation data, SBLT minutes, lesson plan documentation will display evidences of growth in staff and students.

Plan to Monitor Effectiveness of Implementation of G1.B1.S1 7

Observations, lesson plans, and interim reports/report cards. Coaching, collaborative planing, and feedback sessions will serve as important components to solidify teacher knowledge and offer support for high yield teaching strategies. Monthly leadership meetings will be held to determine the effectiveness of the rubrics.

Person Responsible

Peter McDougall

Schedule

Monthly, from 8/10/2017 to 5/24/2018

Evidence of Completion

Weekly PLC and common planning meetings, collaborative planning sheets, data chats, observation data, SBLT minutes, lesson plan documentation will display evidences of growth in staff and students.

G2. If we monitor and provide authentic feedback on gradual release with fidelity, then student engagement and proficiency levels will increase. 1

G099149

G2.B1 Teacher's do not want to give up control of their content 2

B266925

G2.B1.S1 Provide professional learning on the gradual release model 4

S282842

Strategy Rationale

Utilize the gradual release model to solidify student mastery of lesson skills and concepts based on state standards.

Action Step 1 5

Provide professional learning opportunity on the gradual release model

Person Responsible

Tracy Nelson

Schedule

Monthly, from 10/11/2017 to 5/24/2018

Evidence of Completion

Lesson plan documentation and classroom observations as well as completed STEAM units by grade levels.

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

The fidelity and implementation of the gradual release model will be monitored during classroom observations and walk throughs and feedback provided by administration and literacy coach.

Person Responsible

Peter McDougall

Schedule

Weekly, from 10/11/2017 to 5/24/2018

Evidence of Completion

Teacher feedback and documentation from lesson plans, walk throughs, classroom observations and student work samples.

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

The fidelity and implementation of the gradual release model will be monitored during classroom observations and walk throughs and feedback from our literacy coach.

Person Responsible

Tracy Nelson

Schedule

Weekly, from 10/11/2017 to 5/24/2018

Evidence of Completion

Teacher feedback and documentation from lesson plans, walk throughs, classroom observations and student work samples.

Plan to Monitor Effectiveness of Implementation of G2.B1.S1 7

Lesson plans, classrooms observations, and student assessments.

Person Responsible

Peter McDougall

Schedule

Weekly, from 10/11/2017 to 5/24/2018

Evidence of Completion

Students will attain learning goals on Florida Standards Assessments, teacher made assessments, and progress monitoring instruments.

IV. Implementation Timeline

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
2018					
G1.MA1 M414758	Lesson plan checks and 5E rubrics	McDougall, Peter	8/10/2017	Lesson plan checks, grade level planning sheets and 5E rubrics	5/24/2018 weekly

V. Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. If we train and monitor the implementation of the 5E Model with fidelity, then our math and science scores will increase.

G1.B1 Teachers' have an inadequate understanding of the 5E Model

G1.B1.S1 Provide professional development focused on the 5E Model with an implementation schedule.

PD Opportunity 1

classroom observations and collaborative planning

Facilitator

Tracy Nelson/Peter McDougall/Debra Porter

Participants

Grades K-5 instructional staff

Schedule

Weekly, from 8/10/2017 to 5/24/2018

PD Opportunity 2

classroom observations and collaborative planning

Facilitator

Tracy Nelson/Peter McDougall/Debra Porter

Participants

Grades K-5 instructional staff

Schedule

On 5/24/2018

G2. If we monitor and provide authentic feedback on gradual release with fidelity, then student engagement and proficiency levels will increase.

G2.B1 Teacher's do not want to give up control of their content

G2.B1.S1 Provide professional learning on the gradual release model

PD Opportunity 1

Provide professional learning opportunity on the gradual release model

Facilitator

Peter McDougall and Tracy Nelson

Participants

Grades K-5 instructional staff

Schedule

Monthly, from 10/11/2017 to 5/24/2018

VI. Technical Assistance Items

Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.

VII. Budget

1	G1.B1.S1.A1	classroom observations and collaborative planning	\$0.00
2	G1.B1.S1.A2	classroom observations and collaborative planning	\$0.00
3	G2.B1.S1.A1	Provide professional learning opportunity on the gradual release model	\$0.00
Total:			\$0.00
