Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan was approved by the Alachua County School Board on 10/16/2018.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in [section 1008.33, Florida Statutes](#), is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by [Rule 6A-1.099811, Florida Administrative Code](#):

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement.

District: We are committed to the Success of Every Student!

School: The mission of Kimball Wiles Elementary School is to provide each student with the best opportunity to learn and thrive each day.

b. Provide the school's vision statement.

District: We will graduate students who have the knowledge, skill, and personal character to be lifelong learners and independent thinkers. Our graduates will excel in their chosen careers and be productive and contributing members of the global community.

School: Through a unified effort, Kimball Wiles will provide a cooperative, secure and innovative environment in which all individuals will reach their full potential.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students.

Each spring parents are invited to write to the principal about their child, describing the child's strengths and weaknesses, hopes and dreams. After all, it is the parents who know the child best and can best convey to teachers and school staff just what will help the child meet with success each day at school. In addition, teachers invite children and their parents to share aspects of their culture which they treasure the most as a family.

On the Friday of pre-planning before school begins, the school schedules Meet the Teacher for students and parents to meet their new instructor and to see the classroom. Open House is scheduled a few weeks later and gives parents and teachers time to talk and listen to each other. Parent Conference Nights are scheduled throughout the school year for another opportunity for parents and teachers to come together for the benefit of the children.

Kindergarten students come to school for just one day the first three days of the school year. This gives teachers time to interact with just five - six children for a whole school day rather than eighteen children all at once. Teachers use this time to get to know each child and to begin the relationship building process.

Teachers hold Morning Meetings, build classroom communities, select Wiles Leaders, showcase student work, and throughout the day work with students to build strong relationships with each other and all school personnel.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school.

The school is completely fenced-in and enforces a single mode of entry for parents and visitors. The school also uses the Raptor program which monitors people coming onto and leaving the school

system. A strictly enforced sign-in and identification process is in use throughout the school day as well as before and after school in order to guarantee the safety of all students and school personnel. The School Resource Officer conducts school lockdown drills on a regular basis and provides instruction to the staff on ways to keep our campus safe for children and adults.

The principal provides a copy of the school's Crisis and Emergency Plan during pre-planning and reviews procedures with faculty and staff with the assistance of the School Resource Officer.

Teachers are on duty before school and after school at all junctures of arrival and dismissal to monitor the safety of the students.

The Guidance Counselor and school administration are on duty each day working with children to help each one feel safe and respected at school. The Guidance Counselor provides small group help to students on Friendship, School Adjustment, and other topics to help students feel part of the warm, supportive school community.

Classroom teachers provide students with an environment that is supportive and safe and counsels students on what to do in the event that problems occur. All students and their parents are provided with information on the school district's anti-bullying program including what to do in case bullying occurs. The school notifies students and parents through the weekly Principal's Letter about the school no tolerance policy on threatening, bullying or fighting. Teachers promote friendship and civility within the classrooms through class and grade level meetings.

School volunteers work in classroom and throughout the school to provide students with other caring adults to talk to and to work with.

The School Resource Officer is visible throughout the school day and is another resource for children to turn to.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced.

There are clear behavioral expectations for all students not only in the classrooms but throughout the public areas of the school such as hallways and cafeteria including being responsible, kind, hard working, and polite. Teachers work with children every day to help them stay focused on their school work while building strong, positive relationships with their fellow students and their teachers.

There are district-developed protocols for disciplinary incidents along with local protocols such as when and who to call in case there is an incident that must be addressed within the school. All teachers receive training in school discipline during pre-planning week of the school year.

The school district provides each elementary school with a Behavior Resource Teacher (BRT), a caring adult for students who are struggling with behavioral issues. The BRT works to help students stay in school and accomplish their school work as opposed to out-of-school suspension.

Meridian Behavioral Health provides in-school counseling to its clients who attend Kimball Wiles Elementary.

The school marks and celebrates Red Ribbon Week with everyone making a pledge to remain drug-free. Activities are conducted throughout the school and in classrooms during the week to help students understand how important this pledge is for their health and welfare.

The school participates in the Trauma Sensitive School program which works with children in crisis situations in a caring and supportive manner.

Students are provided with student planners through the school or the Title 1 program (7 Habits Student Planners) to assist them in keeping track on assignments and projects.

School administration is always available to teachers and students to help with difficult situations that may arise where additional professional help is required. School administration also monitors student behavior through discipline referrals, referrals to other specialized schools within the districts, and to outside agencies as needed.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The school Guidance Counselor provides classroom guidance on topics such as Friendship, School Adjustment, and Divorce to each classroom beginning with Kindergarten classes in the fall. She also provides some limited individual counseling on such topics as divorce, death and bereavement, and social skills.

Mentors are solicited from within the school staff as well as from outside sources such as Business Partners to provide support to students needing extra guidance and support in their lives.

A Backpack Feeding Program is in place for those families without enough food for the week-ends. Baskets of food are provided by the school community at major holidays to families who might otherwise have to go without.

Throughout the school day, teachers help students with social-emotional needs, not only in the classroom but on the playground and at lunchtime as well. Meridian Behavioral Health offers in school counseling to identified students. Kimball Wiles is also a Trauma Sensitive School as it works with children in crisis.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system.

The school early warning system takes into account several indicators. The first is the lower quartile in reading and math from the state assessment program in grades 3 - 5. These students are immediately targeted for Title 1, school Intervention Groups, and/or After School Tutoring.

The school also monitors attendance through teacher contact, Truancy Officer, and the Educational Planning Team (EPT) for parents of truant students.

At grades K - 2, school assessments in reading and mathematics are monitored throughout the school year along with school-level assessments in all three areas . Students in all grades are monitored through district AIMS (Alachua Instructional Monitoring System) assessments in reading and mathematics and at fifth grade, science. Course failure in reading, mathematics and science are monitored every four weeks. Struggling students are targeted for Title 1, school Intervention Groups, and/or After School Tutoring. ESOL After School Tutoring is available for students eligible for this program pending district funding.

The Guidance Counselor monitors attendance and targets attendance below 90%. She alerts teachers who make first contact with parents. If the attendance problem is not remedied, she schedules an Educational Planning Team (EPT) with parents and school staff. If poor attendance continues, the Guidance Counselor follows up with a truancy referral.

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Attendance below 90 percent	5	16	12	18	9	19	0	0	0	0	0	0	0	79	
One or more suspensions	0	3	0	4	4	8	0	0	0	0	0	0	0	19	
Course failure in ELA or Math	1	9	18	2	13	12	0	0	0	0	0	0	0	55	
Level 1 on statewide assessment	0	0	0	4	17	26	0	0	0	0	0	0	0	47	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Students exhibiting two or more indicators	3	2	0	4	5	7	0	0	0	0	0	0	0	21	

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system.

Students with poor attendance are monitored by the data base manager, the Guidance Counselor, the principal and assistant principal. Teachers make the first attempt to speak with the parent regarding student absences. If this does not resolve the problem, an Educational Planning Team (EPT) meeting is scheduled with the parent. If the problem is still not resolved, the Truancy Liaison is called and a home visit is made. If all else fails, the School Board's truancy procedures come into play.

Academic assistance is provided through Title 1, Intervention Groups, Exceptional Student Education (ESE), before school Math tutoring ,and After School Tutoring,

Students with behavioral difficulties are handled by the classroom teacher, Behavior Resource Teacher (BRT), school administration, and the Guidance Counselor. Classroom daily check sheets are used initially to communicate to both the child and the parent how the student behavior is throughout the school day. If this does not resolve the problem, an EPT is scheduled with the parent where the child's participation in on campus activities may be restricted by the school's Red Sheet program. The child may also be referred for psychological evaluation. Otherwise, the child can be referred to the district's Character Counts program for more intensive behavioral services.

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?

Yes

1. PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/653408>.

2. Description

A PIP has been uploaded for this school or district - see the link above.

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement.

The school maintains Business Partner relationships through the district Volunteer Coordinator. Business Partners are drawn from all sectors of the community. The school maintains a reciprocal agreement with all Business Partners including student art displays and musical presentations. In return, Business Partners support the school through assistance with fundraising events, mentor relationships, SAC membership, and grants through The Education Foundation of Alachua County, Jr. Achievement, and donations to the school.

C. Effective Leadership

1. School Leadership Team

a. Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Munn, Katherine	Principal
Haukland, Edward	Assistant Principal
Kranzler, Theresa	School Counselor
Cox, Tracy	Instructional Coach
Polvere, Stacey	Dean

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Principal: Provides leadership and school vision. Ensures that faculty and staff are trained in RtI. Ensures staff development is provided to faculty and staff. Ensures implementation of RtI school wide. Provides information to parents and other stakeholders regarding RtI at the school.

Student Services Personnel: Provide expertise on fundamentals and implications of RtI. Assists classroom teachers with development of assessment and interventions for individual students. Provides information to parents on community agencies. Maintains records of RtI Team meetings and decisions.

Assistant Principal: Provides expertise to classroom teachers on development of appropriate instructional strategies for individual students. Provides research-based curriculum resources for classroom use. Implements state, district, and school level data collection and assists in data

analysis. Assists with the design and implementation of intervention plans for Tier 1, Tier 2, and Tier 3. Provides professional development in all curriculum areas with emphasis on reading, mathematics, writing, and science. Provides expertise to classroom teachers on behavioral issues.

BRT/Dean- Develops and implements school-wide Student Behavior Plans including Functional Behavior Assessments. Maintains records of behavior issues and resolutions.

General Education Teachers: Provide data and other information on core classroom instruction. Collect student data and assist in the analysis of data collection. Provide core instruction to Tier 1 students, work with other team members to deliver Tier 2 and Tier 3 instruction and interventions.

FCIMS: Pulls and aids in the analysis of classroom and student data. Provides resource to teacher on instructional issues. Maintains records for Title 1. Provides training for Title 1, ESE, and Intervention teachers.

Title 1 Teachers: Provide data and other information on supplementary instruction. Collect student data and assist in the analysis of data collection. Provide supplementary instruction through selected programs to Tier 1 and Tier 2 students and work with other team members to deliver interventions.

Exceptional Student Education Teachers: Assist with the design of Rtl interventions. Assist with data collection. Design and deliver core or supplementary instruction utilizing selected programs and other resources integrated into Tier 3 instruction. Collaborate with classroom teachers.

Speech/Language Pathologies: Screens all new students on core speech and language function at teacher request. Provides insight into role of language in child development. Assists with the design of intervention plans.

School Psychologist: Assists in the collection, analysis and interpretation of student data. Assists with the development of interventions plans. Provides expertise on data-based decisions.

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The Leadership Team meets monthly to review implementation, analyze data, and monitor the School Improvement Plan fidelity.

Title 1 is in place at Kimball Wiles and utilizes a pull out intervention model. Head Start is located on the Kimball Wiles Elementary School campus and interacts periodically in school life.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Katherine Munn	Principal
Susan Pawlaczyk	Teacher
Jan Wharton	Teacher
Maureena Caudle	Education Support Employee
Robert Caudle	Business/Community
Ed Haukland	Education Support Employee
Cheryl Ferguson	Teacher
Annette Redwine	Business/Community
Ed Schmidt	Business/Community
Daniel Preston	Parent
Jiao Li	Parent
Eleine Perez Garcia	Parent

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(2).

a. Evaluation of last year's school improvement plan

A committee was formed mid-year to develop the Parent Climate Survey and the Teacher Climate Survey, documents that are utilized each school year in the development of the School Improvement Plan. At each SAC meeting, the members received an update on progress toward meeting the goals of the School Improvement Plan. At the end of the school year, the school preliminary FSA and FCAT scores were reviewed to ascertain that the school met its goals.

b. Development of this school improvement plan

The school district surveyed parents and teachers in spring 2018 for input on the development of the School Improvement Plan. The Parent Climate Survey included items on how the school can improve in educating children, helping parents with parenting skills, programs of interest, and how parents felt about the school.

The Faculty and Staff Climate Survey asked teachers and other school personnel for input on how to improve student academic achievement, school attendance, instructional materials, and programs to help teachers become more effective at their craft.

The faculty and SAC provided input on the development of the School Improvement Plan through previewing the drafts and providing feedback to selected personnel.

The SAC provided ongoing input to the principal throughout the school year at the SAC meetings.

c. Preparation of the school's annual budget and plan

With input from the SAC, the budget is prepared and presented to the SAC for approval at an SAC meeting early in the school year. The budget is based on the goals and objectives of the School Improvement Plan.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project.

SIP funds will be utilized to:

1. Assistant Principal 12th Month Salary (\$7000).
2. Student Planners for 2nd-5th grade (\$2200).
3. Renaissance Learning/AR Subscription (\$5000).
4. Professional Development Books (\$1800).
5. ACPs Stipends (Grade Level Planning) (\$3000).
6. ACPs Stipends for after-school tutoring (\$9000).
7. Raptor Technologies Renewal (ID Badge Program) (\$510).

This information was shared with the SAC for input, feedback and approval.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC.

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements.

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:

Name	Title
Munn, Katherine	Principal
Haukland, Edward	Assistant Principal
Cox, Tracy	Instructional Coach
Kranzler, Theresa	School Counselor

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable.

The Leadership Literacy Team meets 3 times a month to analyze student data in all core subject areas.

The major initiatives of the Literacy Leadership Team are to:

1. Monitor student achievement in the area of reading and math in an effort to enable all students to become proficient and successful readers,
2. Develop resources for all classroom teachers on best practices in reading instruction for all students,
3. Meet the goals and objectives of the School Improvement Plan (SIP) in the area of Reading and Math,
4. Integrate the Social Studies curriculum into the Reading curriculum.
5. Encourage outside reading for all learners.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction.

The school schedule is developed to provide collaborative planning and lesson development among teachers at the same grade level or those teaching the same subject area. Team meetings and planning are set on a monthly basis on the school calendar. The Lesson Study format provides an opportunity for teachers to actually watch a peer teach in a classroom. Finally, the district staff development budget and school funds occasionally provide for teacher visitation with other teachers within the school.

Data Chats are held monthly in reading, mathematics, and science with all classroom teachers and grade level teams. These chats help target areas of strength and weakness in the curriculum and in instructional practices.

Team Leader meetings are held monthly to address school life, grade level concerns, and upcoming events.

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school.

The school works through the Human Resources Department of the Alachua County Schools to identify teachers who are highly qualified, certified in field and effective instructors. The Principal and Assistant Principal are the responsible persons.

Both the Principal and Assistant Principal attend job fairs and interview forums scheduled for all school leaders. This provides an opportunity for administrators and teachers to talk in an informal setting.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities.

Mentor teachers are assigned to new teachers at the school through the district office. Wiles also assigns a mentor teacher on campus to provide guidance to the new teachers. Mentors meet formally with their teachers monthly and informally throughout the week.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards.

The school district adopts all instructional materials that are aligned to Florida Standards and the district's scope and sequence for all subject areas. The school is prohibited from ordering any instructional materials that are not research-based and in alignment with Florida Standards.

All students receive grade level instruction in the core curriculum including language arts, mathematics and science with the exception of students in the Gifted program in mathematics and at fifth grade, science. Students in the Gifted education work in above level materials in mathematics and if possible, science.

The Assistant Principal (AP) assists teachers in unpacking the standards, analyzes data to

differentiate instruction for students through Data Chats, assists with the Gifted mathematics and science programs, monitors all instructional programs including Title 1, Exceptional Student Education resource and self-contained programs, and all after school tutoring programs.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments.

Through state of Florida assessment programs as well as through AIMS assessments which are provided by the school district in reading, mathematics, and science in all grade levels, the school has a wealth of data to review in order to provide differentiated instruction within the classroom and throughout the school day and after school.

Based on this and other school data, students may receive academic support services in the Exceptional Education Program, Title 1, the school's Intervention Program, and/or the school After School Tutoring programs for students in grades 3 - 5, and ESOL After School Tutoring for all eligible ESOL students.

Istation math and reading, Achieve 3000, Imagine Learning, Ready Florida, and other instructional materials are utilized for the After School Tutoring programs.

FSA data are reviewed during the first weeks of school to identify students eligible for accommodation or modification of instruction to best meet their needs. Title 1 students are identified through this data as are students who require in-school Intervention Groups to support the regular curriculum and instruction. Other students are identified for above level mathematics instruction through the school's Gifted education program.

The Assistant Principal and Title 1 CIMS facilitator work together with teachers to find the programs which best meet the instructional needs of each student and to ensure the efficacy of all instructional programs utilized at the school.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 60,000

The school offers After School Tutoring in identified students in grades 3 - 5 through Title 1, School Improvement, and ESOL funds. Sessions are offered in the Fall from September - December 2017 and in the Spring from January - March 2018. Tutoring is free and is offered twice a week for 1 1/4 hours per session. Students are identified through FSA scores and teacher recommendation.

Strategy Rationale

Some students require additional instructional time to grasp and understand basic concepts in reading and mathematics. Others require more challenging activities to keep their learning moving forward. The school works hard to provide assistance to both ends of the learning curve.

Strategy Purpose(s)

- Core Academic Instruction
- Enrichment

Person(s) responsible for monitoring implementation of the strategy

Cox, Tracy, coxtr@gm.sbac.edu

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

FSA and FCAT Science are collected and analyzed for strengths and weaknesses. AIMS scores are utilized to monitor reading and mathematics progress in all grades as well as school assessments.

Teacher input and recommendations are solicited regarding need for additional instructional time for identified students. Parents are notified of student eligibility to participate in after school tutoring programs including Title 1, After School Tutoring, ESOL After School Tutoring, and STEM activities. Istation math and reading, Imagine Learning and Achieve 3000 are utilized in before school and/or After School Tutoring programs.

Student progress is monitored through AIMS scores in Reading, Mathematics, and Science in all grade levels.

2. Student Transition and Readiness

a. PreK-12 Transition

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

The school district provides transition from Head Start to Kindergarten. Head Start teachers are invited to school inservice activities throughout the school year.

Each year the school holds a Kindergarten Open House in April to welcome new students and their families to school. Students meet Kindergarten staff, tour the school, and visit Kindergarten classrooms. Parents tour the school and begin the registration process.

During pre-planning, Kindergarten teachers meet with each family individually to begin the relationship building process and to listen to parents' goals for their child during the Kindergarten year.

When school begins, the school uses a staggered entry for Kindergarten over the first three days of the school year. This provides an opportunity for one-to-one interaction with small groups of students and the teacher and helps students acclimate more quickly to the Kindergarten experience.

For fifth graders, the school provide transition meetings to middle school and the opportunity to shadow in a middle school program.

b. College and Career Readiness

- 1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**
- 2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs.**
- 3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement.**
- 4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes.**

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, Â§ 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why" or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** Reduce overall suspension rate of students, with an emphasis on reducing the rate of suspensions within the lowest quartile and minority subgroups.
- G2.** Improve academic performance of on and above level students in grades 3-5 as measured by FSA ELA 2019.
- G3.** Improve academic performance of on and above level students in grades 3-5 as measured by FSA Mathematics 2019.
- G4.** Improve academic performance of all students identified in the lower quartile in ELA as measured by District AIMS quarterly assessments, with a focus on closing the achievement gap.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

G1. Reduce overall suspension rate of students, with an emphasis on reducing the rate of suspensions within the lowest quartile and minority subgroups. 1a

G100691

Targets Supported 1b

Indicator	Annual Target
Discipline incidents	20.0

Targeted Barriers to Achieving the Goal 3

- Lack of resources to provide alternatives to suspension.

Resources Available to Help Reduce or Eliminate the Barriers 2

- Resources provided by the District Equity Plan.
- District Training on restorative practices.

Plan to Monitor Progress Toward G1. 8

BRT will monitor suspension data through Skyward reports.

- Adopted language arts textbook series
- Istation reading
- Extended day tutoring
- Ready Florida standards-aligned practice books

Plan to Monitor Progress Toward G3. 8

Monitor student progress using district AIMS assessments in ELA.

Person Responsible

Edward Haukland

Schedule

Monthly, from 10/12/2018 to 5/31/2019

Evidence of Completion

A 10% increase in students scoring Levels 4 and 5 on FSA ELA 2018 at grades 3-5.

G4. Improve academic performance of all students identified in the lower quartile in ELA as measured by District AIMS quarterly assessments, with a focus on closing the achievement gap. 1a

G100694

Targets Supported 1b

Indicator	Annual Target
ELA Achievement District Assessment	51.0

Targeted Barriers to Achieving the Goal 3

- Limited resources to help all at risk students.
- Lack of consistent and extensive outside reading by students.

Resources Available to Help Reduce or Eliminate the Barriers 2

- District adopted textbooks and related materials.
- Title 1 intervention teachers for identified students.
- Schoolwide Intervention Groups in Reading.
- Accelerated Reader (AR) program for all students in grades 2 - 5.
- Selected resources for After School Tutoring.
- ESOL After School Tutoring for identified students.
- Team planning to identify priority standards in the Language Arts.

Plan to Monitor Progress Toward G4. 8

Monitor use of AR program in all classrooms in grades 2 - 5.

Person Responsible

Edward Haukland

Schedule

Monthly, from 8/13/2018 to 5/31/2019

Evidence of Completion

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Schedule

Monthly, from 8/13/2018 to 5/31/2019

Evidence of Completion

A 5% improvement in student performance on the FSA ELA.

Plan to Monitor Effectiveness of Implementation of G4.B1.S1 7

Review AIMS and benchmark records for student progress and growth.

Person Responsible

Edward Haukland

Schedule

Quarterly, from 10/12/2018 to 5/31/2019

Evidence of Completion

Daily progress summary reports and individual student progress reports.

G4.B1.S2 Implement Intervention Groups for at risk students who are not served in Title 1. 4

 S287560

Strategy Rationale

Students who do not qualify for Title 1 but whose data indicates need for supplementary services will be served through in school Intervention Groups.

Action Step 1 5

Implement Intervention Groups for students not served by Title 1.

Person Responsible

Edward Haukland

Schedule

Monthly, from 8/13/2018 to 5/31/2019

Evidence of Completion

Lesson Plans, Skyward class lists.

Action Step 2 5

School-wide PD will be implemented utilizing the book Growth Mindset Coach, by Brock and Hundley

Person Responsible

Tracy Cox

Schedule

Monthly, from 10/23/2018 to 2/19/2019

Evidence of Completion

Plan to Monitor Fidelity of Implementation of G4.B1.S2 6

Ensure that Intervention Groups are in place for at risk students.

Person Responsible

Edward Haukland

Schedule

Monthly, from 8/13/2018 to 5/31/2019

Evidence of Completion

Teacher lesson plans, class rolls.

Plan to Monitor Effectiveness of Implementation of G4.B1.S2 7

Ensure that Intervention Groups are meeting needs of at risk students in grades 3 - 5.

Person Responsible

Edward Haukland

Schedule

Monthly, from 8/13/2018 to 5/31/2019

Evidence of Completion

Lesson Plans, Student performance on FSA ELA 2019.

G4.B1.S3 Provide extended day Title 1 tutoring services to identified students in grades 3 - 5. 4

S287561

Strategy Rationale

Some students require the additional service of an extended day program in order to reach their reading potential.

Action Step 1 5

Provide after school tutoring to at-risk students.

Person Responsible

Edward Haukland

Schedule

Biweekly, from 8/14/2018 to 5/31/2019

Evidence of Completion

Tutoring class lists, AIMS assessments, data chats.

Plan to Monitor Fidelity of Implementation of G4.B1.S3 6

Collect tutoring class rosters and AIMS assessments.

Update class rosters and review AIMS data for tutoring needs.

Person Responsible

Edward Haukland

Schedule

Monthly, from 8/13/2018 to 5/31/2019

Evidence of Completion

Tutoring attendance, AIMS results, data chats.

G4.B2 Lack of consistent and extensive outside reading by students. 2

 B271649

G4.B2.S1 Implement Accelerated Reader program for students in grades 2 - 5. 4

 S287562

Strategy Rationale

Students respond well to additional reading when utilizing the Accelerated Reader program and are more likely to read more because of it.

Action Step 1 5

Purchase AR program licenses for all students in grades 2 - 5.

Person Responsible

Katherine Munn

Schedule

On 5/31/2019

Evidence of Completion

AR installed on classroom and Tech Lab computers.

Plan to Monitor Fidelity of Implementation of G4.B2.S1 6

Ensure implementation of AR program in all classrooms grades 3 - 5.

Person Responsible

Edward Haukland

Schedule

Quarterly, from 8/14/2018 to 5/31/2019

Evidence of Completion

AR available and in use in designated classrooms.

Plan to Monitor Effectiveness of Implementation of G4.B2.S1 7

Ensure that AR program is implemented correctly in designated classrooms.
