### School Board Approval

This plan is pending approval by the Palm Beach County School Board.

### SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridaCIMS.org>.

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

#### Provide the school's mission statement.

Mission Statement: Grove Park Elementary is committed to guiding students to become advocates of excellence in their own learning. At Grove Park, we strive to customize instruction, infused with technology, for all unique learning styles. We celebrate the whole child, by fostering connection across a range of subjects. Parents, teachers, and students collaborate to further develop knowledge and attitudes that lead to global-mindedness and, college and career readiness.

In addition, Grove Park's mission aligns with the district's overall mission for students and school accountability:

The School District of Palm Beach County is committed to providing a world-class education with excellence and equity to empower each student to reach his or her highest potential with the most effective staff to foster the knowledge, skills, and ethics required for responsible citizenship and productive careers.

#### Provide the school's vision statement.

Grove Park's vision aligns with the district's overall vision for student achievement and school accountability: The School District of Palm Beach envisions a dynamic collaborative multicultural community where education and lifelong learning are valued and supported, and all learners reach their highest potential and succeed in the global economy.

## Part II: Needs Assessment/Analysis

### Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

**Which data component performed the lowest? Is this a trend?**

5th Grade Science Achievement, lowest component, yes, a trend (30%, Fy18)  
 FY17, 33%  
 FY16, 12%

**Which data component showed the greatest decline from prior year?**

Math Learning Gains, from 53% in FY17 to 26% in FY18  
 not necessarily a trend (learning gains increased the previous year by 18 points, from 35% to 53%)

**Which data component had the biggest gap when compared to the state average?**

ELA Proficiency, 37%

**Which data component showed the most improvement? Is this a trend?**

ELA Proficiency  
 Yes, a trend (25%, 34%, 37%)  
 Additionally, 3rd grade ELA proficiency increased 10 points; 100% Learning Gains 3rd Grade Retainees

**Describe the actions or changes that led to the improvement in this area.**

- Standards-based Curriculum, Instruction, Assessment, Resources, Materials
- Small Group Instruction
- Monitored Student Progress
- Extended School Day (additional time in ELA instruction)
- Teacher Collaboration and Planning
- Afterschool Tutorials (Weekdays, Saturdays, Spring Break)

### **Part III: Planning for Improvement**

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

**Areas of Focus:**

<b>Activity #1</b>	
<b>Title</b>	To ensure ELA Student Proficiency in alignment District's Strategic Plan, LTO 2, ensure highschool readiness.
<b>Rationale</b>	IF we provide effective, relevant instruction to meet the needs of all students, THEN we will increase reading on grade level by Third Grade
<b>Intended Outcome</b>	In grades 3-5, to increase ELA Student Proficiency: - from 37% in FY18 - to at least 45% in Fy19

## Part IV: Title I Requirements

### Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Pilot SIP to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

**Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.**

Grove Park Elementary School will continue to develop a Parent Involvement Plan to meet the requirements of Sections 1114(b)(1)(F) and 1115 (c)(1)(G), P.L. 107-110, NCLB, codified at 20 U.S.C. 6314(b).

#### **PFEP Link**

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

#### **Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

Grove Park Elementary School conducts weekly school based team meetings to discuss students that display difficulties in achieving either academic or social successes. In addition, Grove Park Elementary School also utilizes a mentoring program that pairs students who are in need of positive adult reinforcements with staff members on campus. Our school guidance counselors also connect students to agencies who have Cooperative Agreements or are on campus.

#### **Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.**

As an early intervention to increase reading on grade level by third grade and to increase student readiness to enter kindergarten, Grove Park offers a school year Voluntary Prekindergarten (VPK) program that is supplemented with enrichment hours. This VPK program is supported by the Department of Early Childhood Education and follows all statutes, rules and contractual mandates in the Florida VPK Statewide Provider Agreement, including the use of a developmentally appropriate curriculum that enhances the age-appropriate progress of children in attaining each of the performance standards adopted by the Florida DOE. Participating children are expected to transition to kindergarten ready to learn and be successful in school and later life.

The Parent Liaison and Guidance Counselor visit the local day cares and pre-school programs to distribute flyers and invitations to the Kindergarten Roundup and Registration. In January of each year, the principal will invite representatives from local daycare centers to discuss school readiness and grade level expectations for students entering Kindergarten in the fall. Pre-K students and their parents will be invited to a special "Open House" in the month of May each year. At the end of the school year, a flyer is distributed announcing our "Kindergarten Roundup". This event is held to provide tours of the school's campus, register prospective kindergarten students, inform parents of kindergarten readiness skills, and provide parents with strategies to assist their child(ren) over the summer. In addition to the flyer, this information is included in newsletter, and on the marquee.

An additional "Kindergarten Roundup" will be held annually in April which will include an Immunization Mobile Unit to provide required immunizations for entering school. Once school has started in the Fall, Grove Park Elementary staggers the start date of the kindergarten students in order to better acclimate them to their new learning environment.

#### **Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.**

The Principal will provide a common vision for the use of data-based decision-making, ensures that the school-based team is implementing Response to Intervention (Rtl), conducts assessment of Rtl skills of school staff, ensures implementation of intervention support and documentation, ensures adequate professional development to support Rtl implementation, and communicates with parents regarding

school-based RtI plans and activities. The role of the RtI Facilitator will be to assist in designing and implementation of progress monitoring, collection and analysis of data, assist in development of intervention plans, implementation of Tier 3 interventions and provide professional development and technical assistance as needed.

Title I, Part A - Grove Park Elementary will utilize Title I funding to support in-school and after school tutorial programs, purchase instructional materials and assessments, and to purchase instructional coaching positions in reading, mathematics, and science as well as parent involvement related activities.

Title I, Part C - Migrant - Support services are provided by District personnel

Title II - Services are provided through the district to improve the education of English Language Learners by providing educational materials and support services. Through the after-school program and summer school program, students needing additional remediation are provided that opportunity. Through the coordination with Title II and Title III funds staff development needs are met through the district.

Title III - Programs and professional development provided by Safe Schools - Single School Culture, Academic, Behavior and Climate programs, Bullying prevention, Character Education, District Academic Coaches. Through the after-school program and summer school program, students needing additional remediation are provided that opportunity. Through the coordination with Title II and Title III funds staff development needs are met through the district.

Title X - Homeless - McKinney-Vento case managers provided by the school district provides resources such as school supplies, food, and clothing for students identified as homeless under the McKinney-Vento Act to help break down barriers for a free and appropriate education. In addition, they collaborate with school based team members and other school personnel to ensure school success.

Supplemental Academic Instruction (SAI) - Funds will provide a teacher to work with students providing in-school and extended day support for struggling readers in grades 2-5.

Violence Prevention Programs - District-wide implementation of Single School Culture as well as Appreciation of Multicultural Diversity.

Nutrition Programs - Through the district coordination of funds 100% of our students are provided free breakfast. Additionally, Grove Park Elementary partners with Feeding South Florida to provide food for students; Kids Community Closet to provide clothing for students; and several other social organizations to provide students with basic needs in order to achieve academic success.

Required instruction listed in FL Statute 1003.42(2), as applicable to appropriate grade levels.

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

At Grove Park, curriculum, instruction, and assessments are fully aligned with the strategic plan for high school, college, and career readiness. Other activities include:
