School Board Approval

N/A

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The Island Village Montessori School community is dedicated to providing all families with the gift of a Montessori education through dynamic learning experiences where children flourish in a safe learning environment that fosters independence, self-direction, excellence, creativity, and responsibility, as well as to prepare students for the 21st Century through a balance of traditional Montessori methodology with a contemporary, technology-infused curriculum, providing the world a working model of school reform that integrates academic levels from early childhood through middle school.

Provide the school's vision statement.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

| Name | Title |
|--------------------|------------------------|
| Hunter, Jason | Principal |
| Carter, Whitney | Assistant Principal |
| Criswell, Megan | School Counselor |
| Heden, Aimee | Administrative Support |
| Hoffman, Cindy | Principal |
| Ocana, Jennifer | Other |
| Sessa, Jennifer | Administrative Support |
| Vitiello, Michelle | Administrative Support |

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

Teachers at each level meet weekly during a common planning time to review student data and formulate plans for intervention. Student needs, identified by the classroom teacher, are brought to the grade level meeting and discussed. The Rtl team member from each group then meets with the whole Rtl team to respond to student academic or behavioral needs. At tiers 2 and 3, teachers will provide differentiated instruction within the classroom or in learning support sessions. The exceptional education and reading specialists will provide support on a push-in or pull-out basis for any student needing intervention, not only those with IEPs. This is done with the guidance of Mrs. Sessa, pupil support, and Mrs. Criswell, school guidance counselor and test coordinator.

Mr. Hunter, Venice campus principal, coordinates all purchases of instructional materials with teachers. They also supervise and train all staff.

Ms. Carter, Assistant Principal, assists Mr. Hunter in guiding the students and staff in following the mission of the school.

Ms. Hoffman,principal of the Sarasota campus, provides leadership to staff and students. Mrs. Ocana is the Executive Director of the school. She works with all departments to guide the direction of the

school mission.

Mrs. Vitiello and Mrs. Heden, our business managers, work with Mrs. Ocana to manage the school's budget.

Part II: Needs Assessment/Analysis

Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

Which data component performed the lowest? Is this a trend?

4th grade performed the lowest in the indicator for Level 1 on statewide assessment.

Which data component showed the greatest decline from prior year?

5th grade showed the greatest decline from 2016-2017 school year for Level 1 on statewide assessment.

Which data component had the biggest gap when compared to the state average?

7th grade math had the biggest gap when compared to the state average.

Which data component showed the most improvement? Is this a trend?

Science Achievement showed the most improvement.

Describe the actions or changes that led to the improvement in this area.

The actions that led to the improvements in science are hands on learning, note taking skills, organized planners, routine schedules, and freedom to explore.

Part III: Planning for Improvement

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

Areas of Focus:

| Activity #1 | | | | | | | |
|-----------------------|---|--|--|--|--|--|--|
| Title | Students will demonstrate Math learning gains through standardized assessments. | | | | | | |
| Rationale | Based on the data reviewed we improved in the area of Math on the FSA and/or EOC from the previous year. However, current 5th and 8th graders will need to be an area of concentration for overall improvement. | | | | | | |
| Intended Outcome | By the year 2019, there will be a minimum increase from 61% to 63% for all students in the demonstration of proficiency on the mathematics FSA and EOCs. | | | | | | |
| Point Person | Jason Hunter (jasonhunter@islandvillage.org) | | | | | | |

| Activity #3 | | |
| Title | Students will demonstarte Science proficiency through the science SSA. | |
| Rationale | Based on data collected we did very well on science achievement. Our area of focus will be on maintaining and/or improving for the current school year. | |
| Intended Outcome | | |
| Point Person | Jason Hunter (jasonhunter@islandvillage.org) | |
| Action Step | | |
| Description | Leadership team will monitor implementation through targeted classroom walk-throughs. Science teachers grades 5 through 8 will use Study Island to assist in reading informational text dealing with science content. 5th and 6th grade will also focus on Science Weekly newspapers that are directly correlated with the State Standards. Science teachers will also have the students complete the Bench Mark Assessments. | |

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Pilot SIP to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

To keep parents involved in the learning process and to build parent-school relationships, each learning environment keeps up a classroom webpage that gives details of the current events in the classroom. The school has also created a Remind class for all parents to receive information as well as a designated Facebook page for parent interest. The community calendar on the website is maintained as an additional resource for families. Parents are always encouraged to become a classroom volunteer to show support for their child by participating in classroom activities and field trips as much as they are able to. Other forms of academic communication includes quarterly reports every nine weeks and progress reports mid way through term. The elementary grades use Transparent Classroom as a way for parents to see current lessons, progress, updates, and photos.

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The school counselor provides monthly classroom guidance lessons to promote social-emotional growth. She is also available for individuals and small groups as needed for counseling services. A peer-mediation program is being developed to be implemented at the middle school and upper elementary grade levels. The counselor provides consultation and collaboration services to fellow educators and parents when needed to support the social-emotional needs of students. To help prevent bullying, all grade levels K-8 receive annual presentations on bullying prevention. Anonymous reporting is set up through a bully box located in the health room. There is also a portal on the school website to report bullying.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Teachers meet regularly in K-4, 5-6, and 7-8 groups to coordinate curriculum, testing, special events, expectations, and standards from grade to grade through vertical planning.

All eighth grade students participate in a moving forward ceremony at the end of the school year.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Island Village Montessori's Rtl Team is comprised of IVMS Administration, ESE liaisons, School Counselors, and General Education Teachers. The goal of this team is to meet and/or exceed the district and state requirements for assisting in both the identification of students and eligibility. The primary purpose of the Executive Director is to ensure that all participants are present and all options for intervention are explored within the ability of the services offered. The ESE liaisons give information about support and assist in the Intervention Plan, as well as provide information as to the students' ability, if accessible, supports and assists in the Intervention Plan. The School Counselor gives information about support programs and assists in the Intervention Plan. The General Education Teachers provides the team with information regarding the identified student, the services that are currently being offered, interventions completed in the classroom, and parent communication. We are participating in the mental health plan which includes a counselor on site, mental health evaluations for all students in grades 3rd and up, and parent education on mental health.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Island Village Montessori works with the local high schools to provide the 8th graders with the opportunity to meet with their guidance counselors.
