School Board Approval

This plan is pending approval by the Polk County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part II: Needs Assessment/Analysis

Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

Which data component performed the lowest? Is this a trend?

First grade star early literacy performed the lowest. This is not a trend.

Which data component showed the greatest decline from prior year?

Discipline incidents showed the greatest decline from the prior year.

Which data component had the biggest gap when compared to the state average?

NA

Which data component showed the most improvement? Is this a trend?

STAR math in both first and second grade showed most improvement. This is not a trend.

Describe the actions or changes that led to the improvement in this area.

Working collaboratively with district math coach, administration, and teachers to develop a deeper understanding of the math standards and math assessments.

Part III: Planning for Improvement

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

Areas of Focus:

Activity #1	
Title	ELA Small group instruction
Rationale	48% of our students below proficiency in ELA.
Intended Outcome	To increase proficiency by 10% by aligning small group instruction with Florida Standards and student data.
Point Person	Tina Chapman (tina.chapman@polk-fl.net)
Action Step	
Description	<ul style="list-style-type: none"> *Bi- Weekly Collaborative Planning <ul style="list-style-type: none"> - planning small group instruction/centers - Review small group guide, standards, and depth of knowledge - Analyze Student data and work samples *Walkthroughs <ul style="list-style-type: none"> - administration providing informal feedback - coach support with feedback, modeling *STAR and Istation data analysis *Title I Literacy Coach will provide student and teacher academic support through collaborative planning, modeling, unpacking standards, instructional strategies, and other resources. *Classroom para will provide in class student reading support. *Extended learning will target students needing additional support with reading skills. *Additional media library books to add additional books on various content and interest level for the students. *Title I funded media specialist to provide support with reading, standards, and curriculum.

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Pilot SIP to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

The school will be governed by the statutory definition of parental involvement, and will carry out programs, activities, and procedures in accordance with the definition outlined in Section 9101(32), ESEA;

Involve the parents of children served in Title I, Part A in decisions about how Title I, Part A funds reserved for parental involvement are spent [Section 1118(b)(1) and (c)(3)];

Jointly develop/revise with parents the school parental involvement policy and distribute it to parents of participating children and make available the parental involvement plan to the local community [Section 1118 (b)(1)];

Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under this part, including the planning, review, and improvement of the school parental involvement policy and the joint development of the schoolwide program plan under section 1114(b)(2) [Section 1118(c)(3)];

Use the findings of the parental involvement policy review to design strategies for more effective parental involvement, and to revise, if necessary, the school's parental involvement policy [Section 1118(a)(E)];

If the plan for Title I, Part A, developed under Section 1112, is not satisfactory to the parents of participating children, the school will submit parent comments with the plan when the school submits the plan to the local educational agency [Section 1118(b)(4)];

Provide to each parent an individual student report about the performance of their child on the state assessment in at least mathematics, language arts, and reading [Section 1111(h)(6)(B)(i)];

Provide each parent timely notice when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in 34 CFR Section 200.56 [Section 1111(h)(6)(B)(ii)]; and

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Teachers alert administration to issues regarding social and emotional needs. Students are referred to the school counselor to address individual social and emotional needs. A Multi-Tiered System of Support (MTSS) Team is in place to help develop individual behavior plans for students in need. The Drumbeat program has been implemented to promote character building, self esteem and positive leadership skills in students. The chess club is an extra curricular activity that allows students to improve problem solving skills, interpersonal relationships, work ethic and sportsmanship skills. Also, we implement a backpack program which provides needy families with backpacks filled with food items to address the dietary/nutritional needs of students over the weekend. All students are provided free meals (breakfast and lunch) while at school. We have a social worker who assists us with truancy issues to help ensure students are in school and not missing key instructional learning time.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Frostproof Elementary has six Head Start teachers, one Pre K resource teacher, a Pre K CDAT Parent Liaison and an onsite Florida First Start Parent Program. Our CDATs earned an Award of Accreditation from the National Accreditation Commission for Early Care and Education Programs. Teachers from local Pre-K programs are invited to observe classrooms and come for an orientation walk through with their students each spring. Kindergarten Roundup is held in the spring each year for upcoming kindergarten students. Incoming kindergarten students can enroll all summer long. Kindergarten students are assessed at the beginning of each year using Star Early Literacy assessment tool. The disaggregated data from the Star Early Literacy assessments helps the kindergarten teachers to determine students' acquisition specific skills and knowledge.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

We use the data in the school wide data base to determine Tier 2 interventions and as Progress Monitoring for those interventions. Children that show lack of growth in Tier 2 interventions are brought

to the Problem Solving Team and appropriate Tier 3 interventions are determined.

Title I, Part A funds school-wide services to Frostproof Elementary School. The Title 1 funds provide supplemental instructional resources and interventions for students with academic achievement needs. Title 1 Part A support provides after-school and summer instructional programs, supplemental instructional materials, resource teachers, technology for students, and professional development for the staff and resources for parents.

Title I, Part C- Migrant Migrant Liaison provides services and support to students and parents. The liaison coordinates with Title I and other programs to ensure student needs are met. This year we were able to keep our 2 Migrant Paras based on our Migrant Student Population.

Title I, Part D District receives funds to support the Educational Alternative Outreach program. Services are coordinated with district Dropout Prevention programs.

Title II

Staff Development funds are provided through the district that schools can request to use in providing training for teachers.

Title III

Services are provided through the district for education materials and English Language Learners(ELL) district support services to improve the education of immigrant and ELL.

Supplemental Academic Instruction (SAI)

Frostproof Elementary utilizes the Supplemental Academic funding to provide additional academic instruction to increase the achievement of non-proficient students. The funding is used to pay for a classroom teacher.

Violence Prevention Programs

The school participates in the district's non-violence and anti-drug program that incorporates field trips and community service.

Nutrition Programs

Frostproof Elementary provides a daily breakfast and lunch program for students.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Our school obtains grants, business partners as part of our adopt a class program, and local businesses to present and speak to our students during the Great American Teach In and other times throughout the school year. The grants we receive help us provide activities for the students that involve using technology, math skills, and learning about science. Frostproof Middle/ High School FFA chapter presents AG Literacy Day and Food for America.
