School Board Approval

This plan is pending approval by the Escambia County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The mission of Jim Allen Elementary is to ensure that every student has self-confidence, desire, knowledge, and skills needed to lead a responsible, contributing, and satisfied life.

Provide the school's vision statement.

It is the goal of Jim Allen School to prepare each child who enters here to function effectively and responsibly in a challenging society by providing learning experiences appropriate to individual needs, interests, aspirations, abilities, and creative potential. We believe that to achieve, to succeed and to accomplish are important goals but not at the expense of the human values that make a community a place that sustains all its members. We therefore strive not only to maintain a positive and supportive atmosphere in which each child can develop into his/her highest potential but also to instill a sense of discipline and responsibility toward self, family, school, community and country.

Part II: Needs Assessment/Analysis

Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

Which data component performed the lowest? Is this a trend?

Our lowest component is ELA lowest 25th percentile. Unfortunately, this is a trend.

55%- 2015-16

30%- 2016-17

26%- 2017-18

Which data component showed the greatest decline from prior year?

ELA Learning Gains (-6)

Which data component had the biggest gap when compared to the state average?

ELA Lowest 25th Percentile (26%)

Which data component showed the most improvement? Is this a trend?

Learning Gains Lowest 25% Math (58%); Yes, (+3) last year

Describe the actions or changes that led to the improvement in this area.

Small groups, professional development on the standards for our teachers, after school tutoring.

Part III: Planning for Improvement

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

Areas of Focus:

Activity #1	
Title	To Increase ELA Proficiency
Rationale	57% ELA proficiency- no change from last year 43% ELA Learning Gains- (-6) 26% ELA Learning Gains of lower 25% (-4); (-13) previous year
Intended Outcome	To increase ELA proficiency by 5%. To increase ELA Learning Gains by 7%. To increase ELA Learning Gains of lower 25% by 20%. To increase our school grade to 60% or above.
Point Person	Rachel Watts (rwatts@ecsdfi.us)
Action Step	
Description	Implement small reading groups with additional personnel in each 3rd, 4th and 5th grade classroom. Include ESE full time students in small reading groups 4x per week. Include ESE inclusion students in on-grade level small groups. Continue MTSS process Implement 10 minute Read Aloud time at the end of each day Continue using STAR 360 data Implement iReady assessment and daily practice

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Pilot SIP to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

A written Parent and Family Engagement Plan (PFEP) in collaboration with parents, community stakeholders, and school personnel responsible for implementing the plan. The PFEP will assess the previous year's PFEP results and current needs. The plan will outline goals, strategies and activities to better communicate with families and will focus on building the capacity of parents to address the needs of all students, in particular those most at-risk of not meeting challenging State academic standards. The

PFEP will be reviewed by the district Title I office and the approved plan will be disseminated to parents and stakeholders. A Family-School Compact will also be developed jointly with parents and other stakeholders. The school's Title I budget will directly support the PFEP.

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The school has a full time guidance counselor, part time staffing specialist and part time school psychologist. The counselor is available on a daily basis for counseling needs. The counselor will provide referrals to outside counseling (Baptist Health Care) when needed. Faculty and staff are required to report any cases of abuse or neglect to the Department of Children and Families immediately. Adult mentors are utilized for students on a weekly basis throughout the school year. Mentors are trained through the school district and they are assigned to one student for the entire school year. Our school has access to a Mental Health Counselor.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Escambia County School District offers pre-k classes on 14 school campuses for students living in a Title I attendance zone. The pre-k program is a full day program established in collaboration with VPK and Head Start. Transition activities are provided to participating families to assist with school readiness for students who will attend kindergarten at our school.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Title I, Part A

Academic support is provided to ensure students requiring additional remediation are assisted through a computer technology teacher, remedial teacher, substitute teachers for parent conferences, supplies for family parent nights, Nikki's communication folders, and software (DE, Star 360, ECTAC, iReady)

Title I, Part C Migrant

All migrant students will be provided support services by the district Title I office. Our local student information system (FOCUS) is used to track student data and is used to indicate the specific Title I services each migrant student will be provided (attendance, guidance, psychology services, dental and health services, nutrition assistance, outreach, advocacy, social services, transportation, and/or needs assessment services). The district Migrant Coordinator will monitor services and student needs.

Title I, Part D

Services to neglected and delinquent students are provided by various district-operated programs as needed. These services are overseen by the Alternative Education Department and focus on offering programs to students who are most at-risk of leaving school prior to graduation.

Title II

Professional learning opportunities are offered both at the school level and the district level. Please see each individual goal area for specific professional learning opportunities (in-service education).

Title III-ELL

Services for English Language Learners (ELL) are provided as required by law. Several ESOL centers are provided at various key locations in the district. Students who do not attend centrally located school-based sites attend their zoned school where ESOL endorsed teachers provide services.

Title IX- Homeless

The school works with the district's Homeless Coordinator to provide transportation and resources (clothing, school supplies, and social services referrals) for students identified as Homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. This program is overseen by the Title I office.

SAI funds are used to purchase classroom supplies and part of a TAS.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.
