SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Bartow High School is a cohesive and diverse learning community, promoting a global perspective. The three schools (Bartow High School, IB at Bartow High, and Summerlin Academy) are dedicated to providing distinct pathways of rigorous academic and social excellence encouraging students to achieve their greatest potential. Graduates will become contributing, successful, and influential citizens with a passion for lifelong learning.

Provide the school's vision statement.

Bartow High School will become an "A" school, graduating 100% of our students.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Clemons, Emilean	Principal
Craven, Mandy	Assistant Principal
Cochran, Steven	Principal
Austin, Angie	Assistant Principal
Hardman, Brenda	Principal
Brown, Teddy	Assistant Principal
Jones, Sharon	Dean
Stinson, Debra	Dean
Webster, Brian	Dean
Crowley, Kelly	Instructional Coach
Lawson, Lance	Assistant Principal

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making.

The Bartow High School leadership team ensures that the school's vision, purpose, and goals guide the teaching and learning process by maintaining a focus on academic rigor and relevance. The BHS/IB/SA administration meets weekly with the Distributive Leadership Team and Academic Leadership Team, which consists of administrators, deans, instructional support staff, and teachers to review student data. The leadership teams analyze student achievement results to make data driven decisions regarding curriculum and instruction. Additionally, a distributive leadership plan has been created and implemented, assigning administrators to specific content areas and academies. This has supported the monitoring of standards based instruction throughout the school.

Part II: Needs Assessment/Analysis

Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

Which data component performed the lowest? Is this a trend?

The data group that showed the lowest is learning gains for ELA among the lower 25%. Although we made gains in this category in the 16-17 school year, Bartow High regressed for the 17-18 school year.

Which data component showed the greatest decline from prior year?

US History declined by three points.

Which data component had the biggest gap when compared to the state average?

The biggest Gap is in our Science component. Bartow is below the state average by 16 points.

Which data component showed the most improvement? Is this a trend?

Math Gains in the lower 25% shows the greatest improvement. Bartow High increased by 10 points on this component. Bartow High increased by 4 points in the 16-17 school year as well. This indicates an increase over the past two years.

Describe the actions or changes that led to the improvement in this area.

The actions that led to this improvement include an appropriate course progression that allows teachers to better prepare students who affect the cells.

School Data

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school, or combination schools).

School Grade Component		2018		2017			
School Grade Component	School	District	State	School	District	State

Part III: Planning for Improvement

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

Areas of Focus:

Activity #1	
Title	Student Achievement in school grade components will increase by 3% on 2018-2019 Spring Assessments.
Rationale	Lack of depth of knowledge and intent of FSA standards and assessments.
Intended Outcome	Provide resources and supprt for instructional staff focusing on rigorous instruction, depth of state standards, and student autonomy.
Point Person	Emilean Clemons (emilean.clemons@polk-fl.net)
Action Step	
Description	Provide resources and support to ensure that weekly collaborative planning focuses on the continuous incorporation of LSI target-task, best practices, and collaborative structures (taxonomy, student autonomy).
Person Responsible	Emilean Clemons (emilean.clemons@polk-fl.net)

Plan to Monitor Effectiveness

Description	Administrators rotate through content area collaborative planning sessions regularly and
•	will monitor instruction to ensure target-task alignment.
Doroon	

Person
Responsible Emilean Clemons (emilean.clemons@polk-fl.net)

Acti	vity #2		
Title)	BHS/IB/SA will increase the College & Career Acceleration component to 58% for the 2018-19 cohort.	
Ratio	onale	Need to focus on college and career readiness, as well as acceleration, to increase the number of students meeting criteria/requirements.	
	rended Provide appropriate scheduling to increase the number of students enrolled in dual enrollment, AP, IB and industry certification courses and/or exams.		
Poin Pers	-	Mandy Craven (mandy.craven@polk-fl.net)	
Actio	on Step		
Description		Schedule students into courses that will provide the opportunity to successfully earn a dual enrollment credit, or pass an AP_IB_and/or industry certification exam	

Person
Responsible

enrollment credit, or pass an AP, IB, and/or industry certification exam.

Mandy Craven (mandy.craven@polk-fl.net)

Plan to Monitor Effectiveness

Description	Monitor and track students, by cohort, access to, and progress in successfully passing a dual enrollment, AP, or IB course, or an industry certification exam.	
Person Responsible	Debra Stinson (debra.stinson@polk-fl.net)	

Part V: Budget			
Total:	\$0.00
