Demographics

Principal: Dean Ledford

Start Date for this Principal: 7/1/2016

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 9-12
Primary Service Type (per MSID File)	K-12 General Education
2018-19 Title I School	No
2018-19 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	41%
2018-19 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities English Language Learners Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2018-19: A (67%) 2017-18: B (61%) 2016-17: B (61%) 2015-16: C (53%) 2014-15: B (61%)
2019-20 School Improvement (SI) Information*	
SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	
Support Tier	

ESSA Status	N/A
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan was approved by the Duval County School Board on 10/1/2019.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan was approved by the Duval County School Board on 10/1/2019.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide educational excellence in every classroom, for every student, every day.

Provide the school's vision statement.

Every student is inspired and prepared for success in high school, college or a career and life.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Ledford, James Dean	Principal	Instructional Leader - Oversee all aspects of campus activities.
Archon, Kristen	Assistant Principal	Curriculum, US History, State Testing
Hayes, Mary	Assistant Principal	Facilities, Biology, PBIS
Brown, Mary	School Counselor	Lead Counselor
Stcherbinine, Angela	Assistant Principal	Over Language Arts as well as District Based Testing

Early Warning Systems

Current Year

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Number of students enrolled	0	0	0	0	0	0	0	0	0	0	538	641	495	423	2097
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	31	41	39	29	140
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	1	0	0	1
Course failure in ELA or Math	0	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students with two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students identified as retainees:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	

FTE units allocated to school (total number of teacher units)

106

Date this data was collected or last updated

Tuesday 8/27/2019

Prior Year - As Reported**The number of students by grade level that exhibit each early warning indicator:**

Indicator	Grade Level													Total
Attendance below 90 percent														
One or more suspensions														
Course failure in ELA or Math														
Level 1 on statewide assessment														

The number of students with two or more early warning indicators:

Indicator	Grade Level													Total
Students with two or more indicators														

Prior Year - Updated**The number of students by grade level that exhibit each early warning indicator:**

Economically Disadvantaged Students Subgroup Below 41% in the Current Year?	NO
Number of Consecutive Years Economically Disadvantaged Students Subgroup Below 32%	

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Bottom Quartile Math Showed the lowest performance at 45%. Late hires due to budget constraints, therefore many of our Algebra 1 teachers were in their 1st year.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Algebra 1 EOC Proficiency showed a 10% decline from previous year. Many Algebra 1 teachers were in their 1st year due to late hires with budget restraints.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Algebra 1 EOC had a 23 point gap compared to the state. Late hires due to budget constraints, therefore many of our Algebra 1 teachers were in their 1st year.

Which data component showed the most improvement? What new actions did your school take in this area?

ELA Overall Learning Gains and ELA Bottom Quartile showed the largest gains of 11. We ensured Achieve was being used school wide. During our PLCs we ensured our ELA teachers were planning

activities that were aligned to the standard as well as using text/curriculum that was fully aligned to the standard.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Number of students with less than 90% attendance.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Algebra 1 overall proficiency
2. Algebra 1 Learning Gains and Bottom Quartile
3. Overall Attendance
4. Overall Climate as it relates to SESIR Data
5. Continuing ELA Gains

Part III: Planning for Improvement

Areas of Focus:

#1	
Title	Algebra 1 Overall Proficiency
Rationale	Had the largest decrease compared to school, district and state.
State the measurable outcome the school plans to achieve	Our goal is to have 68% of our Algebra students score proficient.
Person responsible for monitoring outcome	James Dean Ledford (ledfordj@duvalschools.org)
Evidence-based Strategy	<p>During common planning time we will use district adopted curriculum to plan lesson deliveries as well as activities.</p> <p>Ensure teachers are using common assessments to enhance future data analysis.</p> <p>Ensure teachers are sharing best practices based on student performance.</p> <p>Use a specific walk through form with all admin that will measure how well we are aligned to standards in our Algebra 1 classes.</p> <p>These strategies will allow our teachers to use district common assessments to compare results with each other along with other teachers in the district.</p>
Rationale for Evidence-based Strategy	<p>The evidence will be unit assessments, district quarterly assessments, as well as common planning minutes.</p> <p>The walk through form will give a quantitative analysis of our instruction being aligned to standards.</p>
Action Step	
Description	<ol style="list-style-type: none"> 1. Create PLCs 2. Ensure common planning during Algebra 1 PLC 3. Adopt planning format to ensure there is time for data analysis as well as planning 4. Create time line for meeting standards 5. Create culture of sharing data
Person Responsible	James Dean Ledford (ledfordj@duvalschools.org)

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

Overall Attendance - Ensure students have the opportunity to get involved in our various clubs and activities. This will enhance our students' overall engagement of school.

Overall Climate as it relates to SESIR Data - Use our PBIS (Postive Behavior Intervention System) plan to showcase students and their success.

Continuing ELA Gains - Continue to ensure teacher's lessons are aligned to state standards along with their activities and curriculum/text.

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

None Title 1 School

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

None Title 1 School

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

None Title 1 School

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

None Title 1 School

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

None Title 1 School

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Algebra 1 Overall Proficiency				\$8,909.00
	Function	Object	Budget Focus	Funding Source	FTE	2019-20
	1000	510-Supplies	2231 - Duncan U. Fletcher High School	School Improvement Funds	2063.0	\$8,909.00
Total:						\$8,909.00
