## School Board Approval

This plan was approved by the Duval County School Board on 10/1/2019.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Analysis

### Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Our students do not take the FSA

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

Our students do not take the FSA

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

Our students do not take the FSA

**Which data component showed the most improvement? What new actions did your school take in this area?**

Our students do not take the FSA

**Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)**

Our students do not take the FSA

**Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.**

1. Our students do not take the FSA
- 2.
- 3.
- 4.
- 5.

#### Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

### Part IV: Title I Requirements

#### Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

**Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.**

Our overarching goal is to increase family engagement through increased visibility in the community. By partnering with a growing number of community organizations, families will become more aware of the events hosted by Hyde Grove and will feel more comfortable attending.

#### PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

Our school will implement Calm Classroom, Sanford Harmony, and our Full Service partnership to address the social and emotional needs of our students. Our teachers will also implement Wellness Wednesday lessons on each Early Release Day.

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.**

We will implement a continuous monitoring plan to address student transition.

**Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.**

Parent input is vital to the formulation of the school's Parent and Family Engagement Involvement Plan. Workshops will include Literacy Night, Math Night, Science Night, and more experiences that will enhance learning at home. Minutes from all Title 1 meetings will be taken to document parent involvement and input. Evaluations and surveys will be used to determine the effectiveness of the programs offered by the school and of our school-wide family engagement. Then the notes and evaluations will be submitted to the Title I office.

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

We will utilize AVID strategies as well as teaching to the Florida Standards to prepare students for college and career readiness.

## Part V: Budget

**The approved budget does not reflect any amendments submitted for this project.**
