Demographics

Principal: John Green

Start Date for this Principal: 7/19/2017

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 6-12
Primary Service Type (per MSID File)	K-12 General Education
2018-19 Title I School	Yes
2018-19 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2018-19 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* Black/African American Students* Hispanic Students* Multiracial Students* White Students Economically Disadvantaged Students*
School Grades History	2018-19: C (49%) 2017-18: C (52%) 2016-17: D (37%) 2015-16: D (37%) 2014-15: D (37%)
2019-20 School Improvement (SI) Information*	
SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	TS&I

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan is pending approval by the Alachua County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan is pending approval by the Alachua County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Hawthorne Middle/High School Faculty and Staff strive to provide quality instruction and opportunities for the academic, personal, social, and vocational development of our students in a clean, safe and healthy environment.

Provide the school's vision statement.

We are committed to the success of every student.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Ferguson, Daniel	Principal	Instructional leader of the school.
Beverly, Judy	Instructional Coach	
Hicks, Ben	Teacher, K-12	
Verschaeve, Annette	Teacher, K-12	
White, India	Teacher, K-12	
Kozlowski, Phil	Dean	
McLeod, Lisa	Assistant Principal	

Early Warning Systems

Current Year

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Number of students enrolled	0	0	0	0	0	0	73	61	54	48	54	39	39	368	
Attendance below 90 percent	0	0	0	0	0	0	17	9	11	7	15	14	10	83

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Science had the lowest performance. Although performance improved, science continues to be a needs improvement for the school.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Geometry had the greatest decline from prior year. Greater support is needed.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

6th grade ELA had the greatest gap compared to the state average. New teacher hire played a factor.

Which data component showed the most improvement? What new actions did your school take in this area?

US History showed the most improvement. Collaborative structures and multi-response systems utilized.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

ELA is an area of concern.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. ELA
2. Science
3. Math
4. Civics
5. Biology

Part III: Planning for Improvement

Areas of Focus:

#1	
Title	Student Achievement in Reading & Writing
Rationale	Implement AVID strategies and other best instructional practices to ensure improved academic achievement and close the achievement gap.
State the measurable outcome the school plans to achieve	Student achievement on state assessment (FSA) improves by 4 percent as compared to the previous year.
Person responsible for monitoring outcome	Daniel Ferguson (fergusd@gm.sbac.edu)
Evidence-based Strategy	Utilize AVID WICOR (Writing, Inquiry, Organization and Reading) Strategies during instruction while providing an instructional model that ensures rigor and culturally relevant instruction for all students.
Rationale for Evidence-based Strategy	Making a school-wide commitment to writing, reading, critical thinking, organization and research processes works. This will help improve struggling students with disabilities and African American students.
Action Step	
Description	<ol style="list-style-type: none"> 1. Begin with the "Why" by engaging in a school-wide book study of Start with Why. 2. Critical reading and focus note-taking strategies will be implemented in all core content areas in the Fall of 2019 3. Provide PLCs for staff to incorporate WICOR strategies into daily lessons. 4. Review student work samples for targeted WICOR strategies. 5. Provide common planning time to implement AVID in reading and math core instruction.
Person Responsible	[no one identified]

#2	
Title	Lowest 25% in English Language Arts
Rationale	HHS was below 50% for lowest 25 percentile in English Language Arts gains.
State the measurable outcome the school plans to achieve	Hawthorne Middle High would like to be at 62% in the category for 2019-20 school year.
Person responsible for monitoring outcome	Daniel Ferguson (fergusd@gm.sbac.edu)
Evidence-based Strategy	Reading and writing coaches will concentrate time with intensive ELA/Reading teachers in 6-10th grade. The implementation of i-ready, Ready Florida, and EDI will also help teachers.
Rationale for Evidence-based Strategy	This strategy is a best practice for improving low performing students.
Action Step	
Description	<ol style="list-style-type: none"> 1. Examine and analyze data including quarterly assessments. 2. Set implementation goals and timeline for instruction, tutoring, remediation, and resource. 3. Data chats with teachers and students on progress. 4. Determine the effectiveness of the strategy. 5. Revise/develop new plan of action if need be.
Person Responsible	Judy Beverly (beverljm@sbac.edu)

#3	
Title	Attendance
Rationale	Hawthorne's Attendance is below 95%
State the measurable outcome the school plans to achieve	The 2019-20 attendance rate will improve by 5 percentage points or more.
Person responsible for monitoring outcome	Phil Kozlowski (kozlowskipm@gm.sbac.edu)
Evidence-based Strategy	The school will develop attendance improvement plans for all students missing 10 or more days in attendance.
Rationale for Evidence-based Strategy	Hawthorne Middle High School will implement strategies to work toward reducing the drop-out rate, reduce suspensions and increase attendance. High engagement courses help students to want to attend school.
Action Step	<p>Preventing Absenteeism</p> <ul style="list-style-type: none"> • A senior member of staff will be designated as the lead on attendance issues and supported by the school based attendance officer. • School will communicate the attendance policy to parents in multiple ways such as newsletters, written communication at the time of enrollment, and during open house. • Classroom teachers will encourage punctuality and attendance and will communicate with the designated lead concerning students with attendance difficulties. <p>Addressing Absenteeism</p> <p>Notifying parents on the first day a student is absent is the most effective initiative in reducing the length of an absence improving rates of attendance. Parents receive the message that the school is concerned and that the school will respond to cases of unauthorized absence. The process for notification will include:</p> <ul style="list-style-type: none"> • The attendance office will be given a list in the morning of all students not in attendance at school. • Students who are tardy to school will not be included on the list. • Reasons for absences will be recorded if known. • The attendance officer will contact parents of any student not in attendance and will document the reason given for the absence. • The attendance officer will document if the parent is not reached and if a message is left on the phone. • A copy of the list will be given to the administration and a decision will be made whether contact will be made by a visit. <p>School attendance will be monitored and individual interventions designed for students with chronic absenteeism. Interventions could include referral to a School</p>
Description	

Attendance Review Board which could be held at the school site.

Person Responsible

Lisa McLeod (mcleodlm@gm.sbac.edu)

#4

Title Students With Disabilities (SWD)

Rationale Improve learning gains of SWD

State the measurable outcome the school plans to achieve

SWD will improve learning gains in English Language Arts by 5 percentage points

Person responsible for monitoring outcome

Judy Beverly (beverljm@sbac.edu)

Evidence-based Strategy

Reading and writing coaches will concentrate time with intensive ELA/Reading teachers in 6-10th grade. The implementation of i-ready, Ready Florida, and EDI will also help teachers.

Rationale for Evidence-based Strategy

This strategy is a best practice for improving low performing students.

Action Step**Description**

1. Examine and analyze data including quarterly assessments.
2. Set implementation goals and timeline for instruction, tutoring, remediation, and resource.
3. Data chats with teachers and students on progress.
4. Determine the effectiveness of the strategy.
5. Revise develop new plan of action if need be.

Person Responsible

Daniel Ferguson (fergusd@gm.sbac.edu)

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

The school plans to host parent nights to build positive relationships with parents, families and other community stakeholders to include College Night, ACT/SAT Night, FSA Night, and the Annual Title I/ Parent Night. Other events such as Meet the Teacher and Open House will inform parents of special programs to include I-Ready, Ready Florida, Everglades Math, USA Test Prep, and CTE Programs. Celebrating student accomplishments with families helps build a positive relationship between the school

and the children's families. Our school is highly visible and involved in community events to build relationships with families and to encourage continual awareness regarding the perception of families and their backgrounds.

PFEF Link

The school completes a Parental Involvement Plan (PFEF), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The school will continue utilizing services from our on campus social worker, school counselor, and community mentors to ensure social-emotional needs of students are met. The school ensures the social-emotional needs of students are being met by being a full service school that provides support to the students and their families. Students are provided clothing, food (through the backpack program) and health services as school board policy will allow. Families that request support for services are directed toward necessary support. Counseling is available for students through guidance, social worker, and through the school psychologist as available. Students are mentored by all faculty and staff to encourage positive behaviors and to build confidence in themselves. Data chats provide students an opportunity with a mentor to look at reasons they are being successful or struggling, while creating goals toward high expectations for future assessments.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Students from Shell Elementary School are invited to tour the school at the end of their 5th grade year. Data concerning students is shared between schools. Sixth grade students will have their own academy in order to become accustomed to the rigor of Middle School. This academy experience allows sixth graders to be in a location and share teachers who can monitor them as a group without being in the midst of high school students. The sixth grade team explicitly teaches the expectations of middle school and builds a strong sense of team and belonging to the school.

Seniors are given experiences to facilitate post secondary opportunities. They will see guest speakers and visit colleges and universities. They meet regularly with school staff to monitor their progress towards graduation and to assist in their plans for post secondary learning.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

All students are monitored on our Google Doc assessment system weekly and our data wall. Teachers input

assessment data in the areas of fluency, reading, writing, math and science. The Leadership team monitors the progress of each student and implements the appropriate interventions, after data chats with teachers to discuss current interventions in place. Support for additional interventions is identified by the Leadership team which enables the highest impact use of the school Resource Officer, staff, academic coaches and volunteers.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Hawthorne Middle High School will focused on creating a greater emphasis on college readiness through AVID. We will encourage upperclassmen to take Dual Enrollment and Acceleration courses that led to an

industry certification. To achieve this goal, we will require all juniors to meet individually with the guidance counselor to discuss their post-secondary plans and to register for exams. The district has also implemented a plan to test all juniors using the ACT test. Our school is also one of the two sites in the district for the Talent Search program through Santa Fe College. Students who participate in this program will have experiences on various college campuses through out the state as well as access to a college level counselor to assist with transitions.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Student Achievement in Reading & Writing				\$141,836.00
	Function	Object	Budget Focus	Funding Source	FTE	2019-20
	5100	120-Classroom Teachers	0201 - Hawthorne Middle/High School	Title, I Part A	2.0	\$74,383.00
Notes: Salaries, FCIMS Resource Teacher, Class size reduction, Interventions
