School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Deer Park will maximize student potential and provide them with the knowledge, skills, and character necessary for success in the 21st century.

Provide the school's vision statement.

Deer Park will be the top performing school in Hillsborough County.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Lefler, Edith	Principal	Ensure the safety of all students and staff. Creating a positive school culture. Creating a long-term plan for student academic success. Cultivating leadership in others. Managing people, data, and processes. Improving School Leadership.
Findley, Eric	Assistant Principal	

Early Warning Systems

Current Year

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

ELA Learning gains 70% Bottom Quartile 61% Math Learning gains 75% Bottom Quartile 58% This was actually an improvement over previous years.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

SWD which makes up some of our bottom quartile was at 30% for ESSA We would like to be at least 41%. Providing consistent target intervention is important to this group. We have improved ESE schedules to maximize time with students.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

We were above the state average in all categories

Which data component showed the most improvement? What new actions did your school take in this area?

ELA Proficiency for 2019 was 82% compared to last year 77%. Targeted data-informed instruction.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Progress of our SWD Math Gains

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- 1. Gains for our SWD
- 2. Math Bottom Quartile gains
- 3. ELA Bottom Quartile gains
- 4.
- 5.

Part III: Planning for Improvement

Areas of Focus:

#1	
Title	Student achievement will increase when focusing on a positive inclusive environment
Rationale	Cultivating positive classroom environment that emphasizes kindness provides opportunities for students the opportunity to goal set.
State the measurable outcome the school plans to achieve	On the Cultural perception survey the statement Students at this school treat others with respect will increase from 45%(2018-19) to 50%.
Person responsible for monitoring outcome	Edith Lefler (edith.lefler@hcps.net)
Evidence-based Strategy	Collaborating for Student Success & positive classroom environment.
Rationale for Evidence- based Strategy	Collaborating among teachers allows for positive interactions, team discussions, content differentiation, strategies for different learners and positive classroom environment.
Action Step	
Description	 Steve Barkley Training Faculty lead TLCs Administration Walkthroughs and follow ups 5.
Person Responsible	Edith Lefler (edith.lefler@hcps.net)

#2	
Title	Student gain scores will increase in ELA and math by teachers implementing differentiated instruction to consistently meet the needs of all learners including our SWD.
Rationale	Providing teachers with strategies and opportunities to enhance student learning by differentiating for all students will increase gains in the bottom quartile students and SWD.
State the measurable outcome the school plans to achieve	Math learning gains from the bottom quartile will increase from 58% to 61%. ELA scores for SWD will increase from 25% Proficient 29% making gains to 41%
Person responsible for monitoring outcome	Edith Lefler (edith.lefler@hcps.net)
Evidence-based Strategy	Collaboration among teachers and effective TLCS along with planning and delivering differentiated instruction and small group instruction will increase ELA and math gains.
Rationale for Evidence- based Strategy	Content differentiating and small group creation will be offered in TLCs Admin walkthroughs will help with providing strategies for different learners
Action Step	
Description	 Collaboration for Student success & positive class environment training by Steve Barkley Teacher lead trainings Administration walkthroughs 5.
Person Responsible	Edith Lefler (edith.lefler@hcps.net)

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

Improvement in technology is also a focus to better meet the needs of all learners.
