Demographics

Principal: Christina Raburn

Start Date for this Principal: 8/7/2008

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 9-12
Primary Service Type (per MSID File)	K-12 General Education
2018-19 Title I School	No
2018-19 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	78%
2018-19 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2018-19: A (65%) 2017-18: A (66%) 2016-17: B (56%) 2015-16: B (56%) 2014-15: A (65%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	

ESSA Status	TS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To become the district's leader in developing successful students.

Provide the school's vision statement.

To Create Responsible Empowered Scholars for Tomorrow (CREST)

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Brown, David	Principal	Oversee the implementation of the SIP and support PD opportunities.
Ewell, Tiffany	Assistant Principal	Oversee the implementation of the SIP and PD opportunities.
Raburn, Christina	Assistant Principal	Oversee the implementation of the SIP and reflection of progression toward our goals.
Schwarz, Robin	Teacher, K-12	SAC Chairperson; schedule and oversee SAC meetings
Hobbs, Trent	Assistant Principal	Principal Designee; oversee SIP and it's implementation

Early Warning Systems

Current Year

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Number of students enrolled	0	0	0	0	0	0	0	0	0	673	626	528	484	2311

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Algebra EOC showed the lowest performance in 2019; however our school improved by 4% in this area from 2018 to 2019.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Math gains showed the greatest decline from 2018 to 2019; yet, improved by 4% (raw data) over that same time period.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Algebra EOC had the greatest gap when compared to the state average; -11% vs. -16% in 2018.

Which data component showed the most improvement? What new actions did your school take in this area?

Biology EOC showed the greatest area of improvement (school and state levels). 12% greater than state (an improvement from 8% above state in 2018).

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Math gains for all students to include SWD and ELL.
Overall literacy for all students to include SWD and ELL.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Literacy (specifically improving ELA performance)
2. Decrease the rigor gap
3. Acceleration (increase opportunity for eligible students to obtain acceleration)
4. Community engagement (getting the community involved in SCHS)
5. Professional Development (providing more opportunities for PD that align specifically to school wide instructional priorities)

Part III: Planning for Improvement

Areas of Focus:

#1	
Title	Increase Pass Rates for FSA ELA & Math (Algebra 1 EOC) State Assessments
Rationale	SCHS was 11% points below the state in 2019 in Math, SWD 6% below the Federal Index, and 59% of our students scored a 3.0 or better on the FSA ELA.
State the measurable outcome the school plans to achieve	Student achievement will increase 5% on FSA ELA & Math assessments when best teaching practices are embedded in all content areas through rigorous tasks that are aligned with grade level and content area standards.
Person responsible for monitoring outcome	Christina Raburn (christina.raburn@hcps.net)
Evidence-based Strategy	Professional Development (providing more opportunities for PD that align specifically to school wide instructional priorities); Monthly AVID/Literacy Coach Professional Development opportunities.
Rationale for Evidence-based Strategy	AVID (Advancement Via Individual Determination) is a nonprofit that changes lives by helping schools shift to a more equitable, student-centered approach. We train 80,000 educators annually to close the opportunity gap, so they can prepare all students for college, careers, and life. Example of data: First-generation, low-income AVID alumni who go to college are four times more likely to graduate than their national peers.
Action Step	
Description	<ol style="list-style-type: none"> 1. Literacy PD 2. AVID PD 3. Best Practices/Literacy/AVID implementation 4. Data review 5. Communication between stakeholders
Person Responsible	Christina Raburn (christina.raburn@hcps.net)

#2	
Title	Increase SWD Student Achievement
Rationale	Federal Index was 41% and we were at a 35%
State the measurable outcome the school plans to achieve	SWD student achievement will increase by 6%
Person responsible for monitoring outcome	Christina Raburn (christina.raburn@hcps.net)
Evidence-based Strategy	Literacy and AVID professional development/best teaching practices implementation through monthly PD opportunities.
Rationale for Evidence-based Strategy	AVID (Advancement Via Individual Determination) is a nonprofit that changes lives by helping schools shift to a more equitable, student-centered approach. We train 80,000 educators annually to close the opportunity gap, so they can prepare all students for college, careers, and life. Example of data: First-generation, low-income AVID alumni who go to college are four times more likely to graduate than their national peers.
Action Step	
Description	<ol style="list-style-type: none"> 1. Literacy PD 2. AVID PD 3. Best Practices/Literacy/AVID implementation 4. Data review 5. Communication between stakeholders
Person Responsible	Christina Raburn (christina.raburn@hcps.net)

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

Improved communication with our stakeholders: Edsby, phone calls, parent links, etc...

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

N/A

PFEF Link

The school completes a Parental Involvement Plan (PFEF), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

The School Board of each Florida district is required by state law to establish a comprehensive program for student progression that is based on an evaluation of each student's performance including an assessment of how well the student masters the performance standards approved by the state board. The district's program for student progression is based on mastery of the English language arts, mathematics, science, and social studies standards. (F.S. 1008.25)

The HCPS Student Progression Plan includes information on initial placement, reporting student progress, reading remediation, academic acceleration, grade promotion and retention, graduation requirements, transfer credits, student recognition, accommodations, dual enrollment, and extended learning opportunities.

For complete information, please visit our Student Progression Plan at: <http://www.sdhc.k12.fl.us/docs/00/00/21/33/studentprogressionplan.pdf>

HCPS utilizes a variety of strategies for assisting students as they transition from one school to another.

HCPS employs multiple strategies for preparing children for entry into kindergarten. Over 6,000 children participate in one of several preschool programs offered by the School District (Head Start, VPK and PreK-ESE). Developmental screenings are available for all families prior to entry into kindergarten through Child Find, a service within the Florida Diagnostic and Learning Resources System (FDLRS). Additionally, the district works closely with School Readiness providers to share information.

HCPS utilizes multiple strategies for preparing students for their next school, including transitioning from elementary to middle school, middle school to high school, or simply moving to a new school mid-year. Examples include:

- Bring 6th/9th graders back early for orientation
- Train a cadre of student ambassadors to help orient other students
- Parent information and/or education opportunities
- Hold articulation meetings between 5th and 6th grade teachers
- Campus visits
- Shadow days
- Middle school students visit, tutor and or perform at elementary schools
- High school students visit, tutor, or perform at middle schools.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

To ensure efficient/systematic allocation and use of resources, the PSLT/ILT utilizes an RtI/MTSS framework to improve learning for all. Resources allocated support a continuum of academic and behavioral supports, ensuring all students have fluid access to instruction.

To ensure support systems, small group, and individual needs are met, the PSLT:

Reviews school-wide data on an ongoing basis, identifying instructional needs across the school; Supports the implementation of high quality instructional practices during core and intervention blocks; Reviews progress monitoring data of core to ensure fidelity of instruction and attainment of SIP goal(s) in curricular, behavioral, and attendance domains; Communicates school-wide data to PLCs, facilitating problem solving within the content/grade level teams.

The PSLT meets regularly (bi-weekly/monthly). The PSLT meeting calendar is structured around the district's assessment calendar, ensuring opportunities to review assessments, outcome data, and engage in the problem solving process for appropriate data-driven decisions.

Title I:

PartA

Funding enriches eligible schools with additional instructional staff, PD, ELP, and supplemental resources for raising student achievement in high-poverty schools.

PartC- Migrant

The migrant advocate provides services and support to students, parents, teachers and other programs to ensure that students' needs are met.

PartD

Funds support the Alternative Education Program, providing transition services from alternative education to school of choice, and includes mentoring, intervention services and educational support using transition specialists, teachers, paras and tutors.

TitleII

Funds for PD to provide/promote high quality professional learning that supports improved job performance for all resulting in increased student achievement.

TitleIII

Services are provided to ensure ELLs have access to academic content that is equal in scope, sequence, breadth, and depth to the curricular offerings available to all.

TitleX- Homeless

Coordinated with Title I funds to provide summer school, reading coaches, and extended learning opportunities.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

HCPS strategies to advance college and career awareness include: Career interest inventory offered to students through Florida Shines; District College Nights; District Financial Aid Nights; Postsecondary representative visits at high schools; Field trip opportunities for career awareness; Field trip opportunities to technical colleges; and Opportunities for students to take courses within their area of interest at their high school, via virtual school, and through dual enrollment.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.
