### School Board Approval

This plan is pending approval by the Hillsborough County School Board.

### SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Analysis

### Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

8th Grade ELA, vacancies, loss of reading coach, attendance, lack of PD

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

8th Grade ELA, vacancies, lack of PD

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

ELA (specifically 8th grade), vacancies, attendance, lack of PD

**Which data component showed the most improvement? What new actions did your school take in this area?**

8th grade Math, PLC's, Highly Effective teachers in Pre-Algebra

**Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)**

Attendance, coursework

**Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.**

1. ELA and ELA gains
2. Math and Math gains
3. ESE and ELL proficiency
4. Parent and Family Engagement
5. Technology

**Part III: Planning for Improvement**

**Areas of Focus:**

<b>#1</b>	
<b>Title</b>	ELA
<b>Rationale</b>	ELA (specifically 8th grade) is our lowest performing area.
<b>State the measurable outcome the school plans to achieve</b>	We will increase the schoolwide ELA proficiency by 3% and gains by 5%
<b>Person responsible for monitoring outcome</b>	Traci Durrance (traci.durrance@hcps.net)
<b>Evidence-based Strategy</b>	Funds will be used for instructional support, SAL will have an additional planning period to have pull out sessions with students as well as assisting teachers in the classroom.
<b>Rationale for Evidence-based Strategy</b>	Teachers will identify students using state and district data along with classroom assessments and discuss the students at their weekly grade level PLC's.
<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Additional planning period for SAL</li> <li>2. Saturday School remediation</li> <li>3. Pull out sessions with LA SAL and Resource Site Based Teacher</li> <li>4. Strategies presented at weekly grade level PLC's and monthly PLC's by SAL's, AVID Site Team, and Resource Site Based Teacher.</li> <li>5. PD in Equity training and Data Driven Instruction and Assessments for the Classroom</li> </ol>
<b>Person Responsible</b>	Traci Durrance (traci.durrance@hcps.net)

<b>#2</b>	
<b>Title</b>	ELA (ESE and ELL)
<b>Rationale</b>	Our bottom quartile decreased in all levels of ELA and high percent of our ESE students are in the bottom quartile. Our ELA gains decreased by 3% and our bottom quartile decreased by 4%.
<b>State the measurable outcome the school plans to achieve</b>	We will raise proficiency by 3% and gains by 5%.
<b>Person responsible for monitoring outcome</b>	Traci Durrance (traci.durrance@hcps.net)
<b>Evidence-based Strategy</b>	Teachers will use differentiated instruction, frequent assessments, data driven lessons, small group instruction.
<b>Rationale for Evidence-based Strategy</b>	To close the achievement gap by providing small group instruction.
<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. IXL will be provided for all students to supplement their reading curriculum</li> <li>2. We will purchase additional instructional materials to supplement reading</li> <li>3. Saturday School remediation will be offered.</li> <li>4. PD will be provided on reading strategies by the AVID Site Team, SAL's, and Resource Site Based Teacher</li> </ol>
<b>Person Responsible</b>	Traci Durrance (traci.durrance@hcps.net)

<b>#3</b>	
<b>Title</b>	Math
<b>Rationale</b>	We want to continue to increase proficiency and make gains in math. Our Algebra scores dropped 4 percentage points and our 6th grade math 8% behind the state and 8th grade math is 12% behind the state.

<b>State the measurable outcome the school plans to achieve</b>	We will increase proficiency by 3% and gains by 5%.
<b>Person responsible for monitoring outcome</b>	Traci Durrance (traci.durrance@hcps.net)
<b>Evidence-based Strategy</b>	Funds will be used for instructional support, the Math Coach will have pull out sessions with students as well as assisting teachers in the classroom.
<b>Rationale for Evidence-based Strategy</b>	Teachers will use state and district assessment data along with classroom assessments to determine students who need pull out sessions and discuss them at their weekly grade level PLC's. Teachers will use their data discussions to refine instruction.

<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Common planning by grade level to ensure weekly PLC's</li> <li>2. IXL purchased for all students to supplement curriculum</li> <li>3. Math Coach will pull small groups as determined in PLC's.</li> <li>4. Math tutoring will be provided after school, Saturday school remediation will be offered.</li> <li>5. Strategies will be presented at monthly PLC's AVID Site Team, Math Coach, or Resource Site Based Teacher.</li> </ol>
<b>Person Responsible</b>	Traci Durrance (traci.durrance@hcps.net)

**Additional Schoolwide Improvement Priorities (optional)**

**After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).**

Tomlin will increase our Parent and Family Engagement:

A. Various parent events will be hosted- 6th grade quarterly parent breakfast, math and writing festival gallery walks each semester, family read night, family college and career night, media center open on Saturdays for family use of technology, planners for 6th grade, AVID, and STEM students to increase communication between teachers and parents, fall festival, utilizing Spanish- speaking parent ambassadors and leaders to facilitate workshops with other parents to discuss literature in the home.

Improve schoolwide student positive behaviors

A. Positive behavior reward system, PTSA sponsored motivational speakers, create a gaming area for students with positive behaviors, use of CHAMPS in the classroom, Resource Site Based Teacher will work with teachers on promoting positive relationships and classroom management.

Incorporating more technology use in the classroom.

A. Provide PD on how teachers can incorporate technology strategies within the classroom, provide teachers with access to Q-MO boards, purchase additional laptops for additional one to one instruction, use of desk top computers to assist in computer based instruction and enhancing our existing RAM to run Windows 10, use of a Virtual Reality center.

## Part IV: Title I Requirements

### Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

### **Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.**

Tomlin will increase our Parent and Family engagement:

A. Various parent events will be hosted- 6th grade quarterly parent breakfast, math and writing festival gallery walk each semester, family read night, family college and career night, media center open on Saturdays for family use of technology, fall festival, utilizing Spanish- speaking parent ambassadors and leaders to facilitate workshops with other parents to discuss literature in the home.

#### **PFEP Link**

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

### **Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

The School Board of each Florida district is required by state law to establish a comprehensive program for student progression that is based on an evaluation of each student's performance including an assessment of how well the student masters the performance standards approved by the state board. The district's program for student progression is based on mastery of the English language arts, mathematics, science, and social studies standards. (F.S. 1008.25)

The HCPS Student Progression Plan includes information on initial placement, reporting student progress, reading remediation, academic acceleration, grade promotion and retention, graduation requirements, transfer credits, student recognition, accommodations, dual enrollment, and extended learning opportunities.

For complete information, please visit our Student Progression Plan at: <http://www.sdhc.k12.fl.us/docs/00/00/21/33/studentprogressionplan.pdf>

HCPS utilizes a variety of strategies for assisting students as they transition from one school to another.

HCPS employs multiple strategies for preparing children for entry into kindergarten. Over 6,000 children participate in one of several preschool programs offered by the School District (Head Start, VPK and PreK-ESE). Developmental screenings are available for all families prior to entry into kindergarten through Child Find, a service within the Florida Diagnostic and Learning Resources System (FDLRS). Additionally, the district works closely with School Readiness providers to share information.

HCPS utilizes multiple strategies for preparing students for their next school, including transitioning from elementary to middle school, middle school to high school, or simply moving to a new school mid-year.

Examples include:

- Bring 6th/9th graders back early for orientation
- Train a cadre of student ambassadors to help orient other students
- Parent information and/or education opportunities
- Hold articulation meetings between 5th and 6th grade teachers
- Campus visits
- Shadow days
- Middle school students visit, tutor and or perform at elementary schools
- High school students visit, tutor, or perform at middle schools.

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.**

To ensure efficient/systematic allocation and use of resources, the PSLT/ILT utilizes an RtI/MTSS framework to improve learning for all. Resources allocated support a continuum of academic and behavioral supports, ensuring all students have fluid access to instruction (varying intensity levels matched to most appropriate available resources).

An annual inventory of resource materials, staff, and funds allocated determines necessary resource materials and personnel available to meet student needs through a resource map.

To ensure support systems, small group, and individual needs are met, the PSLT:  
Reviews school-wide data on an ongoing basis, identifying instructional needs across the school;  
Supports the implementation of high quality instructional practices during core and intervention blocks;  
Reviews progress monitoring data of core to ensure fidelity of instruction and attainment of SIP goal(s) in curricular, behavioral, and attendance domains; Communicates school-wide data to PLCs, facilitating problem solving within the content/grade level teams.

The PSLT meets regularly (bi-weekly/monthly). The PSLT meeting calendar is structured around the district's assessment calendar, ensuring opportunities to review assessments, outcome data, and engage in the problem solving process for appropriate data-driven decisions. Team members include administrator(s), guidance counselor(s), school psychologist, ESE specialist, content area coaches/specialists, PLC teacher liaisons, others as needed

Title I:

PartA

Funding enriches eligible schools with additional instructional staff, PD, ELP, and supplemental resources for raising student achievement in high-poverty schools. SAL's will have an additional planning period. We will have a full time Math Coach and a Resource Site Based Teacher.

**Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.**

HCPS strategies to advance college and career awareness include: Career interest inventory offered to students through Florida Shines; District College Nights; District Financial Aid Nights; Postsecondary representative visits at high schools; Field trip opportunities for career awareness; Field trip opportunities to technical colleges; and Opportunities for students to take courses within their area of interest at their high school, via virtual school, and through dual enrollment.

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

Thursday is College Tee shirt Day, College banners are displayed in the main hallway, Community Organizations will be invited to come in as guest speakers, HR competitions in the fall and spring for Football season and March Madness, All students will decorate pennants with the college or technical school they wish to attend and HR's will display them, teachers will display their College certificate of Banner. AVID students will give college facts on the morning show throughout the year.
