#### **School Board Approval**

This plan is pending approval by the Volusia County School Board.

## **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridacims.org">www.floridacims.org</a>.

#### **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridaCIMS.org">https://www.floridaCIMS.org</a>.

#### **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

# **Part I: School Information**

#### **School Mission and Vision**

#### Provide the school's mission statement.

Legacy Scholars Academy is committed to ensuring that all students have a comprehensive support system that will ultimately foster emotional and academic success.

#### Provide the school's vision statement.

The Legacy Scholars Academy Family envisions a climate of nurturing and trust where all students will have the opportunity for a high-quality, 21st-century education and graduate prepared for college, career and life.

## School Leadership Team

#### Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Chandler, Al	Principal	school-based leadership, evaluations, school
	Teacher, K-12	

# **Early Warning Systems**

#### **Current Year**

## The number of students by grade level that exhibit each early warning indicator listed:

#### **Analysis**

#### **Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Math Achievement and Learning Gains. All of our students are residents of the Children's Home and in the Foster Care system. They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; Family/adoption/foster care issues;

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Math Learning gains. All of our students are residents of the Children's Home and in the Foster Care system. They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; Family/adoption/foster care issues;

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Civics; All of our students are residents of the Children's Home and in the Foster Care system. They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; Family/adoption/foster care issues;

Which data component showed the most improvement? What new actions did your school take in this area?

ELA Learning Gains; SEL instruction and strategies

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Students scoring Level I on state assessments

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- Social Emotional Wellness and Learning
- 2. Math proficiency
- 3.
- 4.
- 5.

# Part III: Planning for Improvement

#### **Areas of Focus:**

#1

Title Social Emotional Learning

Rationale Our students are in the Foster Care system and their social emotional needs have a big

impact on learning.

State the

measurable Reduction in referrals

outcome the Incresschool plans Incres

Increase Math learning gains to 50% Increase ELA learning gains to 50%

to achieve

Person responsible

monitoring outcome

Evidencebased Strategy

Integration of skill instruction and practices that support SEL within the context of an academic curriculum.

Rationale for Evidencebased Strategy Integration of skill instruction and practices that support SEL within the context of an academic curriculum is one of four strategies to promote competence across all 5 core SEL competencies according to the Collaborative for Academic, Social, and Emotional Learning (CASEL). CASEL found all programs they reviewed to use one or more of those 4 strategies.

#### **Action Step**

- 1. Create Master Schedule that includes SEL
- 2. Set PLC meeting time, expectations and focus
- 3. Conduct collaborative planning sessions (middle and high school) for SEL/RULER instruction

#### Description

- 4. Develop leadership/support team for SEL/RULER
- 5. PL on RULER
- 6. Learning walks during SEL instruction
- 7. Monitor SEL/RULER instruction through walkthroughs and feedback

Person Responsible

Al Chandler (abchandl@volusia.k12.fl.us)

# Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

# Part IV: Title I Requirements

#### Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

Upon admission to FUMCH, students are assigned house parents who act as the parental unit while they are living at the children's home. Planners go home every day with educational and behavioral information. Office hours are every Friday where parents can drop to meet with the teachers. Meeting to discuss academic, social and emotional progress are scheduled to coincide with report card distribution. Parents will be surveyed at the Title I meeting to get input on how to spend any Title I

#### **PFEP Link**

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

LSA works with FUMCH to provide student a safe and stable environment. Our staffs provide counseling, mentoring, and therapy to address the social and emotional needs of our students.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Our students do not transition as a group like traditional schools. When new students arrive, they start in the assessment center where their academic levels are assessed and learn the basics of Social Emotional Learning, school routines and how to be successful at LSA. As Students near graduation or aging out, they are surveyed and interviewed to determine post school living, education, employment and community involvement. A plan is developed to help them achieve their post school goals and identify supports/services.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

LSA and FUMCH work together to identify and use resources to support students' post school goals. Meetings to review programs, supports and curriculum are scheduled quarterly. CCR (College Career Ready) days are scheduled monthly.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

CCR days are set up monthly with different topics/activities that may include guest speakers, real world scenarios/simulations, college campus tours and field studies. "Adulting Day" is planned for October 2019 providing high school students opportunities to complete simulated tasks typical of being an adult.

# Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Social Emotional Learning	\$0.00
		Total:	\$0.00
