## School Board Approval

This plan is pending approval by the Broward County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

**Analysis**

**Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Algebra EOC levels 3-5 decreased by 36%. Transient population and a high increase of enrollment near the time of testing.

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

Civics EOC level 2s decreased by 20%; History EOC level 2 decreased by 22. Professional development, effective teacher planning and delivery, differentiated instruction in the classroom.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

ELA had the greatest gap when compared to the state average. Our increase in ELA was not as significant as the state. Transient population and high increase in enrollment at the end of 3rd quarter and the beginning of 4th quarter.

**Which data component showed the most improvement? What new actions did your school take in this area?**

History EOC levels 3-5 by 43%. Implementation of project-based learning.

**Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)**

African/American below 41%  
Economically Disadvantaged below 41%

**Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.**

1. Increase Levels 3-5 in ELA and Math for our ESSA subgroups
2. Decrease Levels 1-2 in ELA and Math for our ESSA subgroups
3. Increase learning gains for the lowest 25th percentile in ELA and Math
4. Increase middle school acceleration
5. Increase Science achievement

## Part III: Planning for Improvement

### Areas of Focus:

<b>#1</b>	
<b>Title</b>	ELA
<b>Rationale</b>	Students' population lack core academic skills, socio-emotional, and have behavior challenges.
<b>State the measurable outcome the school plans to achieve</b>	10% increase in learning gains for ELA and Math.
<b>Person responsible for monitoring outcome</b>	Gastrid Harrigan (gastrid.harrigan@browardschools.com)
<b>Evidence-based Strategy</b>	Conduct monthly cycle assessments and teacher & student data discussions Pull-out/ push-in for struggling learners Provide academic and behavior support to new teachers Morning Meetings, SEL, and individual counseling
<b>Rationale for Evidence-based Strategy</b>	Students' population lack core academic skills, socio-emotional, and have behavior challenges.
<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Our instructional focus calendar is designed by cycles. Each cycle is 3 weeks long. At the end of each cycle the students take an assessment for the cycle. Teachers fill out a data sheet and meet with administration for data chats. At the data chats teachers discuss their plan for students scoring at each level.</li> <li>2. Literacy Coach and math teacher leader will identify students for weekly pullouts/ pushins</li> <li>3. All teachers will participate in PLCs designed to incorporate BEST strategies through our school-wide literacy initiative in reading and vocabulary.</li> <li>4. The PLCs that the teachers will participate in will incorporate three main components of our students' special needs. Those components are mental health counseling, behavioral strategies, and our school-wide literacy initiative to improve reading and writing proficiency.</li> <li>5. When students enroll they are assigned a case manager. Students are given a personalized plan and the case manager meet with them bi-weekly to discuss progress academically and behaviorally. Parents will be contacted and made aware of how child doing.</li> </ol>

**Additional Schoolwide Improvement Priorities (optional)**

**After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).**

All content area teachers will use grade-level Florida Standards to plan and deliver lessons in the classroom. Each teacher follows the district pacing guide for the respective discipline. Each week teachers participate in PLCs which focus on understanding, unwrapping, and planning using the Florida Standards. Teachers use canvas to share work as well as best practices with colleagues.

## Part IV: Title I Requirements

### Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

**Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.**

Conduct monthly parent meetings as well as partnership meetings.

#### PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

All students are exposed to "Morning Meetings" focusing on social skills linked to District's character education and school's PBIS. Morning meetings take place every day for 20 minutes during first period in all classes. Morning meetings open and close with focused breathing, greeting, sharing, group activity, summary and focused breathing to close session out. Also, students participate in a semester long Social Emotional Learning course. Each student is assigned a counselor who meets with them every week.

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.**

Incoming students receive the following:

1. Intake Meeting
2. Newcomers orientation
3. Assigned counselor
4. Family connected to Boys Town Organization which provides wrap around services

Transitioning students receive the following:

1. Transition Meeting
2. Family connected to Boys Town Organization

**Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.**

District academic facilitator and coaches provides ongoing support by meeting with the school's Literacy Coach as well as content area teachers.

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

Counselors conduct quarterly classroom lessons using Naviance. My Future is Now is a partnership organizations that comes in and work with students around building a successful future. Students participate in field trips to colleges, businesses and technical schools. Volunteers from different

businesses come out and conduct lessons on planning a future. Students create career plan projects as the culminating activity. High School students participate in internships as well as receive lessons on employment skills and building healthy relationships.

**Part V: Budget**

**The approved budget does not reflect any amendments submitted for this project.**
