School Board Approval

This plan is pending approval by the Brevard County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Riverdale Country School exists to effectively meet the individual educational, therapeutic, and behavioral needs of children in the middle and south area of the Brevard County School District.

Provide the school's vision statement.

At Riverdale Country School we will meet the needs of students, families, the Brevard County School Board, and the community by providing educational services that integrate responsibility, compassion and achievement. We will establish a learning environment that is creative, and encourages feelings of joy and accomplishment. We will form meaningful relationships with our students that they may succeed academically, develop autonomy, and reach out to others in the spirit of altruism. Our interactions with one another will be characterized by honest communication, professional integrity, and kindness. We will know that we are successful when our students come to school eager to achieve personal goals, with hope for the future, and faith in themselves and others.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

| Name | Title | Job Duties and Responsibilities |
|---------------|------------------------|---|
| Torma, Nick | Principal | I review input from the Administration team as well as Teacher and Staff to write and develop Riverdale's School Improvement Plan |
| Boyd, Shannon | Assistant Principal | Gathers and reviews all student academic and behavioral data. Conducts weekly PLC meetings to provide staff important curricular updates as well as professional development. |
| Black, Mason | Dean | Completes classroom observations to monitor Teacher and Teacher Assistant effectiveness in the delivery of instruction and to ensure proper data collection. |
| Cobb, Anny | Administrative Support | Tracks and assists with data entry, compliance and student-parent communication. |

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The English Language Arts Achievements (ELA Proficiency) for our Students with Disabilities (SWD) went down from 7 percent to 0 percent.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The English Language Arts Achievements (ELA Proficiency) for our Students with Disabilities went down from 7 percent to 0 percent.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

N/A

Which data component showed the most improvement? What new actions did your school take in this area?

ELA learning gains for our Students with Disabilities went from 22 to 35 percent and our Math learning gains went from 22 to 26 percent.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Out of 67 students enrolled 41 students had attendance below 90 percent. Out of 67 students enrolled 28 had 1 or more suspensions.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. ELA Proficiency
2. Social Emotional components for Attendance, Behavior and Discipline.
3. Math Proficiency
4. Science Curriculum

Areas of Focus:

| #1 | |
|------------------|--|
| Title | On grade level Standards-Aligned Instruction SWD (whole school) demonstrate 0 percent ELA proficiency and 4 percent Math proficiency. |
| Rationale | Riverdale teachers use formative assessments, pre and post assessment data, formal and informal walk-throughs and classroom observations, student checklists and weekly PLC meetings to discuss effective and ineffective practices. Riverdale uses a variety of methods to monitor instructional practices are aligned with student data. Common formative assessment disaggregation in data PLC's, classroom walkthroughs (both formal and informal), feedback from students, instructional rounds to include discussion of instructional shifts put into practice and school-wide data analysis based off of learning targets along with differentiated mentoring and modeling for effective school engagement. |

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

Part IV: Title I Requirements

Additional Title I Requirements
 This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

All parent meeting days (such as the Title 1 Annual Meeting) will be flexible to help meet all parent travel and work restrictions. Our meeting times will be from 8:30am-6:30 pm.

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Riverdale employs 3 full time counselors who specifically work with all of our students on the social emotional domain of their IEP as well as aspects of their Behavior Intervention Plans. Additionally, with

our student to staff ratio at 3:1 our auxiliary staff work with each student on a daily/weekly basis assisting in meeting their social emotional needs.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Students meet with their Teacher, Teacher Assistants and school administration prior to being placed into their classroom. Individual student needs are considered to help place the student in the most appropriate classroom. When students successfully transition out of Riverdale they are placed in a school environment that can best meet their needs based upon the latest student data during IEP team meetings including the new school contacts, the student, and the student families.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

The school's leadership team meets once a week with the staff to address the academic and social/emotional needs of our students. Title 1 funding is used to provide academic and instructional materials across all subject areas. Formal PLC meetings happen once a week to review data, monitor student progress and problem solve the issues identified in the student data. The school leadership team also identifies which staff members would benefit from attending certain professional development opportunities. These determinations are based upon a review of our classroom observation checklists for each teacher.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.
