## School Board Approval

This plan is pending approval by the Seminole County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Analysis

#### Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Journeys Academy Federal Percent of Points Index reflects deficiencies in the graduation rate of African American and Economically Disadvantaged students. As an alternative center that is focused on supporting at risk students via temporary placement, Journeys Academy does not graduate students. The graduation rate associated with Journeys Academy reflects students who exit their placement and do not return to their zoned school.

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

N/A - no prior year data available.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

N.A - no prior year data available.

**Which data component showed the most improvement? What new actions did your school take in this area?**

N/A - no prior year data available.

**Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)**

Retained and non proficient students

**Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.**

1. Transition success
2. Focus on Social Emotional Learning
3. Monitoring at risk students
4. Review of environmental data
5. Utilization of PLCs

## Part III: Planning for Improvement

### Areas of Focus:

<b>#1</b>	
<b>Title</b>	Transition success and focus on social emotional learning
<b>Rationale</b>	As an alternative center with short term placement, Journeys Academy is focused on supporting students social emotional learning and decision making and preparing students to be successful when returning to their zoned school.
<b>State the measurable outcome the school plans to achieve</b>	Increasing the number of students who successfully transition from Journeys Academy who then earn a high school diploma.
<b>Person responsible for monitoring outcome</b>	Kenny Bevan (kenny_bevan@scps.k12.fl.us)
<b>Evidence-based Strategy</b>	Research indicates utilization of early warning system to identify at-risk students to determine needed supports increases their likelihood for future academic success and graduation.
<b>Rationale for Evidence-based Strategy</b>	Journeys Academy will use the SCPS early warning system to identify students who are at risk academically and behaviorally display academic, and support students to make positive decisions and meet with academic success.
<b>Action Step</b>	
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Identifying students who are not being successful at school for academic or behavioral reasons. A concerted effort towards increasing composite proficiency levels of ELLs or remaining at a composite score of 4, 5, or 6.</li> <li>2. Develop and maintain a "point system" approach to reinforce positive behaviors in the middle and high school.</li> <li>3. Implementing a tiered, behavioral leveled system which focuses on recognition of positive behaviors instead of adverse behaviors.</li> <li>4. Administrators and teachers at Journeys Academy will implement Restorative Practices, a philosophy of guiding principles (not a program or specific activity) that sees relationships as central to learning, growth and a healthy school climate for students and adults.</li> <li>5. Have scheduled career training opportunities for students to be trained and motivated to stay focused on their academic progression.</li> </ol>
<b>Person Responsible</b>	Kenny Bevan (kenny_bevan@scps.k12.fl.us)

**Additional Schoolwide Improvement Priorities (optional)**

**After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).**
