Demographics

Principal: Theron Clark

Start Date for this Principal: 8/18/2016

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 7-12
Primary Service Type (per MSID File)	Alternative Education
2018-19 Title I School	No
2018-19 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	0%
2018-19 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
School Grades History	2018-19: No Grade 2017-18: No Grade 2016-17: No Grade 2015-16: No Grade 2014-15: No Grade
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	CS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Foster relationships with community partners in order to provide wrap-around services to successfully meet the diverse needs of EAOP students.

Provide the school's vision statement.

We strive to find this common ground and assist with eradicating the school house to jail house pipeline, which is so prevalent in our communities through innovation, opportunity and access.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Iber, Alberto	Principal	Provides instructional leadership to faculty and staff to promote academic excellence, foster collaboration to support a positive school climate, and coordinate all school resources to ensure all stakeholders are equipped with the means to deliver quality educational programs to our students.
Shackelford, Latonya	Assistant Principal	Provides instructional leadership to faculty and staff to promote academic excellence, foster collaboration to support a positive school climate, and coordinate all school resources to ensure all stakeholders are equipped with the means to deliver quality educational programs to our students.
Nortelus, Joella	Instructional Coach	Provides assistance with the coordination and implementation of research-based instructional practices via the coaching model (planning, demonstrating, providing feedback) based on student need as determined by student assessment data.
Antonini, Enrique	Instructional Coach	Provides assistance with the coordination and implementation of research-based instructional practices via the coaching model (planning, demonstrating, providing feedback) based on student need as determined by student assessment data.
Alonso, Nadeshka	Administrative Support	Collects and analyzes school-wide assessment data to design and implement progress monitoring tools to inform instructional decisions and practices.
Perez de Ayllon, Nidia	Other	Provides specialized knowledge and skills related to student-centered learning processes, techniques of assessment of learning and social adjustment, research design, and modification of behaviors to improve social and academic outcomes for students.

Early Warning Systems**Current Year****The number of students by grade level that exhibit each early warning indicator listed:**

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

100 percent of the students were tested and all students scored level 1 in ELA.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Data is not available due to the state suppressing the data because the cohort was under 10.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Reading had the greatest gap.

Which data component showed the most improvement? What new actions did your school take in this area?

There is no comparative data from the previous year.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

There is no comparative data from the previous year.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Execute small group instruction
2. Model instruction
3. Utilize co-teaching model
4. Conduct Data chats with students and teachers
5. Assist teachers in planning and provide feedback

Part III: Planning for Improvement

Areas of Focus:

#1

Title Learning Gains**Rationale** In order to achieve an overall Commendable rating in both Reading and Mathematics, percentage of students making learning gains need to be increased.**State the measurable outcome the school plans to achieve**

Utilize instructional coaches to share best practices strategies with Reading and Mathematics teachers to implement with students to increase student achievement.

Person responsible for monitoring outcome

Latonya Shackelford (lshackelford@dadeschools.net)

Evidence-based Strategy

To provide support to teachers infusing standards-based instruction and resources by instructional coaches. Best practices will be implemented and monitored with fidelity in order to increase student achievement.

Rationale for Evidence-based Strategy

According to McMillan (2012), standards-based instruction allows teachers to execute lessons based on the standards/learning targets and ensures that all student products and teaching techniques are aligned to the intended standards. Teachers deliver planned lessons to guide students through the demands of the standards/learning target. Students will show evidence of mastering the lesson objective through their work samples/tasks which in turn will increase proficiency.

Action Step**Description**

1. Execute small group instruction
2. Model instruction
3. Utilize co-teaching model
4. Conduct Data chats with students and teachers
5. Assist teachers in planning and provide feedback

Person Responsible

Latonya Shackelford (lshackelford@dadeschools.net)

Additional Schoolwide Improvement Priorities (optional)**After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).**

Improve percentage of students' daily attendance rate to 75%. School-wide incentive plan will be implemented funded by EESAC. Implement quarterly award assemblies highlighting academic, I-Ready achievements as well as attendance goals.

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

Facilitate EESAC meetings

Communicate with parents in collaboration with the DJJ Program

Provide student with progress reports to share with families

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Here's Help has a dedicated counselor who meets the needs of every student, often providing face to face contact on a weekly basis. Students are mentored daily by teachers on a one to one basis for academic needs. Classroom teachers also infuse activities and lessons from the M-DCPS Values Matter Initiative to address students' social-emotional needs.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Miami-Dade County Public Schools partnered with the Juvenile Justice System as well as with several community partners to provide transitional services assisting adjudicated students in their transition back to appropriate educational settings. At one centralized location, students that have been released from adjudication by the Justice System are referred to the One Stop Center to receive an educational assessment by one of our transition specialists. Students will also have access to community service agencies for additional support. The following services are provided:

- Comprehensive multi-disciplinary educational assessment and advisement;
- Referral to appropriate Miami-Dade County Public Schools support services;
- Transition advisement and placement in a K-12 or high school completion program;
- Educational case management and academic progress monitoring;
- Specialized services that utilize family and community interventions;
- Alternative to suspension services

Additionally, counselor assist students as they transition from middle school to high school or adult/ vocational technical colleges.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

To meet the needs of all students and maximize desired outcomes, members of the leadership team consistently review and discuss academic and behavioral data in order to determine effective strategies that are closely monitored for fidelity of implementation as well as provide in-class support to teachers with instructional practices appropriate to the setting.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Guidance counselors meet with students individually to review their academic progress and discuss career goals and aspirations. One Stop Centers also educates students and their parents about post-secondary opportunities.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Learning Gains	\$0.00
Total:			\$0.00
