Demographics

Principal: Chris Coan

Start Date for this Principal: 6/1/2017

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2018-19 Title I School	Yes
2018-19 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2018-19 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Black/African American Students* Hispanic Students Multiracial Students* White Students Economically Disadvantaged Students*
School Grades History	2018-19: C (47%) 2017-18: B (54%) 2016-17: C (49%) 2015-16: C (47%) 2014-15: D (35%)
2019-20 School Improvement (SI) Information*	
SI Region	Northwest
Regional Executive Director	Rachel Heide
Turnaround Option/Cycle	N/A
Year	N/A
Support Tier	N/A

ESSA Status	TS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Bay County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Parker Elementary School (PES) seeks to create a challenging learning environment that encourages high expectations for success of all students through developmentally appropriate instruction that acknowledges individual differences and learning styles.

Provide the school's vision statement.

The vision of all Parker Elementary School stakeholders is to meet the needs of all students by granting them diverse educational opportunities by means of:

- Instruction designed to prepare students for mastery of Florida State Standards.
- Learning that develops skills for students to improve in language arts, mathematics, and school safety.
- Opportunities to exhibit responsibilities and promote self-esteem.
- Teamwork to become productive citizens.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Coan, Christopher	Principal	Principal of School
Barron, Christen	Assistant Principal	Assistant Principal of School, MTSS, Discipline
Hurst, Elizabeth	Instructional Coach	MTSS Behavior and Academic Coach
Turner, Ruth	Teacher, K-12	KDG Team Lead
McGee, Marian	Teacher, K-12	1st Grade Team Lead
Hitzeman, Isabelle	School Counselor	Guidance PreK-2. MTSS Academic
Sapp, Minnie	Teacher, K-12	Special Area Team Lead
Wolff, Bethany	School Counselor	Guidance 3rd - 5th Grade, MTSS Academic
Marcino, Patricia	Teacher, K-12	5th Grade Team Lead
Henson, Teresa	Teacher, ESE	ESE Team Lead
Been, Cindy	Teacher, K-12	3rd Grade Team Lead
Segrest-Adams, Katrina	Teacher, K-12	2nd Grade Team Lead
Holmes, Shante	Teacher, K-12	4th Grade Team Lead

Early Warning Systems

Current Year

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	97	83	90	99	107	112	0	0	0	0	0	0	0	588
Attendance below 90 percent	19	30	30	25	38	45	0	0	0	0	0	0	0	187
One or more suspensions	0	7	4	10	14	17	0	0	0	0	0	0	0	52
Course failure in ELA or Math	0	3	3	10	5	14	0	0	0	0	0	0	0	35
Level 1 on statewide assessment	0	0	0	9	37	58	0	0	0	0	0	0	0	104

The number of students with two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	3	3	9	28	43	0	0	0	0	0	0	0	86

The number of students identified as retainees:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	3	4	2	10	1	0	0	0	0	0	0	0	0	20

Economically Disadvantaged Students Subgroup Below 41% in the Current Year?	NO
Number of Consecutive Years Economically Disadvantaged Students Subgroup Below 32%	

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

4th Grade Reading and 5th Grade Math showed the lowest performance. As for 5th grade Math, it was the teacher's first year teaching at that grade level and that content. 4th grade Reading is lower than previous year, but comparable to cohort data.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

5th Grade Math showed the greatest decline from the prior year. Teacher was new to grade level, learning the content, and had the task of a large concentration of ESE and Tier II and III students.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The percent proficient compared to the state average is the greatest gap. While the learning gains are appropriate, the number of students obtaining a proficient score in ELA and Math is behind the state average. This is based on the number of students that are currently receiving MTSS interventions or have an IEP.

Which data component showed the most improvement? What new actions did your school take in this area?

5th Grade Lowest ELA Quartile showed the most improvement. This teacher is an amazing teacher and has taught multiple years at this grade level.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

The number of students obtaining a level 1 on state assessments, and we need to improve our students ability to be successful on the FSA.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Improve ELA proficiency
2. Improve Math proficiency
3. Maintain Learning Gains in ELA
4. Improve attendance (number of students missing 90% or more) (Hurricane Michael factored into this.)
5. Implementation of new EL curriculum

Part III: Planning for Improvement

Areas of Focus:

#1

Title	Reading
Rationale	Improving the ELA curriculum delivery to students using the new EL curriculum - Currently ELA proficiency scores are 12% behind the district and 14% behind the state average for proficiency.
State the measurable outcome the school plans to achieve	Improve the overall ELA % proficient from 43% in 2018-2019 to 50% in 2019-2020.
Person responsible for monitoring outcome	Christopher Coan (coancm@bay.k12.fl.us)
Evidence-based Strategy	EL Curriculum Implementation and fidelity
Rationale for Evidence-based Strategy	This is a brand new curriculum that will be implemented for strengthening and embedding grade level appropriate text. In addition, we plan to increase small group, focused instruction.
Action Step	
Description	<ol style="list-style-type: none"> 1. Lesson Plans: Teachers will upload to Planbook and administration will be able to check for lesson planning and preparation. 2. PLC Notes: Teachers will submit to Leadership Team. These will include all information discussed and Tier II interventions and student that are receiving these services. 3. Common Assessments: Teachers will give and analyze data from these common assessments during their PLC meetings. 4. Classroom Walk-Thrus: Administration, coaches, and district support will frequently conduct classroom visits. 5. Master Schedule: Master schedule is aligned so that we can maximize of all personnel at the benefit of our students' instructional time.
Person Responsible	Christopher Coan (coancm@bay.k12.fl.us)

#2	
Title	Mathematics
Rationale	Improving the math curriculum delivery to students - Currently math proficiency scores are 20% behind the district and 27% behind the state average for proficiency.
State the measurable outcome the school plans to achieve	Improve the overall Math % proficient from 36% in 2018-2019 to 43% in 2019-2020.
Person responsible for monitoring outcome	Christopher Coan (coancm@bay.k12.fl.us)
Evidence-based Strategy	Eureka Curriculum Implementation and fidelity
Rationale for Evidence-based Strategy	We will reassign staff members to new areas of academic concentration. In addition, we plan to increase small group, focused instruction.
Action Step	
Description	<ol style="list-style-type: none"> 1. Lesson Plans: Teachers will upload to Planbook and administration will be able to check for lesson planning and preparation. 2. PLC Notes: Teachers will submit to Leadership Team. These will include all information discussed and Tier II interventions and student that are receiving these services. 3. Common Assessments: Teachers will give and analyze data from these common assessments during their PLC meetings. 4. Classroom Walk-Thrus: Administration, coaches, and district support will frequently conduct classroom visits. 5. Master Schedule: Master schedule is aligned so that we can maximize of all personnel at the benefit of our students' instructional time.
Person Responsible	Christopher Coan (coancm@bay.k12.fl.us)

#3	
Title	Behavior and Attendance
Rationale	Our goal is for a decrease in discipline referrals and an increase in our students' daily percentage attendance rate.
State the measurable outcome the school plans to achieve	Decrease the overall amount discipline referrals from in 281 in 2018-2019 to 250 in 2019-2020. Increase the daily percentage attendance rate from 89% to 92% for the school year of 2019-2020
Person responsible for monitoring outcome	Christopher Coan (coancm@bay.k12.fl.us)
Evidence-based Strategy	Behavior and Attendance Data and implementation of "Strong Kids"
Rationale for Evidence-based Strategy	With the decrease of students missing academic instruction time from discipline referrals, we will be able to increase quality instructional time.
Action Step	
Description	<p>BEHAVIOR:</p> <ol style="list-style-type: none"> 1. FOCUS Date: Behavior data will be analyzed to determine which students are of concern. 2. PROMISE Room Utilization/Data: Utilization of the PROMISE Room will be tracked for all students. 3. Behavior Tracking Form: All discipline will be tracked and analyzed for any discipline incidents and referrals will be written as needed. 4. Tiers II and III Data: Behavior will be documented for all students receiving Tier II and III behavior interventions. <p>ATTENDANCE:</p> <ol style="list-style-type: none"> 1. FOCUS Date: Attendance data will be analyzed to determine which students are of concern. 2. Attendance Tracking: Daily tracking occurs, home calls/visits are completed as needed, CST or Truancy Court referral as needed, weekly rewards given to our "Attendance Group" as earned
Person Responsible	Christopher Coan (coancm@bay.k12.fl.us)

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

The Master Schedule will be developed with our Support Staff members in mind to maximize small group instruction. Additionally, daily classroom walk-thrus will be conducted by administration ensuring that the program is being implemented with fidelity. Lesson plans are collected thru Planbook, and reviewed by administration. PLC meetings facilitated by the leadership team will be conducted weekly and notes will be submitted to administration.

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

The school will conduct two separate Title I Annual meetings at different times to accommodate the needs of the parents. One of the meetings will be in the evening in conjunction with our Fall Open House. Additional meetings and times will be added in alignment with other parental involvement activities scheduled in the first month of the school year. The parents will be notified via flyers sent home with each child, school newsletters sent out by administration, school wide Class Dojo alerts, and class newsletters. Information will be placed on social media, as well as the marquee in the front of the school.

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

At Parker Elementary School, all students in the pre-kindergarten program are assessed prior to exiting in order to check for mastery of the Florida Early Learning and Developmental Standards for Four Year Olds. Each child is given the Florida Voluntary Pre-Kindergarten (VPK) assessment three times during the school year. These tests correlate with the Florida VPK standards and show any developmental growth throughout the school year. All pre-kindergarten students are taught and evaluated on the following areas:

- *Physical Health
- *Approaches to Learning
- *Social and Emotional
- *Language and Communication
- *Emergent Literacy
- *Mathematical and Scientific Learning
- *Social Studies
- *Motor Development

All evaluations are documented and kept in a student's cumulative file.

As for Exceptional Student Education (ESE) Pre-Kindergarten students, they are assessed twice yearly using the Brigance Inventory of Early Development. This test is designed to evaluate students in the areas of literacy and math skills.

All incoming kindergarten students are assessed in order to determine individual and group needs. The Florida Kindergarten Readiness Screener (FLKRS) is given within the first thirty days of school to assess the readiness of each incoming kindergarten student as well as the Number Sense Screener.

All 5th grade students attend a transition day at Everitt Middle School in the spring. Everitt also attends many PES functions and provides information to parents concerning academics and clubs.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

The School/MTSS Leadership Team reviewed all school data in the summer of 2019; emphasizing the use of data-driven dialogue. Areas of special interest were academics, attendance, and behavior data. To address academic needs, the school is implementing the new EL program for Reading and will continue to implement Eureka for Math. Teachers will follow pacing guides developed by the district in all subject areas. To address behavior and attendance needs, teachers will implement the "Strong Kids" social skills curriculum. Weekly/Monthly attendance incentives will also be used.

Title I dollars have been allocated to retain a Behavior Intervention Specialist for the 2019-2020 school year. This interventionist is instrumental in assisting teachers with classroom management and student behavior interventions. Other duties include scheduling and providing interventions for MTSS Tier 3 academic and behavior students.

Title I monies have been used to purchase additional paraprofessionals for every classroom to facilitate small groups for all students.

Parker Elementary School Leadership Team meets monthly to review school-wide data to identify students in need of core, supplemental, and intervention instruction. MAP data and common summative assessments in reading and math will be used to determine the effectiveness of the school plan compared to other schools.

All faculty and staff will participate in an interactive book study, "Working with Parents: Building Relationships for Student Success" to be discussed during an on-line discussion forum.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Parents will complete evaluation forms at parenting events and review and discuss parent/teacher compacts at IEP meetings, parent-teacher conferences, and CST meetings. Parent input will be gathered at SAC and PTO (conducted monthly) meetings also. In addition, administrators, guidance counselors, the behavior interventionist, and the parent liaison are all connected to each teachers class DOJO account, where parents have the ability to communicate with school stakeholders.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

N/A - Elementary School

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Reading	\$0.00
2	III.A.	Areas of Focus: Mathematics	\$0.00
3	III.A.	Areas of Focus: Behavior and Attendance	\$0.00
Total:			\$0.00
