Regional Executive Director	Rachel Heide
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	CS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. F	or more information, <u>click here</u> .

## **School Board Approval**

This plan is pending approval by the Escambia County School Board.

# **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridacims.org">www.floridacims.org</a>.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## **School Board Approval**

This plan is pending approval by the Escambia County School Board.

# **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridaCIMS.org">https://www.floridaCIMS.org</a>.

# **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

# **Part I: School Information**

#### **School Mission and Vision**

#### Provide the school's mission statement.

The mission of the Jacqueline Harris Preparatory Academy staff and administration is to develop a partnership between the school, the families we serve, and the community in helping each student reach his or her maximum potential: socially, emotionally, and academically. Parents will be consulted for assistance in planning all programs and Title I activities.

#### Provide the school's vision statement.

The vision of the Jacqueline Harris Preparatory Academy staff and administration is to create a diverse school that works with families and the community to successfully educate all of its students at high levels. Along with support and cooperation of the home and community, we will develop the academic, social, emotional and physical capabilities of each student where they will "Enter to Learn and Depart to Serve."

# School Leadership Team

# Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
Lewis, Celestine	Principal	The duties of the Principal and Assistant Principal is to foster a positive school culture for students, parents/families and staff; ensures that the staff have the necessary tools and resources to assist students in reaching the school's academic goals; enforce safety; maintain discipline; assess teaching methods, monitor student achievement, encourage parental involvement, establish and or revise policies and procedures, administer and oversee the budget and make executive decisions on how to allocate funds; coordinate and develop standardized curricula and implement standards set by the school district, state, and/or federal regulations. hire and evaluate staff and oversee school facilities.
Dixon, Patricia	Assistant Principal	The duties of the Principal and Assistant Principal is to foster a positive school culture for students, parents/families and staff; ensures that the staff have the necessary tools and resources to assist students in reaching the school's academic goals; enforce safety; maintain discipline; analyze school budget and make executive decisions on how to allocate funds; coordinate curriculum; implement curriculum standards set by the school district, state, and/or federal regulations.
Allen, Joanne	Teacher, K-12	Perform duties within grade level according to Florida State Standards to ensure that each student receive instructions on how to be proficient in all content areas and monitor the progress along the way through testing. When necessary, teachers will refer students for other needed resources. Additionally, teachers will provide students with a safe and productive environment to learn; participate in staff development; manage the classroom, meet with parents, and work closely with school staff.
Curry, Mamie	Teacher, K-12	Perform duties within grade level according to Florida State Standards to ensure that each student receive instructions on how to be proficient in all content areas and monitor the progress along the way through testing. When necessary, teachers will refer students for other needed resources. Additionally, teachers will provide students with a safe and productive environment to learn; participate in staff development; manage the classroom, meet with parents, and work closely with school staff.
Hendrieth, Cormilla	Teacher, K-12	Perform duties within grade level according to Florida State Standards to ensure that each student receive instructions on how to be proficient in all content areas and monitor the progress along the way through testing. When necessary, teachers will refer students for other needed resources. Additionally, teachers will provide students with a safe and productive environment to learn; participate in staff development; manage the classroom, meet with parents, and work closely with school staff.

# **Early Warning Systems**

# **Current Year**

The number of students by grade level that exhibit each early warning indicator listed:

## **Analysis**

#### **Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Students with Disabilities and Science Proficiency. (Attendance below 90%) (Suspensions)

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

4th Grade ELA Learning Gains Declined.
3rd Grade Math Learning Gains Declined.
(Students not prepared from previous grade levels.)
(Attendance below 90%)
(Initiated a more rigorous Math Curriculum)

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

#### Science

3rd Grade Math Learning Gains. (Students not prepared from previous grade levels.) (Attendance below 90%) (Initiated a more rigorous Math Curriculum)

# Which data component showed the most improvement? What new actions did your school take in this area?

Math Learning gains increase from 33 to 50. 5th Grade Math Gains 24 Points 4th Grade Math Gains 8 Points (Added SYLVAN Learning as Tutors) (Added iReady Math) (Added a Reading Coach) (Added Tutors for Small Group Tutoring)

# Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Attendance being below 90% Number of Level 1 Students Number or Retained 3rd Graders

# Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- Learning Gains for Students with Disabilities.
- 2. Math and ELA Learning Gains for African American and Economically Disadvantage Students
- 3. Science Proficiency

# Part III: Planning for Improvement

# Areas of Focus:

#1	
Title	Increase learning gains with students with disabilities
Rationale	Our school has a high index of students with disabilities.
State the measurable outcome the school plans to achieve	Increase our Learning Gains in ELA by 5% for Students with Disabilities.
Person responsible for monitoring outcome	Celestine Lewis (clewis@jhpacademy.org)
Evidence-based Strategy	Meet regularly with teachers providing small group instruction for more detailed instructions and corrective feedback.  Provide intensive reading interventions.  Provide professional development on accommodations for general education and Special Education Teacher.
Rationale for Evidence-based Strategy	Overall JHPA was at 38% Learning Gains in ELA compared to District at 51%.
Action Step	
Description	<ol> <li>ESE Teacher will collaborate with the Gen Ed Teacher.</li> <li>Professional Development Training provided by FDLRS.</li> <li>Data Chats bi-monthly around Science &amp; ELA Assessments</li> </ol>
Person Responsible	Patricia Dixon (pdixon1@jhpacademy.org)

#2	
Title	Increase ELA gains and Science proficiency for African American and Economically Disadvantaged students
Rationale	The Science proficiency was 15% for the 2018-2019 school year. JHPA was at 38% Learning Gains in ELA compared to District at 51%.
State the measurable outcome the school plans to achieve	Science Proficiency will increase by at least 5%. Increase our Learning Gains in ELA by 5%
Person responsible for monitoring outcome	Celestine Lewis (clewis@jhpacademy.org)
Evidence-based Strategy	School-wide implementation of Science Grade Level Standard Based Frameworks and ELA Frameworks. Review Assessment Data (Star 360, iReady, 3rd Grade Portfolio, SRA Assessments, Wonders Unit Assessments) JHPA is recommending teachers to obtain Reading Endorsement.
Rationale for Evidence-based Strategy	The Science proficiency was 15% for the 2018-2019 school year. JHPA was at 38% Learning Gains in ELA compared to District at 51%.
Action Step	
Description	<ol> <li>Data Chats bi-monthly around Science &amp; ELA Assessments</li> <li>Identifying and tracking students who scored a high level 2 in 4th grade ELA to see if progress is being made.</li> <li>Meeting with Science Specialist for Professional Development for Teachers for ELA and Science Integration.</li> </ol>
Person Responsible	Patricia Dixon (pdixon1@jhpacademy.org)

# Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

The school has added iReady for Math and ELA.

Individual Students will establish SMART Goals for ownership of their learning.

Students in grades 1st thru 5th will participate in Accelerated Reading Program.

The school has added Generation Genius schoolwide to address K-5 Science Standards.

# Part IV: Title I Requirements

# **Additional Title I Requirements**

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

JHPA collaborates with parents, staff and community to create and outline goals, strategies and activities in communicating the needs of our families with a focus on building their capacity. In receiving TITLE I, Part A funds we collaborate together in developing a written Parent and Family Engagement Plan (PFEP) that establishes our expectations for parent and family engagement. This plan describes how we will carry out the programs, activities, and procedures as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b).

## **PFEP Link**

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

JHPA partnered with Lutheran Services the past two years to provide free counseling services during the school day to students identified by teachers/staff. After parent consent is obtained, students with social-emotional needs met with counselors twice a week. If other services were needed, students were referred to other outside agencies such as Lakeview Mental Health Services.

JHPA has several male staff members who also serve as mentors to our male students who lack male figures in their homes.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Escambia County School District offers pre-k classes on 14 school campuses for students living in a Title I attendance zone. The pre-k program is a full day program established in collaboration with VPK and Head Start. Transition activities are provided to participating families to assist with school readiness for students who will attend kindergarten at our school. JHPA also has a Pre-K and Voluntary Pre-K program housed on site to assist with school readiness for students who will enter our school at the kindergarten level. In addition, JHPA offers a month long Enrichment Camp during the summer for incoming Pre-K thru 2nd grade students.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

To meet the needs of students and maximize desired student outcomes, the school leadership team meets regularly to review data, create/implement strategies and interventions.

Leadership Team includes Administration, Teachers, School Psychologist, ESE Specialist, Speech Therapist, and others as needed.

## Title I, Part A

Academic support is provided to ensure students requiring additional remediation are assisted through

#### Title I, Part C Migrant

All migrant students will be provided support services by the district Title I office. Our local student information system (FOCUS) is used to track student data and is used to indicate the specific Title I services each migrant student will be provided (attendance, guidance, psychology services, dental and health services, nutrition assistance, outreach, advocacy, social services, transportation, and/or needs assessment services). The district Migrant Coordinator will monitor services and student needs.

#### Title I, Part D

Services to neglected and delinquent students are provided by various district-operated programs as needed. These services are overseen by the Alternative Education Department and focus on offering programs to students who are most at-risk of leaving school prior to graduation.

#### Title II

Professional learning opportunities are offered both at the school level and the district level. Please see each individual goal area for specific professional learning opportunities (in-service education).

#### Title III-ELL

Services for English Language Learners (ELL) are provided as required by law. Several ESOL centers are provided at various key locations in the district. Students who do not attend centrally located school-based sites attend their zoned school where ESOL endorsed teachers provide services.

#### Title IX- Homeless

The school works with the district's Homeless Coordinator to provide transportation and resources (clothing, school supplies, and social services referrals) for students identified as Homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. This program is overseen by the Title I office.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

The strategies that JHPA will use to advance college and career awareness for our students is to partner with community organizations and businesses to offer our students and families a workshop so that families can see that there are numerous opportunities available to them. Our school will collaborate with different industries to provide students real world opportunities such as sponsoring Career Day, service learning, and community service.
