Demographics

Principal: Alisha Mcknight

Start Date for this Principal: 8/7/2019

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2018-19 Title I School	Yes
2018-19 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2018-19 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Native American Students Black/African American Students* Hispanic Students* Economically Disadvantaged Students*
School Grades History	2018-19: C (44%) 2017-18: B (58%) 2016-17: D (38%) 2015-16: D (39%) 2014-15: F (30%)
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	N/A

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan is pending approval by the Palm Beach County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

It is our mission to provide opportunities for students to achieve their personal best, become responsible and productive citizens, and embrace lifelong learning in a safe and positive environment. We believe all children can learn and excel with developmentally appropriate materials, practices, and strategies. We believe all children deserve a quality education that not only meets but exceeds standards.

Provide the school's vision statement.

The vision of West Riviera Elementary is to create a nurturing, academically stimulating environment where both children and adults can reach their full potential.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

Name	Title	Job Duties and Responsibilities
McKnight, Alisha	Principal	<p>Principal School leader is responsible for providing a safe learning environment for all students. Responsibilities include but are not limited to monitoring student academic achievement and classroom instruction, ensuring staff development and coaching, manage school operations and creating a positive, productive environment.</p>
Nelson, Willie	Assistant Principal	<p>The assistant principal supports the principal as educational leader of the school in all aspects of administration, including promoting safety, providing equity and access to the curriculum, and expecting academic success for all students. In addition to the employee being responsible for each of the performance responsibilities listed herein, annual progress will be assessed with respect to support and achievement of the District Strategic Plan and associated applicable scorecards.</p>
Moore, Cheryl	Teacher, K-12	<ol style="list-style-type: none"> 1) Conducts demonstration lessons for ESOL and support teachers in comprehensible instruction for LEP students. 2) Monitors and conducts LEP student assessment and placement procedures. 3) Coordinates ESOL record-keeping requirements. 4) Assists school staff with ensuring ESOL program compliance. 5) Assists in working with LEP parents. 6) Assists school staff with FCAT reading, writing, and math programs for all LEP students. 7) Coordinates the school LEP Committee. 8) Assists area ESOL Resource Teachers in implementing school-based ESOL inservice. 9) Coordinates cultural harmony initiatives at the school. 10) Establishes school data collection, analysis, and reporting systems to assess student progress. 11) Coordinates and monitors schools' registration procedures to ensure that they are appropriate for LEP students. 12) Collaborates with community agencies and organizations in assisting families to access available resources. 13) Coordinates dissemination of translated documents to parents of LEP students. 14) Provides training in ESOL strategies to school Community Language Facilitators and ESOL Aides. 15) Meets on a monthly basis with ESOL Compliance Coordinators and ESOL Compliance Specialist to exchange information regarding ESOL issues. 16) Instructs identified LEP students or groups of LEP students in FCAT preparation to ensure increased student achievement.
Bryant, Shawann	Instructional Coach	<p>Single School Culture Coordinator - Math • Collaborate with school leadership team to create and manage an environment conducive to learning</p>

Name	Title	Job Duties and Responsibilities
		<ul style="list-style-type: none"> • Plan and lead staff learning experiences through professional development, PLCs, and grade level meetings • Observe in classrooms and provide feedback on classroom management and instructional practices • Analyze data individually and collaboratively with leadership team and grade level teams to enhance instruction to meet both student needs and school wide achievement goals • Track and report data to guide and support interventions • Model best practices and co-teach to build teacher capacity
Coner, Chivas	Instructional Coach	<p>Single School Culture Coordinator - Science</p> <ul style="list-style-type: none"> • Supports science instruction through professional development, instructional support and planning for West Riviera Elementary • Overseeing the implementation of services carried over from the remaining funds of the Schools of Hope Grant originally awarded to West Riviera Elementary School in Fiscal Year 2018 • Overseeing AVID and Ron Clark strategies for providing a healthy and equitable school culture and climate
Edwards, Charlene	Instructional Coach	<p>Single School Culture Coordinator - ELA</p> <p>The Single School Culture jobs and responsibilities provides coaching, support, and professional learning strategies to teachers to improve classroom instruction and facilitate growth as effective teachers. In addition, provides modeling and coaching support for small group instruction.</p> <p>Monitors and ensures effective instruction and equitable access to resources necessary for the success of all students.</p> <p>Uses existing data appropriately to diagnose and assess student needs; guides teachers in tailoring instruction to meet individual needs.</p>

Early Warning Systems

Current Year

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level												Total

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The data component indicating the lowest performance was Math L25 Learning Gains which decreased from 78% to 35%. Contributing factors were the decline in 4th grade which decreased by 37% and 5th grade which decreased by 56%.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data component indicating the greatest decline from the prior year was also Math L25 Learning Gains which declined overall by 43%. Although the Lowest 25% were identified for tutorial, the resources utilized during the tutorial were not as rigorous and did not address the specific areas of deficit.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The greatest gap when compared to the state average is 4th grade ELA which was 27%. The factors that contributed to this gap were 4th grade teacher vacancies which were not completely filled until February of 2019 and the lack of supplemental support for the Lowest 25% students for after school tutorial.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component that showed the most improvement was Science proficiency which increased from 31% to 36%. The actions the school took in this area was the use of historical ELA data to tier students to provide supplemental support in reading and test taking strategies, created an intense phase plan to teach students all tested 3-5 science standards, implemented a plan for remediation based on assessment data, provided additional support to targeted students through after school and Saturday science tutorial, build teacher capacity through professional development and created STEM team to increase student engagement.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

The two areas of concerns are Absenteeism and Course Failure for ELA and Math.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Attendance
2. Targeted Tutorial
3. Increase Math LG
4. Increase ELA LG
5. Increase Science Proficiency

Part III: Planning for Improvement

Areas of Focus:

#1	
Title	<p>Improve student achievement to ensure progress towards meeting the expectations for Strategic Plan Long Term Outcome (LTO) #1 (Increase reading on grade level by 3rd grade) and LTO #2 (Ensure High School Readiness)</p> <p>The District's Strategic Plan identifies the Long Term Outcomes (LTOs), Objectives, and Initiatives to support the goals of the 2016-21 Strategic 5-Year Plan. LTO #1, Increase reading on grade level by 3rd grade and LTO #2 (Ensure High School Readiness) focuses on effective and relevant instruction to meet the needs of all students.</p>
Rationale	<p>In the last three years, West Riviera Elementary School's grade has fluctuated from a D in 2017, a B in 2018 and a C in 2019. The gap between West Riviera's 2019 ELA Achievement (39) and the District average (58) is 19 percentage points. The gap between its Mathematics Achievement (59) and the District average (68) is 7 percentage points. Science Achievement improved 5 points in 2019, lessening the gap with the District by 15 percentage points. ESSA data shows that all ESSA Subgroups are performing at the Federal Index. This growth must continue and be sustained.</p>
State the measurable outcome the school plans to achieve	<ul style="list-style-type: none"> - Increase ELA Level 3+: From 39% to 49%, an increase of 10% - Increase ELA Learning Gains: From 46% to 56%, an increase of 10% - Increase ELA Low 25: From 49% to 59%, an increase of 10% - Increase Math Level 3+: From 59% to 69%, an increase of 10% - Increase Math Learning Gains: From 44% to 54%, an increase of 10% - Increase Math Low 25: From 35% to 45%, an increase of 10% - Increase Science Level 3+: From 36% to 50%, an increase of 14% - Improve overall school attendance by 5%. - Increase Total points earned: From 308 to 382 points - Increase Percent of points earned: From 44 % to 55%, an increase of 11% - Increase School Grade: From a C to an B
Person responsible for monitoring outcome	<p>Alisha McKnight (alisha.mcknight@palmbeachschools.org)</p>
Evidence-based Strategy	<p>(1) Professional Learning Communities - Teachers will engage in Professional Learning Communities incorporating focused PD, collaborative planning and data analysis to strengthen standards-based instruction.</p> <p>(2) Professional Development – Professional development and coaching from content specialists and Single School Culture Coordinators who are experts in their field provide job-embedded support for teachers aligned to the content and complexity of the Florida Standards ensuring that instruction is strategic and standards-based.</p> <p>(3) Personalized Instruction - Research-based, adaptive instruction using a digital learning</p>

platform (iReady Reading and Pearson SuccessMaker for Math) will establish personalized learning opportunities for all students and inform small group instruction and intervention.

(4) Student Attendance - Students with poor attendance will be placed on School Based Team, and parents will be engaged as partners in understanding the importance of school attendance to their children’s academic achievement and life success.

(1) Professional Learning Communities - Developing teachers’ instructional expertise through collective, collaborative actions has been shown to influence student outcomes and improve student achievement. Improving teachers’ skills in facilitating highly effective instruction through deep, focused professional development, collaborative planning, and data analysis will help accelerate student learning to meet grade level proficiency.

Rationale for Evidence-based Strategy

(2) Professional Development – Professional development to improve standards-based instruction and exposing students to grade level text is critical for improving student outcomes and accelerating learning to meet grade level proficiency.

(3) Personalized Instruction - The use of adaptive instruction will help inform teachers’ small group instruction ensuring students receive the differentiated supports needed to close the achievement gap.

(4) Students are more likely to succeed in academics when they attend school consistently and our teachers can build students’ academic skills in partnership with parents and family.

Action Step

- (1) Professional Learning Communities
 - a. Develop schedule for teacher collaboration with data driven agenda based on needs of students and teachers.
 - b. Use TSSSA Curriculum Specialists from Teaching and Learning for coaching, modeling, and planning support. APs, Coaches, and SSCC will attend and monitor all Collaborative Communities.
 - c. Teachers will plan specific small group activities for SWDs along with adaptive technologies in ELA and Math (iReady). Coaches will monitor student performance data in collaboration with the classroom teacher. The team will agree to academic interventions and student participation based on the individual needs analysis.
 - d. Common planning agendas will be provided to the Principal and Assistant Principal, weekly in

Description

advance of planning and either the Principal or Assistant Principal will be in attendance to ensure PLC and student data are put into action for planning, sequencing, and intervention purposes.
e. School Leadership will monitor implementation of strategies via lesson plan checks and classroom walkthroughs.

(2) Professional Development –

- a. Teachers will engage in deep, focused professional development, both grade and academic content specific, to strengthen standards-based instruction to accelerate student learning in ELA, Mathematics, and Science, and within the ESSA subgroups.
- b. School-based Coaches and Content and PLC/Data Specialists from the District will support teachers in problem-solving and planning data-driven instruction. Content Specialists will enhance teachers’ competencies in using instructional tools, programs, and materials effectively, in ways that improve student achievement.
- c. Teachers will attend Butler Consulting Science Clinics to enhance science instruction skills and address gaps in science achievement from grades 3-5.
- d. School Leadership, coaches and District staff will attend and monitor all professional development.

(3) Personalized Instruction –

- a. The school will gather baseline data by implementing the iReady Reading and Math Diagnostic during the month of September.
- b. Grade level teams of teachers, guided by the Assistant Principal, Single School Culture Coordinator and Content and PLC/Data Specialists from the District will analyze the data to determine targeted instructional needs and determine groups for differentiated instruction and monitoring.
- c. The Single School Culture Coordinator will track iReady student usage and provide results to the Principal and Assistant Principal.
- d. School Leadership will monitor lesson plans, data analysis and conduct walkthroughs during the instructional block.
- e. School will received a consultant contract with Butler Consulting for 2 Science Content Clinics and Science Supplies, 3 Non-Certified Long Term Out of System Tutors (\$15/hr x 6 hrs/day x 170 days) and Technology with Trailblazers - Participation of 3 additional teachers including Carts and Chromebooks.

(4) Student attendance:

- a. Monitor the weekly attendance reports from SIS

- b. Identify and track students with unexcused absences greater than 3.
- c. Identified students will be referred to Mental Health and School Counselor with attendance concerns.
- d. Offer an attendance incentive for students with perfect attendance.
- e. As a first level of intervention, students with unexcused absences more than 3 will receive a phone calls home and letters.
- f. As a second level of intervention, students with absences more than 4 will receive a home visit. The school will enlist the assistance of the Department of Safe Schools.

The History of Black and African Americans

The Contributions of Latino and Hispanics

The Contributions of Women

The Sacrifices of Veterans and Medal of Honor recipients within US History.

West Riviera Elementary promotes a Single School Culture by reciting the West Riviera Elementary Creed daily during the morning announcements, implementation of AVID strategies in grades 3-5 and creating a positive school culture by implementing components of the Ron Clark Academy such as non-verbal cues within the classrooms (American Sign Language), a house system and point system.

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, Â§ 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

Parents will receive call outs and flyers for upcoming events such as SAC and Title I Parent meetings and training in their native language. Parents will be asked for their input and appropriate changes made to ensure that they feel welcome and valued. Parent training will occur in order to assist them in helping their students at home. The school's goal is to increase parent attendance and input.

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

West Riviera Elementary School will collaborate with programs /agencies to assist with student needs such as Pre-K, SAI, Migrant, Homeless, Department of Children and Families, etc.. We will utilize services and agencies to promote business and community involvement, and coordinate services through grant monies such as The Lost Tree Grant , Team Work USA Student Leadership Academy. \ West Riviera Elementary promotes a Single School Culture by reciting the West Riviera Elementary Creed daily during the morning announcements, implementation of AVID strategies in grades 3-5 and creating a positive school culture by implementing components of the Ron Clark Academy such as non-verbal cues within the classrooms (American Sign Language), a house system and point system.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

As an early intervention to increase reading on grade level by third grade and to increase student readiness to enter kindergarten, West Riviera Elementary offers a school year Voluntary Prekindergarten (VPK) program that is supplemented with enrichment hours. This VPK program is supported by the Department of Early Childhood Education and follows all statutes, rules and contractual mandates in the Florida VPK Statewide Provider Agreement, including the use of a developmentally appropriate curriculum that enhances the age-appropriate progress of children in attaining each of the performance standards adopted by the Florida DOE. Participating children are expected to transition to kindergarten ready to learn and be successful in school and later life.

The strategies for assisting preschool children in transition from early childhood programs to local elementary school programs include the administration of the statewide kindergarten screening tool to determine readiness. A pre-kindergarten transition meeting is held in May inviting all of the child day care centers and Voluntary Pre-Kindergarten sites in the area to visit West Riviera Elementary. A Kindergarten Round-Up program in May is held to prepare students and their parents for Kindergarten. Information regarding kindergarten readiness skills, grade level expectations, and procedures are explained. In addition, tours are provided for students and their families to visit classrooms during times of instruction. West Riviera Elementary encourages early Kindergarten registration at the Kindergarten Round-Up program and explains the necessary documents for registration. The Kindergarten parents and students are invited to Curriculum Night and Meet the Teacher, which are both held in August prior to the start of the school year.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

At West Riviera the data based problem solving process includes Tier 1, 2 and 3 of the Rtl Process. The data collected at each tier is used to measure the efficacy of the supports so that meaningful decisions can be made about which instruction and interventions should be maintained and layered and by whom. Our resources are allocated in direct proportion to our students' needs. To ensure efficient use of resources, we identify trends and patterns using school-wide and grade level data.

Title I funds pay for after-school tutorial, classroom supplies, 2 Academic Success Tutors to provide intensive small group reading instruction through LLI, 2 coaching positions and professional development for teacher collaboration. West Riviera also utilizes these funds to support instruction for students with school supplies and academic resources. Examples are: materials for learning and obtaining levels of proficiency and a Supplemental Academic Instruction Teacher that reaches the lowest

25% of all students in 2nd and 3rd grade according to the SAI Plan. School counselors provide support to students and families to remove barriers that negatively impact student success. The needs of migrant students and those eligible for support through the McKinney-Vento program are provided district level support through Migrant and McKinney-Vento programs and are afforded the same opportunities and supplemental services offered to all students.

K-3 teachers receive support from Literacy Specialists through the Lost Tree Grant Foundation.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

West Riviera Elementary School has implemented AVID for grades three through five. AVID (Advancement Via Individual Determination) is a college readiness program designed to help students develop the skills they need to be successful in college. The program places special emphasis on growing writing, critical thinking, teamwork, organization and reading skills.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Improve student achievement to ensure progress towards meeting the expectations for Strategic Plan Long Term Outcome (LTO) #1 (Increase reading on grade level by 3rd grade) and LTO #2 (Ensure High School Readiness)	\$0.00
Total:			\$4,777.00
