## School Board Approval

This plan was approved by the Suwannee County School Board on 9/22/2020.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Analysis

**Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

The 18-19 data shows that ELA Achievement is where we have the lowest performance. Our lowest strand for ELA continues to be Integration of Knowledge and Ideas, however, this area was up from 17-18 school year. This is not longitudinal data. It is based on a different group of students each year..

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

The data shows that ELA Achievement had the greatest decline, as well as our ELL students in ELA dropped in proficiency from 2018 to 2019. Again, this not longitudinal data, it is based on a different group of students each year.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

The data component with the greatest gap when compared to the state average is math proficiency. There is a 3% difference between the school and state.

**Which data component showed the most improvement? What new actions did your school take in this area?**

Our learning gains in math during 18-19 showed the most improvement. Our learning gains were 83% in 2018 and 93% in 2019. This is not longitudinal data. It is based on a different group of students each year.

**Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?**

The number of 5th grade students that scored a level 1 on ELA and /or math.

**Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.**

1. Increase academic achievement with a focus on students of diverse backgrounds and abilities (ELL and SWD).
2. Increase academic achievement through the increased use of innovative, high-yield strategies.
3. Decrease discipline incidents to promote a positive school environment.
4. Increase student, parent and teacher use of technology as an instructional and communication tool.

## Part III: Planning for Improvement

### Areas of Focus:

**#1. ESSA Subgroup specifically relating to English Language Learners**

**Area of Focus**  
**Description and Rationale:** Increase academic achievement with a focus on students of diverse backgrounds and abilities. Based on data from our school report card, one of the the two underperforming subgroups is our English Language Learners (ELL).

**Measurable Outcome:** Increase proficiency of ELL students to at least 41%.

**Person responsible for monitoring outcome:** Amy Boggus (amy.boggus@suwannee.k12.fl.us)

**Evidence-based Strategy:** We will utilize our Academic Coach/Support Facilitator and an ELL para for additional support for students that are striving and have a previous retention in reading and math; utilize a data room to monitor progress of ELL students; Other students will benefit from this monitoring, as well; monthly professional development that will provide strategies for teachers to use with ELL students.

**Rationale for Evidence-based Strategy:** Increase support for teachers and students. FSA data and progress monitoring data.

**Action Steps to Implement**

1. Create a schedule for academic coach/support facilitator/ELL para.

**Person Responsible** Perry Davis (perry.davis@suwannee.k12.fl.us)

Meet monthly to monitor student data and create action steps.

**Person Responsible** Amy Boggus (amy.boggus@suwannee.k12.fl.us)

Schedule monthly professional development with district coordinators.

**Person Responsible** Amy Boggus (amy.boggus@suwannee.k12.fl.us)

## #2. ESSA Subgroup specifically relating to Students with Disabilities

**Area of Focus**  
**Description and Rationale:** Increase academic achievement with a focus on students of diverse backgrounds and abilities. Based on data from our school report card, the second underperforming subgroup is our Students with Disabilities (SWD).

**Measurable Outcome:** Increase the proficiency of SWD to at least 41%.

**Person responsible for monitoring outcome:** Amy Boggus (amy.boggus@suwannee.k12.fl.us)

**Evidence-based Strategy:** We will utilize our Academic Coach/Support Facilitator and para for additional support for students that are striving and have a previous retention in reading and math; utilize a data room to monitor progress of SWD; monthly professional development for teachers to help provide strategies for SWD and striving students.

**Rationale for Evidence-based Strategy:** Increase support for teachers and students. FSA data and progress monitoring.

### Action Steps to Implement

## Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

We will build positive relationships with parents, families and other community stakeholders through the following activities as allowed following social distancing guidelines: Back to School Drive through event with school supplies; Meet Your teacher at various times and days; Open House/Parent Nights; Dairy Queen nights, family book fair events; Dad's Day; Veteran's Day event; Literacy Night; Mom's Day; End of Year Awards; APT and SAC meetings.

### Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.
