* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan was approved by the Walton County School Board on 9/22/2020.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

In order to develop and support outstanding students, Walton Virtual School will provide access to rigorous, relevant online learning opportunities in order to best meet the needs of diverse learners through non-traditional, student-centered virtual instruction.

Provide the school's vision statement.

Walton Virtual School will work to provide opportunities for students to engage in rigorous, relevant online learning via non-traditional, student-centered virtual instruction.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Mitchell, Jaime	Principal	
Henderson, Lisa	Teacher, K-12	

Demographic Information

Principal start date

Monday 7/1/2019, Jaime Mitchell

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

With no data currently available due to exemption of 2020 test administration, the team will re-assess when data becomes available.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

With no data currently available due to exemption of 2020 test administration, the team will re-assess when data becomes available.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

With no data currently available due to exemption of 2020 test administration, the team will re-assess when data becomes available.

Which data component showed the most improvement? What new actions did your school take in this area?

With no data currently available due to exemption of 2020 test administration, the team will re-assess when data becomes available.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Students performing at Level 1 on past state assessments

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. FSA ELA Learning Gains
2. FSA Mathematics Learning Gains
3. Graduation Rate
4. Parent and Family Engagement

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:	Based on the data of students tested, 85.7% of WVS students made ELA learning gains in 2019. Working to increase ELA learning gains will have a positive impact on student success.
Measurable Outcome:	During the 2020-2021 school year, 75% of WVS students tested will make learning gains in ELA.
Person responsible for monitoring outcome:	Jaime Mitchell (mitchellj@walton.k12.fl.us)
Evidence-based Strategy:	Progress monitoring will be used to keep track of students' grades and pace. Teacher input and communication will be used to monitor student achievement in ELA.
Rationale for Evidence-based Strategy:	Progress monitoring will ensure that teachers and administration stay abreast of student achievement and address any issues as they arise to improve student achievement.

Action Steps to Implement

1. Students monitor their own pace (7% per week for secondary and 3-4% per week for elementary) and performance (grade of C or higher) for successful course completion.
2. If pace and/or performance is not maintained (2 weeks behind pace and/or grade of D or lower), increased teacher student/parent communication (a minimum of 2-3 times per month) will be documented using the appropriate Contact Log.
3. If pace and/or performance is not maintained (3 or more weeks behind pace and/or grade of F or lower), student pace and performance will be closely monitored and teacher communication will be documented a minimum of 3-4 times per month.

Person Responsible Jaime Mitchell (mitchellj@walton.k12.fl.us)

#2. Instructional Practice specifically relating to Math

Area of Focus Description and Rationale: Based on the data of students tested, 71.4% of WVS students made gains or a Level 3 or higher of FSA Mathematics or EOC Exams in 2019. Working to increase Mathematics learning gains will have a positive impact on student success.

Measurable Outcome: During the 2020-2021 school year, 75% of students tested will make gains or a Level 3 or higher on FSA Mathematics or EOC exams.

Person responsible for monitoring outcome: Jaime Mitchell (mitchellj@walton.k12.fl.us)

Evidence-based Strategy: Progress monitoring will be used to keep track of students' grades and pace. Teacher input and communication will also be used to monitor student achievement in Mathematics.

Rationale for Evidence-based Strategy: Progress monitoring will ensure that teachers and administration stay abreast of student achievement and address and issues as they arise to improve student achievement.

Action Steps to Implement

1. Students monitor their own pace (7% per week for secondary and 3-4% per week for elementary) and performance (grade of C or higher) for successful course completion.
2. If pace and/or performance is not maintained (2 weeks behind pace and/or grade of D or lower), increased teacher student/parent communication (a minimum of 2-3 times per month) will be documented using the appropriate Contact Log.
3. If pace and/or performance is not maintained (3 or more weeks behind pace and/or grade of F or lower), student pace and performance will be closely monitored and teacher communication will be documented a minimum of 3-4 times per month.

Person Responsible: Jaime Mitchell (mitchellj@walton.k12.fl.us)

#3. Other specifically relating to Graduation Rate**Area of Focus**

Description and Rationale: Based on the data, 100% of WVS seniors met graduation requirements in 2020.

Measurable Outcome: During the 2020-2021 school year, 90% or more, of WVS seniors will meet graduation requirements.

Person responsible for monitoring outcome: Jaime Mitchell (mitchellj@walton.k12.fl.us)

Evidence-based Strategy: WVS will work to maintain the increased graduation rate by utilizing Early Warning Systems to track, monitor, and support student pacing and performance.

Rationale for Evidence-based Strategy: Tracking, monitoring, and supporting student pacing and performance will ensure that teachers and administration stay abreast of student achievement and address any issues as they arise to improve student achievement.

Action Steps to Implement

1. Increased monitoring of students' pacing of assignments and on track performance as evidenced by weekly reports from curriculum providers of pace and grades maintained by senior students.
2. If pace and/or performance is not maintained (2 weeks behind pace and/or grade of D or lower), a WVS teacher will be assigned as an adviser to the student and family.
3. If pace and/or performance is not maintained (3 or more weeks behind pace and/or grade of F or lower), a face-to-face meeting will be scheduled with student, family, WVS administration, and WVS teacher(s) to create an individualized graduation plan.

Person Responsible Jaime Mitchell (mitchellj@walton.k12.fl.us)

#4. Culture & Environment specifically relating to Parent Involvement

Area of Focus Description and Rationale: In order for WVS to become a competitive school of choice for Walton County students and those in the surrounding areas, we must work to build the support of our students, teachers, parents, and community. The SAC is one vehicle to assist with listening to the voices of those who can help us expand and be successful is increasing student achievement.

Measurable Outcome: WVS will conduct a minimum of four quarterly School Advisory Council meetings. Evidence of meetings will include, but not be limited to, agendas, sign-in sheets, handouts, meeting minutes, survey results, etc.

Person responsible for monitoring outcome: Jaime Mitchell (mitchellj@walton.k12.fl.us)

Evidence-based Strategy: WVS will seek to maintain a multicultural group of family and community advocates that will advise and inform WVS's efforts with a focus on helping to develop and implement WVS's outreach and engagement.

Rationale for Evidence-based Strategy: Parents, families, and community members play a large part in student success. They also bring another perspective of students and their successes and failures in school. Having a multicultural group of family and community advocates that will advise and inform WVS's efforts ensures that we meet the needs of all students.

Action Steps to Implement

1. Establish a team of parent and family advisors that reflect the cultural representation of WVS's student population
2. Ensure meeting dates are set and announced in advance, as well as posted on the WVS webpage
3. Ensure meeting data and documentation are shared with all interested parties
4. Ensure school information is communicated with students, families, and the community by implementing the use of a new school website and the Remind app.

Person Responsible Jaime Mitchell (mitchellj@walton.k12.fl.us)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Not applicable at this time

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Walton Virtual School's School Advisory Council is composed of an administrator, teachers, parents, and other business and community members who are representative of the ethnic, racial, and economic community served by WVS. The SAC meets quarterly to coordinate and oversee the school improvement efforts of WVS. As such, the SAC has final approval of the content of the school improvement plan before they are submitted to the School Board and monitors the goals and strategies used. Surveys are sent at the end of the school year to students, parents, and staff asking for input on the school and its programs. These surveys are used for planning and in making decisions for school improvement. Every effort is made to schedule the meetings so that all members are able to attend. Sign-in sheets, agendas, and meeting minutes are kept on file for reference at any time.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
3	III.A.	Areas of Focus: Other: Graduation Rate	\$0.00
4	III.A.	Areas of Focus: Culture & Environment: Parent Involvement	\$0.00
