<b>Support Tier</b>	
<b>ESSA Status</b>	TS&I

\* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

## School Board Approval

This plan is pending approval by the Marion County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

### School Demographics

School Type and Grades Served (per MSID File)	2019-20 Title I School	2019-20 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)
High School 9-12	Yes	53%
Primary Service Type (per MSID File)	Charter School	2018-19 Minority Rate (Reported as Non-white on Survey 2)
K-12 General Education	No	64%

### School Grades History

Year	2019-20	2018-19	2017-18	2016-17
Grade	B	B	B	B

### School Board Approval

This plan is pending approval by the Marion County School Board.

### SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

#### **Provide the school's mission statement.**

West Port High School cultivates success in a safe environment and positive school culture, which is strengthened by rigorous academics, student and teacher relationships, and supported by family and community involvement.

#### **Provide the school's vision statement.**

West Port is an innovative center of excellence inspiring student success.

### School Leadership Team

#### **Membership**

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Cruze, Ginger	Principal	Lead, supervise and facilitate the overall operation of a school focusing on academic leadership.
Baker, Jo	Other	Testing coordinator
Craig, Vicki	Teacher, K-12	Activities Director and teacher
Livengood, Lyle	Other	Athletic Director
Reeder, Laurie	Teacher, K-12	Magnet Coordinator and teacher
Toomey, Jennifer	Dean	10th grade Dean, ITD Leader and SAC member
Williams, Bo	Assistant Principal	Assistant Principal for Curriculum
Catalfamo, Frank	Assistant Principal	Assistant Principal for Instruction
Wilson, Emily	Instructional Media	Media Specialist
Smith, Stephanie	School Counselor	Lead counselor and Early College Coordinator
Umholtz, Sarah	Other	11th Grade Dean, Lead Dean and AVID Site Team member
Bender, Luke	Dean	12th Grade Dean and Senior Class Sponsor
McCarter, Barry	Dean	9th Grade Dean McCarter
Davis, Terrell	Assistant Principal	Assistant Principal for Student Services

### Demographic Information

#### Principal start date

Wednesday 8/16/2017, Ginger Cruze

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

5

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

8

**Total number of teacher positions allocated to the school**

124

Economically Disadvantaged Students Subgroup Below 41% in the Current Year?	NO
Number of Consecutive Years Economically Disadvantaged Students Subgroup Below 32%	0

## Analysis

### Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

#### Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The data utilized was the 2018-19 data which showed the lowest performance category was the lowest 25th percentile in math at 35%. We have performed low in this category for the past few years however, we did increase by 2 percentage points in 2018-19 and continue to put strategies and support in place to remedy this.

#### Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data component that showed the greatest decline from the prior year was Math Learning Gains which declined from 54% to 47%. This decline was a result of students who were tested from one year to the next.

#### Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The data component that had the greatest gap when compared to the state average was the lowest 25% in math. We adjusted the way we taught the Algebra 1a/1b and we have continued to make refinements in our teaching methods and strategies.

#### Which data component showed the most improvement? What new actions did your school take in this area?

The data component that showed the most improvement was ELA Learning Gains. We continued to focus on collaborative planning, review of PSAT data, and standards based instruction.

#### Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Two areas of concern from this year's EWS are one or more suspensions and students with two or more EWS indicators.

#### Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Focus on rigorous, standards-based instruction with a school wide focus on AVID WICOR strategies.
2. Focus on course based collaboration and planning for face-to-face and MCPSONline instruction.
3. Focus on technology training to assist students with online learning.
4. Utilize teacher made, collaborative assessments to help drive instruction in math and ELA.
5. Refocus PLCs to look at assessment and classwork.

## Part III: Planning for Improvement

### Areas of Focus:

#### #1. Instructional Practice specifically relating to ELA

<b>Area of Focus Description and Rationale:</b>	Increase performance in ELA Achievement, Learning Gains, and Learning Gains of the bottom 25%. Students increased from 55% to 59% in ELA Achievement, 49% to 56% in ELA learning Gains, and 37% to 44% in Learning Gains of the bottom 25% from 2017-18 to 2018-19. We did not test last year.
<b>Measurable Outcome:</b>	If teachers collaboratively plan using standards-based instruction and utilize AVID's WICOR strategies which include Writing, Inquiry, Collaboration, Organization and Reading in every class, every day monitoring with formative assessments in all classes along with ELA developed assessments in all English classes, students will increase in ELA Achievement from 59% to 64%, ELA Learning Gains from 56% to 61% and ELA Learning Gains of the bottom 25% from 44% to 50%.
<b>Person responsible for monitoring outcome:</b>	Ginger Cruze (ginger.cruze@marion.k12.fl.us)
<b>Evidence-based Strategy:</b>	Students will Write, Inquire, Collaborate, Organize and Read in every class, every day. Teachers will instruct utilizing standards-based instruction and will monitor learning with formative assessments. English teachers developed department wide monitoring methods for ELA. Teachers will share in collaborative planning.
<b>Rationale for Evidence-based Strategy:</b>	Teachers and students will work together with familiar evidence-based strategies and monitor their learning. This will allow for remediation for deficits and enrichment for assets.

#### Action Steps to Implement

1. Teachers will use rigorous standards-based instruction utilizing technology through chromebooks and flat screens to enhance instruction.
2. Teachers will utilize WICOR and CAR PD Instructional Strategies in their instruction.
3. Administrators will collaborate on walk-through data and learning walks with teachers.
4. Teachers will collaborate through the PLC Process through book studies and use of additional library books focused on formative assessments and classwork.
5. Student success will be enhanced with the use of Reading Plus and Sound Reading will be utilized for striving readers along with after school tutoring.
6. Additional support staff through the Intervention Teacher and Career Lab Specialist will help improve student learning and success along with future goals through enrollment, enlistment or employment.
7. Students with Disabilities will receive support in ELA through after school tutoring and assistance from the Intervention Teacher.

**Person Responsible** Ginger Cruze (ginger.cruze@marion.k12.fl.us)

**#2. Instructional Practice specifically relating to Math**

<b>Area of Focus Description and Rationale:</b>	Increase performance in Math Achievement, learning Gains, and Learning Gains of the bottom 25%. Students decreased 55% to 51% in Math Achievement, 54% to 47% in Math Learning Gains and 33% to 35% in Learning Gains of the bottom 25% from 2017-18 to 2018-19.
<b>Measurable Outcome:</b>	If teachers collaboratively plan and use standards-based instruction using AVID's WICOR strategies along with real world problems to learn math, monitoring learning with formative assessments which were developed over the summer, then students will increase in Math Achievement from 51% to 54%, Math Learning Gains from 47% to 50% and Math Learning Gains of the bottom 25% from 35% to 38%.
<b>Person responsible for monitoring outcome:</b>	Bo Williams (reuben.williams@marion.k12.fl.us)
<b>Evidence-based Strategy:</b>	Students will use standards-based, real world problems to learn math. Teachers will utilize WICOR strategies specifically for math instruction and monitor the learning through subject developed formative assessments. Teachers will collaborate on best practices using collaborative planning and evaluation.
<b>Rationale for Evidence-based Strategy:</b>	Students must master the standards to improve their understanding of the required concepts.

**Action Steps to Implement**

1. Teachers will instruct using standard-based, rigorous instruction utilizing technology through chromebooks and flat screens to enhance instruction.
2. Teacher developed formative assessments will be utilized and analyzed during PLCs along with book studies to develop rigorous instructional methods in math.
3. Administrators will perform walkthroughs and provide feedback to monitor instructional practices.
4. Math Instructional Coach will work with teachers that need additional assistance.
5. Math 180 will be incorporated into the Algebra 1A instruction.
6. Administrators will collaboration on walk-through data and learning walks with teachers.
7. Additional support staff through the Intervention Teacher and Career Lab Specialist will help improve student learning and success along with future goals through enrollment, enlistment or employment.
7. Students with Disabilities will receive support in ELA through after school tutoring and assistance from the Intervention Teacher.

**Person Responsible** Bo Williams (reuben.williams@marion.k12.fl.us)

**Additional Schoolwide Improvement Priorities**

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

**The administrators and the leadership team will work together on the school wide focus of collaboration in incorporating AVID schoolwide. In addition, we will work to make sure our traditional and MCPSONline delivery provide the same rigorous instruction for our students focusing on technology training, incorporating WICOR and CAR PD Strategies and continuous collaboration at the course, department and school levels.**

## Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

West Port High School has a positive school culture which includes strong relationships with all stakeholders, has strong values including trust, respect and high expectations for all students. West Port's four magnet programs along with our various variety of programs offered allow students to be engaged in their learning. West Port's School Advisory Council shares in the positive culture and environment. In addition, various booster clubs and parent groups are willing to work with our school by providing services while we listen to their suggestions and concerns. West Port's Admin supports a positive culture/ environment by providing teachers the opportunity to voice their opinions, try new strategies, collaborate with colleagues and work as a team.

### Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

## Part V: Budget

**The approved budget does not reflect any amendments submitted for this project.**

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
Total:			\$0.00
