Pinetta Elementary School

135 NE EMPRESS TREE AVE, Pinetta, FL 32350

<http://pes.madison.k12.fl.us/>

Demographics

Principal: Yolanda Davis

Start Date for this Principal: 9/21/2020

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-6
Primary Service Type (per MSID File)	K-12 General Education
2019-20 Title I School	Yes
2019-20 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	94%
2019-20 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* Black/African American Students* White Students Economically Disadvantaged Students
School Grades History	2018-19: C (53%) 2017-18: B (58%) 2016-17: A (63%) 2015-16: A (66%)
2019-20 School Improvement (SI) Information*	
SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	N/A
Support Tier	N/A
ESSA Status	TS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Madison County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

We believe all children can be successful, just not on the same day in the same way.

Provide the school's vision statement.

Pinetta Elementary School is committed to providing an environment which will enhance the growth and development of the whole child.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Kendrick, Amy	Principal	Mrs. Kendrick is in her 4th year as the instructional leader of Pinetta Elementary and believes all students can learn, given the opportunity and the right tools.
Raines, Jennifer	Teacher, ESE	Mrs. Raines serves the whole school working with Exceptional Educational students, as well as Regular Education students meeting their individual needs.
Christmas, Lewis	Teacher, K-12	Mr. Christmas is a K-12 teacher
Minor, Christi	Other	Mrs. Minor serves a multi role position at the school. one of Coordinator and the other as RTI specialist. Mrs. Minor works with Mrs Raines to make sure students are receiving what they need and getting the individualized instruction. She also works with the teachers to serve their needs and develop them.

Demographic Information

Principal start date

Monday 9/21/2020, Yolanda Davis

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

ELA lowest 25th component showed the lowest performance at 33%. There were several contributing factors to the ELA scores not progressing as well as they should have. Contributing factor could be the high number of SWD students throughout. Although these students made gains, it was not enough to count towards the states mandated measurement to count.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Science component showed the greatest decline dropping 17 points from the prior year from 70% to 53%. There are several factors that could possibly contribute to this. Last year was the Science adoption year and Madison County School System chose to adopt Pearson Elevate, leaving Houghton Mifflin Harvcourt Fusion.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Compared to the state average, reading shows the greatest gap. There is only a -4% gap between the state average and Pinetta in reading achievement. There is a -13% gap in learning gains and a -20% gap in lowest 25th percentile in reading compared to the state average.

There were two new reading teachers to Pinetta Elementary School. Both of the teachers were Effective teachers who came to Pinetta from a neighboring lower achieving school in the district. Mrs. Stacy Lee has had teaching experience in the upper grades, but Mrs. Emily Shadrick's experience comes mostly from 2nd grade.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component which made the most gains was Math bottom 25% with 37% making gains on 2018 to 53% making gains on 2019 Math FSA. Although one of our teacher was new to the school and grade level, the other teacher is a experienced teacher with 39 years experience. A new action the school was utilizing was Team Time. During this time, students are broken into small groups to work on specific skills that need remediation.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

There is definitely a link and trend with the number of absences and it effects on student learning as it results to student retention's and student achievement on Math and Reading FSA. We will continue to recognize perfect attendance at every 9 week Pow-Wow. We will also continue to meet as SIT on students that have a high number of absences.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. ELA Lowest 25th Percentile
2. ELA Learning Gains
3. ELA Achievement (including black/non-Hispanic. This sub group fell below the recommended 41%, at 37%)
4. Science
5. Math Lowest 25th Percentile.

Part III: Planning for Improvement

Areas of Focus:

#1. ESSA Subgroup specifically relating to African-American

Area of Focus Description and Rationale:

According to ESSA(Every Student Succeeds Act)Black/Non-Hispanic students scores fell below 41% to 37% in reading and math achievement.

Measurable Outcome: Based on the 2021 FSA reading achievement, black/non Hispanic students will meet the Federal Index of 41% or above.

Person responsible for monitoring outcome: Amy Kendrick (amy.kendrick@mcsbfl.us)

Evidence-based Strategy: Rtl- every day there is a built in Rtl time for students to focus on specific skills they are not being successful. Every grade level will have a 30 minute "Team Time" that students will receive Tiered instruction based on their individual needs, as measured by iReady and Read Naturally placements.

Rationale for Evidence-based Strategy: Students will spend 30 minutes a day doing Read Naturally, which is a district approved intervention listed in the District Reading Plan. This is a research based program which utilizes research based reading strategies, such as teacher modeling, repeated reading, and progress monitoring. Panetta Elementary school has also purchased Leveled Literacy Interventions (LLI), another research based reading program for reading interventions in grade 1-3, which are the key years of instruction for learning to read.

Action Steps to Implement

No action steps were entered for this area of focus

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Based on 2019 SSS Science assessment, we dropped 17% from the 2018 SSS Science Assessment.

As a school, Pinetta Elementary School will be utilizing inquiry based learning and project based learning in science and in all grades

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Pinetta Elementary School believes in involving parents in all aspects of school life. The Parent/Teacher Organization (PTO) holds monthly meetings, and all parents are invited to attend. Our SAC team meets quarterly prior to PTO meetings.

The PTO sponsors family programs at P.E.S. throughout the year. These activities may include Muffins with Mom, Donuts with Dad, Lunch with Grandparents, Family Talent Show, etc. At the beginning of the school term, P.E.S. holds an Open House for its parents to meet the teachers and ask any questions they may have concerning the school year.

Pinetta Elementary hosts a Literacy Night in the fall of every school year. Teachers prepare quick learning activities that the parents can make and take home to work with their students.

Teachers hold parent conferences at various times during the day (during school and after school) to accommodate parents' schedules. Parent data chats are scheduled at least once during the school year to review student current and past data.

ClassDojo has been implemented this year school-wide from grades PreK to 5. Through ClassDojo, teachers communicate behavior, good or bad; share student work; and communicate with parents on a weekly, sometimes daily, basis. Peachjar is being implemented district wide. This is a site that allows the school to develop online flyers to disseminate regarding upcoming events.

Monthly, each teacher chooses a Citizen of the Month, This student has zero behavior problems and is a positive role model to their peers. Full Circle Dairy, a local dairy company, sponsors a monthly ice cream party to celebrate these individuals.

A school website is used to relay important dates, events, and happenings at the school, as well as in the district. Parents have access via the internet.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.
