#### **School Board Approval**

This plan is pending approval by the Polk County School Board.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

#### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridaCIMS.org">https://www.floridaCIMS.org</a>.

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

# **Part I: School Information**

#### School Mission and Vision

#### Provide the school's mission statement.

Medulla Elementary provides a safe, rigorous, academic environment. Each child will reach his/her fullest potential and become a respectful and productive citizen.

#### Provide the school's vision statement.

As a part of the Medulla community, Medulla Elementary provides a safe, supportive environment that fosters curiosity, inquiry, and a life-long pursuit of knowledge.

#### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
MacLeod, Gale	Principal	The principal is an instructional leader and continuous learner who works collaboratively with others engaging in data driven dialogue to problem solve, make decisions, improve instructional practices and organizational structures to achieve shared goals and improve student learning.
Aranda, Ginnie	School Counselor	The School Counselor collaborates with colleagues in using research in order to select appropriate strategies to solve identified problems, make decisions, manage conflict, and promote meaningful change.
Hill, Cathy	Teacher, ESE	The Local Education Agency (LEA) Facilitator works effectively within systems, understands decision-making processes, and supports district and school priorities. The LEA also inspires and mobilizes colleagues to achieve goals and implementation plans.
Martin, Victoria	Instructional Coach	This Instructional Coach develops knowledge and understanding of how to identify and use multiple assessment tools aligned to standards. In addition, develops a climate of trust and reflection to engage colleagues in conversations about student learning data and ways to use data to improve instructional practices.
Spear, Tracey	Instructional Coach	This Instructional Coach builds trusting relationships by listening intentionally, taking an ethical and caring stance and developing cultural competency. The Coach also facilitates professional learning for teachers by using data and encouraging collegial inquiry.
Ricco, Tiffany	Instructional Coach	The Instructional Coach continues to increase her knowledge of content and pedagogy by being a reflective learner. The coach collaborates with colleagues in using research in order to select appropriate strategies to solve identified problems of practice in teaching and learning.

#### **Demographic Information**

**Principal start date** 

Wednesday 7/1/2020, Gale Macleod

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

## Analysis

#### **Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

SWD - student behavior can compound the student challenges when students are attempting to grasp concepts.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

ELL -lack language acquisition

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

ELA indicated the greatest gap compared to the state average due to a lack of foundational skills in reading.

Which data component showed the most improvement? What new actions did your school take in this area?

African American - ELA Lowest Quartile

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

ELL, Students w/Disabilities, and number of students with below 90% attendance

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- 1. Close the gap of the lowest quartile in ELA and Math
- 2. Close the gap with students with disabilities in ELA and Math
- 3. Increase ELA proficiency and gains
- 4. Increase attendance
- 5.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Small Group Instruction   Area of Focus Small group instruction is designed to group four to six students who share similar struggles with a standard/objective and provide them with intensive remediation/instruction. This will allow teachers to differentiate according to the needs of the students within the class. The subgroups that were identified through the data will allow us to differentiate the assumable.   Measurable We will systemically implement small group instruction to differentiate instruction to meet the needs of our subgroups and 56% of students will demonstrate proficiency levels in ELA state testing.   Person responsible for monitoring outcome: We will implement best practices as framed by Marzano and packaged by Learning Science Institute. We have experienced incremental improvement and sucess employing these strategies. This will allow us to employ these strategies with our small group instruction to improve instruction and student performance.   Rationale for evidence- based strategy: Small group instruction will allow us to employ these strategies with our small group instruction will allow the teacher to closely monitor student learning through formative assessments and provide opportunities for reteaching, interventions, and/or enrichment. Administration will conduct walkthroughs to monitor the fidelity of instruction and documentation of interventions provided.   Action Steps to Implement Provide staff PD in regards to small group instruction and analyze data with teachers. Person racey Spear (tracey.spear@polk-fl.net)   Assist teachers in decision making and gathering materials needed. Person Responsible Tracey Spe						
Focus Description and Rationale: struggles with a standard/objective and provide them with intensive remediation/instruction. This will allow teachers to differentiate according to the needs of the students within the class. The subgroups that were identified through the data will allow us to differentiate the instruction to close academic gaps within the classroom.   Weasurable Outcome: We will systemically implement small group instruction to differentiate instruction to meet the needs of our subgroups and 56% of students will demonstrate proficiency levels in ELA state testing.   Person responsible for monitoring outcome: Gale MacLeod (gale.macleod@polk-fl.net)   We will implement best practices as framed by Marzano and packaged by Learning Science Institute. Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Continuous progress monitoring and adjusting instruction in small groups will also address our concerns with ELL and students with disabilities. Coaches and administration will walk classrooms daily with a targeted focus to monitor implementation and student growth. Attendance will be monitored biweekly during leadership meetings to identify students with high absences, trends, and problem solve.

## Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Medulla builds a positive school culture by collaborating with stakeholders through the School Advisory Committee as well as School Leadership Team Meetings throughout the year. Engagement and collaboration also takes place with Community partnerships.

### Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

# Part V: Budget

### The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Small Group Instruction	\$0.00
		Total:	\$0.00
