SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	N/A

\* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here.

#### School Board Approval

This plan is pending approval by the St. Johns County School Board.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

#### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridaCIMS.org">https://www.floridaCIMS.org</a>.

#### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

### **Part I: School Information**

#### School Mission and Vision

#### Provide the school's mission statement.

The mission of Alice B. Landrum Middle School is to prepare students for secondary study while developing learners' critical thinking abilities, encouraging student-centered learning, enhancing their interpersonal relationships and enriching their overall educational experience.

#### Provide the school's vision statement.

Alice B. Landrum Middle School will create an environment that fosters students of high character and individual academic excellence through authentic experiences. The 4 C's: Caring, Collaboration, Communication and Critical Thinking

#### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Player, Ryan	Principal	Facilitates admin team, Building Leadership Team, manages facility, sets mission and vision, sets goals and expectations for progress monitoring, oversees roles and responsibilities of MTSS team, and ensures that all staff comply with the district-wide school site standards.
White, Liza	School Counselor	Bring student's to team attention, provide grade, course and attendance information, gather teacher feedback on student behavior, track academic performance, monitor parent contact and facilitate meetings with parents and teachers.
	Assistant Principal	LEA, Schoology, Facilities, MTSS team member
OConnell, Katherine		Testing, Professional Learning Communities, Professional Development, MTSS member
Curran, Bonnie	Instructional Coach	Facilitates RTI process, MTSS team, progress monitoring, provides Tier 1 student data
Wood, Amanda	Psychologist	Identifies need for resources and provides student and guidance support.
Dobbins, Stacey	School Counselor	Bring student's to team attention, provide grade, course and attendance information, gather teacher feedback on student behavior, track academic performance, monitor parent contact and facilitate meetings with parents and teachers.

#### Demographic Information

#### Principal start date

Friday 8/28/2020, Guy Harris

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

#### Analysis

#### **Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

# Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The data component showing the lowest perofrmance is ELA LQ with only 60% of the students making gains. This data point continues to be an area of low performance and focus with a 5% improvement over the previous year. Continued growth is anticipated with school wide goals and PLCs focused on students identified in the lowest quartile.

# Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The greatest decline was in Science going from an 84% to 92%. The district average declined as well which could be indicative of misaligned curriculum and standards review.

# Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

There is a 35 percentage point gap between our school data in math with 93% proficient at Landrum while the state average was 58%. This is evidence of our students excelling in math in accelerated courses and rigorous curriculum.

# Which data component showed the most improvement? What new actions did your school take in this area?

The greatest improvement was in the 9% growth in our Math Lowest Quartile. This is a result of school wide data chats, goal setting and progress monitoring for our LQ students.

#### Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

8th grade students with two or more indicators are our greatest concern. These students will be tracked by guidance and assigned a mentor.

# Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- 1. Improve ELA gains by 5%
- 2. Improve Math gains by 5%
- 3. Improve LQ ELA & Math by 5%
- 4. Improve Science by 5%
- 5. Improve Civics by 1%

### Part III: Planning for Improvement

Areas of Focus:

#### #1. Instructional Practice specifically relating to Professional Learning Communitie

#### **Action Steps to Implement**

1. Review student, grade level and school wide data to determine areas of focus and opportunities for growth

2. Communicate school goals and expectations to PLC collaborative teams and support members

3. Identify resources and progress monitoring tools for ongoing tracking and goal setting for individual students

4. School leadership team will conduct data chats quarterly with level 1 & 2 students and allocate resources to address student needs and goals

5. School leadership will monitor and support the PLC process and will communicate cross curricular trends and areas of growth and opportunity for growth

Person

Responsible Katherine OConnell (katherine.oconnell@stjohns.k12.fl.us)

141 D. I.

#2. Culture &	Environment specifically relating to Positive Behavior Intervention and Supports
Area of Focus Description and Rationale:	To establish a student centered environment that supports the cohesive unit of staff, students and community in the profile of a Landrum Lion. To establish a school environment where we are all part of One Den, recognizing, appreciating and supporting each other.
Measurable Outcome:	Increased opportunities for students to recieve positive recognition on a daily, weekly, and quarterly basis. Up to 270 students a week will recieve recognition through PBIS cards and rewards Students will be recognized quarterly for academic achievements in luncheon with Principal. Staff are recognized daily for student centered environments through shout outs.
Person responsible for monitoring outcome:	Ryan Player (ryan.player@stjohns.k12.fl.us)
Evidence- based Strategy:	In creating the Profile of a Landrum Lion the faculty collaborated on identifying characteristics and traits for successful students and students participated in a school wide write to define what they needed to leave middle school prepared for high school and beyond. These collaborative efforts were used to create the profile of a student who is confident in academics, sophisticated in learning, accomplished in 21st century skills, and global in orientation. Students are then recognized and rewarded for displaying the traits of a Landrum Lion.
Rationale for Evidence- based Strategy:	Recognizing that we are all in One Den will set the tone for interactions and will lead to a greater sense of community. Incentivized performance leads to increased growth and opportunities to recognize and reward. Students responded positively to expansion of PBIS program last yearand in response we have added the Lions Den with gaming, activity tables, bean bag chairs, putting green, giant connect four, and other board games.
Action Stone	to Implement

#### Action Steps to Implement

40 O. . 14. . . . .

1. Identify desirable skills and characteristics to create a Profile of a Landrum Lion through staff and student activities and collaborations. Communicate the Profile to all staff and students.

2. Determine criteria, means and opportunities for recognizing and rewarding students who demonstrate the characteristics of a Landrum Lion.

3. Recognize Den Members weekly through PBIS cards and raffles

4. Plan and invite honor roll students to luncheon with principal quarterly

5. Recognize staff daily via email shout outs and students daily through Words of a Lion announcements

#### Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Professional Learning Communities will meet three times monthly adn will be directly supported by school leadership team. Lowest Quartile students will be a focus of PLCs and we will schedule and conduct data chats with all of our LQ students. We will achieve the 5% growth goals in ELA and Math through diligent attention to teaching and learning and by ensuring curriculum alignment and support.

### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

School Culture Goal: Create a student-centered environment where all students learn and show growth Create opportunities for normalcy and re-acclimation Mental Health training Monthly Social/Emotional issues Consistent approach to discipline Character Education Equity and Diversity All Den Members will be supported as they seek to fulfill the Profile of a Landrum Student:

Confident in Academics Project based learning, real world problem solvers, application of knowledge

Sophisticated in Learning Knows how to learn, is self-directed (applies learning independently to solve problems, initiates plans or a course of action, self monitors, self corrects)

Accomplished in 21st Century Skills Develops expertise in the four C's (critical thinking, collaboration, communication, caring), goal oriented, develops interpersonal skills, work ethic, self direction, personal responsibility and time management, persistence and integrity

Global in Orientation Understands cultures, demonstrates sensitivity to differences, is knowledgeable about global issues and our interconnectedness

#### Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

## Part V: Budget

### The approved budget does not reflect any amendments submitted for this project.

1 III.A.	Areas of Focus: Instructional Practice: Professional Learning Communities	\$0.00
2 III.A.	Areas of Focus: Culture & Environment: Positive Behavior Intervention and Supports	\$0.00
	Total:	\$0.00
