ESSA Status	TS&I

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan was approved by the St. Lucie County School Board on 10/6/2020.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan was approved by the St. Lucie County School Board on 10/6/2020.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Our mission is to ensure all students graduate from a safe and caring school, equipped with knowledge, skills, and the desire to succeed.

Provide the school's vision statement.

Northport K-8 in partnership with parents and community will become a premier center of knowledge that is organized around students and the work provided to them. Northport K-8's name will be synonymous with continuously improving student achievement and the success of each individual. Our school's promise is to move from good to great focusing on our core business, the creation of challenging, engaging and satisfying work for every student, every day. This is the Northport K-8 Way!

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Bailey, Josie	Other	
Rustay, Glenn	Principal	
Cash, Lisa	Assistant Principal	
Lankow, Diana	Instructional Coach	
Nieves, Melody	Instructional Coach	
Drost, Mehgan	Assistant Principal	
Hussein, Ahmed	Instructional Coach	

Demographic Information

Principal start date

Wednesday 7/1/2009, Glenn Rustay

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

5

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

29

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The lowest 25%ile students achieving learning gains in ELA was our lowest performing area (39%). This was down from 51% last year.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The lowest 25%ile students achieving learning gains in ELA was our greatest decline from the previous year (-12 points). Of these students, 43% were SWD. One of the contributing factors was the lack of a certified ELA instructor for Middle School SWD, as well as three different instructors for the same class. Teacher retirement and first-year teachers were also contributing factors.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The lowest 25%ile students achieving learning gains in ELA had the greatest gap when compared to the state average (-15 points). One of the contributing factors was the lack of a certified ELA instructor for Middle School SWD, as well as three different instructors for the same class. Teacher retirement and first-year teachers were also contributing factors.

Which data component showed the most improvement? What new actions did your school take in this area?

Math proficiency and Math learning gains demonstrated the most improvement with a 6 point gain in each area.

New Actions

We were in our second year of utilizing iReady books and toolkits

We purchased the iReady workbook for each student to consume

We were very strategic in utilizing our math coach in specific teacher's classrooms

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

We lost ground in two areas of the Early Warning Systems data.

Students with one or more suspensions went from 102 to 156 (+54 Or 35% gain)
and

Students with a Level 1 on school-wide assessments went from 169 to 248 (+79 or 32% gain)

We will be addressing the suspensions by implementing SEL curriculums with fidelity and the level 1's will be addressed in our lowest bottom quartile goals.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. 1. SEL
2. ELA - lowest 25%tile (43% SWD students)
3. Math - lowest 25%tile (37% SWD students)

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of

Focus

Description and

Rationale:

The rationale for this focus is the decline of students making learning gains by 12 points, from 51% to 39%. Of these, 43% were SWD.

Measurable Outcome:

During the 2020-21 school year, general education teachers, as well as teachers of students with disabilities, will participate in collaborative learning and planning (CLP) meetings with their respective teams/grades. Teachers will develop, plan, and implement lessons utilizing best practices for inclusion. Targeted planning and instruction will result in a 15 point increase in ELA for the lowest 25%ile (including SWD).

Person responsible for monitoring outcome:

Lisa Cash (lisa.cash@stlucieschools.org)

Evidence-based Strategy:

Teachers will use research-based curriculum to provide explicit instruction in ELA.

Rationale for Evidence-based Strategy:

Research has indicated that explicit instruction in text-based writing and reading comprehension will increase proficiency, which in turn results in learning gains.

Action Steps to Implement

1. Provide professional development on SLPS Writing Plan, differentiation, data-driven instruction, and standards-based instruction.
2. Utilize District supports available through Office of Teaching and Learning.
3. Facilitate Collaborative learning/planning to address quality student work.

Person Responsible

Lisa Cash (lisa.cash@stlucieschools.org)

#2. Instructional Practice specifically relating to Math

Area of Focus Description and Rationale: Two areas that our FSA scores declined in are ELA and Math lowest 25%ile students. This area includes 37% SWD students (55/149). Our ESSA data states that we need to improve on our SWD students success. By addressing our lowest 25%ile students we will address the needs of our students struggling the most.

Measurable Outcome: During the 2020-21 school year, general education and teachers of students with disabilities will participate in Collaborative Learning and Planning (CLP) meetings with their respected teams/grades. Teachers will develop, plan, and implement lessons utilizing the best practices for inclusion. Targeted planning and instruction will result in a 6 point increase in Math for the Lowest 25%ile (including SWD).

Person responsible for monitoring outcome: Glenn Rustay (glenn.rustay@stlucieschools.org)

Evidence-based Strategy: Teacher's instruction has the largest positive impact on student's achievement. Teachers will utilize differentiated instruction for their instruction in math.

Rationale for Evidence-based Strategy: Differentiated instruction is a high effect size strategy which allows teachers to work with small groups of students to instruct them on their level of learning and specific skill(s).

Action Steps to Implement

1. Teachers will utilize their student's data to identify their lowest 25%ile, SWD, near proficiency, and fragile students.
2. Math coach and instructional coach will instruct and model for teachers the SLC math routine with fidelity and how to implement differentiated instruction with the math routine.
3. Teachers will learn how to utilize Khan Academy and iReady instructional modules for whole group/ small group instruction, centers, and homework.
4. Teachers and students will track their individual data including proficiency and learning gains with FSA and Unit Assessments.
5. The master schedule and individual schedules will be modified and/or changed to allow as many students as possible a double block of math instruction including SWD students.

Person Responsible Glenn Rustay (glenn.rustay@stlucieschools.org)

#3. Culture & Environment specifically relating to Social Emotional Learning

Area of Focus
Description and Rationale: Northport K - 8 saw an increase in the number of suspensions from 2018 to 2019 school years. One way to address this is to provide students with explicit instruction in social-emotional skills in order to provide them with strategies and coping skills.

Measurable Outcome: During the 2020-2021 school year, general education and teachers of students with disabilities will implement the district adopted SEL programs (Sanford Harmony or Lions Quest) with fidelity. Explicit social skills instruction will result in a 25% decrease in the number of suspensions for students in K – 8.

Person responsible for monitoring outcome: Meghan Drost (meghan.drost@stlucieschools.org)

Evidence-based Strategy: Teachers will utilize research-based programs to explicitly teach social-emotional skills (Sanford Harmony in K - 5 and Lions Quest in 6 - 8).

Rationale for Evidence-based Strategy: Research has shown that explicit SEL lessons can reduce behavior problems while increasing academic performance.

Action Steps to Implement

1. Professional Development for teachers on SEL and SEL curriculum (August & September)
2. Ongoing support of teachers through monitoring and collaborative planning (ongoing throughout year)

Person Responsible Meghan Drost (meghan.drost@stlucieschools.org)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

We lost ground in two areas of the Early Warning Systems data.

Students with one or more suspensions went from 102 to 156 (+54 or 35% gain) and

Students with a Level 1 on school-wide assessments went from 169 to 248 (+79 or 32% gain)

We will be addressing the suspensions by implementing SEL curriculums with fidelity and the level 1's will be addressed in our lowest bottom quartile goals.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

The goals of the Northport K-8 Volunteer and Partner program are aligned with the core business of the school. Parent and Community Involvement are key cornerstones of the success of our school. Goals have been developed to not only ensure Parental and Community Involvement at Northport K-8 School but our goals are aligned with the goals of Saint Lucie County School district.

Northport K-8 , through a variety of opportunities throughout the school year, will ensure that our goals are met or exceeded. Our target for volunteer hours is 8050 hours and to increase Business Partners from the community to 7.

Goals:

To provide individualized educational assistance to students through mentors and tutorships.

To relieve the teacher of some non instructional tasks.

To reinforce lesson skills

To stimulate community interest, concerns and support for the education system.

To provide an opportunity for interested community members to become directly involved in the educational process.

To strengthen school and community relations through direct and positive participation in the school

To promote Goodwill ambassadorship within our community.

ALL programs contingent upon current policies regarding Safe Return to School.

Opportunities:

Veteran Partners In Education Program

2 book fairs with literacy fair

PTO meetings monthly

Unity Day Bullying Awareness Walk with families in October

Community Reading Day

9/11 Commemoration program

Grand Parents Day

Student of the Month

Americorps Mentorship program

Honor Roll

21st Century after school program

Participate in Parental Involvement Award

Participate in Gold and Silver School Awards

Nominate Outstanding Volunteers of the Year

Participate in 5 Star Program

Activities for Celebrate Literacy Week in January with Parent Invitations

In October, Parents and community members will participate in Safe Schools Week and Red Ribbon Week

with assistance from Counseling Services and Resource Officer
 Institute class and school newsletters as well as Administrative School Messenger

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
3	III.A.	Areas of Focus: Culture & Environment: Social Emotional Learning	\$0.00
Total:			\$0.00
