School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Our Mission at Phoenix Academy of Excellence is to provide students with an innovative, non-traditional and traditional learning environment to motivate our learners to fulfill their potential, both academically and socially. We are committed to educating our students through individualized instruction that is tailored to meet each student's needs. The goal of Phoenix Academy is to MOTIVATE, EDUCATE, and PREPARE our students, but also CULTIVATE life-long learners.

Provide the school's vision statement.

"To provide the groundwork for continued success for a lifetime of achievement and success..." Phoenix Academy offers students, who are challenged by the traditional approach to learning, the opportunity to earn a state-recognized high school diploma. We recognize that the students we serve require a solid middle school education, job preparedness, and readiness for continuing education.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Tucker Robinson, Latoya	Principal	As the principal, I am responsible for leading teachers and staff, setting goals, and ensuring that students meet their learning objectives. Also, overseeing the school's day-to-day operations as well as handling disciplinary matters, managing a budget, and hiring teachers and other personnel. At the end of the day, I am responsible for ensuring that students are safe at all times.

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Mathematics and ELA

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Low foundational skills.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Low foundational skills.

Which data component showed the most improvement? What new actions did your school take in this area?

No trends to monitor due to having no prior years data.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

FSA Proficiency and attendance

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- 1. Attendance
- 2. ELA Proficiency
- 3. Math Proficiency
- 4.
- 5.

Part III: Planning for Improvement

Areas of Focus:

No activities were entered for this section.

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

The leadership team will conduct pre-assessments, then bi-weekly assessments on targeted benchmarks highlighted in the previous year state assessments. The team will also conduct data chats and assist with setting

student individual learning goals.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

The school will display positive mantra's through the school. We will also highlight students on a monthly basis who exhibit positive acts of kindness for the month. The school staff will adopt positive affirmations to be used throughout the school day.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.
