## Demographics

**Principal: Maryjo Costine**

Start Date for this Principal: 6/11/2020

<b>2019-20 Status</b> (per MSID File)	Active
<b>School Type and Grades Served</b> (per MSID File)	Combination School PK, 6-12
<b>Primary Service Type</b> (per MSID File)	Alternative Education
<b>2019-20 Title I School</b>	Yes
<b>2019-20 Economically Disadvantaged (FRL) Rate</b> (as reported on Survey 3)	100%
<b>2019-20 ESSA Subgroups Represented</b> (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* Hispanic Students* White Students* Economically Disadvantaged Students*
<b>School Grades History</b>	2018-19: No Grade  2017-18: No Grade  2016-17: No Grade  2015-16: No Grade
<b>2019-20 School Improvement (SI) Information*</b>	
<b>SI Region</b>	Southwest
<b>Regional Executive Director</b>	
<b>Turnaround Option/Cycle</b>	N/A
<b>Year</b>	
<b>Support Tier</b>	
<b>ESSA Status</b>	CS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, <a href="#">click here</a> .	

## School Board Approval

This plan is pending approval by the Polk County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

**Provide the school's mission statement.**

The mission of Gause Academy of Leadership and Applied Technology is to provide a nurturing environment in which each student is motivated, inspired and instructed to achieve his or her full potential of becoming a positive, proud, confident, and productive individual of society.

**Provide the school's vision statement.**

Gause will provide a small learning community built around a career theme that will enable students to build relationships among academic subjects and their application to a broad field of work. Students will be provided with day-to-day support, but they will also be expected to perform. Most significantly, the partnerships among Gause staff members, the community, and parents will be designed to guarantee that all students succeed and that they leave Gause with the skills needed to transition into college, careers and adulthood.

### School Leadership Team

**Membership**

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Jones, Daraford	Principal	Oversee the day to day management of the school
Alexander, Alita	School Counselor	Oversee academic progression of all students
Armstrong, Audrey	Administrative Support	She is the instructional leader for Reading and ELA teachers and instructional support for all other content areas
Speed, Toi	Assistant Principal	Oversee the curriculum and the facility of the school - Toi Speed

### Demographic Information

**Principal start date**

Thursday 6/11/2020, Maryjo Costine

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

**Total number of teacher positions allocated to the school**

## Analysis

### Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

N?A

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

N/A

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

Math had the greatest gap when compared to the state average. The factors that contributed to this gap were many students have been retained at least one year and/or they have gaps in the learning due to non attendance in traditional schools prior to enrolling.

**Which data component showed the most improvement? What new actions did your school take in this area?**

The data component that showed the most improvement was ELA Learning Gains. New actions our school used was the use of an Instructional coach in intentional planning with teachers and focusing on improving student data.

**Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?**

1. Attendance

**Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.**

1. Improving attendance of all students
2. Improving school-wide data of all students
3. Providing a nurturing environment for all students
- 4.
- 5.

## Part III: Planning for Improvement

### Areas of Focus:

**#1. Instructional Practice specifically relating to ELA**

<p><b>Area of Focus Description and Rationale:</b></p>	<p>FSA-ELA Learning Gains/Proficient Levels Currently 16% of Juniors have met FSA-ELA graduation requirement.</p>
<p><b>Measurable Outcome:</b></p>	<p>The school will progress monitor student's measurable outcome with the STAR results, Achieve3000 (Lexile) and grades. The ACT &amp; SAT concordant scores will be used as measurable outcomes for students meeting proficient levels.</p>
<p><b>Person responsible for monitoring outcome:</b></p>	<p>Audrey Armstrong (audrey.armstrong@polk-fl.net)</p>
<p><b>Evidence-based Strategy:</b></p>	<p>Improved attendance. Increase student's frequency of taking ACT &amp; SAT to improve students possibility to earn concordant scores or super-scoring concordance. Register and prepare all juniors and seniors for the In School ACT Day to possibly earn the concordant score. Prep tutoring for Juniors on ACT &amp; SAT test taking strategies using research based practices.</p>
<p><b>Rationale for Evidence-based Strategy:</b></p>	<p>The ACT/SAT is offered up to 6 times per academic year. If students prepare and take the exam frequently, they have a better chance of reaching the concordant score for graduation. ELA and Reading teachers will use research based materials such as Kaplan preparatory materials to help students learn strategies for successful testing.</p>

**Action Steps to Implement**

*No action steps were entered for this area of focus*

## #2. Instructional Practice specifically relating to Graduation

**Area of Focus**  
**Description and Rationale:**

The current graduation rate is 50% for Gause Academy

**Measurable Outcome:**

The school plans to create a measurable tool to include students who earn Penn Foster diploma in graduation rate.  
 The school plans to increase the graduation rate of students earning Florida Diplomas and Penn Foster Diplomas to over 80%.

**Person responsible for monitoring outcome:**

Alita Alexander (alita.alexander@polk-fl.net)

**Evidence-based Strategy:**

Guidance will constantly monitor all students for academic progression towards earning a standard high school Florida diploma. Admin and teachers will meet with all students on a regular basis and have ongoing data chats to discuss exactly where students are and exactly what each individual student needs to do to improve and make learning gains.

**Rationale for Evidence-based Strategy:**

Teachers work daily with students, so it is imperative that they are forefront in discussing overall student data with them. Students will discuss this data and learning goals with all teachers so they will remain in the loop regarding their status for graduation and matriculation requirements.  
 Administration will also meet with students to discuss their data during a mid year senior conference and end of year senior conference. If students are constantly discussing their data and learning goals with admin and teachers, they will be more aware of grades and improvement and the exact step they need to take to improve. This strategy will help build up the students self confidence and help them to set and attain clear educational goals.

### Action Steps to Implement

1. Identify all lowest performing students using data in UNIFY, create a specific plan of improvement
2. Have ongoing data chats with those students regarding performance and steps to improve
4. Provide in class support for those students via teacher led small groups, one on one instruction, and small groups
5. Provide ongoing instructional support (via data chats, one on one and small groups) for all other students who have not need to meet graduation requirements
6. In January of graduating year, place all seniors who have not met graduation requirements in the Penn Foster program to ensure they receive a high school dipoloma in May of graduating year.

**Person Responsible** Daraford Jones (daraford.jones@polk-fl.net)

### Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

**School leadership team will work closely with the person responsible and monitor success and areas of improvements. Students will receive incentives for progression.**

## Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Some of the key items that are done to build a positive school culture and environment involving all stakeholders are:

- WE3 Expo and Career Academies
- PBIS activities
- School Social Worker Conferences and Counseling Sections
- Mentoring Groups/Programs
- Fall festival/ Spring fling
- School Psychologist and Mental Health Groups
- DrumBeats
